ROTARY HYMN

By George Canseco

I want to be a Rotarian for the world,
 Make the Rotary flag be a flag of peace unfurled;
 I will serve my community,
 Help to seek international unity.
 Through Rotary, I will dedicate my all,
 World understanding shall be my cherished goal.

Refrain:

With the Four Way Test
 I will pursue my quest
 And if I, in a way help obtain
 Peace in the world
 Then I won't have lived in vain.
 I'll observe service above self,
 Lend a hand to all who need my help;
 I'll get my spouse to involve in Rotary
 And in Rotary ways I will train my family.

PRAYER

Today, dear Father, we fervently ask You to teach us not to reject nor ignore the friendship of our fellow Rotarians. For in rejecting them will be turning our backs to You.

Our great organization, the Rotary, started as a meeting of friends in fellowship. But from the beginning of times, dear God, You have asked us to live in fellowship with one another.

And so we pray to you to...

...keep us from everything which will make us difficult to live with and to deal with;

...help us never to speak thoughtlessly or deliberately so in such a way that we would hurt another's feelings or wound another's heart;

..keep us from all impatience, from all irritability, and from a temper which is too quick;

...keep us from eyes which are focused to find fault and from a tongue which can see nothing but its own point of view.

Finally, deliver us from evil and from slavery to the senses, which blind us to goodness. And grant us the grace and beauty which shone upon Your face and being. We ask all these through Your Son who lives and loves with you and the Spirit forever. AM

PRESIDENT'S CORNER

Dear Fellow Rotarians,
Greetings!

I am Happy to share to everyone on the final stages of admission way of making Rotary Reports and in Rotary International the District 3860 and Reports works only with the Microsoft engine. This then brings to our office computer being used by our secretary is already obsolete. It has served us well for many years but it cannot handle Microsoft Edge. We need to have a more current computer. I am thinking of ways how to be able to get a computer for the incoming Rotary Year. So I am knocking at your kind hearts if you have an extra computer to spare so our office will be equipped with the requirement.

Our arms are open to receive it. As for the month of May, Our club is updated and complete in Reports both in the District and in RI. You can browse it in my.rotary.org

I am very happy and thankful for the support and dedication you have showed and given to our beloved Club for this Year. It is overwhelming despite the pandemic. Because of this, I am hopeful that we can have a Global Grant Application for Rotary Year 2022-23. Please read on pages 6-7 so together we can plan and achieve this goal.

Have a nice day everyone. May month is full of Fellowship.

God Bless and Keep Safe always!

Yours in Rotary,
Pres. Ran Lim

Global grants

Global grants support large international activities with sustainable, measurable outcomes in Rotary's [areas of focus](#). By working together to respond to real community needs, clubs and districts strengthen their global partnerships.

Read [A Guide to Global Grants](#) for detailed information on planning your project, applying for a grant to fund it, carrying it out, and reporting on your progress and outcome.

What global grants support

Global grants can fund:

- Humanitarian projects
- Scholarships for graduate-level academic studies
- Vocational training teams, which are groups of professionals who travel abroad either to teach local professionals about their field or to learn more about it themselves

How they're funded

Global grants have a minimum budget of \$30,000 and a maximum World Fund award of \$400,000. Grant sponsors can use a combination of District Designated Funds (DDF), cash, and/or [directed gifts and endowment earnings](#) to fund a global grant. The Foundation will provide an 80 percent World Fund match for all DDF contributions. There is no minimum World Fund match.

Qualification

Both the district or club in the country where the activity is carried out and the international partner district or club must first become qualified before applying for a global grant. Learn more about the [qualification process](#) and [grant management](#). Your club and district Rotary Foundation chairs can help you plan how to use your District Designated Funds and learn how to qualify your club.

Submitting a successful grant application

Consult with local experts early in the planning process to build a strong project plan and global grant application. The district resource network (see below) can help.

To be approved, your application must clearly describe how your project, scholarship, or vocational training team:

- Is sustainable — include plans for long-term success after the global grant funds have been spent

...Cont from page 6

- Includes measurable goals
- Aligns with one of Rotary's [areas of focus](#)
- Responds to real community needs — any club or district that applies for a global grant to support a humanitarian project or a vocational training team must conduct a [community assessment](#) first and design the project based on what they learn through that assessment.
- Actively involves Rotarians and community members
- Meets the eligibility requirements in the grants [terms and conditions](#)

[Applications](#) are accepted throughout the year and are reviewed as they're received. Learn more about the [Global Grant Lifecycle](#).

Note: Sponsoring clubs and districts must submit their applications by June 30 to the Rotary Foundation for scholars who will begin studies in August, September, or October.

Monitoring & evaluation

Measuring outcomes is an integral part of global grant projects. Proper monitoring and reporting ensure that Rotary grants have a positive impact.

Learn more in the [Global Grant Monitoring and Evaluation Plan Supplement](#).

You will be required to fill out an online global grant report. To prepare, you can download this [template](#).

District resource network

Local Rotarians who have expertise in Rotary's areas of focus, global grants, and project planning are among your best resources. Experts can also include alumni, Rotaractors, Rotarian Action Group members, and The Rotary Foundation [Cadre of Technical Advisers](#). If you would like to receive guidance on project planning or implementation from a cadre member familiar with your project type, please contact cadre@rotary.org.

Contact your district international service chair for help connecting with the district resource network: local subject matter and project experts. If your district hasn't appointed a committee chair, work with your district governor or write to rotary.service@rotary.org.

CLUB AND DISTRICT SUPPORT

Dear Club President,

Congratulations on reaching the final part of your year as club president!

Here are a few suggestions that will help you finish 2021-2022 with success:

- You can qualify for the Rotary Citation by achieving 13 of the 25 available goals in Rotary Club Central. Get [all the details](#), and don't forget to [update goals](#) in [Rotary Club Central](#). Share the results with your club so you can collectively reflect on the work you have accomplished together this Rotary year.
- Please work with your incoming club president to report incoming officers on [My Rotary](#) (see our guide, [How to Add a Club Officer](#)) or your designated [club management system](#).
- Review and share [key updates](#) from the 2022 [Council on Legislation](#) with your fellow club members to learn about changes to Rotary's governance documents. These changes will go into effect starting 1 July 2022.

Did you know?

Rotaract Clubs will receive their first RI club dues invoice in January 2023. If your club sponsors a Rotaract club, remind them to update their club officers and members by 30 June 2022 to ensure that their annual membership figure is accurate and make it easier to update by 1 January 2023 for the first invoice.

Thank you for your leadership and support of the future leaders of your club. Please [contact us](#) if we can assist you

Sincerely,
Your South Pacific and Philippines Club and District Support Team
