

# HAPPY BIRTHDAY

January 2022

## JOKE

### It's A Boy

A middle-aged couple had two beautiful daughters but always talked about having a son. They decided to try one last time for the son they always wanted. The wife got pregnant and delivered a healthy baby boy. The joyful father rushed to the nursery to see his new son. He was horrified at the ugliest child he had ever seen. He told his wife, "There's no way I can be the father of this baby. Look at the two beautiful daughters I fathered! Have you been fooling around behind my back?" The wife smiled sweetly and replied, "Not this time!"

**PRAYER**

Psalm 23 concluded with this glorious line: "Surely goodness and mercy shall follow me all the days of my life.

Almighty God, and Ever-loving Father, this is Your way of saying that our lives will open be filled with Your Goodness. And even when Your goodness cannot be seen, You are sure to be there with Your mercy.

And so, Father in heaven, today, we come to your holy throne with a list of our supplications. If it pleases You, we would like to present our request according to the recipes of happiness formulated by Goethe, the poet and philosopher. In Your infinite Goodness, grant unto us, therefore, the blessings of "the nine prerequisites for contented living:"

- health enough to make work a pleasure;
- wealth enough to support our needs;
- strength enough to battle with difficulties and overcome them;
- grace enough to confess our sins and forsake them;
- patience enough to toil until some good is accomplished;
- charity enough to see some good in our neighbor;
- love enough to move us to be useful and helpful to others;
- faith enough to make real the things of God;
- hope enough to remove all anxious fears concerning the future.

For all this blessings, giving Father, we thank You and AMEN.

**PRESIDENT'S CORNER**

Dear Fellow Rotarians,

Good Day everyone! We a year where we get to choose officers for our club for Rotary. Thus, our task today, is to carry the banner and lead our club and functions in Area 3D, in the District and to Rotary International.

Also, as we are now in the 2nd semester of RY 2021-22, just a gentle reminder of our RI and Club dues...

Let me share to you that we still have funds for the Relief operation—Odette. The Secretary and I are planning for an outreach to the mountains of Bindoy to predetermined victims of typhoon Odette. The mission requires a 4x4 vehicle and a short mountain climbing.

The 3rd wave of Relief Operations is yet to be determined and scheduled as we observe more relief operations being conducted by other private groups. We are looking at a more sustainable approach on how to help the community in rebuilding their homes to be stronger and safer.

Thank you and God Bless to all!

Yours in Rotary,  
Pres. Ran Lim

**ATTENDANCE REPORT**

# A SAMPLE APPROACH ON HOW TO BUILD A SAFER AND STRONGER HOMES (BY LOKALLAB-SIARGAO)

## HOW TO REBUILD OUR HOMES BACK SAFER AND STRONGER

KEY MESSAGES ON COORDINATING HUMANITARIAN SHELTER

### WHEN A TYPHOON HAPPENS, HOW CAN IT AFFECT OUR HOMES?

### 2 BRACE AGAINST THE STORM

Strong bracing stops your house being pushed over or pulled apart by the wind. Bracing needs to be strong against being crushed along its length or pulled apart. Brace between the strong points of your house

IF YOUR HOUSING HAS BEEN AFFECTED BY A TYPHOON, HERE ARE KEY AFFORDABLE WAYS TO BUILD YOUR MAKESHIFT SHELTER OR HOME:

### 1 BUILD ON STRONG FOUNDATION

Foundations are very important as they anchor your house to the ground. Ensuring foundations are suitable to your building's location and ground conditions protect your house from strong winds, earthquakes and flooding.

#### WHAT YOU CAN USE FOR A STRONG FOUNDATION

### 3 USE STRONG JOINTS

Your house is only as strong as the weakest joint. Build every joint so it can't be pushed or pulled apart. Horizontal nails are better as they can't be pulled apart by the wind sucking your house up or pulling it down.

#### WHAT YOU CAN USE TO STRENGTHEN JOINTS

### 4 A GOOD HOUSE NEEDS A GOOD ROOF

The way you design and build your roof is critical to protect you against strong winds and rain. Build your roof the right shape and pitch, and well nail down to protect against a storm.

- A THE BEST ROOF PITCH IS 30°
- B USE MORE NAILS AT ALL THE ROOF EDGES

#### WHAT ROOF SHAPES SHOULD YOU USE?

### 5 A SIMPLE SHAPE WILL KEEP YOU SAFE

The way you design and build your roof is critical to protect you against strong winds and rain. Build your roof the right shape and pitch, and well nail down to protect against a storm.

