INVOCATION

Lord of the Universe, this is a time in our year when many of us turn our attention to the spiritual side of our lives, when we consider what light we will follow . . .

Help us to understand that no matter what name it is given and in what language it is expressed, that philosophy called The Golden Rule is indeed the most true guidepost by which we should mark the trails of our existence here . . .

We pray that you continue to bless the work that we as Rotarians, from many nations and of many faiths, do to help those less fortunate, for we believe that one manifestation of this Golden Rule is in our Rotary motto, Service Above Self. AMEN

President's Corner

PRES. PATRICK S. CAPILI
Club President, RY 2019-2020

Happy New February week! I hope everybody has spent their Valentine's weekend by giving celebrating love to your loved-ones and to your local community as well.

Last weekend, Davao Rotary Clubs have spent another memorable event during the Rotary Window activity. The Rotary Window activity is our way of showing the community our various charitable activities. It started with a mass at the Assumption church followed by the opening of the activity at the Grand Men Seng Hotel. Special thanks to the participation of DGE Riz Reyes, AG Alvin Orteza and PP Val Dionisio. I was not able to attend as I was out of town for the weekend. Due to the last-minute announcement of AG Bolyn Puno, many of our members were not able to come as they had already other plans arranged beforehand.

This coming Sunday, February 23rd, at 10am, we are urging everybody to attend the Boys Town activity. Please bring gifts/donations to the needy children. They basically need toiletries, food (canned goods), as well as cash donations. We will forego the usual motorcade this time. A fellowship lunch is being arranged after the said activity.

Have a great Rotary Week! Continuing to grow by helping the community!

WHATS NEW? Great News...

UNDERSTANDING RI (3)

Starting the First Week of February 2020 I started a series of articles that should give you a better idea of ROTARY INTERNATIONAL (RI) ... THE LARGER ORGANIZATION. I do hope you will also learn something more about RI, its structure, its plans and goals, etc. I picked a few things from the manual of procedure that are good to know:

On the Officers of Rotary International

President

The president is the highest officer of RI. The president is the principal person to speak on the organization's behalf, presides at conventions and meetings of the RI Board, counsels the general secretary, and performs other related duties.

President-elect

The president-elect has only those duties that arise from the RI Bylaws and from membership on the RI Board, but may be assigned further duties by the president or the RI Board.

Vice President

The vice president is selected by the incoming president at the RI Board's first meeting each year from among the members of the RI Board serving the second year of their terms. The vice president serves for a one-year term beginning on 1 July.

Treasurer

The treasurer is selected by the incoming president at the RI Board's first meeting each year from among the members of the RI Board serving the second year of their terms. The treasurer serves for a one-year term beginning on 1 July.

The treasurer regularly receives financial information from, and confers with, the general secretary on the management of RI finances. The treasurer makes appropriate reports to the RI Board and also makes a report to the RI Convention.

General Secretary

The general secretary is the chief operating officer of RI. As chief operating officer, the general secretary is responsible for the day-to-day management of RI and under the direction and control of the RI Board. The general secretary is responsible to the president and the RI Board for the implementation of its policies and for the operations and administration, including the financial operation, of RI. The general secretary also communicates RI Board policies to Rotarians and Rotary clubs. The general secretary is solely

responsible for the supervision of the Secretariat staff.

Upon approval by the RI Board, the general secretary submits an annual report to the convention. The general secretary's term shall be no more than five years, but a person may be re-elected.

The general secretary

- 1) Implements the policies of RI, the RI Board, and the Foundation Trustees
- 2) Supervises all operations of the Secretariat, including but not limited to those functions related to finance, program, communication, planning, The Rotary Foundation, and administrative matters
- 3) Assists the RI Board and the Trustees in long-range planning and policy formation
- 4) Makes decisions on behalf of the RI Board, as authorized, and executes all legal documents and contracts on behalf of RI and its Foundation
- 5) Works in close cooperation with the president in carrying out the responsibilities of the general secretary's office

(Our learnings on ROTARY INTERNATIONAL will be continued on the next issue)

POINT OF VIEW

Effective ways to prevent the Coronavirus. Worth a read.

About the virus:

1. It is pretty large in size (cell is about 400-500nm diameter), so any normal mask (not just the N95 feature) should be able to filter it out. However, when someone who's infected sneezes in front of you, it will take a great 3 meters (about 10 feet) before it drops to the ground and is no longer airborne.
2. When the virus drops on metal surface, it will live for at least 12 hours. So remember if you come in contact with any metal surface, wash your hands with soap thoroughly.
3. The virus can remain active on fabric for 6-12 hours. Normal laundry detergent should kill the virus. But if you are really worried, you can add some non-chlorine bleach or oxygen bleach. For winter clothing that does not require daily washing, you can put it out under the sun to kill the virus.

About the symptoms of the pneumonia caused by Coronavirus:

1. It will first infect the throat, so the throat will have the dry sore throat feeling which will last for 3 to 4 days
2. Then the virus will blend into the nasal fluid and drips into the trachea and enter the lungs,

causing pneumonia. This process will take 5 to 6 days.

3. With pneumonia, comes high fever and difficulty in breathing. The nasal congestion is not like the normal kind. You will feel like you are drowning in water. It's important to go seek immediate medical attention if you feel like this.

About prevention:

1. The most common way of getting infected is by touching things in public, so you must wash your hands frequently. The virus can only live on your hands for 5-10 mins, but a lot can happen in those 5-10 mins.
2. Aside from washing your hands frequently, you can gargle with a strong Chlorhexidine based mouthwash (i.e. Orahex Oral Rinse) to eliminate or minimize the germs while they are still in your throat and moving elsewhere

Bits & Pieces

7 Reasons Young People Should Join Rotary

Article taken from the Internet

This community service group isn't just for grandparents. Want to meet people and make a real difference in your community? Rotary is the way.

