54 years of Service Above Self

In 1965, then District Governor Alfonso "Poncing" Oboza and Pres. Leon "Leony" Garcia of the Rotary Club of Davao thought of organizing the 2nd Rotary Club in the City of Davao. Thus was born the Rotary Club of East Davao (RCED).

On December 1, 1965, the RCED charter was officially unveiled in a historical ceremony at the Davao Insular Hotel, with twenty-four (24) men signing-up to be charter members, 10 of whom were from the sponsoring club, RC Davao.

From its inception, RCED called Davao Insular Hotel its home, as it was the venue for its weekly Tuesday club meetings. In 2007, the club opted to transfer its meetings to the Marco Polo Hotel.

Through the years, many RCED Past Presidents (and members) were privileged to serve in various District and Rotary International (RI) positions. To name a few:

1. As DISTRICT GOVERNORS

Atty. Honesto "Totoy" Cabarroguis	1983-1984
Dr. Herminio "Hermie" Villano	1989-1990
Reynaldo "Boy" Reyes	1995-1996
Raoul Hilario+	1999-2000
Amb. Ramon "Monet" Tirol+	2001-2002

Another member also had the honor to serve as District Governors, but this happened after they transferred to other clubs in the city, namely Salvador "Bading" Angala of RC West Davao in RY 1975-1976.

2. As REPRESENTATIVES

PDG Totoy served as DISTRICT 3860's representative to the Council of Legislation which convened in Anaheim, California in 1992. He was also member of the vital Committee on Extension representing Zone 4 (encompassing 21 districts in Southeast Asia).

PDG Boy Reyes was District 3680's representative to the Council of Legislation which was held in Chicago in 2007.

3. As GROUP STUDY EXCHANGE TEAM LEADERS

- PDS Ben Panganiban to D591 in Florida
- PDG Totoy Cabarroguis to D611 in Arkansas, Kansas, Missouri, and Oklahoma
- PDG Hermie Villano to D6296 in North Western Michigan and Sault St. Marie, Canada
- PP Rizal Aportadera to D712 in New York
- PDG Raoul Hilario to D5670 in Kansas
- PP Tino de Jesus to D7640 in New Jersey
- PP Edsa Sancho to D5150 in San Francisco
- PP Hecky Maniquis to D5020 in Seattle, Washington
- PP Nandie Subido to D6400 in Detroit, Michigan and Ontario, Canada and Team Member to District 6630 Cleveland Ohio, 1982
- PP Jesse Fortich to D6200 in Louisiana

Through the years, the club has embarked on numerous community projects, (i.e., donated artesian wells, school buildings, books, clothings, scholarships, conducted medical and dental missions, disaster response, etc.) all in pursuit of Rotary's Theme of "Service Above Self." (Please see next page, RCED @ WORK, for a list of some of the more recent major projects the club has under taken).

A cornerstone project that the club has been known for is its scholarship program. Here, the club offers the scholarship to deserving and highly motivated high school students, who have graduated and have proven themselves in the academic field. One major condition is that they must come from families who are economically challenged and may not enrol in college without assistance. The student applicant must be willing to take and finish an education course—and be teachers of tomorrow. The objective of this approach is so that they will become agents of change who are skilled to educate the growing populace in our communities—eventually helping fight poverty.

This is made possible because of the numerous RCED Members' contribution and/or joint "ventures" that the club tries to build. One very successful example of this is the college-scholarship at the Holy Cross of Davao College—a joint project with the Oikawa Scholarship Program and by the San Josue Scholarship. Through the efforts of PDG Boy Reyes, PDG Raoul Hilario, and PP Mickey Miyake, Matching club arrangements with Japanese Clubs RC

Wakayanagi, RC Funabashi West and RC Ishinomaki South were arranged—resulting to the annual exchange of goodwill visits and the flow of donations from Japan for the projects.

At RCED we take the word "INTERNATIONAL" seriously. This is clearly seen in the different nationalities of its member (Filipinos, Americans, Europeans, Australians, Japanese, and many others). For some time now, the honorable consuls of Japan, Indonesia, and Malaysia are/were honorary members. In the Avenue of International Service, the club organized the Rotary Club of Manado, Indonesia. A team led by PDG Boy Reyes and PP Hecky Maniquis made sure they started on the right direction.

The strength of the club lies in its membership mix and the members' passion for service. To date, RCED is still considered as club of the biggest of D3860.

RCED is an ardent supporter of The Rotary Foundation having in its roster several Major Donors, Multiple Paul Harris Fellows, PHFs and PHSMS.

To the club members, being able to BE OF SERVICE to others is more than enough reward. This philosophy has made the club stronger, more effective, and somehow "stand-out"... eventually it helped the club earn numerous awards and recognition from the District and from RI. To name a few:

- RI Asia Pacific Presidential plaque given by RI Pres. Frank Devlyn
- Global Quest award for membership growth in Zone 7 District
- PP Mickey Miyake - RI the highest award to a Rotarian, the "RI Service Above Self"
- Our Presidents and Club Secretaries have also been consistent awardees.
- Most Outstanding Club Bulletin for a number of years.

To RCED, these awards and recognitions are reminders, if not challenges, to do more for the community and mankind.

The succeeding decades will surely find Rotary Club of East Davao (RCED) in the forefront of Rotary's motto of "Service Above Self" and the Implementation of the District Governor's and RI President's Challenges.

