# 54 years of Service Above Self

In 1965, then District Governor Alfonso "Poncing" Oboza and Pres. Leon "Leony" Garcia of the Rotary Club of Davao thought of organizing the 2nd Rotary Club in the City of Davao. Thus was born the Rotary Club of East Davao (RCED).

On December 1, 1965, the RCED charter was officially unveiled in a historical ceremony at the Davao Insular Hotel, with twenty-four (24) men signing-up to be charter members, 10 of whom were from the sponsoring club, RC Davao.

From its inception, RCED called Davao Insular Hotel its home, as it was the venue for its weekly Tuesday club meetings. In 2007, the club opted to transfer its meetings to the Marco Polo Hotel.

Through the years, many RCED Past Presidents (and members) were privileged to serve in various District and Rotary International (RI) positions. To name a few:

### 1. As DISTRICT GOVERNORS

Atty. Honesto "Totoy" Cabarroguis	1983-1984
Dr. Herminio "Hermie" Villano	1989-1990
Reynaldo "Boy" Reyes	1995-1996
Raoul Hilario+	1999-2000
Amb. Ramon "Monet" Tirol+	2001-2002

Another member also had the honor to serve as District Governors, but this happened after they transferred to other clubs in the city, namely Salvador "Bading" Angala of RC West Davao in RY 1975-1976.

### 2. As REPRESENTATIVES

PDG Totoy served as DISTRICT 3860's representative to the Council of Legislation which convened in Anaheim, California in 1992. He was also member of the vital Committee on Extension representing Zone 4 (encompassing 21 districts in Southeast Asia).

PDG Boy Reyes was District 3680's representative to the Council of Legislation which was held in Chicago in 2007.

### 3. As GROUP STUDY EXCHANGE TEAM LEADERS

- PDS Ben Panganiban to D591 in Florida
- PDG Totoy Cabarroguis to D611 in Arkansas, Kansas, Missouri, and Oklahoma
- PDG Hermie Villano to D6296 in North Western Michigan and Sault St. Marie, Canada
- PP Rizal Aportadera to D712 in New York
- PDG Raoul Hilario to D5670 in Kansas
- PP Tino de Jesus to D7640 in New Jersey
- PP Edsa Sancho to D5150 in San Francisco
- PP Hecky Maniquis to D5020 in Seattle, Washington
- PP Nandie Subido to D6400 in Detroit, Michigan and Ontario, Canada and Team Member to District 6630 Cleveland Ohio, 1982
- PP Jesse Fortich to D6200 in Louisiana

Through the years, the club has embarked on numerous community projects, (i.e., donated artesian wells, school buildings, books, clothings, scholarships, conducted medical and dental missions, disaster response, etc.) all in pursuit of Rotary's Theme of "Service Above Self." (Please see next page, RCED @ WORK, for a list of some of the more recent major projects the club has under taken).

A cornerstone project that the club has been known for is its scholarship program. Here, the club offers the scholarship to deserving and highly motivated high school students, who have graduated and have proven themselves in the academic field. One major condition is that they must come from families who are economically challenged and may not enrol in college without assistance. The student applicant must be willing to take and finish an education course—and be teachers of tomorrow. The objective of this approach is so that they will become agents of change who are skilled to educate the growing populace in our communities—eventually helping fight poverty.

This is made possible because of the numerous RCED Members' contribution and/or joint "ventures" that the club tries to build. One very successful example of this is the college-scholarship at the Holy Cross of Davao College—a joint project with the Oikawa Scholarship Program and by the San Josue Scholarship. Through the efforts of PDG Boy Reyes, PDG Raoul Hilario, and PP Mickey Miyake, Matching club arrangements with Japanese Clubs RC

Wakayanagi, RC Funabashi West and RC Ishinomaki South were arranged—resulting to the annual exchange of goodwill visits and the flow of donations from Japan for the projects.

At RCED we take the word "INTERNATIONAL" seriously. This is clearly seen in the different nationalities of its member (Filipinos, Americans, Europeans, Australians, Japanese, and many others). For some time now, the honorable consuls of Japan, Indonesia, and Malaysia are/were honorary members. In the Avenue of International Service, the club organized the Rotary Club of Manado, Indonesia. A team led by PDG Boy Reyes and PP Hecky Maniquis made sure they started on the right direction.

The strength of the club lies in its membership mix and the members' passion for service. To date, RCED is still considered as club of the biggest of D3860.

RCED is an ardent supporter of The Rotary Foundation having in its roster several Major Donors, Multiple Paul Harris Fellows, PHFs and PHSMS.

To the club members, being able to BE OF SERVICE to others is more than enough reward. This philosophy has made the club stronger, more effective, and somehow "stand-out"... eventually it helped the club earn numerous awards and recognition from the District and from RI. To name a few:

- RI Asia Pacific Presidential plaque given by RI Pres. Frank Devlyn
- Global Quest award for membership growth in Zone 7 District
- PP Mickey Miyake - RI the highest award to a Rotarian, the "RI Service Above Self"
- Our Presidents and Club Secretaries have also been consistent awardees.
- Most Outstanding Club Bulletin for a number of years.

To RCED, these awards and recognitions are reminders, if not challenges, to do more for the community and mankind.

The succeeding decades will surely find Rotary Club of East Davao (RCED) in the forefront of Rotary's motto of "Service Above Self" and the Implementation of the District Governor's and RI President's Challenges.

Heavenly Father, thank you for Your immeasurable love beyond understanding. We know that we cannot fathom that love until we get there in heaven with You. So while on earth, please help us to love all the people around us especially our families. Far too many relationships in today's world are uncertain.

