PRAYER

Fellow Rotarians and guests, lets bow down our heads and feel the presence of the Lord.

Almighty Father, we thank you for this beautiful morning and for arranging our schedule with your mantle of protection in attending our regular meeting. Thank you for giving us our professions and businesses. Thank you above all for giving us this opportunity to serve and share with those who have less in life.

Continue to shower us all these blessings that we may be able to serve mankind. Touch us and our brothers and sisters who are sick with your miraculous hands and bless the medicines they are taking. Bless and enlighten our leaders to continue working for peace and prosperity of our nation.

Bless the food we are about to partake that it may nourish us physically and spiritually and bless also the hands that prepared them. These we ask in the Mighty Name of Jesus, AMEN.

PRESIDENT'S CORNER

Good Day Fellow Rotarians,

Today, we are very pleased that our Anns are joining us. A warm welcome to you, dear Anns. Henceforth, once every month, we will be seeing our Anns in our regular meeting.

RENANTE ANGELO LIM
President, RY 2020-2021

We will be discussing a few things for our Joint area 3D fellowship this coming Sept. 13, 2020.

Here a few good things and activities to share with you all.

1. First, I am very happy to share to you that I was able to secure 6 new Laptop Computers in support to the Holy Cross High School's 'NO ONE WILL BE LEFT BEHIND' program. The Donor is a friend who wants to remain Anonymous. To friend Anonymous, thank you for your generosity. These Laptops will be used by the Students in Calabnogan Orphanage who are enrolled in HCHS. We will have a small turnover ceremony at HCHS and then a short tour of the school so we will have a glimpse at how on-line schooling looks like from the teachers' and administrators' perspective.
2. On Sept 19, we will have a lecture on Household farming at Greenbase Farm in Boloboloc, Sibulan. Then we proceed to Amor's Residence to have a fellowship there to celebrate ANN, Boots Amor's Birthday. So for all plant lovers, plantitos, and plantitas out there this is a good opportunity to know the secrets of organic farming and healthy vegetables grown at our backyard..

Thank you – STAY SAFE and BE HEALTHY!

Yours in Rotary,
Pres. Ran Lim

African region certified wild polio-free

Dear Rotarians,

It our pleasure to announce to you that the [African region has just been certified wild poliovirus-free](#).

Rotary members have played an invaluable role in the effort to rid the African region of wild polio. We should be proud of all the hard work that we've done to eliminate the wild poliovirus throughout Africa and in nearly every country in the world.

This progress is the result of a decades-long effort across [the 47 countries of the African region](#). It has involved millions of health workers traveling by foot, boat, bike and bus, innovative strategies to vaccinate children amid conflict and insecurity, and a huge disease surveillance network to test cases of paralysis and check sewage for the virus.

Over the last two decades, countless Rotary members in countries across the African region and around the world have worked together to raise funds, immunize children, advocate with local and national leaders, and raise awareness about the importance of vaccination, enabling the Global Polio Eradication Initiative (GPEI) to effectively respond to and stop polio outbreaks.

This milestone is an incredible public health achievement for Rotary members, the African region, and our GPEI partners, and a huge step forward on the road to global polio eradication. But we still have important work to do in order to eradicate wild polio in the last two endemic countries.

We have faced many challenges in our journey to eradicate polio. But we've made remarkable progress, and the polio infrastructure that Rotarians helped build will serve as a lasting legacy that will continue to help protect vulnerable children against other diseases for decades to come.

We are calling on you today to recommit yourselves to ending polio. We need each and every one of you to help finish this fight and [continue raising \\$50 million each year for PolioPlus](#). The eradication of wild polio in the African region shows us that polio eradication is achievable, and shows how our hard work, partnerships and financial commitment continue to propel us forward, even during a global pandemic.

Thank you for your continued efforts, for achieving a wild polio-free African region, and for remaining committed to fulfilling our promise of a polio-free world.

Sincerely,

Holger Knaack
