INVOCATION

Lord of the Universe, this is a time in our year when many of us turn our attention to the spiritual side of our lives, when we consider what light we will follow . . .

Help us to understand that no matter what name it is given and in what language it is expressed, that philosophy called The Golden Rule is indeed the most true guidepost by which we should mark the trails of our existence here . . .

We pray that you continue to bless the work that we as Rotarians, from many nations and of many faiths, do to help those less fortunate, for we believe that one manifestation of this Golden Rule is in our Rotary motto, Service Above Self. AMEN

UNDERSTANDING RI (2)

Starting the First Week of February 2020 I started a series of articles that should give you a better idea of ROTARY INTERNATIONAL (RI) THE LARGER ORGANIZATION. I do hope you will also learn something more about RI, its structure, its plans and goals, etc. I picked a few things from the manual of procedure that are good to know:

On the ROTARY ANTHEM

The official Rotary Anthem is an arranged excerpt of the march from Beethoven's *Egmont Overture*, op. 84. It may be played at appropriate occasions, such as flag ceremonies.

On the SECRETARIAT

Rotary International is administered by the Secretariat, which is composed of the general secretary and staff. The world headquarters of the Secretariat is in Evanston, Illinois, USA, and international offices are located around the world as authorized by the RI Board.

On the STRUCTURE OF ROTARY LEADERSHIP

The general officers of RI are the members of the RI Board and the general secretary. Other RI officers are the governors and the president, immediate past president, vice president. They are nominated and elected as provided in the RI Bylaws.

On the Board of Directors

The RI Board is composed of 19 members: the president as chair of the RI Board, the president-elect, and 17 other directors nominated by the clubs in zones as specified in the bylaws and elected by the convention to serve for terms of two years. Each director, although nominated by the clubs in a certain zone, is elected at the convention by all the clubs, thereby placing on each director the responsibility of representing all clubs in the administration of Rotary.

The RI Board directs and controls RI affairs by (1) establishing policy for the organization, subject to the RI Constitution and Bylaws; (2) evaluating the general secretary's implementation of policy; and (3) exercising any other powers conferred by the RI Constitution, RI Bylaws, and the Illinois General Not-for-Profit Corporation Act of 1986, and any amendments to them. The RI Board is responsible for directing and controlling the affairs and funds of the international association, exercising control over the association's current and

incoming officers and the RI committees, and generally supervising the administration of member clubs.

The RI Board is responsible for doing whatever may be necessary for the long term benefit of the organization, ensuring that the original purpose is preserved, studying and teaching its fundamentals, and preserving its ideals, its ethics, its unique features of organization, and its extension throughout the world. The Board shall also adopt a strategic plan and report on it at each meeting of the Council on Legislation. All RI Board decisions, unless specified otherwise, take effect immediately upon the adjournment of the meeting at which they are made. The action of the RI Board is subject to an appeal to the district representatives of the most recent Council on Legislation or, if the appeal is received by the general secretary within three months of the next Council, the next Council on Legislation.

The RI Board may appoint an executive committee of at least five but no more than seven of its members. It may delegate to the committee authority to exercise, between Board meetings, the power to make decisions on behalf of the RI Board where the policy of RI has been established. The committee also evaluates the performance of the general secretary at least annually and reports its findings to the RI Board. The RI Board in each year prescribes the specific terms of reference for the Executive Committee.

(Our learnings on ROTARY INTERNATIONAL will be continued on the next issue)

Successful Sales Manager

(from goal-setting for success)

A friend of mine is a very successful sales manager. After he had carefully interviewed and then selected a new salesman, he would take to the salesman to a Cadillac dealership and insist that he trade in his old car for a new Cadillac. The salesman would usually balk at the idea. He would be frightened of the cost of the car and the huge monthly payment involved. But the sales manager would insist that he buy the Cadillac as a condition of employment.

