54 years of Service Above Self

In 1965, then District Governor Alfonso “Poncing” Oboza and Pres. Leon “Leony” Garcia of the Rotary Club of Davao thought of organizing the 2nd Rotary Club in the City of Davao. Thus was born the Rotary Club of East Davao (RCED).

On December 1, 1965, the RCED charter was officially unveiled in a historical ceremony at the Davao Insular Hotel, with twenty-four (24) men signing-up to be charter members, 10 of whom were from the sponsoring club, RC Davao.

From its inception, RCED called Davao Insular Hotel its home, as it was the venue for its weekly Tuesday club meetings. In 2007, the club opted to transfer its meetings to the Marco Polo Hotel.

Through the years, many RCED Past Presidents (and members) were privileged to serve in various District and Rotary International (RI) positions. To name a few:

1. As DISTRICT GOVERNORS

Atty. Honesto “Totoy” Cabarroguis	1983-1984
Dr. Herminio “Hermie” Villano	1989-1990
Reynaldo “Boy” Reyes	1995-1996
Raoul Hilario+	1999-2000
Amb. Ramon “Monet” Tirol+	2001-2002

Another member also had the honor to serve as District Governors, but this happened after they transferred to other clubs in the city, namely Salvador “Bading” Angala of RC West Davao in RY 1975-1976.

2. As REPRESENTATIVES

PDG Totoy served as DISTRICT 3860’s representative to the Council of Legislation which convened in Anaheim, California in 1992. He was also member of the vital Committee on Extension representing Zone 4 (encompassing 21 districts in Southeast Asia).

PDG Boy Reyes was District 3680’s representative to the Council of Legislation which was held in Chicago in 2007.

3. As GROUP STUDY EXCHANGE TEAM LEADERS

- a. PDS Ben Panganiban to D591 in Florida
- b. PDG Totoy Cabarroguis to D611 in Arkansas, Kansas, Missouri, and Oklahoma
- c. PDG Hermie Villano to D6296 in North Western Michigan and Sault St. Marie, Canada
- d. PP Rizal Aportadera to D712 in New York
- e. PDG Raoul Hilario to D5670 in Kansas
- f. PP Tino de Jesus to D7640 in New Jersey
- g. PP Edsa Sancho to D5150 in San Francisco
- h. PP Hecky Maniquis to D5020 in Seattle, Washington
- i. PP Nandie Subido to D6400 in Detroit, Michigan and Ontario, Canada and Team Member to District 6630 Cleveland Ohio, 1982
- j. PP Jesse Fortich to D6200 in Louisiana

Through the years, the club has embarked on numerous community projects, (i.e., donated artesian wells, school buildings, books, clothings, scholarships, conducted medical and dental missions, disaster response, etc.) all in pursuit of Rotary’s Theme of “Service Above Self.” (Please see next page, RCED @ WORK, for a list of some of the more recent major projects the club has under taken).

A cornerstone project that the club has been known for is its scholarship program. Here, the club offers the scholarship to deserving and highly motivated high school students, who have graduated and have proven themselves in the academic field. One major condition is that they must come from families who are economically challenged and may not enrol in college without assistance. The student applicant must be willing to take and finish an education course—and be teachers of tomorrow. The objective of this approach is so that they will become agents of change who are skilled to educate the growing populace in our communities—eventually helping fight poverty.

This is made possible because of the numerous RCED Members’ contribution and/or joint “ventures” that the club tries to build. One very successful example of this is the college-scholarship at the Holy Cross of Davao College—a joint project with the Oikawa Scholarship Program and by the San Josue Scholarship. Through the efforts of PDG Boy Reyes, PDG Raoul Hilario, and PP Mickey Miyake, Matching club arrangements with Japanese Clubs RC

Wakayanagi, RC Funabashi West and RC Ishinomaki South were arranged—resulting to the annual exchange of goodwill visits and the flow of donations from Japan for the projects.

At RCED we take the word “INTERNATIONAL” seriously. This is clearly seen in the different nationalities of its member (Filipinos, Americans, Europeans, Australians, Japanese, and many others). For some time now, the honorable consuls of Japan, Indonesia, and Malaysia are/were honorary members. In the Avenue of International Service, the club organized the Rotary Club of Manado, Indonesia. A team led by PDG Boy Reyes and PP Hecky Maniquis made sure they started on the right direction.

