*Nude is not God*

Two men are people-watching on a nudist beach.

One says: "This is not good! Nudist beaches shouldn't be allowed."

Another says: "You must be quite conservative."

"No. I am an owner of a swimsuit company!"

## PRAYER

Keep us, O Lord, from pettiness. Let us be thoughtful in work and deed.

Help us put away pretense and face each other in deep trust without fear or self-pity.

Guard us from ill-temper and hasty judgment.

Encourage us to make time for all things; to grow calm, serene and gentle.

Help us to be swift with kind words. Teach us never to ignore, never to hurt, never to take each other for granted.

Engrave charity and compassion in our hearts.

Amen.

## PRESIDENT'S CORNER

Good day and welcome to this week's meeting.

World polio vaccination drive is from April 21 to 24. Our club continues to play a big role as our contribution has been recognized by Rotary Foundation. The contributions and dues we diligently remit has helped in Rotary's thrust to end Polio and so thank you to all of us.

I also thank you all for the successful induction we held last week.

Lastly, I would like to remind everyone to stay extra careful as our Covid daily new case count in Negros Oriental outnumber daily recoveries.

Keep safe everyone.

Yours in Rotary,  
Pres Ran Lim

**RENANTE ANGELO LIM**  
President, RY 2020-2021

## APRIL 2021

Sun	Mo	Tue	We	Thu	Fri	Sat
				1	2	3
4	5	6	7	8	9	10
11	12	13	14	15	16	17
18	19	20	21	22	23	24
25	26	27	28	29		

Dear Club Presidents,

In these difficult days, we are so heartened to receive such uplifting reports on the unrelenting efforts of our Rotary members who have responded in their communities against the COVID-19 pandemic.

Today, the single question we hear time and again is, “Are we getting involved with COVID vaccination?”

**The answer is yes.**

This does not mean we will deviate from our commitment to eradicating polio, which remains our highest priority and continues to be our only corporate program. Polio vaccinations must continue unabated, as must our effort to raise \$50 million per year for this effort.

But now, COVID-19 vaccines are becoming available around the world, and our members have an important role to play.

We ask you to encourage your club to:

- Use Rotary’s knowledge of vaccine safety and efficacy based on our polio eradication experience to support vaccination efforts in your communities. This will need to be tailored to local contexts to address unique cultural and regional needs.
- As vaccine distribution begins in your country, partner with local organizations or health authorities to offer your club’s support with vaccination efforts as required.
- Help combat the powerful, growing force of vaccine resistance and misinformation. Advocacy in our communities is critical — we need to spread the message about the power of vaccines to protect lives.
  - Stop the spread of COVID-19 by continuing to engage in projects supporting mask-wearing, distancing, proper hygiene practices, and donations of personal protective equipment — before *and* after vaccination.

Please take a moment to view the above video message, and [share with your networks](#). As your club gets involved with local vaccination or COVID-19 prevention efforts, please add your project on [Rotary Showcase](#) (please log in to My Rotary first, and navigate to Rotary Showcase).

We look forward to learning how your club is working to support vaccination efforts in order to bring the COVID-19 pandemic to an end.

Thank you.

Holger Knaack  
President, Rotary International

K.R. Ravindran  
Chair, The Rotary Foundation

## ATTENDANCE REPORT

### April 07, 2021

Total Membership Except Honorary	Column A No. of members used in calculating attendance	Column B No. of members Present or made-up	Column C Weekly Percentage Attendance B/A = C
31	30	19 (12-present) (07-made-up)	63.00%

**AURELIO L. BODO**  
Secretary, RY 2020–2021

Attendance on April 07, 2021 Club meeting started at 6:30 a.m.

1. Rtn. Erp Bustamante
2. Treas. Tona Matiao
3. SAA Edo Adriano
4. Pres. Ran Lim
5. Sec. Ely Bodo
6. Rtn. Jessie Mascardo
7. FP Henry Sojor
8. FP Ely Escorial
9. FP Alex Amor, Jr.
10. Rtn. Elmore Baylon

### GUESTS & VISITING ROTARIAN April 07, 2021 meeting

1. Ann Rose Bodo

Welcome our new members

1. Elmore Baylon
2. Angelo David Berba

### WHERE TO MAKE UP

#### WEDNESDAY

Rotary Club of Dumaguete South, Chin Loong Restaurant, Rizal Boulevard  
6:30 A.M.

#### THURSDAY

Rotary Club of Dumaguete East, Ang Tay Golf, 8:00 P.M.

#### FRIDAY

Rotary Club of Dumaguete North, Ang Tay Golf 8:00 P.M.

WELCOME BACK!

Rtn. ALEX PAL

## REMINDER

**Kindly pay your P3,000.00 for RI & Club dues for 2nd semester RY 2020-2021. Please pay to avoid termination of RI Membership. Thank you!**

## Philippine WASH project delivers toilets, hygiene education to villages

*Continuation from page 6...*

Before a single brick was shipped, Rotary developed friendships and gained buy-in from the community. Rotary was able to leverage an existing profile of Flora and Kawayan to guide the project, including information on race, history, socio-economic conditions, family units, source of livelihood, and means of transportation.