What do you think happened afterwards? First, the salesman would driven the car home and wife would most have a heart attack when she saw that he had bought a new Cadillac. But after she had settled down, he would take her for a ride around the neighborhood in the new car. The neighbors would see them driving in a new Cadillac as he waved on the way past. He would park his new

Cadillac in front of his house or in his driveway.

People would come over and admire it. Gradually, imperceptibly, at a subconscious level, his attitude toward himself and his earning potential would begin to change.

Within a few days, he would begin to see himself as the kind of person who drove a new Cadillac. He would see himself as a big money earner in his field, one of the top performers in his industry.

And time after time, almost without fail, the sales people in this organization became sales superstars. Their sales performance jumped and they earned more than they had ever before. Soon the payment on the new Cadillac were of no concern because their incomes were so much greater.

SERVICE ABOVE SELF!

HUSBAND INSTRUCTION MANUAL

Article taken from the Internet

I thought I'd share this "HUSBAND INSTRUCTION MANUAL" FOR WIVES (Re: How to operate the unit) which we came across in the book "Chicken Soup for the Soul."

It goes:
 Congratulations on the acquisition of your brand new 2020 Husband. You have chosen the best that modern biology has to offer in the way of life partners. While your 2020 model is built to last a lifetime, there CARE AND HANDLING INSTRUCTIONS will help you get the most out of your unit.

LAUNDRY INSTRUCTIONS: Although implemented many improvements in this year's model (ex: automatic toilet seat replacement, limited child care abilities, expectoration and flatulence control), we have not perfected an automatic self-laundering option. Thus, you must repeatedly remind your husband to pick up his dirty clothes, sort his laundry by color, and wash appropriate-sized loads. Some owners have found it easier to perform these functions themselves.

DRESSING INSTRUCTIONS: Most husbands come with only two wardrobe options – work and casual. Therefore please ensure that you assist your unit/husband in any clothing purchases in order to avoid nasty fashion surprises. As in the past years, the 2020 Husband has pre-set fashion preferences which may clash with your taste. To date, we have yet to perfect an acceptable "color sense" module although the deluxe accessory package does include a formal wear option for occasional use.

WARNING: Constant wardrobe monitoring is strongly recommended especially on weekends. Repeated exposure to baggy sweat-pants and hole-filled T-shirts may void warranty.

COOKING INSTRUCTIONS: If you chose the deluxe accessory package, you can count on your husband to successfully cook meals on his own for many years to come. The standard model, on the other hand, has few kitchen skills and a limited cuisine. Unless you're willing to invest the time necessary to train your husband in the culinary arts, don't expect much beyond making toast and boiling water. However, all models do come equipped with the outdoor barbecue function.

LISTENING INSTRUCTIONS: Despite years of research, we have not yet been able to produce a husband who really listens. Wives are free to urge their spouses to listen and "express

their feelings" but we can offer no guarantees that you will achieve any meaningful results. Through persistent effort, some customers have trained their husbands to adopt a semi-satisfying simulated listening posture.

FITNESS INSTRUCTIONS: Your 2020 model/husband is properly proportioned and in good shape. However, in order to retain that shape and those proportions, you must insist on a strict regimen of daily exercise and a healthy diets. Failure to keep your husband active and eating properly will often result in a sluggish spouse with a widening waist line and a sagging seat. **WARNING:** DO not rely on in-home exercise equipment and always ration beer, pizza, and chips carefully.

ROMANCE INSTRUCTIONS: Although the listening capabilities of the 2020 model are limited, he does possess excellent eyesight. Thus, in order to activate the romance function, emphasize visual stimuli. Sophisticated conversational and emotional skills are still not available on the 2020 husband although our genetic engineers hope to have an improved product ready by next millennium.

LIMITED WARRANTY: Our 2020 Husband is guaranteed against defects in workmanship for ninety days (90) days. If, for any reason, you wish to return your husband during the warranty period, we will issue a full refund but only if he is returned in his original packaging. After that you are on your own.
