Message from the ROTARY INTERNATIONAL PRESIDENT

Dear Rotarians, and friends,

This does not seem like a time for great optimism, but it has to be. Long before Rotary was founded, the world dealt with great crises that tested humankind's ability to progress and endure. In the age of Rotary, the world has faced many more catastrophes; however, we have survived, and every step of the way, Rotary has helped the world heal.

Holger Knaack
Rotary International President
Rotary Year 2020-2021

Every great challenge is an opportunity for renewal and growth. I revealed the theme of Rotary Opens Opportunities at the International Assembly in San Diego just as the COVID-19 crisis was beginning, but these are words that I have believed for many years.

Rotary is not just a club that you join; it is an invitation to endless opportunities. We believe in creating opportunities for others and for ourselves. We believe that our acts of service, large and small, generate opportunities for people who need our help, and that Rotary opens opportunities for us to live a richer, more meaningful life, with friends around the world, based on our core values.

Governments and institutions are gaining a greater appreciation for the types of public health partnerships that are critical to our work. People stuck at home, eager for greater connections and hungry to help their communities, are now embracing the values we have promoted since our beginning.

All of this is positive news, but just because there are greater opportunities than ever for Rotary to thrive does not guarantee that we will succeed. The world is changing rapidly — and was doing so even before this crisis. People were starting to move away from regular lunch meetings and toward online gatherings. Friendships were being cultivated and revived in social media relationships even before most of our meetings moved to Zoom and Skype. Younger generations have a strong desire to serve — but have questioned whether they could play a meaningful role in organizations like Rotary or whether they might make a bigger impact forming different types of connections. Now is the time to put everything on the table, test new approaches, and prepare Rotary for the future.

The COVID-19 crisis has forced all of us to adapt. This is good, and our new Action Plan specifically calls on us to improve our ability to adapt. But adaptation is not enough. We need to change, and change dramatically, if we are to face the challenges of this new age and provide the Rotary that the world so desperately needs.

This is our great challenge, not just in the next year but into the future. It is up to us to remake Rotary for these new times — to wholeheartedly embrace the ideas, energy, and commitment of young people eager to find an outlet for idealism. We must become an organization fully enmeshed in the digital age, not one that simply looks for online ways to keep doing what we have always done.

The world needs Rotary now more than ever. It is up to us to make sure that Rotary Opens Opportunities for generations to come.

"Rotary is not just a club that you join; it is an invitation to endless opportunities.

We believe in creating opportunities for others and for ourselves.

We believe that our acts of service, large and small, generate opportunities for people who need our help, and that Rotary opens opportunities for us to live a richer, more meaningful life, with friends around the world, based on our core values."

2020-21 CITATION GOALS AND INSTRUCTIONS

Beginning in 2020-21, Rotary club leaders can go into Rotary Club Central and select at least 13 out of 25 goals they wish to apply toward citation achievement.

This flexibility allows clubs to choose the goals that are most relevant and achievable. In addition, many goals will be self-reported by marking "achieved" in Rotary Club Central.

To achieve the citation:

- Go to Rotary Club Central
- Review the 25 available goals
- Select at least 13 goals (or more than 50% of the available goals)
- Achieve those goals
- Report achievement in Rotary Club Central

Once you are in Rotary Club Central, navigate to the Goal Center, select the year, and click on the All tab to see the goals. Here are the goals for the 2020-21 Rotary year:

Dear Rotarians, and friends,

I am pleased to extend my warmest greetings to the Rotary Club of East Davao on your 56th Installation of Officers and Hand-over Ceremony.

Every Rotary club has its own personality and its own character; each one finds its own unique ways to serve. When a community gains a Rotary club, it also gains a heart: a group of caring and committed men and women who come together every week to make that community a better place.

This milestone gives you an opportunity to reflect upon your proud history and achievements, while honoring the ties of fellowship that have contributed to your success as part of one of the world's foremost voluntary community service organizations. This Rotary Year District Challenge will be based on Rotary International Strategic Priorities that form part of our Action Plan.

Rotary's Vision (People of Action)
TOGETHER we see a world where PEOPLE unite and take action to CREATE lasting CHANGE across the globe in our communities and in ourselves.

Rotary's Action Plan
Rotary International have set four priorities that will direct our work over the next five years.

ENHANCE PARTICIPANT ENGAGEMENT
EXPAND OUR REACH
INCREASE OUR IMPACT
AND INCREASE OUR ABILITY TO ADAPT.