“On our first visit, one of the leaders said that nongovernment organizations and politicians had visited them often, promising to build toilets,” recalls Floren Naguit, project manager and member of the Intramuros Rotary Club. “But none had ever been built.” Until now.

Work began in Flora in early 2018 during the dry season, December through April, when roads are most passable. Together with their international partner, the Rotary Club of Batemans Bay, Australia, the club organized three-person work crews and local volunteers to haul materials by Jeep and carabao-pulled carts up mountain roads and across 26 rivers.

Septic tanks were installed, foundations set, walls and roofs built, tiles laid, toilet bowls inserted, solar lamps added, and use and care signs hung. Construction in Kawayan began after Flora was completed, with the total project dedicated in early 2020.

The project paid local teachers, hired by the government, a small stipend to lead three small workshops for clusters of two to three families, and include education on safe hygiene in their lesson plans to encourage behavior change.

“Behavior change is hard,” says Mark Balla, vice chair of the Water and Sanitation Rotary Action Group, “You’re asking people to do something different from what they were comfortable doing before.” But without it, people can slip back into past habits and toilets can fall into neglect or disrepair.

Perhaps most importantly, Balla stresses the need for patience.

“You are going to get imperfect results. There are no perfect projects,” he said. “We need to understand that we are striving for continual improvement.”

Knowing that monitoring and measurement are critical, the Rotarians performed follow up surveys with the Aeta, asking questions about toilet use and handwashing behavior.

Although visits were suspended in early 2020 due to the COVID-19 pandemic, and then from September to December when the rainy season makes roads impassable, they are scheduled to resume in 2021.

[Learn more](#) about Rotary’s work in water, sanitation, and hygiene.

## Philippine WASH project delivers toilets, hygiene education to villages

### Rotary gets the job done where others failed

In 1991, Mount Pinatubo erupted after 600 years of inactivity and destroyed homes and farms, displacing many indigenous Aeta living in the highlands of central Luzon, Philippines.

While Aeta can refer to several different related ethnic groups, the Aeta here are descendants of Mag-Antsi, who following the eruption, were resettled by the government. Since then, many have returned to their ancestral lands to rebuild and reestablish their communities.

The roughly 43 families in Flora and 79 in nearby Kawayan make a living farming. While Aeta in other areas have been granted title to their ancestral land by the government, these Aeta have seen their lands shrink and their source of livelihood suffer as people from the lowlands staked competing claims during their resettlement years.

Like more than [10 million households in the Philippines](#), they lack sanitation facilities. The Philippines government has made progress in extending water to its 109 million inhabitants, but long-term plans to expand sanitation are running behind, especially in rural regions. This reduced access to personal hygiene exposes communities to diseases like diarrhea and cholera, and can lead to decreased school attendance, malnutrition, poor oral health, and fear of violence in women who must practice personal hygiene outdoors, according to a [report by UNICEF](#).

To combat these problems, the Rotary Club of Intramuros-Manila developed a water, sanitation, and hygiene (WASH) project that installed 25 toilets in the Aeta communities of Flora and Kawayan and three in Babo. Rotary members made visits to the community to learn about and understand current hygiene practices, willingness to work on the project, and the communities desire for toilets.

ROTARY INFORMATION

WORLD  
IMMUNIZATION  
WEEK

END  
POLIO  
NOW

## World Immunization Week is 24-30 April

Join with Rotary to promote the power of vaccines.

During World Immunization Week, 24-30 April, join with Rotary to combat vaccine hesitancy and misinformation by spreading the facts about why #VaccinesWork.

With decades of experience fighting polio, Rotary plays a key role in informing people about the power and effectiveness of vaccines. As COVID-19 vaccines become more available, Rotary members are using our experience in fighting polio to help communities with their [vaccination education and organization efforts](#). And today, because we and our partners have worked so hard, wild poliovirus remains endemic in only two countries: Afghanistan and Pakistan. But to eradicate it there and to prevent a resurgence in other parts of the world, we must continue to build trust in vaccines and raise funds for polio eradication, including vaccine delivery.

This year, you can take action for World Immunization Week in three easy ways: [Download and share](#) our new two-minute video, “Rotary Inspires Leaders in Global Health,” and [show](#) it to your clubs. In it, global health leaders like U.S. infectious disease expert Dr. Anthony Fauci, Bill & Melinda Gates Foundation Co-Chair Bill Gates, UNICEF Executive Director Henrietta H. Fore, and World Health Organization Director-General Dr. Tedros Adhanom Ghebreyesus talk about what Rotary has achieved in the fight to end polio.

Post graphics and other content from Rotary’s [World Immunization Week Toolkit](#) on social media with the hashtags #EndPolio and #VaccinesWork.

[Donate](#) to Rotary’s PolioPlus Fund to help us and our partners deliver polio vaccines to vulnerable children. Your contribution will be tripled, thanks to the Gates Foundation.
