

Eye Doctor Joke

I was very scared about going to the eye doctor to get a certain procedure done on my eyes. The doctor tried to put me at ease but to no avail. It was after he finished with my first eye that I nearly jumped out of the chair. "There, there", he said "only one eye left!"

ROTARY HYMN

By George Canseco

I want to be a Rotarian for the world,
Make the Rotary flag be a flag of peace unfurled;
I will serve my community,
Help to seek international unity.
Through Rotary, I will dedicate my all,
World understanding shall be my cherished goal.

Refrain:

With the Four Way Test
I will pursue my quest
And if I, in a way help obtain
Peace in the world
Then I won't have lived in vain.
I'll observe service above self,
Lend a hand to all who need my help;
I'll get my spouse to involve in Rotary
And in Rotary ways I will train my family.

Repeat Refrain:

Build a bridge for tomorrow's youth,
Strengthened by nothing but the truth;
Let's join our hands, there's no reason to divide.
We shall all understand, while the good Lord is our guide.

Repeat Refrain:

Peace be achieved,
So we won't have lived in vain.
Peace be achieved,
So we won't have lived in vain.

PRAYER

Let us bow our head in prayer:

Lord, make me an instrument of Your peace;

Where there is hatred, let me sow love;

Where there is injury, pardon;

Where there is doubt; faith;

Where there is despair; hope;

Where there is darkness, light;

And where there is sadness, joy.

O Divine Master; grant that we may not so much seek to be consoled as to console;

To be understood as to understand;

To be loved as to love;

For it is in giving that we receive;

It is pardoning that we are pardoned;

It is in dying that we are born to eternal life.

AMEN.

PRESIDENT'S CORNER

Dear Fellow Rotarians,

Greetings!

August is Membership Month in Rotary. Let us celebrate because we have improved greatly improved the membership of our Club.

I remember the Wednesdays wherein we are only Five (5) or seldom to have a double digits attendance during our weekly regular meetings. But those days are gone and I hope we will continue to have a vibrant, energetic and strong members who have the common passion of service and united through friendship and fellowship.

With that in mind, we are going to have a Rotary Day of Service on August 21, 2022 (Sunday), 9:00 AM at the Negros Oriental Provincial Hospital (NOPH) Behavioral Care Center in Barangay Talay, Dumaguete City. Our Club will turn-over toiletries kits which are essential to the confined patients in that facility.

A fellowship will ensue at the residence of Carl Rabaca in Purok 5, Barangay Sulodpan, Bacong.

I would like to extend my appreciation to the generosity of our members for contributing to the funds which will be used in our various Club activities. This is a continuing gathering of resources. Special thanks to PP Henry Liu and his Anns Lorna Liu for giving big discount in our purchase of various items for our service project.

Also, I would like to commend IPP Ran Lim, our Public Image Director for participating in the Public Image Seminar 2022 held last August 13, 2022 in Laguna Garden Café, The Terraces, Ayala Center in Cebu City.

This will be an enhancement in promoting our Club through Multimedia.

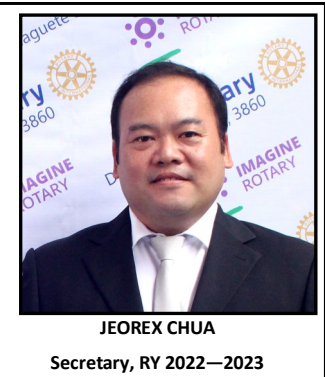

Mabuhay ang RCDS. Thank you, my brothers in Rotary, for your continued support.

At your service,
Aurelio Lloren Bodo

ROTARY INFORMATION

Stephanie A. Urchick is selected to be the 2024-25 president of Rotary International

By **Ryan Hyland**

Stephanie A. Urchick, of the Rotary Club of McMurray, Pennsylvania, USA, is the selection of the Nominating Committee for President of Rotary International for 2024-25, a decision that would make her only the second woman to hold that position. She will be declared the president-nominee on 1 October if no challenging candidates have been suggested.

With the world facing incredible challenges, including the COVID-19 pandemic, disasters driven by climate change, and conflict in many regions, Urchick says Rotary's leaders can offer a vision and a plan for overcoming these challenges.

"Measures taken by Rotary leadership to survive and end critical challenges often make our organization stronger and more resilient for future events," Urchick says. "This kind of essential leadership also creates new levels of cooperation, even among rivals, when Rotarians pull together as people of action to serve and solve a crisis."

Making regionalization a priority is crucial, says Urchick.

"Because Rotary operates in more than 200 countries and regions, it is vital to recognize that the organization has the potential to become more efficient and effective by understanding and reacting to how regional differences affect the way Rotarians work together to address providing service, promoting integrity, and advancing world understanding, goodwill, and peace," Urchick says.

Urchick is partner and chief operating officer of Doctors at Work LLC, a consulting and training company. She holds a doctorate in leadership studies from Indiana University of Pennsylvania. She is active on numerous community boards and committees, and has been honored by organizations including Zonta International and the Sons of the American Revolution.

A Rotary member since 1991, Urchick has traveled to Vietnam to help build a primary school and to the Dominican Republic to install water filters. She studies several Slavic languages, has mentored new Rotarians in Ukraine, and coordinated a Rotary Foundation grant project in Poland.

Urchick has served Rotary in many roles, including as a director, Foundation trustee, and chair of the RI Strategic Planning Committee and the Foundation's Centennial Celebration Committee. She currently serves on the Election Review Committee and the Operations Review Committee. She is a Rotary Foundation Major Donor and a member of the Bequest Society.
