As you travel, you serve by taking time to learn about people from other countries, and their customs, needs, and beliefs.

And you serve by participating in Rotary programs such as the Rotary Foundation, Health, Hunger, Humanity Program, and World Community Service.

ROTARY HYMN

By George Canseco

I want to be a Rotarian for the world.

Make the Rotary flag as the flag of peace unfurled;

I shall serve my community, help achieve universal unity.

Through Rotary, I shall dedicate mv all.

World understanding shall be my cherished goal.

Refrain: With the Four-Way Test I'll pursue my quest And if I, in a way, help obtain peace in the world. I shall not have lived in vain.

I observe 'Service above Self'. Lend a hand to all who need my help;

I'll get my Spouse to involve in Rotarv

And in Rotary ways, I will train my family. Repeat Refrain

Build a bridge for tomorrow's vouth.

Strengthened by nothing but the truth;

Let's join our hands, there's no reason we'll divide.

We shall all understand, why the good Lord is our guide. Repeat Refrain

Peace be achieved. We shall not have lived in vain.

All the RCDS Rotarians were also encouraged to bring these banners for presentation and exchange when they have to make-up in other clubs outside Dumaguete or abroad.

11) DG Twinkle also thanked the Club for the personalized RCDS coffee mugs presented to her, DLF Archie, and CoS Philip.

The Perfect Rotary Club

he Rotary Club of Dumaguete South made history once again with our hosting of our District Governor. We had a fun time preparing and executing the plan!

I am happy to report that DG Twinkle Gamboa, as well as DLF Archie Gamboa and Chief of Staff Philip Estocada said that they thoroughly enjoyed the activities we had planned for them.

Now, we just have to follow through on our plans for Friendly Homes. All teams for our seven Areas of Focus now have the green light to implement the programs they had planned.

After listening to DG Twinkle's message of encouragement, we also have a recordbreaking number of contributions to the Rotary Foundation, which will pave the way to become Paul Harris Fellows. Congratulations to the following: PP Myles Nicholas Bejar, Rtn. Christopher Jay Cayang, VP Jeorex Chua, PP Boy Diputado, Treas. Gibert Fuentes, Rtn. Jim Karl Jardiniano. PP Henry Liu, Rtn. Wilkie Matiao, Treas. Jessie Mascardo, Rtn. Randy Quisil, PP Chiquiting Sagarbarria for Ann Maisa Sagarbarria, PP **Henry Sojor** as a gift from Ann Joy for their 54th wedding anniversary; **Rtn. Marcelo Sy**, PN Niño Viking for Ann Soci Ame Viking, and yours truly.

And for the first time ever, RCDS is honored to now have one **member of the Paul Harris** Society, Treas. Wilkie Matiao, our Spinning Wheel treasurer. He is not only the first Paul Harris Society member of RCDS; Treas. Wilkie Matiao is the first Paul Harris Society member in the entire Area 3-D and 3-E.

These Rotarians will be honored during the Rotary Foundation Night on Nov. 18 in Davao City, so I am certain DG Twinkle will be happy to see us there.

We will have three major events this week: 1) Medical Mission for Senior Citizens on Thursday, Oct. 5 starting at 8:30 a.m. at the Calindagan Gym, spearheaded by the Disease Prevention & Treatment area of focus headed by PE Loloy Baylon. We can please show up in our Rotary shirts. If you have the red 'End Polio' shirts, the better.

2) Mangrove planting starting at 7 a.m. on Saturday, Oct. 7 at Jo's Seaside in Ajong, Sibulan, led by the Environment area of focus team of Rtn. Jobert Koerkamp. All we have to do is to show up in our Rotary uniforms, and

demonstrate our willingness to plant mangroves along the coast. 3) Run-walk

to promote **Breast Cancer** Awareness on Sunday, Oct 8 5

a.m. at the Pantawan. led by our Disease Prevention & Treatment area of focus team. Please register and pay P250. We will be ably led by PN Aming & Ann Ylang Jordan, Rtn. Mark & Jin Genove, PP Allan & Gen Martinez, and Ann Irma Faith Pal.

