54 years of Service Above Self

In 1965, then District Governor Alfonso “Poncing” Oboza and Pres. Leon “Leony” Garcia of the Rotary Club of Davao thought of organizing the 2nd Rotary Club in the City of Davao. Thus was born the Rotary Club of East Davao (RCED).

On December 1, 1965, the RCED charter was officially unveiled in a historical ceremony at the Davao Insular Hotel, with twenty-four (24) men signing-up to be charter members, 10 of whom were from the sponsoring club, RC Davao.

From its inception, RCED called Davao Insular Hotel its home, as it was the venue for its weekly Tuesday club meetings. In 2007, the club opted to transfer its meetings to the Marco Polo Hotel.

Through the years, many RCED Past Presidents (and members) were privileged to serve in various District and Rotary International (RI) positions. To name a few:

1. As DISTRICT GOVERNORS

Atty. Honesto “Totoy” Cabarroguis	1983-1984
Dr. Herminio “Hermie” Villano	1989-1990
Reynaldo “Boy” Reyes	1995-1996
Raoul Hilario+	1999-2000
Amb. Ramon “Monet” Tirol+	2001-2002

Another member also had the honor to serve as District Governors, but this happened after they transferred to other clubs in the city, namely Salvador “Bading” Angala of RC West Davao in RY 1975-1976.

2. As REPRESENTATIVES

PDG Totoy served as DISTRICT 3860’s representative to the Council of Legislation which convened in Anaheim, California in 1992. He was also member of the vital Committee on Extension representing Zone 4 (encompassing 21 districts in Southeast Asia).

PDG Boy Reyes was District 3680’s representative to the Council of Legislation which was held in Chicago in 2007.

3. As GROUP STUDY EXCHANGE TEAM LEADERS

- a. PDS Ben Panganiban to D591 in Florida
- b. PDG Totoy Cabarroguis to D611 in Arkansas, Kansas, Missouri, and Oklahoma
- c. PDG Hermie Villano to D6296 in North Western Michigan and Sault St. Marie, Canada
- d. PP Rizal Aportadera to D712 in New York
- e. PDG Raoul Hilario to D5670 in Kansas
- f. PP Tino de Jesus to D7640 in New Jersey
- g. PP Edsa Sancho to D5150 in San Francisco
- h. PP Hecky Maniquis to D5020 in Seattle, Washington
- i. PP Nandie Subido to D6400 in Detroit, Michigan and Ontario, Canada and Team Member to District 6630 Cleveland Ohio, 1982
- j. PP Jesse Fortich to D6200 in Louisiana

Through the years, the club has embarked on numerous community projects, (i.e., donated artesian wells, school buildings, books, clothings, scholarships, conducted medical and dental missions, disaster response, etc.) all in pursuit of Rotary’s Theme of “Service Above Self.” (Please see next page, RCED @ WORK, for a list of some of the more recent major projects the club has under taken).

A cornerstone project that the club has been known for is its scholarship program. Here, the club offers the scholarship to deserving and highly motivated high school students, who have graduated and have proven themselves in the academic field. One major condition is that they must come from families who are economically challenged and may not enrol in college without assistance. The student applicant must be willing to take and finish an education course—and be teachers of tomorrow. The objective of this approach is so that they will become agents of change who are skilled to educate the growing populace in our communities—eventually helping fight poverty.

This is made possible because of the numerous RCED Members’ contribution and/or joint “ventures” that the club tries to build. One very successful example of this is the college-scholarship at the Holy Cross of Davao College—a joint project with the Oikawa Scholarship Program and by the San Josue Scholarship. Through the efforts of PDG Boy Reyes, PDG Raoul Hilario, and PP Mickey Miyake, Matching club arrangements with Japanese Clubs RC

Wakayanagi, RC Funabashi West and RC Ishinomaki South were arranged—resulting to the annual exchange of goodwill visits and the flow of donations from Japan for the projects.

At RCED we take the word “INTERNATIONAL” seriously. This is clearly seen in the different nationalities of its member (Filipinos, Americans, Europeans, Australians, Japanese, and many others). For some time now, the honorable consuls of Japan, Indonesia, and Malaysia are/were honorary members. In the Avenue of International Service, the club organized the Rotary Club of Manado, Indonesia. A team led by PDG Boy Reyes and PP Hecky Maniquis made sure they started on the right direction.

The strength of the club lies in its membership mix and the members’ passion for service. To date, RCED is still considered as club of the biggest of D3860.

RCED is an ardent supporter of The Rotary Foundation having in its roster several Major Donors, Multiple Paul Harris Fellows, PHFs and PHSMS.

