54 years of Service Above Self

In 1965, then District Governor Alfonso “Poncing” Oboza and Pres. Leon “Leony” Garcia of the Rotary Club of Davao thought of organizing the 2nd Rotary Club in the City of Davao. Thus was born the Rotary Club of East Davao (RCED).

On December 1, 1965, the RCED charter was officially unveiled in a historical ceremony at the Davao Insular Hotel, with twenty-four (24) men signing-up to be charter members, 10 of whom were from the sponsoring club, RC Davao.

From its inception, RCED called Davao Insular Hotel its home, as it was the venue for its weekly Tuesday club meetings. In 2007, the club opted to transfer its meetings to the Marco Polo Hotel.

Through the years, many RCED Past Presidents (and members) were privileged to serve in various District and Rotary International (RI) positions. To name a few:

1. As DISTRICT GOVERNORS

Atty. Honesto “Totoy” Cabarroguis	1983-1984
Dr. Herminio “Hermie” Villano	1989-1990
Reynaldo “Boy” Reyes	1995-1996
Raoul Hilario+	1999-2000
Amb. Ramon “Monet” Tirol+	2001-2002

Another member also had the honor to serve as District Governors, but this happened after they transferred to other clubs in the city, namely Salvador “Bading” Angala of RC West Davao in RY 1975-1976.

2. As REPRESENTATIVES

PDG Totoy served as DISTRICT 3860’s representative to the Council of Legislation which convened in Anaheim, California in 1992. He was also member of the vital Committee on Extension representing Zone 4 (encompassing 21 districts in Southeast Asia).

PDG Boy Reyes was District 3680’s representative to the Council of Legislation which was held in Chicago in 2007.

3. As GROUP STUDY EXCHANGE TEAM LEADERS

- a. PDS Ben Panganiban to D591 in Florida
- b. PDG Totoy Cabarroguis to D611 in Arkansas, Kansas, Missouri, and Oklahoma
- c. PDG Hermie Villano to D6296 in North Western Michigan and Sault St. Marie, Canada
- d. PP Rizal Aportadera to D712 in New York
- e. PDG Raoul Hilario to D5670 in Kansas
- f. PP Tino de Jesus to D7640 in New Jersey
- g. PP Edsa Sancho to D5150 in San Francisco
- h. PP Hecky Maniquis to D5020 in Seattle, Washington
- i. PP Nandie Subido to D6400 in Detroit, Michigan and Ontario, Canada and Team Member to District 6630 Cleveland Ohio, 1982
- j. PP Jesse Fortich to D6200 in Louisiana

Through the years, the club has embarked on numerous community projects, (i.e., donated artesian wells, school buildings, books, clothings, scholarships, conducted medical and dental missions, disaster response, etc.) all in pursuit of Rotary’s Theme of “Service Above Self.” (Please see next page, RCED @ WORK, for a list of some of the more recent major projects the club has under taken).

A cornerstone project that the club has been known for is its scholarship program. Here, the club offers the scholarship to deserving and highly motivated high school students, who have graduated and have proven themselves in the academic field. One major condition is that they must come from families who are economically challenged and may not enrol in college without assistance. The student applicant must be willing to take and finish an education course—and be teachers of tomorrow. The objective of this approach is so that they will become agents of change who are skilled to educate the growing populace in our communities—eventually helping fight poverty.

This is made possible because of the numerous RCED Members’ contribution and/or joint “ventures” that the club tries to build. One very successful example of this is the college-scholarship at the Holy Cross of Davao College—a joint project with the Oikawa Scholarship Program and by the San Josue Scholarship. Through the efforts of PDG Boy Reyes, PDG Raoul Hilario, and PP Mickey Miyake, Matching club arrangements with Japanese Clubs RC

Wakayanagi, RC Funabashi West and RC Ishinomaki South were arranged—resulting to the annual exchange of goodwill visits and the flow of donations from Japan for the projects.

At RCED we take the word “INTERNATIONAL” seriously. This is clearly seen in the different nationalities of its member (Filipinos, Americans, Europeans, Australians, Japanese, and many others). For some time now, the honorable consuls of Japan, Indonesia, and Malaysia are/were honorary members. In the Avenue of International Service, the club organized the Rotary Club of Manado, Indonesia. A team led by PDG Boy Reyes and PP Hecky Maniquis made sure they started on the right direction.

The strength of the club lies in its membership mix and the members’ passion for service. To date, RCED is still considered as club of the biggest of D3860.

RCED is an ardent supporter of The Rotary Foundation having in its roster several Major Donors, Multiple Paul Harris Fellows, PHFs and PHSMs.

To the club members, being able to BE OF SERVICE to others is more than enough reward. This philosophy has made the club stronger, more effective, and somehow “stand-out”... eventually it helped the club earn numerous awards and recognition from the District and from RI. To name a few:

- a. RI Asia Pacific Presidential plaque given by RI Pres. Frank Devlyn
- b. Global Quest award for membership growth in Zone 7 District
- c. PP Mickey Miyake - RI the highest award to a Rotarian, the “RI Service Above Self”
- d. Our Presidents and Club Secretaries have also been consistent awardees.
- e. Most Outstanding Club Bulletin for a number of years.