Later this month, we will also have an activity to promote awareness about Polio. More on this later.

Is there a perfect Rotary Club?

Last Sunday, I was blessed by the sermon of my pastor, Rev. Jonathan Pia, who was also our Charging Officer during our induction last June. He told the story about a pastor who was approached by a church goer, saying: Pastor, I have been coming to church but I have never signed up to be a member. You know why? Because I am looking for the Perfect Church. I want a church where nothing is wrong, and everything works as it should -- starting with the church goers, to the record-keeping, to the administration at the church office, and finally, to the pastor himself!"

The pastor looked him in the eye, and said "I'm sorry, son, but you will never find a perfect church. Because once you find one and join it, then it will cease to be the perfect church."

These days, anything I hear I usually equate to Rotary, which got me thinking: Is there really a perfect Rotary Club?

We can be a hundred percent Paul Harris Club, a hundred percent EREY, with no one member having outstanding dues, having a hundred percent attendance, organizing all kinds of fellowships we can think of, achieving projects in all 7 areas of focus, and best of all, having officers who never commit mistakes, but then, it will always remain *far from perfect*. I've been looking for That Perfect Rotary Club

myself. If you find one, kindly let me know.

But I'm worried that if I join it, then it will cease to be that Perfect Rotary Club.

DISTRICT GOVERNOR'S MESSAGE TO RCDS

y fellow Rotarians and spouses, all protocols have been observed, good morning!

When we speak of legacy, longevity, and luminosity within the world of service, the Rotary Club of Dumaguete South stands tall and unmatched.

Forty-six years is not just a testament to time; it's a testament to the enduring commitment, boundless enthusiasm, and ceaseless drive to uplift communities.

You're not just one of the oldest clubs in Dumaguete, but a shining example with the most vibrant membership. The rich history of your Club, diverse backgrounds, and experiences is truly your strength. This diversity is your superpower, fostering creativity, inclusivity, and innovation.

While many things change with time, your essence remains constant – a light of hope in a world that so desperately needs it. Your Club's innovative spirit in project execution is both commendable and exemplary. Your deep-rooted sense of social responsibility is what truly sets you apart.

Your Club's legacy, unparalleled leadership, and tireless efforts have touched countless lives and communities. Through your Service Projects, you have demonstrated the very essence of 'Service above Self.'

Your steadfast adherence to Rotary protocols has been an invaluable beacon, and serves as an inspiration for other clubs in your vicinity. At the same time, reminding all of the core values and formalities that make Rotary the esteemed organization it is today. Such dedication ensures that the essence of Rotary remains undiluted, and continues to shine brightly.

Each member of the Rotary Club of Dumaguete South is not just a part of a Club; they are part of a legacy, a family that has been and continues to be an instrumental force for positive change. It's a reflection of your unwavering commitment that you have not only uplifted your community, but have also groomed leaders in your Club.

In Rotary, age is but a number. It's the spirit that truly matters. And the spirit of Rotary burns bright in all of you -- from the experienced members to the young blood.

A president is a role model for young

members, and shows them that it is possible to make a difference in the world. And President Alex is one who is not bound by age, but powered by passion.

In the realm of service and community transformation, it's not just the hands that act, but the hearts that support those hands that make a difference. Each of you as a member have been at the forefront, driving change, and uplifting lives. But behind every successful Rotarian is a supportive Spouse, the unsung heroes who provide unwavering strength, understanding, and encouragement.

To the Spouses, your support transcends beyond just understanding the late nights and commitments. It's in the way you share in their joys, ease their burdens, and celebrate every achievement, no matter how small. You play an important role in amplifying the impact of the Club, and it's your silent sacrifices, love, and motivation that propel this Club to greater heights.

Today, I am happy to be with a group of individuals who don't just speak about change, but actively invest in it.

The Rotary Club of Dumaguete South has deposited \$1,500 to the Annual Fund, and \$600 to the Polio Fund! Let's aim to achieve the Club's per capita!

Supporting the Rotary Foundation is not merely a contribution; it's a testament to your unwavering belief in a world where we can make a difference, and our combined efforts can turn dreams into realities.

