ROTARY HYMN

By George Canseco

I want to be a Rotarian for the world,  
Make the Rotary flag be as the flag of peace unfurled;  
I shall serve my community,  
Help achieve universal unity.  
Through Rotary, I shall dedicate my all,  
World understanding shall be my cherished goal.

Refrain:

With the Four Way Test  
I'll pursue my quest  
And if I, in a way help obtain  
Peace in the world  
I shall not have lived in vain.

I observe service above self,  
Lend a hand to all who need my help;  
I'll get my spouse to involved in Rotary  
And in Rotary ways, I will train my family.

Repeat Refrain

Build a bridge for tomorrow's youth,  
Strengthened by nothing but the truth;  
Let's join our hands, there's no reason we'll divide.  
We shall all understand, why the good Lord is our guide.

Repeat Refrain

Peace be achieved,  
We shall not have lived in vain.

PRAYER

Dear Lord, We gather this morning to seek Your guidance and blessings as we begin our Rotary club meeting. We are grateful for the opportunity to serve our community and the world through our efforts. Grant us wisdom in our discussions, strength in our endeavors, and unity in our mission. May our actions today and always reflect the values of service, fellowship, and integrity. Bless each member here and their families. Guide us to make decisions that will benefit those we serve and bring positive change to our community. We ask for Your protection and blessings on our projects, that they may be successful and impactful. In Your name, we pray. Amen.

PRESIDENT'S CORNER

It is with great excitement and a deep sense of honor that I welcome you to this first President's Corner. As we embark on this Rotary year, I am reminded of the incredible responsibility entrusted to us by this esteemed club.

Our club has a rich history and community impact, and I look forward to building upon this legacy during my tenure as president. Together, we have the opportunity to make a meaningful difference in the lives of others. Each of us plays a vital role in advancing Rotary's mission.

I encourage each member to actively participate, share your ideas, and engage with our initiatives. Your dedication and passion are what drive our club forward, and I am eager to see the positive changes we can achieve together.

For this new Rotary Year, I am asking everyone to remember to support our club by paying our dues promptly. By doing so, we can continue the impactful efforts we have started. I also want to express our gratitude to the late PP Susano "Sano" Sy, whose initiative with the "Sustaining Assistance for New Officers (SANO) Fund" has significantly supported our journey.

We have a busy schedule of activities ahead of us, but with your support and dedication, I am confident we will succeed.

Thank you for your continued commitment to Service Above Self. Let's make this year one of inspiration, impact, and growth for the Rotary Club of Dumaguete South.

Yours in Rotary Service,  
Elmore Baylon Jr. President, Rotary Club of Dumaguete South

**Minutes of June 26 meeting**

Pres. Alex called the meeting to order at 6:35.  
Rtn. Jobert Koerkamp led the prayer, which was followed by the Pambansang Awit and the Rotary Hymn.  
PE Elmore Baylon led the recitation of the 4 Way Test,  
Sec. Ashley was the Fine Master for the morning.  
Pres. Alex led the singing of O Rotary Town.  
Irresistible Pres. Loloy Baylon presided over the Club Assembly.

PE Loloy said that on July 1, we will have our Rotary New Year for Children, a children's party at Friendly Homes.  
He said Rtn. Ron Fungo has committed 150 bags of rice, which we can distribute to Friendly Homes.  
Rtn. Ran suggested that inasmuch as this will be a children's party, we should bring Ice Cream in Cones.  
Rtn. Gilbert suggested putting up a soup kitchen.  
Rtn. Nonoy suggested that we consult with the Friendly Homes Workers Association to discuss what they also want to happen because they are not just recipients but partners.  
PE Loloy said he and Jobert, the incoming Director for Community Service, will meet with the residents before Friday.

As PE Loloy asked for suggestions on what to do for the rest of the Rotary Year,  
PP Henry suggested that the incoming officers should plan for the year's activities that are achievable in one year before presenting to the Club. The Club will then give their inputs.  
PP Henry said to become an outstanding Club, we have to follow the programs of the district.  
We should not encourage giving because we are not a charity organization. We have to help the community stand on their own.

"The President is not just one leader. There are many heads. But the President is THE head. And he must always be AHEAD," PP Henry said.

Rtn. Nonoy suggested that we use the Areas of Focus Teams to make at least one program for each of their teams for the Rotary Year.

Treas Jessie also said the Board can be called upon anytime to meet to identify the activities for the year.  
PADG Alex Amor suggested that we revive joke time. PP Henry said telling a joke is an art and a good joke comes out spontaneously.

PE Loloy also announced that there will be an Area-wide bloodletting activity at the PRC on July 16.

For the President's Time, Pres. Alex updated everyone on the plans for the inauguration of the two socialized housing units for Friendly Homes.

The meeting adjourned at 8:04 a.m.

## RCDS, TMF, IHomes inaugurate first two housing units

*By HC Pres. Alex Rey Pal*

July 28 was a special day for the Rotary Club of Dumaguete South and for its adopted community—the Friendly Homes Association.

On this day, the first two homes constructed by IHomes would be blessed and inaugurated. Joven and Lucita Beranio and Ramil and Shenaline Barillo were the first two couples at Friendly Homes to finally have a house of their own at Friendly Homes.

District Governor Rozanne "Twinkle" Gamboa had to take an early dawn trip from Davao to Manila and then to Dumaguete just to be able to spend time with us as this project is also close to her heart. She and District Learning Facilitator Archie Gamboa had joined the ground breaking ceremonies when they came for DG Twinkle's Governor's Visit in September last year.

Pres. Alex Pal gave the welcome remarks. He revealed that before he started his term as President last July, he met with PP Greg, who heads the TMF and IHomes, what the Club can do to become an outstanding club and bring the Club back to its glory years. PP Greg suggested that the Club might want to do this socialized housing project and the rest is history.

PP Greg gave the background of the Friendly Homes. He said the land was originally owned by his cousin, whom he convinced to sell it to the informal settlers at an affordable price. So the Ting Matiao Foundation, the NGO of the Rotary Club of Dumaguete South, purchased the lot and is now managing the collection of payments from the renters. Once the settler has paid a certain sum for the land, they are qualified to build homes through IHomes. They pay P1,500 a month. As IHomes is a non-profit organization, the money is allocated to build more low-cost housing units for others.

Mariane Beranio, the president of the Friendly Homes Workers Association, expressed her thanks to everyone involved in making the hopes of their members come true. A message of support from the Barangay was also given by Kagawad Ma. Emily Olivo, who also announced plans to launch a sewing program at Friendly Homes so the residents could earn more income. She asked the Rotarians if someone could donate sewing machines for this program. This could be part of the Community Economic Development Team's projects.

District Governor Twinkle Gamboa praised the Club for building socialized housing units and thanked the Club for making her a part of the event. She recalled that she was here last September for the groundbreaking and she is happy to see that we are already inaugurating two units.

Gov. Twinkle also advised the residents of Friendly Homes to take good care of their community and engage in activities that promote unity and togetherness.

The homes were then turned over to the residents and Rev. Fr. Juniper Toreno from the Diocesan Social Action Center gave the blessing. Everyone partook of some food prepared by the beneficiaries, who learned empanada and siopao-making skills from Rotary Ann Wendy Fungo during the Rotary Week in February.

Magical President Elmore Baylon pledged to continue the club's involvement with Friendly Homes, as the residents are now excited at the prospect of finally becoming homeowners.
