Interview

Human resource manager to an applicant:

“Before our company accepts you to work here, I need to know if you are often late and if you tend to tell lies and steal things?”

“No. But if the company needs this kind of people I can learn quickly.”

PRAYER

Let us entrust in the loving care of our merciful Father, the King of Kings and the Lord of Peace, the state of our lives, our locality, country and the whole world.

Peace-loving Father, You are so good to us, You have not only given us life; You have also given us challenges that raise us to the higher level of beings, giving meaning to our lives, giving us to courage to hold on to Your will. As we respond to all the challenges of our day-to-day living, let the radiance of Your peace shine in each of our heart so that there will be genuine peace, of self and society. Free us from all troubles, divisiveness and adversities; protect us from the bondage of evil and let peace and harmony reign all over the land.

Finally, loving Father, as we beseech You for peace and order in our community, in our country and for all mankind, cover each everyone of us here present with Your mantle of love and protection – and let the work for peace and order begin with each one of us, with me.
AMEN.

PRESIDENT'S CORNER

Dear Fellow Rotarians,

Welcome to our regular meeting!

RENANTE ANGELO LIM
President, RY 2020-2021

World Water Day is on March 22, 2021. And as our way of commemorating it, today, we are very fortunate to have guests to speak to us on it. We have no other than the COO of Metro Dumaguete Water, Mr. Angelo David Berba, accompanied by their consultant, our very own friend and active club member In his youth, Mr. Alex Pal.

We all know how water plays a vital role not only in our lives but to the whole ecosystem. Our club has done a few water-related projects. Among them are those in NOPH and Manjuyod. It is probably a good time to revisit them.

On March 22, 2021 we will join the Tree Planting Activity to support and improve the water shed of our land. This is a Monday, I know everyone is at their work place but I encourage and hope that we get to spare a little of your time for the greater good.

Thank you everyone for your strong support in our club. Stay safe and wear your mask at all times.

May God Bless us all!

Yours in Rotary,
Pres. Ran Lim

ROTARY INFORMATION

MARCH 2021

March 2021

Water and Sanitation Month

Clean water, sanitation, and hygiene education are basic necessities for a healthy environment and a productive life.

When people have access to clean water and sanitation, waterborne diseases decrease, children stay healthier and attend school more regularly, and mothers can spend less time carrying water and more time helping their families.

How Rotary makes help happen

Through water, sanitation, and hygiene (WASH) programs, Rotary's people of action mobilize resources, form partnerships, and invest in infrastructure and training that yield long-term change.

After registering, you will receive a confirmation email containing information about joining the meeting.

INTERNATIONAL WORLD WATER DAY

March 22, 2021

World Water Day focuses on water's importance

The COVID-19 pandemic has made it clearer than ever that hand washing — which requires a safe water source — is essential to our health. Yet more than 2 billion people worldwide don't have access to clean water. Since 2014, The Rotary Foundation has invested more than \$51 million in global grants to enable clubs to carry out projects that help people around the world with clean water, sanitation, and hygiene. For World Water Day on 22 March, [learn how you can get involved in a water project](#) and give to support our work in this area through our [Donate page](#). Go to the **Areas of Focus** tab and choose **Water, Sanitation, and Hygiene**.

Rotary and COVID-19 vaccinations

Six district governors in Zones 33 and 34 worked with the Department of Health and Human Services in North Carolina, USA, to assist with COVID-19 vaccination efforts. The governors created a list of contacts from each Rotary club in their districts to provide to the state's health department, which in turn shared it with local health departments. The state also offered Rotary members across the state training about vaccinations, to empower them to raise awareness in their communities. Members volunteered at local vaccination sites to help health officials with logistics including data entry, crowd control, and patient registration. [Learn more about this story on Rotary Voices](#), and share what your clubs are doing to assist with vaccination efforts on [Rotary Showcase](#).