Father, our government tried a little to loosen up on our restrictions during this pandemic to help ease the sufferings of our people but WHO warned and against rash re- opening despite fall in new Covid cases, there's a danger of surging cases again which will be most difficult controlling! But it's encouraging to know that many are receiving the jabs and hopefully all will be vaccinated soon and eventually we'll be back to normal times.

Father, we invite You to join us in welcoming our new members who will be inducted shortly. It is always wonderful to have new friends and new allies in the service of Rotary and we certainly believe that there is really strength in numbers! Lastly Father we always pray to keep us all healthy and strong for our faithful service in Rotary. All these we pray.

Amen

## Sows a good seed in other people

In 1892 at Stanford University, an 18-year-old student was struggling to pay his fees. He was an orphan, and not knowing where to turn for money, he came up with a bright idea. He and a friend decided to host a musical concert on campus to raise money for their education.

They reached out to the great pianist Ignacy J. Paderewski. His manager demanded a guaranteed fee of \$2000 for the piano recital. A deal was struck and the boys began to work to make the concert a success.

The big day arrived. But unfortunately, they had not managed to sell enough tickets. The total collection was only \$1600. Disappointed, they went to Paderewski and explained their plight. They gave him the entire \$1600, plus a cheque for the balance \$400. They promised to honour the cheque at the soonest possible.

“No,” said Paderewski. “This is not acceptable.” He tore up the cheque, returned the \$1600 and told the two boys: “Here’s the \$1600. Please deduct whatever expenses you have incurred. Keep the money you need for your fees. And just give me whatever is left”. The boys were surprised, and thanked him profusely. It was a small act of kindness. But it clearly marked out Paderewski as a great human being.

Why should he help two people he did not even know? We all come across situations like these in our lives. And most of us only think “If I help them, what would happen to me?” The truly great people think, “If I don’t help them, what will happen to them?” They don’t do it expecting something in return. They do it because they feel it’s the right thing to do.

Paderewski later went on to become the

Prime Minister of Poland. He was a great leader, but unfortunately when the World War began, Poland was ravaged. There were more than 1.5 million people starving in his country, and no money to feed them. Paderewski did not know where to turn for help. He reached out to the US Food and Relief Administration for help.

He heard there was a man called Herbert Hoover — who later went on to become the US President. Hoover agreed to help and quickly shipped tons of food grains to feed the starving Polish people. A calamity was averted. Paderewski was relieved.

He decided to go across to meet Hoover and personally thank him. When Paderewski began to thank Hoover for his noble gesture, Hoover quickly interjected and said, “You shouldn’t be thanking me Mr. Prime Minister. You may not remember this, but several years ago, you helped two young students go through college. I was one of them.”

*The world is a wonderful place. What goes around comes around. Please help others to the best of your ability. In the long run you may be helping yourself. God never forgets anyone who sows a good seed in other people, never.*

to see the good  
in others,  
you end up finding  
the good in yourself.

# Bits & Pieces

**Found this article and decided to share.**

**I asked a friend who has crossed 70 & is heading towards 80 what sort of changes he is feeling in himself? He sent me the following:**

1. After loving my parents, my siblings, my spouse, my children and my friends, I have now started loving myself.
2. I have realized that I am not "Atlas". The world does not rest on my shoulders.
3. I have stopped bargaining with vegetable & fruit vendors. A few pennies more is not going to break me, but it might help the poor fellow save for his daughter's school fees.
4. I leave my waitress a big tip. The extra money might bring a smile to her face. She is toiling much harder for a living than I am.
5. I stopped telling the elderly that they've already narrated that

story many times. The story makes them walk down memory lane & relive their past.

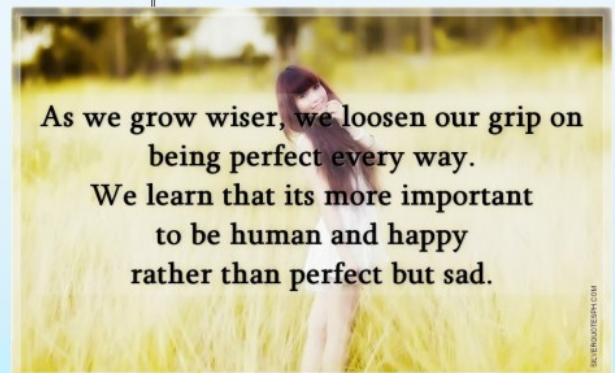

6. I have learned not to correct people even when I know they are wrong. The onus of making everyone perfect is not on me. Peace is more precious than perfection.
7. I give compliments freely & generously. Compliments are a mood enhancer not only for the recipient, but also for me. And a small tip for the recipient of a compliment, never, NEVER turn it down, just say "Thank You."
8. I have learned not to bother about a crease or a spot on my shirt. Personality speaks louder than appearances.
9. I walk away from people who don't value me. They might not know my worth, but I do.
10. I remain cool when someone plays dirty to outrun me in the rat race. I am not a rat & neither am I in any race.
11. I am learning not to be embarrassed by my emotions. It's my

emotions that make me human.

12. I have learned that it's better to drop the ego than to break a relationship. My ego will keep me aloof, whereas with relationships, I will never be alone.
13. I have learned to live each day as if it's the last. After all, it might be the last.
14. I am doing what makes me happy. I am responsible for my happiness, and I owe it to myself. Happiness is a choice. You can be happy at any time, just choose to be!

Question: Why do we have to wait to be 60 or 70 or 80, why can't we practice this at any stage and age?

(Unknown author)

**As we grow wiser, we loosen our grip on being perfect every way. We learn that its more important to be human and happy rather than perfect but sad.**
