54 years of Service Above Self

In 1965, then District Governor Alfonso “Poncing” Oboza and Pres. Leon “Leony” Garcia of the Rotary Club of Davao thought of organizing the 2nd Rotary Club in the City of Davao. Thus was born the Rotary Club of East Davao (RCED).

On December 1, 1965, the RCED charter was officially unveiled in a historical ceremony at the Davao Insular Hotel, with twenty-four (24) men signing-up to be charter members, 10 of whom were from the sponsoring club, RC Davao.

From its inception, RCED called Davao Insular Hotel its home, as it was the venue for its weekly Tuesday club meetings. In 2007, the club opted to transfer its meetings to the Marco Polo Hotel.

Through the years, many RCED Past Presidents (and members) were privileged to serve in various District and Rotary International (RI) positions. To name a few:

1. As DISTRICT GOVERNORS

Atty. Honesto “Totoy” Cabarroguis	1983-1984
Dr. Herminio “Hermie” Villano	1989-1990
Reynaldo “Boy” Reyes	1995-1996
Raoul Hilario+	1999-2000
Amb. Ramon “Monet” Tirol+	2001-2002

Another member also had the honor to serve as District Governors, but this happened after they transferred to other clubs in the city, namely Salvador “Bading” Angala of RC West Davao in RY 1975-1976.

2. As REPRESENTATIVES

PDG Totoy served as DISTRICT 3860’s representative to the Council of Legislation which convened in Anaheim, California in 1992. He was also member of the vital Committee on Extension representing Zone 4 (encompassing 21 districts in Southeast Asia).

PDG Boy Reyes was District 3680’s representative to the Council of Legislation which was held in Chicago in 2007.

3. As GROUP STUDY EXCHANGE TEAM LEADERS

- PDS Ben Panganiban to D591 in Florida
- PDG Totoy Cabarroguis to D611 in Arkansas, Kansas, Missouri, and Oklahoma
- PDG Hermie Villano to D6296 in North Western Michigan and Sault St. Marie, Canada
- PP Rizal Aportadera to D712 in New York
- PDG Raoul Hilario to D5670 in Kansas
- PP Tino de Jesus to D7640 in New Jersey
- PP Edsa Sancho to D5150 in San Francisco
- PP Hecky Maniquis to D5020 in Seattle, Washington
- PP Nandie Subido to D6400 in Detroit, Michigan and Ontario, Canada and Team Member to District 6630 Cleveland Ohio, 1982
- PP Jesse Fortich to D6200 in Louisiana

Through the years, the club has embarked on numerous community projects, (i.e., donated artesian wells, school buildings, books, clothings, scholarships, conducted medical and dental missions, disaster response, etc.) all in pursuit of Rotary’s Theme of “Service Above Self.” (Please see next page, RCED @ WORK, for a list of some of the more recent major projects the club has under taken).

A cornerstone project that the club has been known for is its scholarship program. Here, the club offers the scholarship to deserving and highly motivated high school students, who have graduated and have proven themselves in the academic field. One major condition is that they must come from families who are economically challenged and may not enrol in college without assistance. The student applicant must be willing to take and finish an education course—and be teachers of tomorrow. The objective of this approach is so that they will become agents of change who are skilled to educate the growing populace in our communities—eventually helping fight poverty.

This is made possible because of the numerous RCED Members’ contribution and/or joint “ventures” that the club tries to build. One very successful example of this is the college-scholarship at the Holy Cross of Davao College—a joint project with the Oikawa Scholarship Program and by the San Josue Scholarship. Through the efforts of PDG Boy Reyes, PDG Raoul Hilario, and PP Mickey Miyake, Matching club arrangements with Japanese Clubs RC

Wakayanagi, RC Funabashi West and RC Ishinomaki South were arranged—resulting to the annual exchange of goodwill visits and the flow of donations from Japan for the projects.

At RCED we take the word “INTERNATIONAL” seriously. This is clearly seen in the different nationalities of its member (Filipinos, Americans, Europeans, Australians, Japanese, and many others). For some time now, the honorable consuls of Japan, Indonesia, and Malaysia are/were honorary members. In the Avenue of International Service, the club organized the Rotary Club of Manado, Indonesia. A team led by PDG Boy Reyes and PP Hecky Maniquis made sure they started on the right direction.

