## PRAYER

Fellow Rotarians and guests, lets bow down our heads and feel the presence of the Lord.

Almighty Father, we thank you for this beautiful morning and for arranging our schedule with your mantle of protection in attending our regular meeting. Thank you for giving us our professions and businesses. Thank you above all for giving us this opportunity to serve and share with those who have less in life.

Continue to shower us all these blessings that we may be able to serve mankind. Touch us and our brothers and sisters who are sick with your miraculous hands and bless the medicines they are taking. Bless and enlighten our leaders to continue working for peace and prosperity of our nation.

Bless the food we are about to partake that it may nourish us physically and spiritually and bless also the hands that prepared them. These we ask in the Mighty Name of Jesus, AMEN.

## PRESIDENT'S CORNER

Dear Fellow Rotarians,

Just like that, We are about to depart the 3<sup>rd</sup> month of our RY2020-21. This week, We were rostered to turnover the laptop computers to Holy Cross to support the 'No one left behind' program but due to the delay in the arrival of the units, we will not be able to do that. We will re-schedule once a firm date of arrival is known.

So today, I am sharing to the club the project of the C.O.P.S. which is conceptualized by Pres. Bambi Navaro of the RC Dumaguete. This will be presented by Our Speaker today Mr. Rez Macion, president of Sangguniang Kabataan. Once we get to know more of this project, please share any idea you may have on how else we can support and give impact to this project.

Thank you once again and more power!

Yours in Rotary,  
Pres. Ran Lim

## ROTARY COACHES THE YOUTH

Continue from page 7...

Once these students will be identified we will now be tapping the vast resource of unemployed college grads in the Barangay preferably education graduates or even from the members of the SK who are qualified to tutor the children. We call them “Rotary Volunteer Tutors” or RVT.

Each Barangay will have a model of 2 RVT’s handling 25 students and will do their tutorial on a weekly basis. Figures will be dependent on the idiosyncrasy of a particular Barangay. (1) One RVT will be handling Grades 1-3 the other will be handling Grades. This is for the purpose of specialization. These RVT’s will be given an honorarium of 40-50 pesos per tutored children and will spend at least an hour assisting the children and ensuring that the child has a higher chance of completing the module. The children will be visited once a week until the student will be able to gain confidence. On top of the honorarium, we will also be providing 2 RVT T-shirt bearing the Rotary Logo, 1 Face-shield, 1 Face-mask, personal alcohol and will be oriented on how to avoid possible contamination during his tutorial activities. A week before the start of Classes in the public school which is on October 5, 2020, the RVT’s will be coordinating with the teachers of their assigned grade level, familiarize themselves with the module and identify possible prob-

lems in preparation for their tutorial services. Every Saturday, the RVT’s will be doing 1 last round of their students for evaluation and possible intervention if required. In the afternoon the RVT will provide a progress report to the assigned Rotarian’s in that Barangay for monitoring. An honorarium and snacks will be provided to the RVT on that day. This program will run for 2 months starting on October 05, 2020 and visits will be tapered down depending on the needs of the students. From 4x a week tutorial on the first 2 months to 2x a week on the third month and finally once a month till the student will gain confidence.

Now why is the program called “Rotary Coaches the Youth”. This is because Rotary coaches the youth to utilized the resources they have in the Barangay like the unemployed college grads to help the students from the public school have a better chance in education while providing guidance and financial compensation to the Rotary Youth Volunteers or RVT. In short with this program we will be hitting 2 birds with one stone.

## ROTARY COACHES THE YOUTH

This Program was conceptualized after viewing and studying the prevailing educational system for Primary students in the Philippines given the current Pandemic situation. The educational system in the Country right now is categorized into (2) two. The on-line system which is mostly utilized by Private Schools and the Module System which will be practiced by the Public schools starting October 5, 2020. “Rotary Coaches the Youth” will be targeting the students from the Public School who will be operating on the Module System. The idea of the Module system is that the student/parents will pick up the module from the school or designated kiosk, bring the module home, answers it, and bring back the completed module to the school the following Monday and then secure another set of module, answer it again and so on and so forth. Since the Module System is a home based learning it is expected that in case the student will have some difficulty the family will provide assistance. However in reality this will be a long shot. Why? Because incidentally a

significant number of parents of public school students are not equipped to provide help because either #1. They themselves are not capable enough or #2. The parents are out there making ends meet by working, like selling vegetables in the market, doing laundry or etc just to put food on the table. Given these circumstances, and without proper guidance and tutorial, the student will likely to drop out. Numerous children will be left behind. This is where the program of “Rotary Coaches the Youth” will come in.

By collaborating with Sanguniang Kabataan (SK) of each Barangay, we will be identifying the recipient through (4) criteria:

1. Students from grade 1-6
2. Socio-economic status of the student family
3. Nature of the work of the Parents of the student
4. Capacity of the Parents to teach the student