As we stand on the end of eliminating polio, we find ourselves poised for our next challenge—moving towards realizing a new vision that brings more people together, increases our impact, and creates lasting change around the world.

ENHANCE PARTICIPANT ENGAGEMENT
People of Action strive to understand the needs of others.

How can we make sure Rotarians find long-term value in their membership?
Develop a participant-centered approach to deliver value What would improve the Rotary experience? Offer new opportunities for personal and professional connection What skills could people learn through Rotary?
Provide leadership development and skills training
How can we better develop our leaders? Support clubs to better engage their members, always consult your predecessors and involve your successors.

Our fellow members need to know that they are seen, heard and valued. This priority is aimed at making sure that we give our members meaningful opportunities to evolve and grow with us – personally and professionally— throughout their lives.

We want to improve the overall Rotary experience for anyone who affiliates with us. And we should take nothing for granted. We need to look at every encounter as an opportunity to show our people what Rotary can do for them—as individuals and as members of our communities.

Together, let's recommit to putting the needs, expectations, and growth of our participants at the center of all we do.

ROSSANO C. LUGA

President
Rotary Year 2020-2021

Now comes the challenges of our Rotary Club under the new normal, which we are trying to adopt.

Institutionalized programs have been disrupted. This leaves us with limited space and time to carry out our mandate.

So we move about in a virtual world within a real world.

But for us Rotarians, it will still be as usual, "Service Above Self".

Rotary Opens Opportunities

Message from the CLUB PRESIDENT

Dear fellow Rotarians, and friends,

Exactly 19 years ago in 2001, with a huge sigh of relief, I officially became the Immediate Past President of the Rotary Club of Central Panabo during the induction of the new batch of officers.

As I performed the symbolic turnover of the gavel and bell, thoughts were running in my head. I cursed, and I promised to myself, "I am done. Never again!"

Guess what? Today, July 25, 2020, I just broke that vow by accepting this challenge. I am back, as a Rotary Club president, not just of a so so club, but of the distinguished Rotary Club in all of District 3860. A club to the most promising incumbent District Governor, 5 prolific Past District Governors, and glorious past presidents. How cool is that?

Flashback in 2016, at the height of the rotating power outages in Mindanao, which lasted for five months. Those were dark times with 2 rolling service interruptions extending up to two to three hours in a day. As the spokesperson of the electric distribution utility, the face of the company, I had to save face myself. In spite of that, the Rotary Club of East Davao through Past President Dr. Oca Escudero, recruited me. So I reckoned, "Thank you", at least there's still a little love left coming from the most unexpected place.

Now comes the challenges of our Rotary Club under the new normal, which we are trying to adopt. Institutionalized programs have been disrupted. This leaves us with limited space and time to carry out our mandate. So we move about in a virtual world within a real world. But for us Rotarians, it will still be as usual, "Service Above Self".

But, I am most challenged by the fact that I am leading a group of people whose minds are not wired to just follow orders. These are leaders in their own right. Imagine leading a group of leaders?

Your incumbent officers and board of directors certainly need your support. We have proposed operationalizing the word "support" by having assigned coaches and mentors who will guide us all the way in our journey.

During our term for 2020-2021, with the theme Rotary Opens Opportunities, we will exploit every chance to make a difference in the lives of others through collaborations with other Rotary Clubs and organizations, such as local and foreign business chambers, professional institutions, and the government and non-government agencies. That is how we envision the way forward will be.

As part of the new leadership, we will seek to carefully develop camaraderie among the members of the club and other Rotary Clubs observing of course social distancing and through the power of internet connectivity.

Moreover, to my friends and family, my wife Jojo and daughter Jossan, thank you for your utmost support. I will work without ceasing to live up to it.

Now that the gavel and bell have been passed onto me by President Patrick, I feel like have big shoes to fill. Thank you for bringing our club to great heights during your tenure.

I end this with the words as we acknowledge the grace and guidance of the one God.

God bless Our Rotary Club of East Davao and our families, our Spouses, our Rotary scholars, our secretariat, and our most dependable Shiela.

God Bless the members, new set of officers and board of directors,
God Bless District Governor Riz and his Team

May the Almighty bless us and preserve us for the great task that awaits us.
Thank you very much! Good evening everyone!

Message from the IMMEDIATE PAST PRESIDENT

PATRICK S. CAPILI
President
Rotary Year 2019-2020

Dear fellow Rotarians,

This year will be the year of different challenges as we will be under a different normal.

The way we have done things our whole lives will, all of a sudden, be different.