The Rotary Foundation is the heart and soul of Rotary's mission, serving as a light of hope and transformation for countless lives across the globe. But the Foundation's work is powered by clubs like yours – clubs that understand the profound effect of every dollar, every initiative, every project, and it sends a clear message: that you believe in a better tomorrow.

Lastly, the Rotary Club of Dumaguete South is not just about its impressive numbers or long history. It's about every member who has, and continues to breathe life into its motto. As you move forward, remember the legacy you uphold, the lives you touch, and the change you bring.

Wishing you many more years of 'Service above Self.' And together, let us Create Hope in the World! Thank you, and good morning!

APPROVED RI DUES INCREASE FOR THE NEXT THREE YEARS

NOTE:

Dues that clubs will pay to Rotary International **per member** for the next three years are set as follows;

2022-23: \$35.50 per half year 2023-24: \$37.50 per half year 2024-25: \$39.25 per half year 2025-26: \$41.00 per half year Rotary Rotary Humor

An 84-year-old lady is waiting for her husband in a bar. Suddenly a handsome man enters and sits down a few seats away. The man is so attractive that she just can't take her eyes off him.

After a short while, the man notices her staring, and approaches her. Before the lady has time to apologize, the man looks her deep in the eyes, and says to her in a sultry tone, "I'll do anything you'd like. Anything you can imagine in your wildest dreams, it doesn't matter how extreme or unusual it is, I'm game. I want \$100, and there's another condition."

Completely stunned by the sudden turn of events, the lady asks him what his condition is. "You have to tell me what you want me to do in just three words."

The lady takes a moment to consider the offer from the handsome man. She whips out her handbag, and puts \$100 dollars into his hand. She then looks him square in the eyes, and

Rotary Factoids

The Classification Principle

Virtually all membership in Rotary was based upon a "classification." Basically a classification describes the distinct and recognized business or professional service which the Rotarian renders to society. The principle of Rotary classification is somewhat more specific and precise. In determining the classification of a Rotarian it is necessary to look at the "principal or recognized business or professional activity of the firm, company or institution" with which an active member is connected or "that which covers his principal and recognized business or professional activity." It should be clearly understood that classifications are determined by activities or services to society rather than by the position held by a particular individual. In other words, if a person is the president of a bank, he or she is not classified as "bank president" but under the classification "banking." It is the principal and recognized activity of a business or professional establishment or the individual's principal and recognized business or professional activity that determines the classification to be established and loaned to a qualified person. For example, the permanently employed electrical engineer, insurance adjuster, or business manager of a railroad company, mining company, manufacturing concern, hospital, clinic, etc., may be considered for membership as a representative of the particular work he or she may be doing personally or as a representative of the firm, company, or institution for which the professional service is being done. The classification principle also permits business and industries to be separated into distinct functions such as manufacturing, distributing, retailing and servicing. Classifications may also be specified as distinct and independent divisions of a large corporation or university within the club's territory, such as a school of business or a school of engineering. Though the classification principle is not as dominant as it once was it is still important that we make an effort to assure that each Rotary club represents a cross section of the business and professional service of the community. DG's CHALLENGE ON GOVERNOR'S NIGHT

Fellow Rotarians, beloved Spouses, Rotaractors, and guests, protocols have been observed, good evening!

Wow! I am overwhelmed by your attendance. A warm applause to all of you!

As my scheduled visit was fast approaching, our two dynamic Assistant Governors constantly updated me on the planned meetings and venues. They were so excited about tonight's event, and I am sure, they wanted to ensure I was just as enthusiastic as they were.

But I must confess. Coming here, I had some apprehensions and concern. I was worried about how our message will be received, and whether our goals will resonate.

But from the very first moment I set foot here, each of you not only opened your doors but also your hearts, transforming my apprehensions into admiration, and my worries into trust that all is well. The hospitality and warmth you showered upon us have been overwhelming. It felt like we were returning to a home we never knew we had, welcomed by a family we never realized we belonged to.

