# 54 years of Service Above Self

In 1965, then District Governor Alfonso “Poncing” Oboza and Pres. Leon “Leony” Garcia of the Rotary Club of Davao thought of organizing the 2nd Rotary Club in the City of Davao. Thus was born the Rotary Club of East Davao (RCED).

On December 1, 1965, the RCED charter was officially unveiled in a historical ceremony at the Davao Insular Hotel, with twenty-four (24) men signing-up to be charter members, 10 of whom were from the sponsoring club, RC Davao.

From its inception, RCED called Davao Insular Hotel its home, as it was the venue for its weekly Tuesday club meetings. In 2007, the club opted to transfer its meetings to the Marco Polo Hotel.

Through the years, many RCED Past Presidents (and members) were privileged to serve in various District and Rotary International (RI) positions. To name a few:

### 1. As DISTRICT GOVERNORS

Atty. Honesto “Totoy” Cabarroguis	1983-1984
Dr. Herminio “Hermie” Villano	1989-1990
Reynaldo “Boy” Reyes	1995-1996
Raoul Hilario+	1999-2000
Amb. Ramon “Monet” Tirol+	2001-2002

Another member also had the honor to serve as District Governors, but this happened after they transferred to other clubs in the city, namely Salvador “Bading” Angala of RC West Davao in RY 1975-1976.

### 2. As REPRESENTATIVES

PDG Totoy served as DISTRICT 3860’s representative to the Council of Legislation which convened in Anaheim, California in 1992. He was also member of the vital Committee on Extension representing Zone 4 (encompassing 21 districts in Southeast Asia).

PDG Boy Reyes was District 3680’s representative to the Council of Legislation which was held in Chicago in 2007.

### 3. As GROUP STUDY EXCHANGE TEAM LEADERS

- a. PDS Ben Panganiban to D591 in Florida
- b. PDG Totoy Cabarroguis to D611 in Arkansas, Kansas, Missouri, and Oklahoma
- c. PDG Hermie Villano to D6296 in North Western Michigan and Sault St. Marie, Canada
- d. PP Rizal Aportadera to D712 in New York
- e. PDG Raoul Hilario to D5670 in Kansas
- f. PP Tino de Jesus to D7640 in New Jersey
- g. PP Edsa Sancho to D5150 in San Francisco
- h. PP Hecky Maniquis to D5020 in Seattle, Washington
- i. PP Nandie Subido to D6400 in Detroit, Michigan and Ontario, Canada and Team Member to District 6630 Cleveland Ohio, 1982
- j. PP Jesse Fortich to D6200 in Louisiana

Through the years, the club has embarked on numerous community projects, (i.e., donated artesian wells, school buildings, books, clothings, scholarships, conducted medical and dental missions, disaster response, etc.) all in pursuit of Rotary’s Theme of “Service Above Self.” (Please see next page, RCED @ WORK, for a list of some of the more recent major projects the club has under taken).

A cornerstone project that the club has been known for is its scholarship program. Here, the club offers the scholarship to deserving and highly motivated high school students, who have graduated and have proven themselves in the academic field. One major condition is that they must come from families who are economically challenged and may not enrol in college without assistance. The student applicant must be willing to take and finish an education course—and be teachers of tomorrow. The objective of this approach is so that they will become agents of change who are skilled to educate the growing populace in our communities—eventually helping fight poverty.

This is made possible because of the numerous RCED Members’ contribution and/or joint “ventures” that the club tries to build. One very successful example of this is the college-scholarship at the Holy Cross of Davao College—a joint project with the Oikawa Scholarship Program and by the San Josue Scholarship. Through the efforts of PDG Boy Reyes, PDG Raoul Hilario, and PP Mickey Miyake, Matching club arrangements with Japanese Clubs RC

Wakayanagi, RC Funabashi West and RC Ishinomaki South were arranged—resulting to the annual exchange of goodwill visits and the flow of donations from Japan for the projects.