The strength of the club lies in its membership mix and the members’ passion for service. To date, RCED is still considered as club of the biggest of D3860.

RCED is an ardent supporter of The Rotary Foundation having in its roster several Major Donors, Multiple Paul Harris Fellows, PHFs and PHSMs.

To the club members, being able to BE OF SERVICE to others is more than enough reward. This philosophy has made the club stronger, more effective, and somehow “stand-out”... eventually it helped the club earn numerous awards and recognition from the District and from RI. To name a few:

- a. RI Asia Pacific Presidential plaque given by RI Pres. Frank Devlyn
- b. Global Quest award for membership growth in Zone 7 District
- c. PP Mickey Miyake - RI the highest award to a Rotarian, the “RI Service Above Self”
- d. Our Presidents and Club Secretaries have also been consistent awardees.
- e. Most Outstanding Club Bulletin for a number of years.

To RCED, these awards and recognitions are reminders, if not challenges, to do more for the community and mankind.

The succeeding decades will surely find Rotary Club of East Davao (RCED) in the forefront of Rotary’s motto of “Service Above Self” and the Implementation of the District Governor’s and RI President’s Challenges.

INVOCATION

Creator and Sustainer of all that is or will ever be, accept our thanks for this day and all it's blessings. We ask that You guide and direct our club, it's leaders and our actions. Grant that each of us may feel our responsibility to Rotary, to our community and indeed to all countries and peoples. Typhoon Ulysses left a trail of destruction over a large area. It could not have come at a worse time, with several provinces still reeling from several typhoons that hit the country, immediately preceding it, was Supertyphoon Rolly.

Father, as we experience and enjoy the warmth of our homes and eat 3x a day, sometimes even more, we remember our brothers in the flooded areas and whose houses were washed away. Our club immediately responded with our cash aids. I am sure this endeavors including all agencies will continue for their much needed relief!

With the continuous surge of Covid 19 here in our City, the AFP sent yesterday Medical Teams to augment the efforts of the IATF. We pray for an immediate control results! Bless our meeting today and bless all our members, in Your Service! Amen

President's Corner

PRES. ROSSANO C. LUGA
Club President, RY 2020-2021

55 Years ago on December 1, 1965 The Rotary Club of East Davao (RCED) was chartered as no. 17115 by The Rotary International.

Through years of dedicated community service it has produced 5 District Governors, namely PDG' Atty. Totoy Cabarroguis, Dr. Hermie Villano, Raoul Hilario(+), Ambassador Monet Tirol (+), and the incumbent Gov. Riz Reyes.

Today, amid the challenges of the pandemic, RCED has remained vibrant as ever. It has consistently met weekly with high caliber speakers from the national and local region.

With strong support coming from the spouses and honorary members, East Davao continues to aim at achieving the Governor's Challenge.

The club likewise pursues the seven focus areas of Rotary with available resources and collaboration with other organizations, government agencies and local government units.

With more than 1200 members in RI District 3860, Rotarians immediately engaged themselves to take action to help communities stricken by Typhoon Ulysses and Super Typhoon Rolly.

Our own Rotary Club of East Davao (RCED) swiftly raised funds amounting to **P58,000 to help the calamity victims**. Our heartfelt gratitude goes to the officers and members who are charitable at heart.

As November is Rotary Foundation Month, members push harder to secure more funds. To date, member's donations and pledges have reached **US\$ 4,500**. We are eternally grateful for your generosity.

This coming Saturday, **November 28**, The RCED has teamed up with the Philippine Institute of Certified Public Accountants - Davao Chapter for a worthy event. These organizations will conduct a **Free Webinar on Basic Financial Literacy for the Troops**. The beneficiary will be the men and women under Brigadier Nolasco A. Mempin, Commander 1003rd (Raptor) Infantry Brigade.

POINT OF VIEW

VP RAPHAEL E. APOLINARIO VI*Editor in Chief, RED Chronicle*

Ask the right question...

A Russian Jew had been allowed to emigrate to Israel.

At Moscow airport, customs found a Lenin statue in his baggage and asked him, "What is this?"

The man replied, "What is this? Wrong question comrade. You should have asked : Who is he? This is Comrade Lenin. He laid the foundations of socialism and created the future and prosperity of the Russian people. I am taking it with me as a memory of our hero days."

The Russian customs officer was a bit shamed and let him go without further inspection.

At Tel Aviv airport, the customs officer also asks our friend, "What is this?"