Your boundless generosity, the genuine smiles, and the heartfelt connections we have forged – these are the memories I will cherish, and carry with me.

I had hoped to inspire you, and connect our District with your esteemed clubs. However, in this exchange, I have come to realize that it was I who has been profoundly inspired. Your dedication, your commitment to service, and your unwavering passion to uplift those around you have left an unforgettable mark in my heart.

The very essence of Rotary is to sow seeds of hope in a world that, at times, may seem deprived of it.

With your enduring spirit and collective action, I believe we are not just planting seeds but nurturing a forest of change. Your dedication to create a better world is the beacon that lights up our darkest days, reminding us all of the strength of the human spirit when it unites with others for a shared cause.

A special acknowledgment is for the Rotary Club of Dumaguete South. Your pledge of eight Paul Harris Fellows, and one Paul Harris Society member by Charter Member Wilkie Matiao... and counting...is a testament to your unyielding commitment and generosity. It sets a precedent, inspiring others to follow, and magnifying our impact manifold.

And while we await for that coveted Major Donor commitment, I firmly believe that with clubs as proactive and as dedicated as yours, it's only a matter of time before we witness that historic milestone.

In our shared mission of service and communitybuilding, connections are our most potent tool. I am genuinely hopeful that the bridges we've begun to build during this visit will strengthen and flourish in the years to come. My deepest

gratitude goes out to every single member

here. Your invaluable contributions, steadfast support, and unwavering faith have made this visit immensely successful. Together, we will continue championing the Rotary ideals, lighting the world with hope, and turning our most ambitious visions into reality. Once again, my gratitude goes out to each one of you... from the depths of my heart, from my Spouse Archie, and Chief of Staff Philip, for the kindness you have shown, for the stories we have shared, and for proving that in the world of Rotary, no journey is ever taken alone.

To AG Rey Lawas and AG Mark Trayvilla, your steadfast support and unwavering faith have made this visit an immense success. Together, we will continue championing the Rotary ideals, lighting the world with hope, and turning our most ambitious visions into reality.

Lastly, I look forward to the same attendance on May 3-5, 2024 for the District Convention in Davao City. Let's come together, just as we are doing today, in that same spirit of unity and camaraderie.

To the Rotary Club of Dumaguete, RC Dumaguete East, RC Dumaguete South, RC Dumaguete North, RC Bais, RC Tolong, and RC of Siquijor, may our paths cross many more times, and may our collective efforts continue to change lives and build a brighter, more connected future.

Thank you for this unforgettable experience, and together, let us *Create Hope in the World*! *Daghan salamat og maayong gabii sa tanan*.

What is a Paul Harris Fellow?

A Paul Harris Fellow is a person who has been recognized as having done something significant for others through a contribution of \$ 1000, which will be spent on humanitarian efforts around the world. A Paul Harriss Fellow is recognized for sorvice to the club and the community.

A Paul Harriss Fellow is recognized for service to the club and the community. The recognition is named after Paul Harris, founder and organizer of the first Rotary Club in Chicago in 1905. He was founder of the Rotary idea, and the first president of the worldwide organization, Rotary International. Upon Paul Harris' death in 1947, memorial gifts poured in to honor the founder of Rotary. From that time, the Rotary Foundation has been achieving the noble objective

of furthering "understanding and friendly relations between peoples of different nations". In 1957, the idea of the Paul Harris Fellow recognition was first proposed as a means to promote voluntary giving to the Rotary

Foundation. Although the concept of making \$1,000-gifts to the Foundation was slow in developing, by the early 1970s the program began to gain popularity.

The distinctive Paul Harris Fellow medallion, lapel pin, and a certificate have become highly-respected symbols of a substantial commitment to The Rotary Foundation by Rotarians and friends around the world.

She then studied at Silliman University High School. Little did she know then that her future husband, Ptn Aldrin Benirger, use reciding only about two

Little did she know then that her future husband, Rtn. Aldrin Ramirez, was residing only about two meters away from their house. Living in proximity with each other, the youngsters Alma and Aldrin conveniently became close friends growing up. Ann Alma fondly remembers how that early, she already felt how Rtn. Aldrin would care for her and "palangga" her "as a friend".