To the club members, being able to BE OF SERVICE to others is more than enough reward. This philosophy has made the club stronger, more effective, and somehow “stand-out”... eventually it helped the club earn numerous awards and recognition from the District and from RI. To name a few:

- a. RI Asia Pacific Presidential plaque given by RI Pres. Frank Devlyn
- b. Global Quest award for membership growth in Zone 7 District
- c. PP Mickey Miyake - RI the highest award to a Rotarian, the “RI Service Above Self”
- d. Our Presidents and Club Secretaries have also been consistent awardees.
- e. Most Outstanding Club Bulletin for a number of years.

To RCED, these awards and recognitions are reminders, if not challenges, to do more for the community and mankind.

The succeeding decades will surely find Rotary Club of East Davao (RCED) in the forefront of Rotary’s motto of “Service Above Self” and the Implementation of the District Governor’s and RI President’s Challenges.

Spirit of life and love, we have gathered here in search of understanding, community, hope and healing.

Let this be a place not only of searching but discovery, learning, wisdom, meeting, connection and a place where healing fosters giving and hope fosters service.

Please Father, bless our families with Your love and protect us from harm. Give us grace to forgive, strength to overcome the difficulties we face, and keep us together when the world tries to pull us apart.

Father, we never ceased to be a giving club, we have started pooling our resources, specifically in cash to extend to our brothers affected by the storm Ulysses, thru the Rotary Club of Marikina.

We deeply pray for them and not to lose faith in our God Almighty! All these we pray .Amen

 Rotary Year 2020-2021.

President's Corner

PRES. ROSSANO C. LUGA
Club President, RY 2020-2021

Amidst the COVID-19 pandemic, our country has been plagued with catastrophic events recently.

Still reeling from Super Typhoon Rolly (Goni), another typhoon, Ulysses (Vamco), pummeled Luzon on November 11. The latter was the Philippines' 21st tropical cyclone for 2020. This has triggered massive floods in the Bicol region.

In coordination with the Rotary Club of Marikina, president nominee Jim Sabino has quickly initiated a fund raising activity to aid the hapless calamity victims.

The Council of Past Presidents has been discussing three items: (1) donation for the calamity victims (2) **Election of new set of officers** for 2021 - 2022 slated December 8, 2020 and (3) **Charter Day** on December 1, 2020.

On the issue of the health crisis, Davao City braces itself for the rising COVID-19 positive cases. Our city has been the hotbed of the deadly virus lately as we have been on the top spot consistently. Thus, together with **Dir. Karl Reta** we are proposing a project of converting a hospital room to a Negative Pressure Airborne Infection Isolated Room. Aside from our own club, we have already made a presentation with The Philippine Institute of Certified Public Accountants (PICPA)- Davao Chapter, The American Chamber of Commerce of the Phil. - Mindanao Chapter, and the INCOME Davao Credit Cooperative.

In view of the huge costs involved, we plan to partner with them again. Earlier last August, we joined forces with these organizations for the Free Webinar on Urban Container Gardening.

On a separate report, Shiela has laid down how our club has fared in responding to the Governor's Challenge. Most of items are within grasp, hence we just need to concentrate on how to achieve them. Two areas of focus, however need to be worked on the soonest. These are [a] Peace and conflict prevention/resolution and [b] Water and sanitation.

To this end, your president has started talks with **Brigadier General Nolasco A. Mempin** of the 1003rd Infantry to explore how we can come up with a partnership project. We are cooperating with the PICPA - Davao to hold a Free Webinar on Financial Literacy for the Troops, as a foot in the door.

We have also contacted the **new Peace 911** Action Officer, Ms Aileen Mabanding for possible collaboration. Just last month, the City Government of Davao announced the reactivation of Peace 911, a comprehensive peace-building and development initiative for Paquibato District.

Making a Baby...

The Smiths were unable to conceive children and decided to use a surrogate father to start their family. On the day the proxy father was to arrive, Mr. Smith kissed his wife goodbye and said, 'Well, I'm off now. The man should be here soon.'

Half an hour later, just by chance, a door-to-door baby photographer happened to ring the doorbell, hoping to make a sale. 'Good morning, Ma'am', he said, 'I've come to...'

'Oh, no need to explain,' Mrs. Smith cut in, embarrassed, 'I've been expecting you.'

'Have you really?' said the photographer. 'Well, that's good. Did you know babies are my speciality?'

'Well that's what my husband and I had hoped. Please come in and have a seat !

After a moment she asked, blushing, 'Well, where do we start?'

'Leave everything to me. I usually try two in the bathtub, one on the couch, and perhaps a couple on the bed. And sometimes the living room floor is fun. You can really spread out there.'

'Bathtub, living room floor? No wonder it didn't work out for Harry and me!'

