## PRAYER

Lord Jesus, we thank you for this beautiful morning, for this new light of the day before us. We pray that through this light you may let us see years own ray of sunshine that will enlighten our minds and strengthen us to pursue you will this day Lord, we do not ask you for an easy day; just for your guidance and strength to be able to pull through despite all odds that we could be up against.

Fill our hearts with your beautiful rays of sunshine that we may share this with our friends, brother and sisters and all the people we shall coming in contact today. Amen.

## PRESIDENT'S CORNER

Dear Fellow Rotarians,

Today, I proudly share with you the outcome of the activity last Sunday, March 21, 2020 that our club participated in. This was the Tree Planting activity headed by the Metro Dumaguete Water to celebrate World Water Day. The event was very well attended by mostly young people from different agencies. I am emphasizing this because we all know how important water is in our lives, not only as nourishment, but also to fight against this virus still in our midst. The area where we planted is part of the reserve area of the MDW (formerly DCWD) as their watershed.

SPECIAL MENTION TO PP JOE CHIU as the most energetic and the strongest among us. It was a tough climb to the summit but he most definitely beat it.

Our group was also joined by the Provincial HPG led by our very own Sec Ely Bodo.

The day started with a small program and Zumba exercise to warm us up. It ended with a small fellowship with Mr. Alex Pal and Ms. Kate Young Ricardo at the Naspri Restaurant in Valencia Town.

Once again, thank you to all who participated and I hope more can join next time.

God bless us all.

Pres. Ran Lim

## PROVIDING CLEAN WATER WITH OUR FOUNDATION

Dear Renante Angelo,

So much in our lives depends on access to clean water. We wash our hands with it to keep ourselves and our communities healthy, cook meals with it to nourish our bodies, and rely on it for proper sanitation. Yet there are still communities around the world that don't have reliable sources of clean water, but you can help.

Gifts from donors to The Rotary Foundation help provide access to clean water around the world. Residents of the Fulani Doka Mai-Jama'a community in Kaduna, Nigeria, can now use water from a solar-powered borehole water supply system. In Australia, Rotarians are empowered to [clean the rivers](#) in their communities. In the United States, Rotarians [fought toxic blue-green algae](#) in the Great Lakes. Rotary members partnered with local fishermen to build an [artificial reef that helped save the fishing industry](#) in Atimonan, Quezon Province, Philippines.

You can help ensure that people everywhere have access to this valuable resource with a [gift to The Rotary Foundation](#). Your gift helps fund water, sanitation, and hygiene programs that empower Rotary's people of action to mobilize resources, form partnerships, and invest in infrastructure and training that all yield long-term change.

This World Water Day, we hope you can take action and make a donation to ensure clean water for those who need our help in communities around the world.

Sincerely,  
The Rotary Foundation