#### HOW SHOULD YOU PLAN A GROUP OF BUILDINGS?

### 6 COLLECT RAINWATER WITH YOUR ROOF

You can use your roof as a collection surface for rain and storm water, which can then be reused.

## RY 2022-23 NEW SETS OF OFFICERS

President Elect (RY23-24)	:	
President	:	Aurelio "Ely" L. Bodo

## ROTARY INFORMATION

Dear District Governors and Club Presidents,

We see the decision to vaccinate as a civic and humanitarian impetus of a religious organization, it is a service organization and this is the lens through which we view our position.

- Global vaccination is the path to ending the pandemic and the emergence of new variants. Rotary endorses and strongly encourages vaccination for all individuals including our members who are currently able to be vaccinated against COVID-19. In areas where COVID-19 is surging, communities are facing extreme challenges, health systems are overwhelmed, and contentious rhetoric is dividing us. It is critical that the virus be contained so that the world may begin to heal. To that end, the purpose of this statement is to reinforce Rotary's position.
- Misinformation has become an "infodemic" that hinders the fight against COVID-19. In line with our Four-Way Test, Rotary International and The Rotary Foundation are committed to providing our members with science-based information.
- Rotary International staff at One Rotary Center were required to be vaccinated by 10 October 2021, as a criterion for employment after that date. RI's employee vaccination rate stands at over 99 percent.
- Globally, Rotary is actively engaged in assuring equity in vaccine access to all people. Our efforts have included advocacy with the G-20, and a proof-of-concept program with GAVI/COVAX to leverage our frontline experience with polio eradication to facilitate vaccine delivery in several low- and middle-income countries where Rotarians are active. While we know many clubs are already deeply involved in COVID-19 prevention, we are working on additional strategies to multiply our collective efforts. GAVI/COVAX is a partnership including WHO and UNICEF focused on global access and delivery of COVID-19 vaccines.
- Those children for whom vaccines are not currently available are at significant risk. Until vaccines are available for all children, the vaccination of adults is the best way to protect children who cannot be vaccinated. Pediatric admissions for COVID-19 are rising precipitously in areas of low vaccination.
- Rotary salutes health care workers everywhere as they continue to provide lifesaving services. Local recognition of these heroes by each of our clubs can help to encourage them to continue their important work. Rotary abhors any harassment and attacks on healthcare workers.
- Rotary and Rotaract clubs are encouraged to
  - set good examples by being exemplary role models;
  - redouble their efforts to support COVID-19 treatment, prevention, and vaccination efforts.
  - Vaccines have proven to be one of the greatest advances of modern medicine. The World Health Organization estimates that vaccines save between 2 to 3 million children's lives each year, and the Global Polio Eradication Initiative estimates the polio vaccine has saved more than 19 million children from paralysis. Vaccines are safe, effective and are responsible for eliminating or controlling many other vaccine-preventable diseases such as smallpox, measles, rubella, and Ebola. And now, there is the opportunity to end the COVID-19 pandemic through vaccines.
  - The eradication of polio remains a goal of the highest order for Rotary. We can apply the lessons we have learned in fighting polio to the efforts in responding to the COVID-19 pandemic.

Regards,  
 Shekhar Mehta  
 President, Rotary International

John Germ  
 Chair, The Rotary Foundation

## ROTARY HYMN By George Canseco

I want to be a Rotarian for the world,  
Make the Rotary flag be a flag of peace unfurled;

I will serve my community,  
Help to seek international unity.  
Through Rotary, I will dedicate my all,  
World understanding shall be my cherished goal.

**Refrain:** With the Four Way Test  
I will pursue my quest  
And if I, in a way help obtain  
Peace in the world  
Then I won't have lived in vain.

I'll observe service above self,  
Lend a hand to all who need my help;  
I'll get my spouse to involve in Rotary  
And in Rotary ways I will train my family.

### Repeat Refrain:

Build a bridge for tomorrow's youth,  
Strengthened by nothing but the truth;  
Let's join our hands, there's no reason to divide.  
We shall all understand, while the good Lord is our guide.

### Repeat Refrain:

Peace be achieved,  
So we won't have lived in vain.  
Peace be achieved,  
So we won't have lived in vain.

Meeting last JAN 5, 2022