To RCED, these awards and recognitions are reminders, if not challenges, to do more for the community and mankind.

The succeeding decades will surely find Rotary Club of East Davao (RCED) in the forefront of Rotary’s motto of “Service Above Self” and the Implementation of the District Governor’s and RI President’s Challenges.

Rotary Opens Opportunities

Together, we Transform Lives

Together, we Open Doors of Opportunities

Lets us all Welcome
 Rotary Year 2020-2021.

President's Corner

PRES. ROSSANO C. LUGA
Club President, RY 2020-2021

Adopting to the “New Normal”, the Rotary Club of East Davao officers and members are innovating.

This may be driven by its members’ commitment to continue carrying out the shared responsibility to take action on our world’s most persistent issues and among those is, fighting disease.

In order to assist the government in its fight against COVID-19, some members are now initiating to raise funds to donate face shields. Some have even committed a number of pieces already.

The said initiative is aligned to the recent Land The Land Transportation Franchising and Regulatory Board (LTFRB) issued memorandum circular on August 1 stating that drivers, conductors, and passengers of public utility vehicles (PUVs) in areas under general community quarantine (GCQ) must wear a face shield or eye protector aside from the mandatory face masks.

As Rotary Clubs get involved to grow economies, East Davao will be conducting a Free Webinar on Urban Container Gardening on the 29th of August at 10 am. It has chosen a Saturday so that many people can attend. This is a joint project with The Philippine Institute of Certified Public Accountants, The American Chamber of Commerce of the Philippines, Mindanao Chapter, and the INCOME Davao. The European Chamber of Commerce of the Philippines has also indicated that it wants to participate.

This is in tune with the call of the times as well as Rotary’s Vision of providing service to others, promoting goodwill, and fellowship with business, professional, and community leaders.

After all collaborations with different organizations who have the same intent of paying it forward to common stakeholders would make everyone’s life a lot easier.

BALLOONS

A wise teacher once brought balloons to school, told her pupils to blow them up and write their name on one. After the children tossed their balloons into the hall, the teacher moved through the hall mixing them all up.

The kids were given five minutes to find the balloon with their name on it, but though they searched frantically, no one found their own balloon.

Then the teacher told them to take the balloon closest to them and give it to the person whose

name was on it. In less than two minutes, everyone was holding their own balloon.

The teacher said to the children, "These balloons are like happiness. We won't find it when we're only searching for our own. But if we care about someone else's happiness...it will ultimately help us find our own."

10 Surprising Health Benefits of Drinking Whiskey...

Written by Elizabeth Abrahamsen in WideOpenCountry.com

There's no doubt that whiskey is country music's favorite drink. Believe it or not, consuming whiskey in the right dosage may have a positive effect on your health and not just a hangover the next morning. Whiskey gets its name from the Gaelic word "uisge beatha," meaning "water of life," so raise your glass and toast to these 10 potential health benefits of drinking whiskey.

10. Weight loss aid

Yes, you read that right. Because whiskey is a low-carb drink, it makes it the perfect choice for anyone who is watching their weight. The American Society for Clinical Nutrition published a study in 1991 that suggested that moderate intake increases energy and decreases the desire for sugar (sucrose) intake. If you're counting your calories, a shot of whiskey is 64. So put down that beer and have a shot of Wild Turkey instead.

9. Cancer Prevention

Another great health benefit of whiskey is its high concentration of ellagic acid, a powerful antioxidant that can neutralize cancer-causing free radicals in the human body. Single malt whiskey is said to contain more antioxidants than red wine. So she can be his glass of wine, and he can be her shot of whiskey, and they'll both reap the health benefits.

8. Stroke Prevention

As with all the health benefits of whiskey, the key is to consume in moderation. Because of its blood-thinning properties, a daily shot of whiskey can lower a person's risk of ischemic (clot-caused) stroke.

7. Whiskey treats the common cold

You probably grew up hearing that

drinking a Hot Toddy is a great palliative for a cold. Unlike other home remedies, this one has its basis in science. The ingredients of this favorite winter beverage have many of the same properties as a dose of Nyquil. Whiskey acts as a decongestant by dilating your blood vessels, while the honey, lemon and herbal tea have anesthetic properties and can loosen mucus.

6. It's a stress destroyer

You've probably headed to the bar after a bad week at work to try to erase your troubles, but you may not know that a shot of whiskey can actually help you relax. The barbiturate affect of the alcohol can reduce stress, and also has sedative properties to help you sleep if you're experiencing anxiety. This is why whiskey is a classic choice of nightcap for bad asses the world over.

5. Lowers the risk of dementia

If you've ever woken up from an evening of heavy drinking unable to remember what you did the night before you may not believe it, but a study published by the National Center for Biotechnology Information concluded that drinking one to six drinks weekly could lower your risk of dementia over and above avoiding alcohol completely.