The strength of the club lies in its membership mix and the members’ passion for service. To date, RCED is still considered as club of the biggest of D3860.

RCED is an ardent supporter of The Rotary Foundation having in its roster several Major Donors, Multiple Paul Harris Fellows, PHFs and PHSMS.

To the club members, being able to BE OF SERVICE to others is more than enough reward. This philosophy has made the club stronger, more effective, and somehow “stand-out”... eventually it helped the club earn numerous awards and recognition from the District and from RI. To name a few:

- RI Asia Pacific Presidential plaque given by RI Pres. Frank Devlyn
- Global Quest award for membership growth in Zone 7 District
- PP Mickey Miyake - RI the highest award to a Rotarian, the “RI Service Above Self”
- Our Presidents and Club Secretaries have also been consistent awardees.
- Most Outstanding Club Bulletin for a number of years.

To RCED, these awards and recognitions are reminders, if not challenges, to do more for the community and mankind.

The succeeding decades will surely find Rotary Club of East Davao (RCED) in the forefront of Rotary’s motto of “Service Above Self” and the Implementation of the District Governor’s and RI President’s Challenges.

INVOCATION

Lord, we are weary and don't know when this race will end in our lives. We feel like we have been running forever, trying to outrun these trials. Help us to stop trying to outrun our pains but rather run with endurance the race You have set before us. Maybe Father, these trials are Your mercy in disguise. Maybe this virus is actually Your way of purifying us and cleansing our souls, bringing us back to you. Father, You have been patiently waiting for us. We are sorry for ignoring Your voice and in our selfish ways, we have sometimes forgotten that You are God! Please Lord, make us realize that nothing in this world can separate us from You, that we have to trust and continue clinging to You! Lastly Father, we pray that our members will remain active and join in our virtual meetings to be updated with our club's activities and work together for the welfare of the community we serve! All these we pray. Amen.

POV

POINT OF VIEW

VP RAPHAEL E. APOLINARIO VI
Editor in Chief, RED Chronicle

IMPOSSIBLE IS NOTHING

(FROM: Goal setting for success.com)

Take a certain goal of yours and double it. Or triple it. Or multiply it by 10. And then ask yourself, quite seriously, what you would have to do to achieve that new goal.

I used this game recently with a friend who holds a position in sales. He came to see me because he was selling \$100,000 worth of product each month, the most on his team, and wanted to somehow get to \$140,000.

I asked him to tell me what it would take for him to sell \$200,000 worth of equipment each month. "200,000!" he shouted. "That's impossible. I'm leading the team already with \$100,000, and nobody thought that could be done."

"What would have to do?" I persisted. "No," he said. "You don't understand. I want to hit \$140,000 a month, and even that is so hard that I don't know how I'll do it."

I finally told him the theory behind this game. If you seriously look at an outrageous goal, such as \$200,000, it will open things up for you creatively that wouldn't have opened up if you stayed looking at \$140,000. He nodded slowly and reluctantly agrees to play along for a while. "Okay," he said. "But remember, we're talking about something that's impossible." "Fine," I said. "But if your life depended on hitting \$200,000 next month, what exactly would you do?"

He laughed and then started listing things as I wrote them down on a flip pad. After he got through the ridiculous ideas, like stealing other

people's accounts and cooking the books, he began to think of more ideas. At first it was hard.

"I'd have to be two places at once," he said. "I'd have to make twice as many presentations as I'm making. I'd have to present to two clients at once!"

Then it hit him. All of a sudden he got the idea that he might be able to stage a large presentation of his product with a number of clients in the room at one time. "I could rent a room at a hotel and have 20 people in for coffee and donuts, and I could make a big deal out of it," he said.

A number of other ideas came to him- ways to combine his cold-calling with his travel time, ways to utilize e-mail as a sales tool, how to use the administrative staff better. Idea after idea came to him while I wrote furiously on the pad. All of the ideas were a result of his thinking big- "How would I sell \$200,000 if I absolutely had to?"

He surpassed his goal of \$140,000 the very next month!
