54 years of Service Above Self

In 1965, then District Governor Alfonso “Poncing” Oboza and Pres. Leon “Leony” Garcia of the Rotary Club of Davao thought of organizing the 2nd Rotary Club in the City of Davao. Thus was born the Rotary Club of East Davao (RCED).

On December 1, 1965, the RCED charter was officially unveiled in a historical ceremony at the Davao Insular Hotel, with twenty-four (24) men signing-up to be charter members, 10 of whom were from the sponsoring club, RC Davao.

From its inception, RCED called Davao Insular Hotel its home, as it was the venue for its weekly Tuesday club meetings. In 2007, the club opted to transfer its meetings to the Marco Polo Hotel.

Through the years, many RCED Past Presidents (and members) were privileged to serve in various District and Rotary International (RI) positions. To name a few:

1. As DISTRICT GOVERNORS

Atty. Honesto “Totoy” Cabarroguis	1983-1984
Dr. Herminio “Hermie” Villano	1989-1990
Reynaldo “Boy” Reyes	1995-1996
Raoul Hilario+	1999-2000
Amb. Ramon “Monet” Tirol+	2001-2002

Another member also had the honor to serve as District Governors, but this happened after they transferred to other clubs in the city, namely Salvador “Bading” Angala of RC West Davao in RY 1975-1976.

2. As REPRESENTATIVES

PDG Totoy served as DISTRICT 3860’s representative to the Council of Legislation which convened in Anaheim, California in 1992. He was also member of the vital Committee on Extension representing Zone 4 (encompassing 21 districts in Southeast Asia).

PDG Boy Reyes was District 3680’s representative to the Council of Legislation which was held in Chicago in 2007.

3. As GROUP STUDY EXCHANGE TEAM LEADERS

- PDS Ben Panganiban to D591 in Florida
- PDG Totoy Cabarroguis to D611 in Arkansas, Kansas, Missouri, and Oklahoma
- PDG Hermie Villano to D6296 in North Western Michigan and Sault St. Marie, Canada
- PP Rizal Aportadera to D712 in New York
- PDG Raoul Hilario to D5670 in Kansas
- PP Tino de Jesus to D7640 in New Jersey
- PP Edsa Sancho to D5150 in San Francisco
- PP Hecky Maniquis to D5020 in Seattle, Washington
- PP Nandie Subido to D6400 in Detroit, Michigan and Ontario, Canada and Team Member to District 6630 Cleveland Ohio, 1982
- PP Jesse Fortich to D6200 in Louisiana

Through the years, the club has embarked on numerous community projects, (i.e., donated artesian wells, school buildings, books, clothings, scholarships, conducted medical and dental missions, disaster response, etc.) all in pursuit of Rotary’s Theme of “Service Above Self.” (Please see next page, RCED @ WORK, for a list of some of the more recent major projects the club has under taken).

A cornerstone project that the club has been known for is its scholarship program. Here, the club offers the scholarship to deserving and highly motivated high school students, who have graduated and have proven themselves in the academic field. One major condition is that they must come from families who are economically challenged and may not enrol in college without assistance. The student applicant must be willing to take and finish an education course—and be teachers of tomorrow. The objective of this approach is so that they will become agents of change who are skilled to educate the growing populace in our communities—eventually helping fight poverty.

This is made possible because of the numerous RCED Members’ contribution and/or joint “ventures” that the club tries to build. One very successful example of this is the college-scholarship at the Holy Cross of Davao College—a joint project with the Oikawa Scholarship Program and by the San Josue Scholarship. Through the efforts of PDG Boy Reyes, PDG Raoul Hilario, and PP Mickey Miyake, Matching club arrangements with Japanese Clubs RC

Wakayanagi, RC Funabashi West and RC Ishinomaki South were arranged—resulting to the annual exchange of goodwill visits and the flow of donations from Japan for the projects.

At RCED we take the word “INTERNATIONAL” seriously. This is clearly seen in the different nationalities of its member (Filipinos, Americans, Europeans, Australians, Japanese, and many others). For some time now, the honorable consuls of Japan, Indonesia, and Malaysia are/were honorary members. In the Avenue of International Service, the club organized the Rotary Club of Manado, Indonesia. A team led by PDG Boy Reyes and PP Hecky Maniquis made sure they started on the right direction.

The strength of the club lies in its membership mix and the members’ passion for service. To date, RCED is still considered as club of the biggest of D3860.

RCED is an ardent supporter of The Rotary Foundation having in its roster several Major Donors, Multiple Paul Harris Fellows, PHFs and PHSMS.

To the club members, being able to BE OF SERVICE to others is more than enough reward. This philosophy has made the club stronger, more effective, and somehow “stand-out”... eventually it helped the club earn numerous awards and recognition from the District and from RI. To name a few:

- RI Asia Pacific Presidential plaque given by RI Pres. Frank Devlyn
- Global Quest award for membership growth in Zone 7 District
- PP Mickey Miyake - RI the highest award to a Rotarian, the “RI Service Above Self”
- Our Presidents and Club Secretaries have also been consistent awardees.
- Most Outstanding Club Bulletin for a number of years.