Ever heard of Rotary? No? That's what I expected! If you have, it was probably from your grandpa and you tuned out after three minutes of hearing about his club's weekly lunch spread. And hey, maybe you were interested until he got so passionate about the salad bar. I get it.

Salad bar aside, Rotary is kind of a big deal. With over 1.2 million members worldwide, it's the biggest service organization on the planet. And if you're a fan of the planet ... well, that's just what Rotary wants to preserve. Through peace. Through service. Through understanding. And — get this — NOT through religious or national affiliation. We don't care what you believe or who you voted for. The way Rotary sees it, the most important thing is that we come together to accomplish some much-needed tasks for a lil' group we like to call humanity.

Rotary efforts have already helped eradicate 99.9% of global cases of polio. (Never heard of polio? Thank a Rotarian for your ability to NOT know about this awful disease.) Now, armed with a massive investment and partnership with the Bill and Melinda Gates Foundation, Rotary is poised to take on even more ambitious global projects, including water and sanitation access, maternal and child health, basic education and literacy to name a few areas of focus. In addition to these large-scale, international projects, Rotary clubs are always working to improve their own communities, too.

So, now that you've actually heard of Rotary, you're probably thinking, "Wait, should I be one of these Rotarians?"

I would never pressure you to do something that will improve your life in every conceivable way, but how about I just tell you the benefits I've personally seen from being involved in Rotary for seven years? And then you can decide on your own that you should absolutely, definitely join.

1. You'll make local connections.

Rotary can introduce you to other like-minded and wonderfully diverse people from your

community. Ultimately, to most of us, this is what it's all about: local frnds, local colleagues, clients and contacts. Heck, it's actually why Rotary was started by a group of young professionals in Chicago back in 1905. When it comes to networking and advancing your business, Rotary membership isn't like the fickle, transactional networking and "referral" groups you've likely been encouraged to join. It's authentic and real. With Rotary, if you're willing to put in the effort and give back to your club, I guarantee you will meet people who can open doors for you personally and professionally.

2. You'll make a global impact.

Two words: Bill. Gates. He and Melinda Gates see the efficiency and effectiveness of the Rotary Foundation. So much so that they partnered with Rotary to commit \$450 million to eradicating polio from this sweet planet we've got here. Once we crush polio once and for all, we're moving on to ensuring everyone on earth has access to clean water. Rotary doesn't mess around.

3. You'll see your work pay off locally.

Sure, the whole "saving the world" thing is cool, but if you're wanting to make a difference a little closer to home, don't worry, Rotary does that too! We tackle every local project we can. We are a funding source (through a grant program), a volunteer source (because we're awesome like that) and we even come up with our own initiatives, like in 2018 when we planted over 1.2 million trees (controversial opinion alert!!! Fresh air is awesome!).

4. You can inspire the next generation...

We have amazing youth programs to get high schoolers involved in service and leadership, and being involved in Rotary is life-changing for these kids! Rotary Youth Leadership Awards and World Affairs are programs that fuel and shape the potential for greatness that's already within them. The kids coming out of these programs are fired up about making the world a more peaceful, loving place — and have the contacts, plans and direction to make it happen.

5. ...and spend time with the Greatest Generation.

Sure, Rotary has a bit of a reputation for skewing older, and hey, there's some truth there. But there is also a ton of great experience and perspective to be gained from the Greatest and Boomer generations. Trust me ... Rotary has all of the stories and great folks willing to tell them.

6. You'll get inspired.

No matter what your motive is in considering Rotary, the meetings you attend will likely include a guest speaker or performance. I've seen programs including amazing singers, legitimately awesome circus clowns, environmentalists, coaches — you name it. There's no telling what you might see at a Rotary meeting, but you will get a quality presentation about something that matters to a bunch of people in your town. Isn't that enough?

7. You'll put your energy where it's really needed.

Here's (perhaps) the best part of getting involved in Rotary: these clubs freakin' need you like crazy! We need leaders from every community in the world to join Rotary and amplify our impact. Also, insider tip: if you're under 40, some of the club's traditions might make you feel like you're experiencing a throwback to another time — in a good way. There could be singing. There could be a public display of giving "Happy Bucks." There could be a moment of silence for one our own that's left this sweet world. But no matter what, it will be a real, genuine human experience. And you'll be better for having been there. I promise.

Shared by Ryan Bell, a Rotary member for seven years, from Iowa City.

10 February 2020

Dear Fellow Rotarians,

Warm greetings! In view of the recent advisory from the Secretary of Health recommending the cancellation plan of big events and mass gathering, we would like to inform you that the Organizing Committee and host clubs of Rotary International 3860 District Conference 2020 have decided to heed the advice of the Department of Health and postpone the event. This in consideration of the health and safety of everyone concerned.

For your convenience and in order for you to be able to make the necessary adjustments in your schedule, the date for the event has been moved to May 13, 14 & 15, 2020. Furthermore, the Organizing committee is currently working out with the airline companies for the waiver fees for those that have already booked their tickets for the DISCON.

The DISTAS has also been likewise reset to June which will be further announced by DGE Riezl Reyes as the convenor of the said event.

We trust your kind understanding as our primordial concern is your welfare.

Truly Yours,

Omar Maxwell P. Espina

Incoming RI president announces 2020-21 presidential theme

"We believe that our acts of service, big and small, create opportunities for people who need our help," Knaack said. He added that Rotary creates leadership opportunities and gives members the chance to travel the world to put their service ideas into action and make lifelong connections. "Everything we do opens another opportunity for someone, somewhere," said Knaack.
