54 years of Service Above Self

In 1965, then District Governor Alfonso “Poncing” Oboza and Pres. Leon “Leony” Garcia of the Rotary Club of Davao thought of organizing the 2nd Rotary Club in the City of Davao. Thus was born the Rotary Club of East Davao (RCED).

On December 1, 1965, the RCED charter was officially unveiled in a historical ceremony at the Davao Insular Hotel, with twenty-four (24) men signing-up to be charter members, 10 of whom were from the sponsoring club, RC Davao.

From its inception, RCED called Davao Insular Hotel its home, as it was the venue for its weekly Tuesday club meetings. In 2007, the club opted to transfer its meetings to the Marco Polo Hotel.

Through the years, many RCED Past Presidents (and members) were privileged to serve in various District and Rotary International (RI) positions. To name a few:

1. As DISTRICT GOVERNORS

Atty. Honesto “Totoy” Cabarroguis	1983-1984
Dr. Herminio “Hermie” Villano	1989-1990
Reynaldo “Boy” Reyes	1995-1996
Raoul Hilario+	1999-2000
Amb. Ramon “Monet” Tirol+	2001-2002

Another member also had the honor to serve as District Governors, but this happened after they transferred to other clubs in the city, namely Salvador “Bading” Angala of RC West Davao in RY 1975-1976.

2. As REPRESENTATIVES

PDG Totoy served as DISTRICT 3860’s representative to the Council of Legislation which convened in Anaheim, California in 1992. He was also member of the vital Committee on Extension representing Zone 4 (encompassing 21 districts in Southeast Asia).

PDG Boy Reyes was District 3680’s representative to the Council of Legislation which was held in Chicago in 2007.

3. As GROUP STUDY EXCHANGE TEAM LEADERS

- PDS Ben Panganiban to D591 in Florida
- PDG Totoy Cabarroguis to D611 in Arkansas, Kansas, Missouri, and Oklahoma
- PDG Hermie Villano to D6296 in North Western Michigan and Sault St. Marie, Canada
- PP Rizal Aportadera to D712 in New York
- PDG Raoul Hilario to D5670 in Kansas
- PP Tino de Jesus to D7640 in New Jersey
- PP Edsa Sancho to D5150 in San Francisco
- PP Hecky Maniquis to D5020 in Seattle, Washington
- PP Nandie Subido to D6400 in Detroit, Michigan and Ontario, Canada and Team Member to District 6630 Cleveland Ohio, 1982
- PP Jesse Fortich to D6200 in Louisiana

Through the years, the club has embarked on numerous community projects, (i.e., donated artesian wells, school buildings, books, clothings, scholarships, conducted medical and dental missions, disaster response, etc.) all in pursuit of Rotary’s Theme of “Service Above Self.” (Please see next page, RCED @ WORK, for a list of some of the more recent major projects the club has under taken).

A cornerstone project that the club has been known for is its scholarship program. Here, the club offers the scholarship to deserving and highly motivated high school students, who have graduated and have proven themselves in the academic field. One major condition is that they must come from families who are economically challenged and may not enrol in college without assistance. The student applicant must be willing to take and finish an education course—and be teachers of tomorrow. The objective of this approach is so that they will become agents of change who are skilled to educate the growing populace in our communities—eventually helping fight poverty.

This is made possible because of the numerous RCED Members’ contribution and/or joint “ventures” that the club tries to build. One very successful example of this is the college-scholarship at the Holy Cross of Davao College—a joint project with the Oikawa Scholarship Program and by the San Josue Scholarship. Through the efforts of PDG Boy Reyes, PDG Raoul Hilario, and PP Mickey Miyake, Matching club arrangements with Japanese Clubs RC

Wakayanagi, RC Funabashi West and RC Ishinomaki South were arranged—resulting to the annual exchange of goodwill visits and the flow of donations from Japan for the projects.

At RCED we take the word “INTERNATIONAL” seriously. This is clearly seen in the different nationalities of its member (Filipinos, Americans, Europeans, Australians, Japanese, and many others). For some time now, the honorable consuls of Japan, Indonesia, and Malaysia are/were honorary members. In the Avenue of International Service, the club organized the Rotary Club of Manado, Indonesia. A team led by PDG Boy Reyes and PP Hecky Maniquis made sure they started on the right direction.

The strength of the club lies in its membership mix and the members’ passion for service. To date, RCED is still considered as club of the biggest of D3860.

RCED is an ardent supporter of The Rotary Foundation having in its roster several Major Donors, Multiple Paul Harris Fellows, PHFs and PHSMS.

To the club members, being able to BE OF SERVICE to others is more than enough reward. This philosophy has made the club stronger, more effective, and somehow “stand-out”... eventually it helped the club earn numerous awards and recognition from the District and from RI. To name a few:

- RI Asia Pacific Presidential plaque given by RI Pres. Frank Devlyn
- Global Quest award for membership growth in Zone 7 District
- PP Mickey Miyake - RI the highest award to a Rotarian, the “RI Service Above Self”
- Our Presidents and Club Secretaries have also been consistent awardees.
- Most Outstanding Club Bulletin for a number of years.

To RCED, these awards and recognitions are reminders, if not challenges, to do more for the community and mankind.

The succeeding decades will surely find Rotary Club of East Davao (RCED) in the forefront of Rotary’s motto of “Service Above Self” and the Implementation of the District Governor’s and RI President’s Challenges.

Spirit of life and love, we have gathered here in search of understanding, community, hope and healing.

Let this be a place not only of searching but discovery, learning, wisdom, meeting, connection and a place where healing fosters giving and hope fosters service.