I am still hoping that things will go back to the old normal as we cannot distance socially for a long period of time.

We are naturally social beings, social Rotarians, that need to go out and physically tackle life's purpose of making a difference.

My Presidency has come to an end with a looming global phenomenon. Never in my wildest dreams that i could imagine the world being in the middle of this pandemic all of a sudden, without warning. Nevertheless, the Rotary year 2019-2020 still ended successfully with a number of achievements in place. The continuation of Global Grant #1640035 in partnership with RC Waling Waling which focuses on Basic Education and Literacy & Maternal & Child Health.

The newly and recently approved Global Grant #2092854, the rehabilitation of Barangay Hizon Health Center, has fortunately gone thru application process smoothly. We have had 2 medical missions namely in Barangay Balite, Marilog District and Barangay Caliclic in Samal Island. Other projects that were continued from previous administrations are the ff: School Feeding Program, Scholarship Program (11 scholars), Maruyama Pianica project in Mintal, Mangrove Planting/Coastal Clean up, Hosting of Bowling Tournament, End Polio Benefit show fundraiser, Earthquake relief donations and End Polio campaign programs with area 2 clubs.

As we embark on a new journey with our new President Ross Luga, we are suddenly faced with dealing with life's "new normal". I commit myself to continue to support our new President though thick and thin. I pledge my support as well to the new District Governor Riezl Reyes, who fortunately belongs to our club.

This year will be the year of different challenges as we will be under a different normal. The way we have done things our whole lives will, all of a sudden, be different. I am still hoping that things will go back to the old normal as we cannot distance socially for a long period of time. We are naturally social beings, social rotarians, that need to go out and physically tackle life's purpose of making a difference.

Thank you and more power to RCED in 2020-2021!

Yours in Rotary,

PATRICK S. CAPILI

SPEAKER'S PROFILE

RODEL RIEZL S. REYES

District Governor, RY 2020-2021

RODEL RIEZL S. REYES believes that the opportunity to lead the District is an honor and a privilege to give back to Rotary what he has achieved in his 22 years of dedicated and committed service in doing good with the community.

A third generation Rotarian, he was destined to serve the District drawing inspiration from his father, the late Roberto C. Reyes, past president of the Rotary Club of South Davao. His journey as a Rotarian began when he was inducted as member of the Rotary Club of Metropolitan Davao in September 1998, with his friends in the same line of business. In August 2001, he joined the Rotary Club of East Davao and ascended the club leadership ladder to become its 41st President in RY 2005-06. Throughout his 16 years in Rotary, he displayed admirable leadership skills that paved the way for him to be appointed various key positions within and beyond the club level having served as conference and training chair, resource speaker and district officer that enriched his knowledge in Rotary and honed him to lead us in this coming Rotary year.

He then continued to serve Rotary beyond the club level as twice Assistant Governor in RY 2006-2008. A Senior Assistant Governor for Operations in RY 2012 -13 and for Administration in RY 2014 -15. He also handled various district committees such as membership chair, Annual Programs and Polio Fund Chair, World Community Service (WCS) district officer and the Group Study Exchange Chair.

For District 3860 to thrive, DGE Riz believes that Rotarians must face current and future challenges and opportunities with "passion, enthusiasm, perseverance, and above all, commitment."

His top priority is to increase membership, which he believes as the bedrock of Rotary. The campaign on membership has to continue with focus on the younger generation, the lifeblood of Rotary. He is also looking at the opportunity to attract and entice former Rotarians back into the folds of Rotary service.

A TRF Major Donor and Paul Harris Society member, he will continue to work on increasing members' contribution to The Rotary Foundation and ensure that all the 98 clubs contribute to the Annual Programs Fund and Polio fund.

He envisions District 3860 boldly and creatively engaging the community to proactively participate in END POLIO NOW campaign.

His passion for everything and anything in Rotary that spanned for 22 years of his life earned him several recognitions from his club as twice Rotarian of the Year; consistent Presidential Leadership awardee; and has maintained his perfect attendance for the past 22 years.

He is also a recipient of several Rotary International recognitions such as the Four Avenues of Service award, TRF Distinguished Service Award and the TRF Meritorious Service Award.