4. It aids digestion

Whiskey has historically been used as a digestif in many cultures throughout the ages. If you've had a heavy meal, an after dinner shot of Maker's may be just what you need to finish it off properly.

3. Helps prevent diabetes

Whereas consuming alcohol is not recommended for patients with diabetes, studies have shown that long-term moderate alcohol intake can help the body regulate insulin, which could potentially reduce your risk of

contracting type 2 diabetes. However, heavy drinking can increase your risk.

2. Can soothes a sore throat

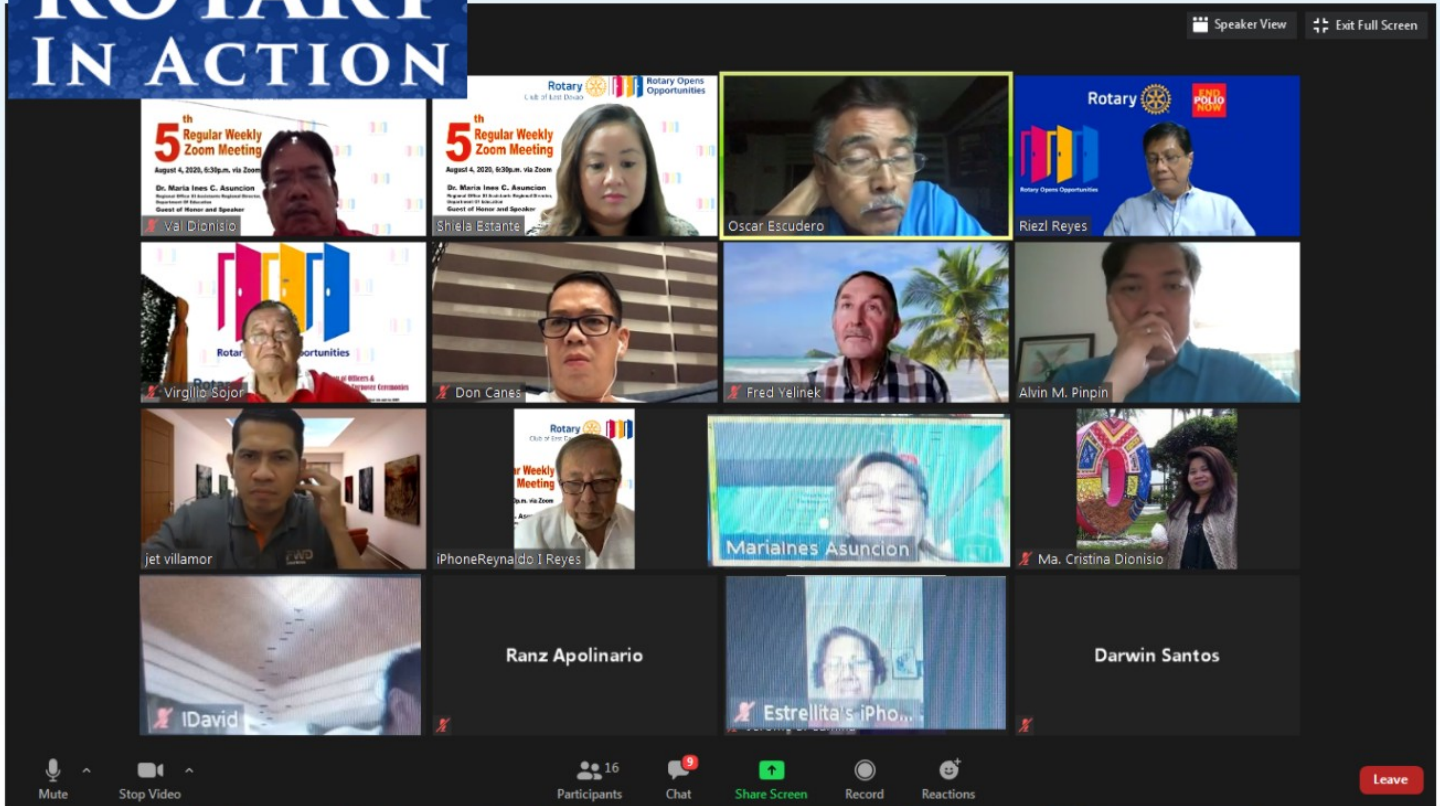

Maybe it's the whiskey river that gave Willie his sweet voice, because it's certainly good for a sore throat. Mix whiskey, warm water and honey to make a delicious cure for a sore throat. The alcohol in the whiskey acts as an antiseptic and numbing agent on aching tonsils and the honey creates a thick coating that will help the healing effects last longer. You can gargle it, sip it or both if you like.

1. Prolong Your Life

A 2010 study released by the Research Society on Alcoholism found that middle-aged and older adult moderate drinkers had a lower overall mortality rate than heavy drinkers or even non-drinkers. So raise a glass of your favorite uisge beatha and toast to long(er) life!