He replies, "What is this? Wrong question Sir. You should be asking 'Who is this?' This is Lenin, a bastard that made me, as a Jew leave Russia. I take this statue with me so I can curse him every day."

The Israeli customs officer said, "I apologize Sir, you can go on."

In Israel, when he arrives at his new house, he puts the statue on a table.

To celebrate his immigration, he invite his friends and relatives to dinner.

One of his friends asks him, "Who is this?"

He replies, "My dear friend, 'Who is this' is a wrong question. You should have asked, What is this? This is ten kilograms of solid gold that I managed to bring with me without customs and tax."

Knowing and having a better understanding of your current and future circumstances, coupled with a little wit, can help you make the most of any situation.

Bits & Pieces

Trivia

Trivia

1. WHY ?

Why do men's clothes have buttons on the right while women's clothes have buttons on the left?

BECAUSE

When buttons were invented, they were very expensive and worn primarily by the rich. Since most people are right-handed, it is easier to push buttons on the right through holes on the left.

Because wealthy women were dressed by maids, dressmakers put the buttons on the maid's right! And that's where women's buttons have remained since

2. WHY ?

Why do ships and aircraft use 'mayday' as their call for help?

BECAUSE

This comes from the French word m'aidez - meaning 'help me' - and is pronounced, approximately, 'mayday.'

3. WHY ?

Why are zero scores in tennis called 'love'?

BECAUSE

In France, where tennis became popular, the round zero on the scoreboard looked like an egg and was called 'l'oeuf,' which is French for 'the egg.' When tennis was introduced in the US, Americans (naturally), mispronounced it 'love.'

4. WHY ?

Why do X's at the end of a letter signify kisses?

BECAUSE

In the Middle Ages, when many people were unable to read or write, documents were often signed using an X. Kissing the X represented an oath to fulfill obligations specified in the document. The X and the kiss eventually became synonymous.

5. WHY ?

Why is shifting responsibility to someone else called 'passing the buck'?

BECAUSE

In card games, it was once customary to pass an item, called a buck, from player to player to indicate whose turn it was to deal. If a player did not wish to assume the responsibility of dealing, he would 'pass the buck' to the next player.

6. WHY ?

Why do people clink their glasses before drinking a toast?

BECAUSE

In earlier times it used to be common for someone to try to kill an enemy by offering him a poisoned drink. To prove to a guest that a drink was safe, it became customary for a guest to pour a small amount of his drink into the glass of the host. Both men would drink it simultaneously. When a guest trusted his host, he would only touch or clink the Host's glass with his own.

7. WHY ?

Why are people in the public eye said to be 'in the limelight'?

BECAUSE

Invented in 1825, limelight was used in lighthouses and theatres by burning a cylinder of lime which produced a brilliant light. In the theatre, a performer 'in the limelight' was the Centre of attention.

8. WHY ?

Why is someone who is feeling great 'on cloud nine'?

BECAUSE

Types of clouds are numbered according to the altitudes they attain, with nine being the highest cloud. If someone is said to be on cloud nine, that person is floating well above worldly cares.

9. WHY ?

In golf, where did the term 'Caddie' come from?

BECAUSE

When Mary Queen of Scots went to France as a young girl, Louis, King of France, learned that she loved the Scots game 'golf.' He had the first course outside of Scotland built for her enjoyment. To make sure she was properly chaperoned (and guarded) while she played, Louis hired cadets from a military school to accompany her. Mary liked this a lot and when she returned to Scotland (not a very good idea in the long run), she took the practice with her. In French, the word cadet is pronounced 'ca-day' and the Scots changed it into caddie.

10. WHY ?

Why are many coin collection jar banks shaped like pigs?

