PRAYER

Almighty and Ever living God, source of all Goodness and Wisdom, the Father of time and ages, You have graced men and women with time and it's abundance through years in their living up such grace garnished with ups and downs, successes and failures, lapses and accomplishments, and everything that adds color into the lives of our Elders and Olds. Let their lives be the light that shines in the path of the young worthy to be model of a wholesome new generation. Make them so humble to accept failures and lapses of old for them to teach the young to do more for the better future. As a maxim would say: Failures of old makes the young believe they are right." By the power of your might, make the failures of old be a LESSON that a HINT of the young.

LORD GOD the Father, as the twilight comes into the lives of the olds, grant them the sunshine after sunset for them to glorify your name forever. Amen.

ROTARY INFORMATION

World Immunization Week is 24-30 April

Join with Rotary to promote the power of vaccines.

During World Immunization Week, 24-30 April, join with Rotary to combat vaccine hesitancy and misinformation by spreading the facts about why #VaccinesWork.

With decades of experience fighting polio, Rotary plays a key role in informing people about the power and effectiveness of vaccines. As COVID-19 vaccines become more available, Rotary members are using our experience in fighting polio to help communities with their [vaccination education and organization efforts](#). And today, because we and our partners have worked so hard, wild poliovirus remains endemic in only two countries: Afghanistan and Pakistan. But to eradicate it there and to prevent a resurgence in other parts of the world, we must continue to build trust in vaccines and raise funds for polio eradication, including vaccine delivery.

This year, you can take action for World Immunization Week in three easy ways: [Download and share](#) our new two-minute video, "Rotary Inspires Leaders in Global Health," and [show](#) it to your clubs. In it, global health leaders like U.S. infectious disease expert Dr. Anthony Fauci, Bill & Melinda Gates Foundation Co-Chair Bill Gates, UNICEF Executive Director Henrietta H. Fore, and World Health Organization Director-General Dr. Tedros Adhanom Ghebreyesus talk about what Rotary has achieved in the fight to end polio.

Post graphics and other content from Rotary's [World Immunization Week Toolkit](#) on social media with the hashtags #EndPolio and #VaccinesWork.

[Donate](#) to Rotary's PolioPlus Fund to help us and our partners deliver polio vaccines to vulnerable children. Your contribution will be tripled, thanks to the Gates Foundation.

Ideas for strengthening membership

Understanding Rotary members' needs — the key to engaged members

What do members want from their Rotary experience? And why do some members leave? Our research shows that members value local community service, friendship, and fellowship most. They cite time and cost, the club environment, and unmet expectations as reasons for leaving.

The key to engaging members is providing an experience that meets their needs and expectations. Learn more in the newly revised presentation [The State of Rotary Membership](#), which contains membership data and trends for the first half of the 2020-21 Rotary year. In it, you'll also find ways to address membership challenges so you can finish the year strong. The 12-slide PowerPoint presentation can easily be customized to meet your region's needs. Con-