INVOCATION

Almighty and Loving Father, we fervently ask for your divine and infinite mercy to take control of this pandemic. We put our trust in Your power. We implore You to embrace us and our country. Please stop the further spread of this pandemic, just like what You did with Your disciples in the middle of the sea with a very strong storm!

Heavenly Father, as we continue to overcome Covid-19, we honor the selfless dedication of our dear health workers and essential frontliners in their unyielding determination and relentless commitment in this fight, reflects the heroism of our soldiers in Bataan to combat the Japanese invaders 8 decades ago, that continue to inspire us in a great sense of patriotism and solidarity during these trying times.

We know that many frontliners have gotten sick and even died but their dedication prevailed as we nurses and the doctors promised You O Lord in our Oath-taking to Serve Humanity! As to the other citizens we should do our parts to cut the spread, follow protocols strictly and please stay home! Father, another area of concern is the fresh tension in the West Phil. Seas!

Hope cooler heads can come together and resolve things peacefully! These are all, we fervently pray in Jesus name. Amen

April 6, 2021. 41st Regular Weekly Zoom Meeting: , **MR. DARRELL BLATCHLEY**, Founder /President D'Bone Collector Museum, Inc. as our Guest of Honor and Speaker...

POINT OF VIEW

VP RAPHAEL E. APOLINARIO VI
Editor in Chief, RED Chronicle

For your ears only...

A young Army officer was severely wounded in the head by a grenade, but the only visible, permanent injury was that both of his ears were amputated.

Since his remaining hearing was sufficient, he remained in the Army....

Many years later he eventually rose to the rank of Major General. He was, however, very sensitive about his appearance...

One day the General was interviewing 3 servicemen who were candidates for his headquarters staff.

The first was a Captain, a tactical helicopter pilot, and it was a great interview.

At the end of the interview the General asked him: 'Do you notice anything different about me?'

The young officer answered, 'Why, yes, Sir, I couldn't help but notice that you have no ears.'

The general was displeased with his lack of tact and threw him out.

The second interview was with a Navy Lieutenant, and he was even better. The General then asked him the same question: 'Do you notice anything different about me?'

He replied sheepishly, 'Well, sir, you have no ears.'

The General threw him out also.

The third interview was with an old Sergeant Major, an Infantryman and staff- trained NCO.

He was smart, articulate, fit, looked sharp, and seemed to know more than the 2 officers combined.

The General liked this guy, and went ahead with the same question: 'Do you notice anything different about me?' To his surprise the Sergeant Major said: 'Yes, sir, you wear contact lenses.'

The General was very impressed and thought, 'What an incredibly observant NCO, and he didn't mention my ears.'

He asked, 'Sergeant Major, how do you know I wear contact lenses..?'

'Well, sir,' the soldier replied, 'it's pretty hard to wear glasses with no f..... ears.'

NEW

NORMAL

Bits & Pieces

If you're 65-85 years old, please take a look at this articles:

The famous Russian physiologist Pavlov said: "Happiness is the only secret of health.". Happiness and health are naturally connected. How can we make ourselves happier after we enter old age?

1. If you are 65-85 years old, you should understand: You are no longer a superman. Don't be exhausted all day, you should live calmly. For example, rice should be eaten one bite at a time, and things should be done bit by bit. It's not enough to be calm, and you should show yourself when appropriate and let the ordinary days shine.
2. If you are 65-85 years old, you should understand: The quality of life depends entirely on your mentality. Every day, sea cucumber, abalone, big fish, big meat, delicacies from mountains and seas, a five-star high-end restaurant, are not necessarily high quality life. Only getting spiritual satisfaction is quality life.
3. If you are 65-85 years old, you should understand: The alienation of family affection is a painful pain. Being lighter, forgiving, and

forbearing will make our hearts a little bit wider, calmer and warmer.

4. If you are 65-85 years old, you should understand that choosing friends is important. Make friends with optimistic and like-minded people, and you will also become optimistic and cheerful.
5. If you are 65-85 years old, you should understand: Learning is still necessary. Live and learn. Pay attention to new knowledge related to your career and hobbies. Boldly try things of interest, such as WeChat, email, online shopping... Don't be afraid of learning and enjoying.
6. If you are 65-85 years old, you should understand: It is better to rely on yourself than on others. Some problems need to be solved by yourself. Believe in yourself, face challenges head-on, see difficulties as opportunities, and learn to solve problems creatively.
7. If you are 65-85 years old, you should understand: Status and honor are just a cup, and your cultivation and character are the things in your cup. The luminous glass may not be the grape wine, it may be a glass of muddy water. There may not be boiled water in the thick porcelain cup, but it is probably the best dragon well.

8. If you are 65-85 years old, you should understand: People who are grateful are happier. For any blessing, no matter how big or small you should know how to be grateful. You should be grateful for your family, work, and friends. You might as well tell them personally that you are happy because of them in your life.

9. If you are 65-85 years old, you should understand: smile for less, smile often without worry. Don't be too serious about yourself or your life. Try to discover the little bit of fun around you, be humorous in time, and make life full of laughter.

10. If you are 65-85 years old, you should understand: It is the greatest happiness to have someone who takes care of you. If they do not take care of you, take care of yourself. To ensure rest, exercise, and healthy eating, exercise your brain in a fun and exciting way, and activate your thinking. Don't worry about major national events that you shouldn't or can't manage. When you become an angry old lady you think you are responsible. Makes yourself full of worries and complaints. Affects mood.

.... God bless all our relatives and friends who are aged 65-up~