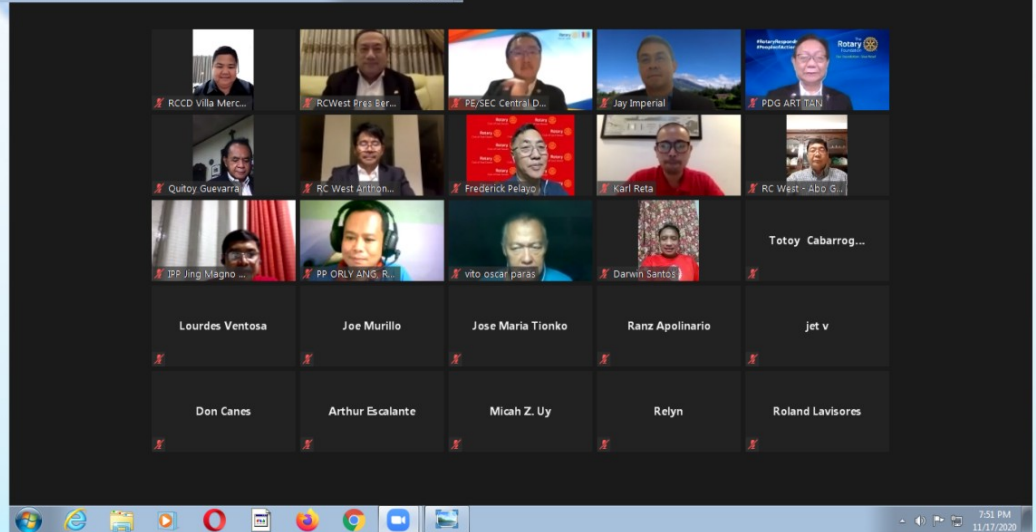

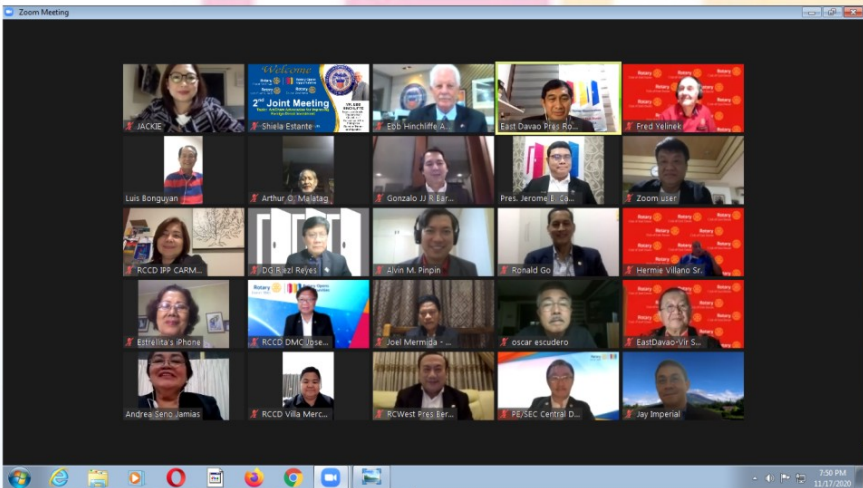

BECAUSE

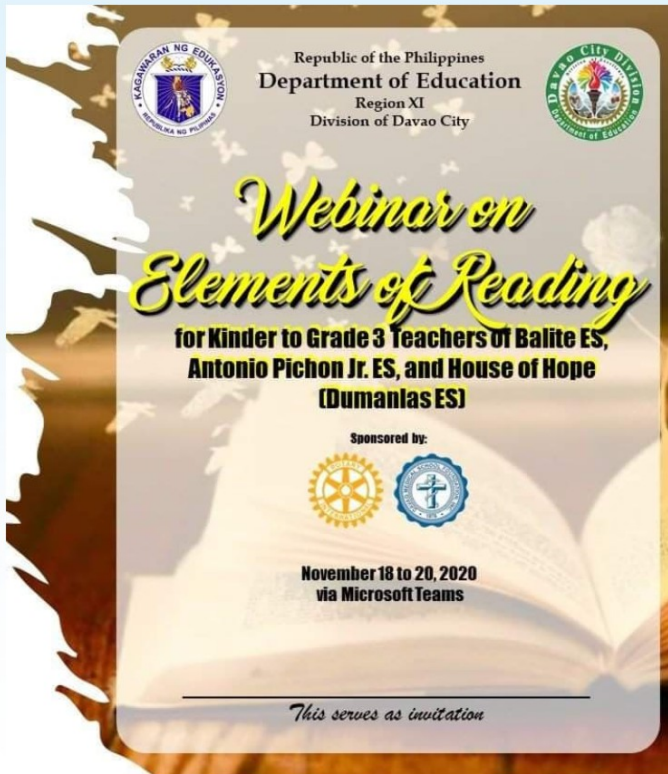

Long ago, dishes and cookware in Europe were made of dense orange clay called 'pygg'. When people saved coins in jars made of this clay, the jars became known as 'pygg banks.' When an English potter misunderstood the word, he made a container that resembled a pig. And it caught on.
