## PRAYER

In the name of the Father, The Son, and the Holy Spirit.

Lord Jesus, we thank you for this beautiful morning, for this new light of day before us. We pray that through this light you may let us see years own ray of sunshine that will enlighten our minds and strengthen us to pursue your will this day Lord, we do not ask you for an easy day; just for your guidance and strength to be able to pull through despite all odds that we could be up against.

Fill our hearts with your beautiful rays of sunshine that we may share this with our friends, brothers and sisters and all the people we shall coming in contact today. AMEN.

## PRESIDENT'S CORNER

Dear Fellow Rotarians,  
Greetings to all!

Let's all welcome our newest member of our Club, Jake Cayang. He has attended 3 consecutive meetings and a fellowship. As your president, I have interviewed him well and is eager to be part of our Rotary Family.

**RENANTE ANGELO LIM**  
President, RY 2021-2022

We had a blast last April 22, 2022 in Lazi, Siquijor for the 38th Charter Anniversary of the Rotary Club Dumaguete North. The celebration was well attended by our club. I am very grateful to the following: PP Dodong and Ann Beth Managing; PP Allan and Ann Gen Martinez; Rtn. Jeremy and Ann Ylang Jordan; Sec. Ely and Ann Rose Bodo; Baby Rtn Jake Cayang, Aud. Jeorex Chua, our ever supportive Dondon and Tata Sojor. Rotary's bond is strengthened more by fellowship and sharing of best practices. The celebration was held at Monsignor Ramon Duran's Resort that started at 6pm with a dinner, followed by a formal meeting order, and then the fellowship until 2am. Our Club received a certificate for the partnership and support for our joint relief operations in response to Typhoon Odette's devastation. Indeed, it was an occasion to remember.

Rotary year 2021-2022 is on its last leg. We only have one more month before we welcome a new Rotary Year with the theme "Imagine Rotary". I am sure our next batch of officers are already excited and very much eager to carry on the baton and take on the challenge. Before we end this year, let us have 1 last fellowship this month of May. We have made initial plans and will soon finalize and communicate. I hope time and weather will permit us to close this Rotary year formally. I look forward to seeing everyone then.

God Bless and Keep Safe!

Your's in Rotary,  
Pres. Ran Lim

## ROTARY RESPONDS TO UKRAINE CRISIS

The war in Ukraine is having devastating consequences on civilians as families flee their homes. According to the United Nations, [more than 5 million people](#), most of them women and children, have sought refuge in neighboring countries and across Europe, while about 7 million more people have been displaced within Ukraine.

Rotary and Rotaract clubs in Europe and around the world have taken swift action and are working with members nearby to provide food, water, medical equipment, and shelter for refugees.

The Rotary Foundation has created an official channel for Rotary members and other donors around the world to contribute funds to support relief efforts underway by Rotary districts. The Foundation has designated the Disaster Response Fund as the main avenue for this.

The fund, to date, has received more than **\$10.4 million** in contributions.

### **Below are some of the latest projects as of 20 April**

#### Ukrainian Rotary clubs take action

- The Rotary Club of Cherkasy purchased and delivered medical supplies and medicine to multiple local hospitals. The club has also organized daily meals for 250 evacuated families from Sumy, Herson, Kharkiv, and Chernihiv.
- Some members of the Rotary Club of Kharkiv International have traveled to border countries to help refugees adapt to their new situations. Members are also working, through their project Yellow Help, to evacuate families near war zones.
- Club members of the Rotary Club of Kyiv Synergy collected 350 boxes of medical supplies from Italy and distributed them to areas in Kyiv and Sumy.
- The Rotary Club of Kyiv-Sophia are preparing and delivering hot meals to residents of Kyiv and Irpen-Bucha. Members have purchased and delivered hygiene products and medicine to young mothers and the elderly.
- Members of the Rotary Club of Lviv are unloading and organizing relief aid from European countries, then facilitating delivery to several humanitarian hubs across the country.
- Clubs in Rotary District 2231 (Poland) are using a \$50,000 disaster response grant to provide transportation, accommodations, food, and medical assistance for refugees who crossed the border from Ukraine.
- Rotary District 2240 in the Czech Republic is purchasing \$50,000 worth of sleeping bags, medicine, food, and defibrillators, EKGs, and oxygen concentrators to victims.
- District governors in Germany created a national task force to coordinate member initiatives and relief efforts on an online platform. A liaison office for government agencies and nongovernmental organizations has been established in Berlin.
- Rotary clubs throughout France have mobilized to collect and distribute necessities to refugees. District governors are coordinating donations from French clubs to help Rotary clubs in Ukraine as well as to assist refugees traveling through Poland and Romania or taking refuge in those countries. The needs are determined by the France-Ukraine, France-Poland, and France-Romania-Moldova intercountry committees.