At RCED we take the word “INTERNATIONAL” seriously. This is clearly seen in the different nationalities of its member (Filipinos, Americans, Europeans, Australians, Japanese, and many others). For some time now, the honorable consuls of Japan, Indonesia, and Malaysia are/were honorary members. In the Avenue of International Service, the club organized the Rotary Club of Manado, Indonesia. A team led by PDG Boy Reyes and PP Hecky Maniquis made sure they started on the right direction.

The strength of the club lies in its membership mix and the members’ passion for service. To date, RCED is still considered as club of the biggest of D3860.

RCED is an ardent supporter of The Rotary Foundation having in its roster several Major Donors, Multiple Paul Harris Fellows, PHFs and PHSMS.

To the club members, being able to BE OF SERVICE to others is more than enough reward. This philosophy has made the club stronger, more effective, and somehow “stand-out”... eventually it helped the club earn numerous awards and recognition from the District and from RI. To name a few:

- a. RI Asia Pacific Presidential plaque given by RI Pres. Frank Devlyn
- b. Global Quest award for membership growth in Zone 7 District
- c. PP Mickey Miyake - RI the highest award to a Rotarian, the “RI Service Above Self”
- d. Our Presidents and Club Secretaries have also been consistent awardees.
- e. Most Outstanding Club Bulletin for a number of years.

To RCED, these awards and recognitions are reminders, if not challenges, to do more for the community and mankind.

The succeeding decades will surely find Rotary Club of East Davao (RCED) in the forefront of Rotary’s motto of “Service Above Self” and the Implementation of the District Governor’s and RI President’s Challenges.

## INVOCATION

Heavenly Father, Please bless our families with your love and protect us from harm. Give us grace to forgive, strength to overcome the difficulties we face and keep us together when the world tries to pull us apart. During this time of darkness and uncertainty, we we must be strong and stand solid to fight covid-19, the unseen and deadly enemy, has to be fought on all fronts, not only medical, economic and political but spiritual as well for the power of God is greater and will triumph over evil.

Father, we just had our Kadayawan but not happy the usual full of fanfares but still we thsnk God for all the blessings especially the abundance of farm produce and prime commodities to feed our people. Father, we are also reminded that rivers do not drink their own water, trees do not eat their own fruits, living for others is a rule of nature.

We are all born to help each other no matter how difficult. Life is good when you are happy but much better when others are happy because of you! So let us then love and help one another! AMEN.

## So What to do now?

**A**llow me to share a nice article i came across. I don't know who the real author is but, in a way, it speaks of Service Above Self so its good to share:

"Despite the longest and strictest lockdowns and a largely obedient population, we are now Asia's basket case. And fast rising in the world's list of leading infections. I'm not going to point fingers as to who, what and why we are in this mess, though I'm tempted to.

This scenario is not going to change either, unless some miracle takes place...the miracle of a vaccine. Which may take another year. Meanwhile we know our economy will continue to suffer the impact of this pandemic and our inability to contain it. More and more businesses, even the most robust in the last few years, will close down and millions will lose their means to earn an income to feed their families. We've already been warned to protect ourselves, our homes and our properties because criminality will most certainly rise as people get desperate.

So what do we do? How can we help ourselves?

If you have the slightest capacity, the means to stretch yourself financially, adopt a family. Your extended family (not necessarily only related to you by blood) that has served you all these years...

...your driver who takes risks doing your errands while you stay home safe

...your house help who are loyal and are on lockdown with you and haven't seen their own loved ones for 5 months and will not likely be able to until next year

...your gardener who is now teaching you to grow herbs and other vegetable staples in your back yard

...your hairdresser, manicurist, or masahista who kept you looking and feeling young and beautiful all these years but

who now no longer have any means to earn their keep

...your DIs who are hardest hit because their clients are all over 60 years old and all dance halls and clubs will not likely open again

...the security guard who has kept your building or office safe and always helped you with your things, greeted you good morning everyday and made you smile

