THE FOUR-WAY TEST of the Things we Think, Say, or Do

1. Is it the TRUTH? 2. Is it FAIR to all concerned? 3. Will it build GOODWILL and better FRIENDSHIPS? 4. Will it be BENEFICIAL to all concerned?

MISSION STATEMENT

The mission of Rotary International is to assist and guide Rotarians and Rotary Clubs to accomplish the Object of Rotary to ensure Rotary's continuing relevance, and to help build a better world, emphasizing service activities by individuals and groups that enhance the quality of life and human dignity, encouraging high ethical standards, and creating greater understanding among all people to advance the search for people in the world.

OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise, and in particular, to encourage and foster:

FIRST, the development of acquaintance as an opportunity for service:

SECOND, high ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian's occupation as an opportunity to serve society;

THIRD, the application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH, the advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

SERVICE ABOVE SELF

You serve your Club and all its members when you take time to attend meetings, work on committees, and promote Rotary's ideals through club projects and activities.

You serve all the members of your community when you take time to participate in the development of quality service for the youth, the elderly, the disabled, and the needy.

As you travel, you serve by taking time to learn about people from other countries, and their customs, needs, and beliefs.

And you serve by participating in Rotary programs such as the Rotary Foundation, Health, Hunger, Humanity Program, and World Community Service.

ROTARY HYMN

By George Canseco

I want to be a Rotarian for the world.

Make the Rotary flag as the flag of peace unfurled;

I shall serve my community, help achieve universal unity.

Through Rotary, I shall dedicate mv all.

World understanding shall be my cherished goal.

Refrain:

With the Four-Way Test I'll pursue my quest

And if I, in a way, help obtain peace in the world.

I shall not have lived in vain.

I observe 'Service above Self'. Lend a hand to all who need my

I'll get my Spouse to involve in Rotary

And in Rotary ways, I will train my family. Repeat Refrain

Build a bridge for tomorrow's vouth.

Strengthened by nothing but the truth;

Let's join our hands, there's no reason we'll divide.

We shall all understand, why the good Lord is our guide.

Repeat Refrain

Peace be achieved. We shall not have lived in vain.

PRAYER

Our Father in Heaven, we thank You for bringing us together again today, for the opportunity to fellowship, and to work together for the common good.

Thank You, Lord, for Your blessings to each of us, so that we, too, can pass on these blessings to bless others.

We dedicate this day to You, and may everything we think, say, and do pass the Four-Way Test, and glorify You.

Thank you for the food which we will be partaking.

All these we pray in the mighty name of Jesus, our Lord and Savior, amen.

a) Dumaguete is indeed a City of Gentle People. Having lived in many cities in the country like Cebu, Cagayan de Oro, and

Rtn. Chiquiting Sagarbarria, who immediately offered him breakfast in his home. He was told that in Dumaguete, people

offer insights that amaze him. He says he also finds himself having to double check his grammar as Dumaguete is a City with the second most proficient English speakers, according to a

7) He revealed that Dumaguete has vast groundwater resources, most likely due to our proximity to the watershed in Mt. Talinis. The water supply in Dumaguete's aquifers will last more than 20 years from now. That is why MDW is adopting a ridge-to-reef approach in its environmental plan that takes care of the trees in the mountain down to the mangroves in the shorelines.

3) After breakfast, Rtn. Řandy Quisil led the group in

fellowship singing.

4) Rtn. Junrex then shared some information that he learned from the PETS/SETS and the District Training Assembly. He started by asking, "How Deep is your Love for Rotary?" This was a question that was asked of them, and the new Rotarians didn't quite have an answer for it. After all, how can you love someone or something you don't know? That's why it's important for every Rotarian to get to know Rotary deeper so he will understand better what being a genuine Rotarian is all about.

new Rotarians could not fully comprehend the zeal and undying love for Rotary that mostly old timers demonstrate in many wavs. He ended his talk with an inspirational quote by Etienne de Grellet: "I shall pass this way but once; any good that I can do, or any kindness I can show to any human being, let me do it now. Let me not defer nor neglect it, for I shall not pass this way again."

5) ŠAA Edo Adriano had collected the fines ahead of time so we dispensed with the Fine Moments.

6) Our guest speaker was Engr. Robert Cabiles, the new chief operations officer of Metro Dumaguete Water, replacing Rtn. Dave Berba who has been assigned in Iloilo City.

As a new member of the community, Engr. Cabiles shared three impressions that he gathered in the two weeks he's been based here in Dumaguete:

Davao, he said the Dumagueteños speak Bisaya in a gentle tone. b) Dumagueteños love their breakfast. He recalled meeting

share a meal first before discussing business. Incidentally, he has also discovered several restaurants here serving good food.

c) People in Dumaguete are intelligent. The people he meets

RCDS PRESIDENT'S CORNER

Alex Rey "Alex" V. Pal

Triday last week, we had a surprise visit from our District Gov. Twinkle Gamboa. She and her husband Archie, our District Learning Facilitator, and Chief of Staff Philip Estocada, were in town to attend the 40th anniversary of the Rotary Club of Dumaguete

So I sent to DG Twinkle some photos of the progress of the house construction at Friendly Homes in barangay Cadawinonan, which PP Greg Uymatiao is building through I-Homes. If you recall, DG Twinkle led the groundbreaking ceremony at Friendly Homes during her visit to our Club in September 2023.

DG Twinkle was so happy to see the photos of the three houses being constructed that she asked if they could stop by Friendly Homes and check it out for themselves, on their way to Tierra Alta where the RCDN event was going to be held.