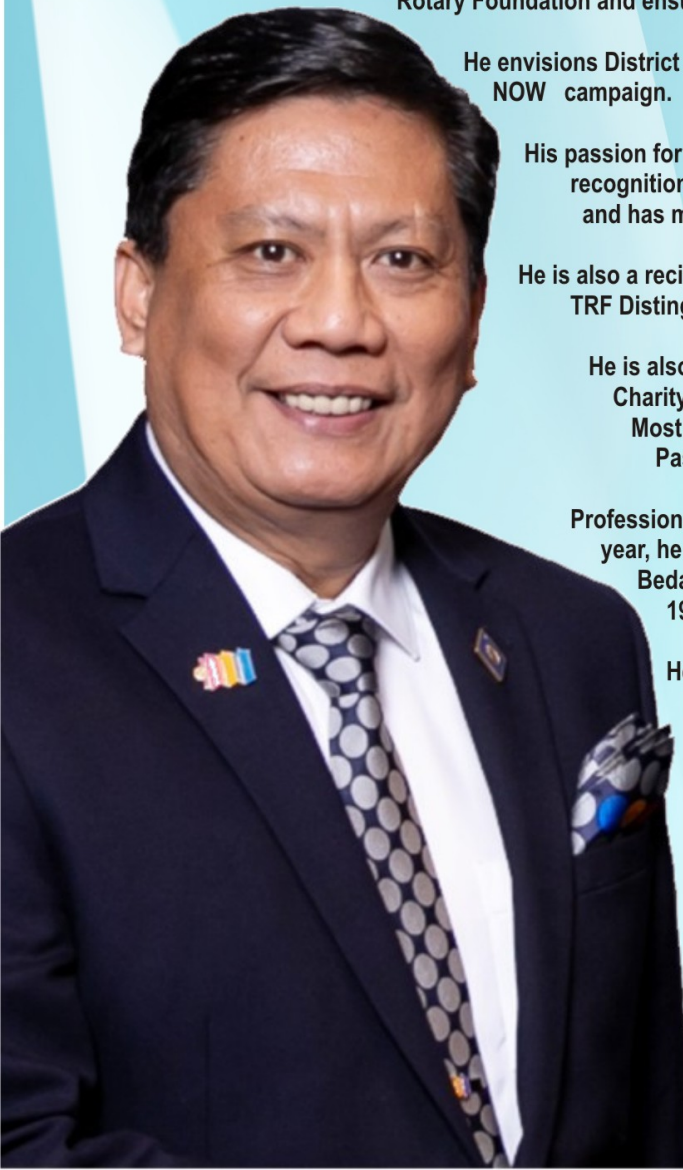

He is also involved in various charitable organization and socio-civic organization like the Maharlika Charity Foundation as VP-Operations, Smile Train Philippines as Davao City coordinator, The Most Worshipful Grand Lodge of Free and Accepted Mason as DDGM in 2008, and a Past Grand Master of the Supreme Council Order of DeMolay.

Professionally, he joined SGV & Company based in Makati right after his graduation in 1983. In the same year, he passed the Certified Public Accountancy Board Examination. He is a proud graduate of San Beda College. In 1986 he was engaged by San Miguel Corporation Audit and Finance group. In 1990, a call for family duty brought him back to Davao to take care of the family business.

He is happily married to Anne Marie C. Lopez, a daughter of former Davao City Mayor Elias B. Lopez. Blessed with an only son Roberto Elias who is currently working in Manila.

He believes that District 3860 will adapt to a rapidly changing world by embracing innovation within the guidelines of our tradition and values. By aggressively embracing new technologies, social media and new opportunities, individual and businesses will see that Rotary helps promote a good civic and public image while adding credibility.

As Rotarians we are still Blessed to take on leadership at this wonderful but very challenging moment of our organization. Let us together embrace the new year as Rotary Opens Opportunities.

54 years of Service Above Self

In 1965, then District Governor Alfonso "Poncing" Oboza and Pres. Leon "Leony" Garcia of the Rotary Club of Davao thought of organizing the 2nd Rotary Club in the City of Davao. Thus was born the Rotary Club of East Davao (RCED).

On December 1, 1965, the RCED charter was officially unveiled in a historical ceremony at the Davao Insular Hotel, with twenty-four (24) men signing-up to be charter members, 10 of whom were from the sponsoring club, RC Davao.

From its inception, RCED called Davao Insular Hotel its home, as it was the venue for its weekly Tuesday club meetings. In 2007, the club opted to transfer its meetings to the Marco Polo Hotel.