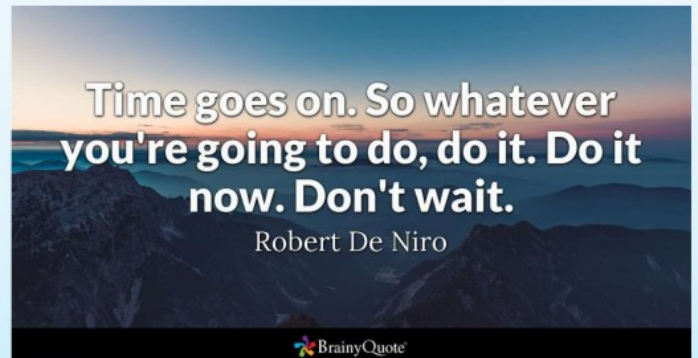

...your next door neighbors who still have many kids to feed but lost their jobs or had their employers close down

...your friendly seniors lane cashier, store keep, or restaurant server who always tended to you and gave you priority attention but are now on work-for-pay arrangement or have been retrenched

...your teachers who have always used their own money to pay for school supplies of their poor students but are even more stretched now

...resourceful online sellers, mostly of food, who now rely on this to support their families or supplement their incomes

I will re-post an earlier message. Embrace this, please, whenever you can.

## Difference between Intelligence and Wisdom

**I** had never known these profound distinctions between \*Intelligence\* and \*Wisdom\*

This is worth reading on ...

1. Intelligence leads to arguments.  
Wisdom leads to settlements.

2. Intelligence is power of will.  
Wisdom is power OVER will.

3. Intelligence is heat, it burns.  
Wisdom is warmth, it comforts.

4. Intelligence is pursuit of knowledge, it tires the seeker.  
Wisdom is pursuit of truth, it inspires the seeker.

5. Intelligence is holding on.  
Wisdom is letting go.

6. Intelligence leads you.  
Wisdom guides you.

7. An intelligent man thinks he knows everything.  
A wise man knows that there is still something to learn.

8. An intelligent man always tries to prove his point.  
A wise man knows there really is no point.

9. An intelligent man freely gives unsolicited advice.  
A wise man keeps his counsel until all options are considered.

10. An intelligent man understands what is being said.  
A wise man understands what is left unsaid.

11. An intelligent man speaks when he has to say something.  
A wise man speaks when he has something to say.

12. An intelligent man sees everything as relative.

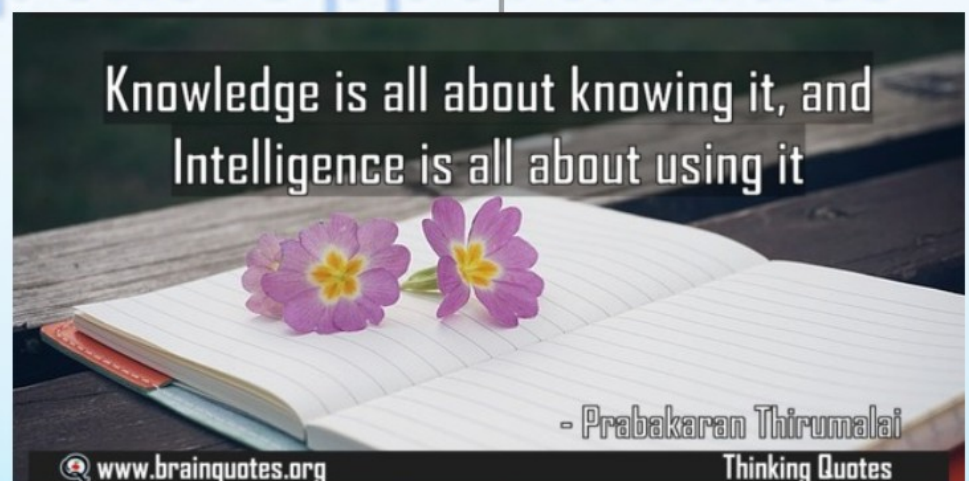

A wise man sees everything as related.

13. An intelligent man tries to control the mass flow.  
A wise man navigates the mass flow.

14. An intelligent man preaches.  
A wise man reaches.

Intelligence is good but wisdom achieves better results.

Are you merely intelligent or wise?. It's a world of difference !
