PRAYER

Dear Lord, we offer this gathering to you, and ask you to bless it with our wisdom and grace. We thank you for the opportunity to be together to grow in our love and service of your and of each other. We ask you to enlighten our minds to know what is true and just, and strengthen our wills to carry out faithfully what we come to see as our duty. May all our thoughts, words and actions be directed to making your name and your love letter known among man, for their sanctification and their happiness here and in eternity. AMEN.

PRESIDENT'S CORNER

Dear Fellow Rotarians,

A pleasant Day to you and to your family!

I am very pleased to see our attendance is coming back to a good number again. It shows clearly how dedicated we are to our Club and to Rotary.

I welcome our in coming member, a transferee from RC Bais, Dr. Elmer Baylon. Its an honor to have you in our club.

Today, I would like to inform the group that I have accepted the invitation of Metro Dumaguete Water to participate in the upcoming event INTERNATIONAL WORLD WATER DAY on March 22, 2021, Monday at Barangay Lunga, Valencia. There will be a tree planting in the said area. I hope you will support me in this event.

Our Anns will be joining us in our next meeting. Hopefully our speaker will push thru also.

Travel is now open so keep safe and be extra careful. Please wear mask at all times and wash hands with soap frequently.

Yours in Rotary,
Pres. Ran Lim

February 2021 Training Talk

Blend your training in 2021-22

Rotary and Rotaract members all over the world have responded to the COVID-19 pandemic by helping those in need and keeping our communities safer. Trainers and training participants, too, have helped protect themselves, each other, and their communities by meeting virtually and using Rotary's online resources to keep learning so Rotary can keep doing good. The RI Board recommends that clubs and districts take a flexible approach to training when the pandemic ends by offering blended training meetings — ones that combine online and in-person activities.

You can start by:

- ◆ Asking current and incoming governors, district trainers, district Rotary Foundation chairs, and district membership chairs to complete the [Access to Learning Center Reports](#) course to start getting reports on members' progress in Learning Center courses by email every Monday
- ◆ Encouraging all incoming club and district leaders to take the courses for their roles
- ◆ Asking participants to complete certain courses as preparation for other training
- ◆ Updating your usual training plans to include Learning Center courses or other resources and build on them with online or in-person facilitated training or discussions

Start thinking now about what you want your club or district training to be like next year. Plan to keep doing anything that has worked well in virtual training meetings and decide what activities or topics are better suited to in-person training. Don't forget to ask participants what they prefer.

Here are some resources to help you:

- [Conducting Online Training course](#)
- [Online Content for District Team Training Seminars](#)
- [Tips for Planning a Virtual PETS or District Training Assembly](#)
- [Offering Training Online](#)

Go to the [learning topics](#) in the Learning Center for more training resources.

After registering, you will receive a confirmation email containing information about joining the meeting.

INTERNATIONAL WORLD WATER DAY

March 22, 2021

On 22 March 2021, World Water Day will be celebrated in an online event. The [World Water Day](#) celebrates water and raises awareness of the global water crisis, and a core focus of the observance is to support the achievement of Sustainable Development Goal (SDG) 6: water and sanitation for all by 2030.

The theme of World Water Day 2021 is valuing water. The value of water is about much more than its price – water has enormous and complex value for our households, food, culture, health, education, economics, and the integrity of our natural environment. If we overlook any of these values, we risk mismanaging this finite, irreplaceable resource. SDG 6 is to ensure water and sanitation for all. Without a comprehensive understanding of water’s true, multidimensional value, we will be unable to safeguard this critical resource for the benefit of everyone.

DUMAGUETE WATER IS INVITING US, RCDS FOR A TREE PLANTING ACTIVITY ON MARCH 22, 2021 IN LUNGA, VALENCIA IN CELEBRATION TO THIS EVENT.

ROTARY INFORMATION MARCH 2021

March 2021 Water and Sanitation Month

Clean water, sanitation, and hygiene education are basic necessities for a healthy environment and a productive life.

When people have access to clean water and sanitation, waterborne diseases decrease, children stay healthier and attend school more regularly, and mothers can spend less time carrying water and more time helping their families.

How Rotary makes help happen

Through water, sanitation, and hygiene (WASH) programs, Rotary's people of action mobilize resources, form partnerships, and invest in infrastructure and training that yield long-term change.