So quickly, I was able to gather PP Greg, Sec. Ashley Morelos, Treas. Jessie Mascardo, and PP Boy Diputado to meet up with DG Twinkle and her team. We were all in our formal attire, ready for the RCDN event, but DG Twinkle beat us to it, alighting from their vehicle in her Gatsby gown with headdress.

DG Twinkle was so happy with the progress at Friendly Homes, she said she wouldn't mind coming back to Dumaguete for its inauguration and blessing ceremony.

Rotary

Then last Sunday, we also gave honors to our departed friend, Hans Bissdorf, in his home in Siaton.

Hans was a hardworking volunteer for the Rtn. Martin "Ting" Matiao Foundation, whose projects propelled the Rotary Club of Dumaguete South to win as Outstanding Club in the District for three years in a row.

With me at the Bissdorf home were PE Lolov Baylon, VP Joerex Chua, Sec. Ashley Morelos, PADG Álex Amor Jr., PP Boy Diputado, Rtn. Gilbert Fuentes, Rtn. Matthew Green, PP Henry Sojor, PP Greg Uymatiao, our returning member Fred Magallano, and Ann Lilia Chua.

Hans is survived by his wife Jewel Kinilitan-Bissdorf, and their children Gayle (who arrived from Tarlac with her husband and two daughters), and GJ Kristel, who came home from Germany where she works as an engineer.

The Kinilitan-Bissdorf family was so happy that our Club drove all the way to their home more than 50 kilometers from

Dumaguete to pay our last respects with a memorial service for Hans.

The Club also honored the memory of Hans Bissdorf with a Certificate of Commendation signed by myself and PP Greg Uymatiao, chair of the TMF.

Then we also attended Hans' funeral held Monday morning at the Dumaguete Memorial Park.

After Hans spoke to our Club on April 3, he actually started working to get funding grants for TMF so that we could once again have a vibrant Foundation, but this time he had suggested, to be led by the young generation of Rotarians.

We continue to look forward to this possibility with our young

Rotarians, and I'm sure the oldtimers will work doubly hard to make this vision into a reality.

What is a Paul Harris Fellow?

A Paul Harris Fellow is a person who has been recognized as having done something significant for others through a contribution of \$1000, which will be spent on humanitarian efforts around the world.

A Paul Harriss Fellow is recognized for

The recognition is named after Paul Harris, founder and organizer of the first Rotary Club in Chicago in 1905. He was founder of the Rotary idea, and the first president of the

worldwide organization, Rotary International.
Upon Paul Harris' death in 1947, memorial
gifts poured in to honor the founder of Rotary.
From that time, the Rotary Foundation
has been achieving the noble objective

of furthering "understanding and friendly relations between peoples of different nations". In 1957, the idea of the Paul Harris Fellow recognition was first proposed as a means

to promote voluntary giving to the Rotary

Although the concept of making \$1,000-gifts to the Foundation was slow in developing, by the early 1970s the program began to gain popularity.

The distinctive Paul Harris Fellow medallion, lapel pin, and a certificate have become highly-respected symbols of a substantial commitment to The Rotary Foundation by Rotarians and friends around the world.

Tea for two

One day my mother was out and my dad was in charge of me. Someone had given me a little 'tea set' as a get-well gift and it was one of my favorite toys.

Daddy was in the living room engrossed in the evening news when I brought him a little cup of tea', which was just water. After several cups of tea and lots of praise for such yummy tea, my Mum came home.

My Dad made her wait in the living room to watch me bring him a cup of tea, because it was just the cutest thing!". My Mum waited and, sure enough, I came down the hall with a cup of tea for Daddy. My mum watches him drink it up, and then she says (as only a mother would know):

Did it ever occur to you that the only place she can reach to get water is the toilet?" (Bill Watson)

INTERNATIONAL CONVENTIONS

Each May or June, Rotary International holds a worldwide convention "to stimulate, inspire and inform all Rotarians at an international level." The convention, which may not be held in the same country for more than two consecutive years, is the annual meeting to conduct the business of the association. The planning process usually begins about four or five years in advance. The RI board determines a general location and invites cities to make proposals. The conventions are truly international events which 20,000 to 40,000 Rotarians and guests attend. All members should plan to participate in a Rotary International convention to discover the real internationality of Rotary It is an experience you'll never forget. (50 things every Rotarian should know about Rotary)

Secretary's Report from p. 4

announced that MDW is in the final leg of completing its master plan for Dumaguete to meet the City's water needs for the future.

Dumaguete's water source is ground water so it is not affected by the dry spell caused by the El Niño phenomenon. He said some places which rely on surface water, such as rivers or lakes, are reporting a reduced volume of water.

Engr. Cabile also confirmed that the water from our faucets is safe for drinking. The water is tested in the laboratory every month, and the company also monitors water quality on a daily basis. "We can drink the water from our faucets," he said.

When asked about the ideal distance of deep wells from the shoreline to prevent

saltwater intrusion, he said it should be at least 300 meters from the shore. But he said he is surprised at the strong pressure of the underground water in the aquifer, so much so that one deep well near the Capitol Area has not reported saltwater intrusion.

Engr. Cabile, who is also a member of the Rotary Club of Iloilo, said he is looking forward to becoming a regular member of the Rotary Club of Dumaguete South.

8) <u>President's Time</u>. Pres. Alex informed the Club that there will be a memorial service for Rtn. Hans Bissdorf on Sunday, April 21 at his home in Siaton. A van will take us there, leavign at 2 pm.

The meeting adjourned at 8:00 am.