## ROTARY INFORMATION

- District 1910 in Austria is using a \$25,000 disaster response grant to provide accommodations, baby supplies, medicine, hygiene materials, psychological care, food, and appliances to Ukrainian refugees in Austria.

### **Rotaract Europe**

The European Rotaract Information Centre, a multidistrict information organization that serves Rotaractors all over Europe, created a United for Peace site that compiles information for refugees and volunteers.

- The site offers information about free rail, bus, and air transportation available to refugees and lists details about what's needed and how to help at specific national borders.
- It also has fundraising details for hospitals in the western Ukraine city of Lviv, as well as for clubs that are helping in various places and for other organizations in the region.
- The site lets Rotaractors coordinate shelter for refugees stranded at the border. Volunteer hosts can sign up through an online form and specify how many people they can house and for how long. Begun as an initiative to help fellow Rotary members leaving Ukraine, it's now being used by Rotaract and Rotary members all over Europe to offer help.

A tool on the site links a demand for goods with available supplies. It was created within 48 hours after a team of 60 members from 10 countries met by videoconference about how to meet the most urgent needs.

### **Ukraine**

Ukraine has 62 Rotary clubs and six satellite clubs with about 1,100 members, and 24 Rotaract clubs with more than 300 members.

- District 2232 (Ukraine and Belarus) formed a committee to help people affected by the crisis. It has launched an appeal to Rotary members worldwide for funds to provide basic necessities.

The city of Lviv has had an influx of people displaced from other cities around Ukraine. The Rotary Club of Lviv International, working with local authorities and major hospitals, created an online spreadsheet of relief items that can be accessed by people who want to help. Members arrange for the donated items to be delivered to hospitals and coordinate storage with local warehouses.

### **Poland**

Poland has taken in more than a million refugees, and Rotary clubs all over the country created a central account for contributions.

- The Rotary Club of Olsztyn is collecting and managing donations for more than 150 Ukrainians who are staying at Ostróda Camp, a conference and recreation center. Most of the occupants are unaccompanied children whose parents stayed in Ukraine. Four cars full of supplies including food, clothes, toiletries, and toys were donated hours after the center began accepting refugees.
- Members of the Rotary Club of Zamosc worked with a member of the Rotary Club of Wolsztyn, who owns a medical supply distribution company, to coordinate a partnership with other organizations to collect supplies and equipment.

The Rotary Club of Gdansk Centrum is providing accommodations for four refugee families, and members who own businesses are offering them work.

### ROTARY HYMN By George Canseco

I want to be a Rotarian for the world,  
 Make the Rotary flag be a flag of peace  
 unfurled;  
 I will serve my community,  
 Help to seek international unity.  
 Through Rotary, I will dedicate my all,  
 World understanding shall be my cherished  
 goal.

#### Refrain:

With the Four Way Test  
 I will pursue my quest  
 And if I, in a way help obtain  
 Peace in the world  
 Then I won't have lived in vain.  
 I'll observe service above self,  
 Lend a hand to all who need my help;  
 I'll get my spouse to involve in Rotary  
 And in Rotary ways I will train my family.

#### Repeat Refrain:

Build a bridge for tomorrow's youth,  
 Strengthened by nothing but the truth;  
 Let's join our hands, there's no reason to divide.  
 We shall all understand, while the good Lord is  
 our guide.

#### Repeat Refrain:

Peace be achieved,  
 So we won't have lived in vain.  
 Peace be achieved,  
 So we won't have lived in vain.
