PRAYER

In the name of the Father, the Son, and Holy Ghost.

Holy Spirit Thou who made us see everything and show us the way to reach our ideals. You gave us the divine gift to forgive and forget wrong that is done to us and who are in all instance of our lives with us. We, in this short dialogue, we want to thank you for everything and confirm once more that we never want to be separated from You no matter how great the material desires maybe, we want to be with You and our loved ones in your perpetual glory. AMEN.

PRESIDENT'S CORNER

Dear Fellow Rotarians,
Greetings!

I am happy to share with you that fellow Rotarian Ele Escorial and Ann Annabelle are already home and recovering..

Thank you for all your prayers for them.

October is World Polio month and we have an activity on October 24, 2021 at at 6 o'clock in the morning in Pantawan 2. The current status now is as per report, 1 case in Pakistan and 1 case in Afghanistan. So we are very close to 100% Polio eradication.

As TRF month is also fast approaching.. May I remind our sustaining members to please continue and share to The Rotary Foundation and become a Paul Harris Fellow. The district will match US\$500 if we give US\$500. So instead of giving US\$1000, only US\$500 is required to become a PHF.

Thank You everyone for participating and making time for our Club.

God Bless and Keep safe always!

Yours in Rotary,
Pres. Ran Lim

ROTARY INTERNATIONAL NEWS

and innovations that improve access to remote areas, we are optimistic that we can eliminate polio.

Ensuring Success

Rotary has committed to raising \$50 million per year for polio eradication. The [Bill & Melinda Gates Foundation](#) has pledged to match that 2-to-1, for a total commitment of \$150 million each year. These funds provide much-needed operational support, medical workers, laboratory equipment, and educational materials. Governments, corporations, and private donors all play a crucial role in funding.

Rotary in Action

More than 1 million Rotary members have donated their time and money to eradicate polio, and every year, hundreds of members work with health workers to vaccinate children in countries affected by polio. Rotary members work with [UNICEF](#) and other partners to prepare and distribute informational materials for people in areas that are isolated by conflict, geography, or poverty. They also mobilize to recruit fellow volunteers, assist in transporting the vaccine, and provide other logistical support.

Celebrity Support

Rotary has a growing list of public figures and celebrities who support our fight against polio, including Bill Gates, co-chair of the Bill & Melinda Gates Foundation; actresses Kristen Bell and Archie Panjabi; actor and wrestling superstar John Cena; supermodel Isabeli Fontana; Nobel Peace Prize laureate Archbishop Emeritus Desmond Tutu; action-movie star Jackie Chan; actor Donald Sutherland; boxing great Manny Pacquiao; pop star Psy; golf legend Jack Nicklaus; conservationist Jane Goodall; premier violinist Itzhak Perlman; Grammy Award winners A.R. Rahman, Angélique Kidjo, and Ziggy Marley; and peace advocate Queen Noor of Jordan. These ambassadors help Rotary educate the public about the disease and the fight to end polio for good.

WORLD POLIO DAY
IS 24 OCTOBER

ROTARY AND POLIO

Polio

Poliomyelitis, or polio, is a paralyzing and potentially fatal disease that still threatens children in some parts of the world. Poliovirus invades the nervous system and can cause total paralysis in hours. It can strike people of any age but mainly affects children under five. Polio can be prevented by vaccines, but it is not curable. Unlike most diseases, polio can be eradicated.

PolioPlus

For more than 30 years, Rotary and our partners have driven the effort to eradicate polio worldwide. Our [PolioPlus](#) program was the first initiative to tackle global polio eradication by vaccinating children on a massive scale. As a core partner in the [Global Polio Eradication Initiative](#), Rotary focuses on advocacy, fundraising, volunteer recruitment, and awareness-building.

Rotary members have contributed more than \$2.2 billion and countless volunteer hours to protect nearly 3 billion children in 122 countries from this paralyzing disease. Rotary's advocacy efforts have played a role in decisions by governments to contribute more than \$10 billion to the effort.

Polio Today

When Rotary and its partners formed the GPEI in 1988, there were 350,000 cases of polio in 125 countries every year. Today, we have reduced polio cases by 99.9 percent, and just two countries continue to report cases of wild poliovirus: Afghanistan and Pakistan. Because of the efforts of Rotary and its partners, nearly 19.4 million people who would otherwise have been paralyzed are walking, and more than 1.5 million people are alive who would otherwise have died. The infrastructure we helped build to end polio is also being used to treat and prevent other diseases (including COVID-19) and create lasting impact in other areas of public health.

Challenges

Rotary and our partners have made tremendous progress against polio, but eliminating all cases is going to take even more progress and perseverance. Afghanistan and Pakistan face unique challenges, including political insecurity, highly mobile populations, difficult terrain, and, in some instances, vaccine refusal and misinformation. With sufficient resources, the commitment of national governments,
