### INVOCATION

Lord of the Universe, this is a time in our year when many of us turn our attention to the spiritual side of our lives, when we consider what light we will follow . . .

Help us to understand that no matter what name it is given and in what language it is expressed, that philosophy called The Golden Rule is indeed the most true guidepost by which we should mark the trails of our existence here . . .

We pray that you continue to bless the work that we as Rotarians, from many nations and of many faiths, do to help those less fortunate, for we believe that one manifestation of this Golden Rule is in our Rotary motto, Service Above Self. AMEN

## President's Corner

**PRES. PATRICK S. CAPILI**  
Club President, RY 2019-2020

Again, I wish to extend my most heartfelt gratitude and a big “Thank You” to all of our members who have helped in the earthquake disaster relief efforts. Im certain that our brothers and sisters in the affected are very thankful as well.

This Friday, November 15th, is another important milestone in this Rotary Year’s calendar of activities, the Governor’s Night. We would like to urge members to participate in this endeavor if your schedules allow you to do so. This night is an opportunity to thank our dear Governor for all the hard work he has done for District 3860. It takes a lot of courage indeed to accept a Governor’s post. It takes a lot of your time, effort and personal resources. It takes up more time to become a Rotary Governor than to have a fulltime job. Let’s support Governor Philip’s night. It will be a fun-filled activity I’m sure. Next year, DGE Riz will be taking on that daunting responsibility and we will all be here to support as well.

NOVEMBER 15, 2019 | 6 PM

AND SUITE  
Sta. Ana Ave, Poblacion District,  
Davao City, 8000 Davao del Sur

The Holidays are around the corner. Let’s all take time and think of how we can be a service to the needy. We are all very fortunate to have a good and satisfactory life.

Sometimes we think that we need more but in reality it’s just “I want more.” Life is short. Let’s make it more meaningful by sharing and giving in these trying times.

**HOW ONLINE GIVING BENEFITS YOU**

When was the last time you reminded members of the importance of giving to The Rotary Foundation?

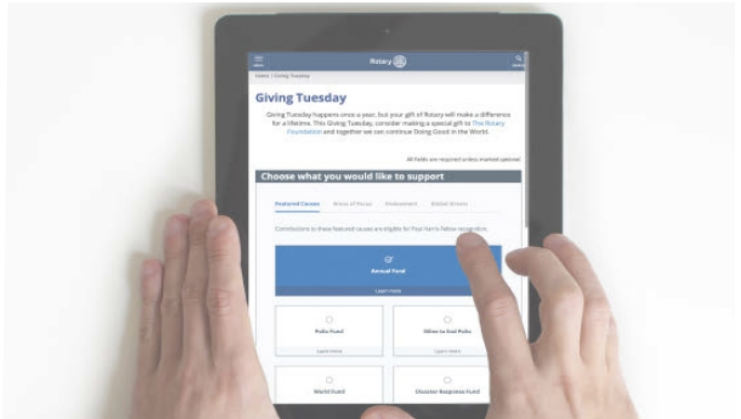

We'll soon be launching a campaign to encourage people to make our Foundation their charity of choice on Giving Tuesday, 3 December.

The United Nations Foundation and New York's 92nd Street Y founded Giving Tuesday in 2012 as a day dedicated to charitable giving. It's celebrated each year on the Tuesday following the U.S. holiday Thanksgiving.

Through the use of technology and social media, Giving Tuesday has become a global phenomenon. In 2018, the Foundation received more than 1,100 gifts, which totaled \$321,000, on that single day.

November, as Rotary Foundation Month, is an ideal time to include the Foundation in your club programs. Explain to members how their giving enables the Foundation to fulfill its mission of Doing Good in the World. Highlight club and district service projects that have been made possible through Foundation grants.

There's also information on how and why to give on Rotary.org.

Encourage members to donate online on Giving Tuesday and throughout the year. It's now easier than ever to support the causes you believe in at [rotary.org/donate](http://rotary.org/donate). Here are some ways that giving online benefits you and The Rotary Foundation:

**BENEFITS TO YOU**

- Processes your donations faster
- Removes the risk of checks getting lost or stolen
- Gets any donor recognition to you sooner
- Eliminates postage and mailing costs
- Allows for credit card rewards

**BENEFITS TO THE ROTARY FOUNDATION**

- Reduces administrative costs
- Transforms contributions into grants faster
- Appeals to a younger donor base
- Spurs spontaneous giving
- Allows members to respond quickly to giving campaigns

## BE The Lake

Once an unhappy young man came to an old Master looking for a solution to his very sad life.

The old Master instructed the unhappy young man to put a handful of salt in a glass of water and then to drink it.

“How does it taste?” the Master asked.

“Terrible,” spat the apprentice.

The Master chuckled, and then asked the young man to take another handful of salt and put it in the lake. The two walked in silence to the nearby lake, where the apprentice swirled his handful of salt into the lake.

“Now drink from the lake,” the Master said.

As the water dripped down the young man’s chin, the Master asked, “How does it taste?”

“Not bad!” replied the apprentice.

“Do you taste the salt?” asked the Master.

“No,” remarked the young man.

The Master sat beside this troubled young man, took his hands, and said, “The pain of life is pure salt; no more, no less. The amount of pain in life remains the same, exactly the same.

But the amount we taste the ‘pain’ depends on the container we put it into. So when you are in pain, the only thing you can do is to enlarge your sense of things. Stop being a glass. Become a lake.”

## 4 SIMPLE WAYS A MAN CAN SHOW HIS LADY LOVE WITH HIS TOUCH...

Women are usually sensitive to a man's touch; especially when he's that special someone.

Touch can sometimes pass messages that even words can't. The same way a woman can show her man love with her touch is also same way a man can show a lady love with his touch.

A man can use just a simple touch to show his lady that he actually cares.

The following are just simple ways a man's touch can show love:

### 1. HOLDING HANDS

Holding hands signify friendship, and a relationship shouldn't only be about love; when friendship is added to that love then it makes for a wonderful combination. Also, holding hands when out with your partner would help instill confidence in her that you truly value her. Holding hands is a form of PDA, and most men don't show PDA except they truly care about you.

### 2. HANDS ACROSS SHOULDER

When at home or out at the movies with your special someone, placing your hands across your lady could pass

several messages; it passes a message of care, that you're also comfortable being with her; it also passes a message of being protective, and most women love that feeling of being with a man who 'got her'.

### 3. CUDDLING

Cuddling often is a very sensitive way of showing love to your lady with just your touch. Cuddling helps increase the bond between couples; cuddling could also trigger the release of the hormone, oxytocin. Most women love to cuddle, especially after sex but most men don't see the need. Cuddling is a very important way of showing your lady love; it builds love, intimacy, romance and bond, which are all essential in a relationship.

### 4. TOUCHING HER FACE

This is also another subtle way of showing care with just a touch.

Maintaining eye contact with her while gently rubbing her cheek or her hair is a romantic gesture that would make her feel

loved and appreciated; it would also pass a message that you are attracted to her. This gesture could even lead to more intimate things like a kiss. A touch can be a silent message that could mean a lot; sometimes a touch could even pass a message that words can't. It's important for every man to know how to show his lady love with just a simple touch.

*Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the **smallest act of caring**, all of which have the potential to **turn a life around**.*