Please Father, bless our families with Your love and protect us from harm. Give us grace to forgive, strength to overcome the difficulties we face, and keep us together when the world tries to pull us apart.

Father, we never ceased to be a giving club, we have started pooling our resources, specifically in cash to extend to our brothers affected by the storm Ulysses, thru the Rotary Club of Marikina.

We deeply pray for them and not to lose faith in our God Almighty! All these we pray .Amen

POINT OF VIEW

VP RAPHAEL E. APOLINARIO VI
Editor in Chief, RED Chronicle

Will there be Christmas?

Allow me to share this story of the Pope calling a spanish priest to congratulate him for will there-be christmas reflection:

The pastor of the parish of San Lorenzo in Pamplona had just been on the phone with Pope Francis. "It was really very surprising. At 4:30 p.m. I was at the rectory of San Lorenzo when my cell phone rang," explained the priest, who thought it was a business call or one of the many parishoners.

At the other end of the line was Pope Francis, who was calling to tell him that he had read his text written a few days earlier about Christmas during the coronavirus pandemic.

The text, titled "Will there be Christmas?" and presented as a poem, reaffirms the true meaning of the holiday. Certainly, the end of this year is likely to be less hectic than we're used to, the priest points out. But that's just the point; it's an opportunity to finally experience the silence and peace of Bethlehem.

According to the priest, Pope Francis appreciated the message of the poem and told him that Christmas would be "more purified" because of the health crisis. "He told me how the Christian spirit of those days has been progressively stolen from us," he said.

The news outlet Navarra.com published the original text written by Fr. Leoz. Here is an English translation.

Will there be Christmas?
Of course!
More silent and with more depth.
More like unto the first one, when Jesus was born in solitude.
Without many lights on earth
but with the star of Bethlehem
shining on paths of life in its immensity.
Without colossal royal processions
but with the humility of feeling as if we are

shepherds, young and old, seeking the Truth.
Without big tables and with bitter absences
but with the presence of a God who will fill everything.

Will there be Christmas?
Of course!
Without streets overflowing with people
with our hearts burning
for the One who is about to arrive.
Without noise or festivals,
complaints or stampedes ...
but living the Mystery without fear
of the "COVID-Herod" that tries to
rob us even of the dream of waiting.

There will be Christmas because GOD is on our side
and He shares, as Christ did in a manger,
our poverty, trials, tears, anguish and orphanhood.
There will be Christmas because we need
a divine light in the midst of such darkness.
COVID-19 will never be able to reach the heart or soul
of those who put their hope and their high ideal in heaven.

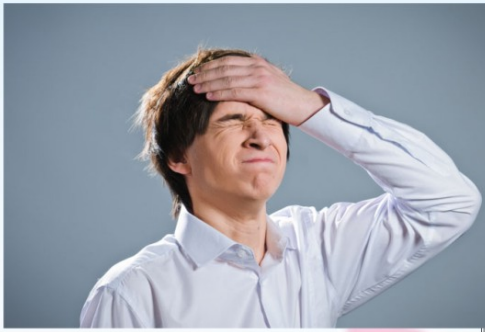

**THERE WILL BE CHRISTMAS!
WE WILL SING CHRISTMAS CAROLS!
GOD WILL BE BORN AND WILL BRING US FREEDOM!**

What are your thoughts? ... if there is Service Above Self there
is Christmas everyday.

WHY MENTAL CONFUSION BEYOND 60 ???

Causes of: MENTAL CONFUSION IN THE THIRD AGE

By: Arnaldo Liechtenstein, physician.

Whenever I teach clinical medicine to students in the fourth year of medicine, I ask the following question:

What are the causes of mental confusion in the elderly?

Some offer: "Tumors in the head". I answer: No!

Others suggest: "Early symptoms of Alzheimer's". I answer again: No!

With each rejection of their answers, their responses dry up.

And they are even more open-mouthed when I list the three most common causes:

- uncontrolled diabetes;
- urinary infection;
- dehydration

It may sound like a joke, but it isn't. People over 60 constantly stop feeling thirsty and consequently stop drinking fluids.

When no one is around to remind them to drink fluids, they quickly dehydrate. Dehydration is severe and affects the entire body. It may cause abrupt mental confusion, a drop in blood pressure, increased heart palpitations, angina (chest pain), coma and even death.

This habit of forgetting to drink fluids begins at age 60, when we have just over 50% of the water we should have in our bodies. People over 60 have a lower water reserve. This is part of the natural aging process.

But there are more complications. Although they are dehydrated, they don't feel like drinking water, because their internal balance mechanisms don't work very well.

Conclusion:
People over 60 years old dehydrate easily, not only because they have a smaller water supply, but also because they do not feel the lack of water in the body.

Although people over 60 may look healthy, the performance of reactions and chemical functions can damage their entire body.

So here are two alerts:
1) *Get into the habit of drinking liquids*. Liquids include water, juices, teas, coconut water, milk, soups, and water-rich fruits, such as watermelon, melon, peaches and pineapple; Orange and tangerine also work.

*The important thing is that, every two

hours, you must drink some liquid. Remember this!*

2) Alert for family members: constantly offer fluids to people over 60. At the same time, observe them.

If you realize that they are rejecting liquids and, from one day to the next, they are irritable, breathless or display a lack of attention, these are almost certainly recurrent symptoms of dehydration.

Arnaldo Liechtenstein (46), physician, is a general practitioner at Hospital das Clínicas and a collaborating professor in the Department of Clinical Medicine at the Faculty of Medicine of the University of São Paulo (USP).