To RCED, these awards and recognitions are reminders, if not challenges, to do more for the community and mankind.

The succeeding decades will surely find Rotary Club of East Davao (RCED) in the forefront of Rotary’s motto of “Service Above Self” and the Implementation of the District Governor’s and RI President’s Challenges.

Bits & Pieces

Advices for the New Year!

2021 is a New Year, it's good to read again some of the best advice we have heard of at one time or another. This was compiled by a certain Joel Williams and its good to share. I hope you read something that will help you going forward. Happy New Year ☑

1. Have the courage to live a life true to yourself, not the life others expect of you.
2. Never attribute to malice that which can be adequately explained by stupidity.
3. "There is nothing noble in being superior to your fellow man; true nobility is being superior to your former self." Ernest Hemingway
4. Don't make decisions when you're angry. Don't make promises when you're happy.
5. "Never argue with a stupid person, they'll drag you down to their level and beat you with experience." Mark Twain
6. Only pack what you can carry yourself.
7. Remember you'll always regret what you didn't do rather than what you did.
8. "You'd worry less about what people think about you if you knew how seldom they do." David Foster Wallace

9. If you blame it on someone else, don't expect it to get better.
10. "You can be the ripest, juiciest peach in the world, but there will always be someone who hates peaches." Dita von Teese
11. If the grass is greener on the other side, there's probably more manure there.
12. Don't give up what you want most for what you want now.
13. With regards to the opposite sex: If you look hungry, you'll starve.
14. "Never let your sense of morals prevent you from doing what is right." Isaac Asimov
15. Strive to be the man you want your daughter to marry.
16. "Remember only enemies speak the truth. Friends and lovers lie endlessly, caught in the web of duty." Stephen King
17. Never forget your car keys will change your car from one tonne of inert metal into one of the most deadly killing machines that has been invented.
18. Wait 24 hours before getting mad and reacting about anything. If it doesn't bother you in 24 hours time, it probably isn't important enough to get mad over.
19. Never make someone a priority who only makes you an option.

20. Try not to take anything personally. No one thinks about you as much as you do.
21. "If you want to know what a man's like, take a good look at how he treats his inferiors, not his equals." Sirius Black
22. Figure out what you love to do, and then figure out how to get someone to pay you to do it.
23. If you treat a woman like a queen, and she treats you like a jester, your princess is in another castle.
24. Whenever something happens that makes you sad, ask yourself whether you'd still care about it when you're ninety.
25. Be persistent. When knowledge and ability aren't enough, be persistent.
26. "Life is scary. Get used to it. There are no magical fixes. It's all up to you. So get up off your keister, get out of here, and go start doin' the work. Nothing in this world that's worth having comes easy." Bob Kelso
27. Smart girls like to hear they're pretty, pretty girls like to hear that they're smart.
28. Happiness is a choice and everything else is a matter of perspective.

POINT OF VIEW

VP RAPHAEL E. APOLINARIO VI
Editor in Chief, RED Chronicle

Beatles Fan out there...

This is an excerpt of an interview I picked up and wanted to share with the Beatles fans in RCED:

Paul McCartney's is releasing a new album...

The singer-songwriter used his time spent indoors during the pandemic to record a new album, "McCartney III," with him playing nearly all the instruments and handling all the production.

It's out Dec. 18.

He spoke to columnist David Marchese.

"At no point," McCartney said, "did I think: 'I'm making an album. I'd better be serious.' This was more like: 'You're locked down. You can do whatever the hell you want.'" Which was a gas, as always.

"What I'm amazed with," McCartney explained, "is that I'm not fed up with music. Because, strictly speaking, I should have gotten bored years ago."

David: Is there anything different about the nature of your musical gift today at 78 than in 1980 or 1970 or when you first started writing songs?

Paul: It's the story that you're telling. That changes. When I first said to John, "I've written a few songs," they were simple. My first song was called "I Lost My Little Girl" — four chords. Then we went into the next phase of songwriting, which was talking to our fans. Those were songs like "Thank You Girl," "Love Me Do," "Please Please Me." Then came a rich vein as we got

more mature, with things like "Let It Be," "The Long and Winding Road."

But basically I think it's all the same, and you get lucky sometimes. Like, "Let It Be" came from a dream where my mother had said that phrase. "Yesterday" came from a dream of a melody. I'm a great believer in dreams. I'm a great rememberer of dreams.

David: The Beatles broke up 50 years ago. You were in it for roughly 10 years. How central to your own story of your life are those 10 years?

Paul: Very. It's like your high school memories — those are my Beatles memories. This is the danger: At a dinner party, I am liable to tell stories about my life, and people already know them. I can see everyone stifling a yawn. But the Beatles are inescapable.

A few takes:

- You will not notice the passing of time when you have passion and love for what you're doing... A lockdown does not mean Hard Days and Nights
- Don't let the lockdown stop you... Use the time given productively. It won't Let You Down.
- learn and appreciate the past.
- Every encounter helps shape who you are... Let it be