Through the years, many RCED Past Presidents (and members) were privileged to serve in various District and Rotary International (RI) positions. To name a few:

1. As DISTRICT GOVERNORS

Atty. Honesto "Totoy" Cabarroguis	1983-1984
Dr. Herminio "Hermie" Villano	1989-1990
Reynaldo "Boy" Reyes	1995-1996
Raoul Hilario+	1999-2000
Amb. Ramon "Monet" Tirol+	2001-2002

Another member also had the honor to serve as District Governors, but this happened after they transferred to other clubs in the city, namely Salvador "Bading" Angala of RC West Davao in RY 1975-1976.

2. As REPRESENTATIVES

PDG Totoy served as DISTRICT 3860's representative to the Council of Legislation which convened in Anaheim, California in 1992. He was also member of the vital Committee on Extension representing Zone 4 (encompassing 21 districts in Southeast Asia).

PDG Boy Reyes was District 3680's representative to the Council of Legislation which was held in Chicago in 2007.

3. As GROUP STUDY EXCHANGE TEAM LEADERS

- PDS Ben Panganiban to D591 in Florida
- PDG Totoy Cabarroguis to D611 in Arkansas, Kansas, Missouri, and Oklahoma
- PDG Hermie Villano to D6296 in North Western Michigan and Sault St. Marie, Canada
- PP Rizal Aportadera to D712 in New York
- PDG Raoul Hilario to D5670 in Kansas
- PP Tino de Jesus to D7640 in New Jersey
- PP Edsa Sancho to D5150 in San Francisco
- PP Hecky Maniquis to D5020 in Seattle, Washington
- PP Nandie Subido to D6400 in Detroit, Michigan and Ontario, Canada and Team Member to District 6630 Cleveland Ohio, 1982
- PP Jesse Fortich to D6200 in Louisiana

Through the years, the club has embarked on numerous community projects, (i.e., donated artesian wells, school buildings, books, clothings, scholarships, conducted medical and dental missions, disaster response, etc.) all in pursuit of Rotary's Theme of "Service Above Self." (Please see next page, RCED @ WORK, for a list of some of the more recent major projects the club has under taken).

A cornerstone project that the club has been known for is its scholarship program. Here, the club offers the scholarship to deserving and highly motivated high school students, who have graduated and have proven themselves in the academic field. One major condition is that they must come from families who are economically challenged and may not enrol in college without assistance. The student applicant must be willing to take and finish an education course—and be teachers of tomorrow. The objective of this approach is so that they will become agents of change who are skilled to educate the growing populace in our communities—eventually helping fight poverty.

This is made possible because of the numerous RCED Members' contribution and/or joint "ventures" that the club tries to build. One very successful example of this is the college-scholarship at the Holy Cross of Davao College—a joint project with the Oikawa Scholarship Program and by the San Josue Scholarship. Through the efforts of PDG Boy Reyes, PDG Raoul Hilario, and PP Mickey Miyake, Matching club arrangements with Japanese Clubs RC

Wakayanagi, RC Funabashi West and RC Ishinomaki South were arranged—resulting to the annual exchange of goodwill visits and the flow of donations from Japan for the projects.

At RCED we take the word "INTERNATIONAL" seriously. This is clearly seen in the different nationalities of its member (Filipinos, Americans, Europeans, Australians, Japanese, and many others). For some time now, the honorable consuls of Japan, Indonesia, and Malaysia are/were honorary members. In the Avenue of International Service, the club organized the Rotary Club of Manado, Indonesia. A team led by PDG Boy Reyes and PP Hecky Maniquis made sure they started on the right direction.

The strength of the club lies in its membership mix and the members' passion for service. To date, RCED is still considered as club of the biggest of D3860.

RCED is an ardent supporter of The Rotary Foundation having in its roster several Major Donors, Multiple Paul Harris Fellows, PHFs and PHSMs.

To the club members, being able to BE OF SERVICE to others is more than enough reward. This philosophy has made the club stronger, more effective, and somehow "stand-out"... eventually it helped the club earn numerous awards and recognition from the District and from RI. To name a few:

- RI Asia Pacific Presidential plaque given by RI Pres. Frank Devlyn
- Global Quest award for membership growth in Zone 7 District
- PP Mickey Miyake - RI the highest award to a Rotarian, the "RI Service Above Self"
- Our Presidents and Club Secretaries have also been consistent awardees.
- Most Outstanding Club Bulletin for a number of years.

To RCED, these awards and recognitions are reminders, if not challenges, to do more for the community and mankind.

The succeeding decades will surely find Rotary Club of East Davao (RCED) in the forefront of Rotary's motto of "Service Above Self" and the Implementation of the District Governor's and RI President's Challenges.