Without realizing it, the good friends Alma & Aldrin were seriously obeying God's commandment to Love thy neighbor. And without delaying it any longer, their love story began, and began to flourish. They are now blessed with two daughters, 24 year-old Patricia KC, and 17 year-old AJ Marie.

Ann Alma started her accountancy journey at Silliman University, and finished it at the Australian Institute of Higher Education in Sydney, Australia. In between that period, she graduated with a BS in Computer Science from the University of San Juan Recoletos in Cebu.

Throughout her education, Ann Alma demonstrated academic provess by consistently being a Dean's Lister. Earning high grades in class seemed effortless perhaps due to her exceptional ability, and channeling her inner Elle Woods, and with her "smiling eyes" she says candidly, "Murag sayon ra man to!"

Even with her degree in Computer Science, Ann Alma's work experiences at PNB in Manila, at the Dumaguete City government, and at the Department of Education-Dumaguete always landed her in the accounting division.

In 2010, personal circumstances prompted the Ramirez couple to bravely try their luck in Australia through a work-and-study program. While Ann Alma was finishing her Bachelor of Accounting, Rtn. Aldrin worked in construction.

Both being go-getters and not being work-shy, and armed with their complementing strengths, Ann Alma & Rtn. Aldrin started their first business called Air Lagging, that specialized in insulation work on plumbing systems. Rtn. Aldrin's meticulous workmanship, coupled with Ann Alma being savvy in business and technology found an opportunity for a profitable side hustle.

With immigration laws not in their favor that time, the couple opted to return to Dumaguete, and start another business with the help of a friend, calling it Air Glass & Aluminum Services. Clients who seek their services for glass installation would often ask if they can do repairs on surrounding structures as well, suggesting to the couple: "Completoha nalang ninyo!" Ann Alma then saw this breakthrough as an opportunity to establish Air Construction Services.

Ann Alma then saw this breakthrough as an opportunity to establish Air Construction Services. With Rtn. Aldrin's construction experience in Australia, and Alma's hands-on management style, the couple have been able to make both businesses thrive and prosper.

They have since come a long way from repairing walls and getting them ready for glass installations to now building houses and even constructing roads and dikes.

(If you had been wondering what's with all the Air Glass and Air Construction, Ann Alma teasingly explains it has to do with Rtn. Aldrin's love for Nike Air Jordans.)

Ann Alma's directorship in the policy-making Board of the Negros Oriental Electric Cooperative II came as a surprise. She admits it was with the help and support of her father-in-law and Rtn. Aldrin's extensive network that she is now serving as an elected officer. At Noreco II, she says her prior business training allows her to scrutinize issues and proposals that need her attention, mindful that her decisions must benefit the consumers.

Her passion for civic engagement is carried on through their active involvement with Rotary, giving her a sense of community and the opportunity to meet more friends, and engage in service of others -avariation from their busy lives as entrepreneurs. Whenever Ann Alma visits her mother's

Whenever Ann Alma visits her mother's hometown in Tanjay, she says she continues to be amazed by the natural view, hence, the inspiration for their new venture called Victoria's Mountainview Resort. The natural landscape provides her family a breathing space to recharge from their busy schedules, something that she sincerely wishes to share with others. She says that although the endeavor is quite challenging, financially and time-wise, Ann Alma swears how she finds joy and fulfillment in creating and seeing her vision for the space come to life. Ann Alma's life journey has been a slow and

Ann Alma's life journey has been a slow and steady adventure. She has come to love the process in any of her endeavors, be it in academics, business, or civic engagements. It helps that the strength of Rtn. Aldrin, her genuine partner in all respects, is in his "people skills" and that she complements it with her astute business acumen.

Even with the various successes in their businesses, Ann Alma continues to live a simple life, enjoys listening to live bands and dancing, and looks forward to Netflix marathons during her downtime. She can only wish that her example of hard work and confidence in knowing when to seize opportunities would someday inspire their daughters to carve their own niches in life.