'Well, Ma'am, none of us can guarantee a good one every time. But if we try several different positions and I shoot from six or seven angles, I'm sure you'll be pleased with the results.'

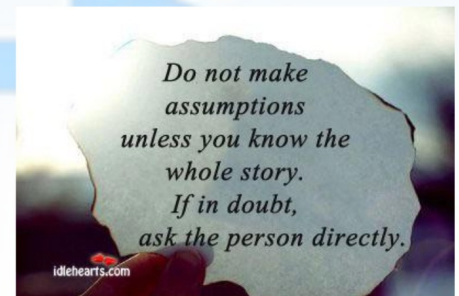

'My, that's a lot!', gasped Mrs. Smith.

'Ma'am, in my line of work a man has to take his time. I'd love to be in and out in five minutes, but I'm sure you'd be disappointed with that.'

'Don't I know it,' said Mrs. Smith quietly.

The photographer opened his briefcase and pulled out a portfolio of his baby pictures. 'This was done on the top of a bus,' he said.

'Oh, my God!' Mrs. Smith exclaimed, grasping at her throat.

'And these twins turned out exceptionally well - when you consider their mother was so difficult to work with.'

'She was difficult?' asked Mrs. Smith.

'Yes, I'm afraid so. I finally had to take her to the park to get the job done right. People were crowding around four and five deep to get a good look'

'Four and five deep?' said Mrs. Smith, her eyes wide with amazement.

'Yes', the photographer replied. 'And for more than three hours, too. The mother was constantly squealing and yelling - I could hardly concentrate, and when darkness approached I had to rush my shots. Finally, when the squirrels began nibbling on my equipment, I just had to pack it all in.'

Mrs. Smith leaned forward. 'Do you mean they actually chewed on your, uh...equipment?'

'It's true, Ma'am, yes.. Well, if you're ready, I'll set-up my tripod and we can get to work right away.'

'Tripod?'

'Oh yes, Ma'am. I need to use a tripod to rest my Canon on. It's much too big to be held in the hand very long.'

Mrs Smith fainted.

I was looking for an anecdote that would help emphasize the saying that "ASSUMPTION IS THE MOTHER OF FAILURE" then i came across this... I found it hilarious and decided to share it. There is not one dirty word in it, and it is funny!

Back to the point: The Rotary needs your help in making 'real' its campaign to END POLIO. The Rotary Foundation needs your contribution. We cannot simply assume that Polio would take care or "disappear" by itself.

SERVICE ABOVE SELF!

NEW NORMAL

Bits & Pieces

INCONVENIENT Facts

Inconvenient...

I took the liberty of copying this (from a friend) and thought it will be good to share:

Let's say you woke up with a terrible cough, a fever, and severe body aches. Immediately, you rush to the doctor and unfortunately, you're diagnosed with COVID-19.

For the last two weeks, you've been unaware that you were infected and you've ignored "the rules." You've gotten together with some close friends for pizza, had a few people over, even visited a park and a beach. You figured, "I don't feel sick. I have the right to keep living my normal life. No one can tell me what to do."

With your diagnosis, you spend the next few days at home on the couch, feeling pretty crappy; but then you're well again because you're young, healthy and strong. Lucky you.

But your best friend caught it from you during a visit to your

house, and because she didn't know she was contagious, she visited her 82-year-old grandfather, who uses oxygen tanks daily to help him breathe because he has COPD and heart failure. Now, he's dead.

Your co-worker, who has asthma, caught it too, during your little pizza get-together. Now, he's in the ICU, and he's spread it to a few others in his family, too--but they won't know that for another couple of weeks yet.

The cashier at the restaurant where you picked up the pizza carried the infection home to his wife, who has MS, which makes her immuno suppressed. She's not as lucky as you, so she's admitted to the hospital because she's having trouble breathing. She may need to be placed in a medically-induced coma and intubated; she may not get to say goodbye to her loved ones. She may die surrounded by machines, with no family at her bedside.

All because you couldn't stand the inconvenience of a mask; of staying home; of changing your familiar routines for just a little while. Because you have the right, above all others rights, to continue living your normal life and no one, I mean no one, has

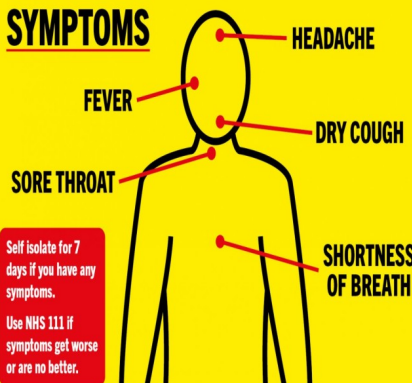

the right to tell you what to do.
