Project Cost: P4.9M.

In 1965, then District Governor Alfonso "Poncing" Oboza and Pres. Leon "Leony" Garcia of the Rotary Club of Davao thought of organizing the 2nd Rotary Club in the city. Thus was born the Rotary Club of East Davao. Twenty-four (24) men signed as charter members, 10 of whom were from the sponsoring club, RC Davao. On December 1, 1965, the charter was officially presented in a historical ceremony at the Davao Insular Hotel, the venue of club meetings until 2007 when the club transferred its meetings to Marco Polo Hotel. Of the 56 Past Presidents of the Club, many were privileged to serve the District and RI in higher capacities, to wit:

DISTRICT GOVERNORS

- 1975-1976 **Salvador "Bading" Angala** - President RY 1970-71
- 1983-1984 **Honesto "Totoy" Cabarroguis** - President RY 1975-76
- 1989-1990 **Herminio "Hermie" Villano** - President RY 1979-80
- 1995-1996 **Reynaldo "Boy" Reyes** - President RY 1983-84
- 1999-2000 **Raoul E. Hilario** - President RY 1989-90
- 2001-2002 **Ramon "Monet" Tirol** - Charter President RC Central Davao RY 1975-1976
- 2020-2021 **Rodel Riezl "Riz" S. Reyes** - President RY 2005-06

- Through the years, RCED was responsible for chartering the following clubs:
- Rotary Club of Central Davao – August 25, 1975 with PDG Ramon Tirol a member of RCED as Charter President
- Rotary Club of Metro Tagum – April 11, 1990
- Rotary Club of Waling Waling Davao – January 22, 1992 the first All-Female Club in District 3860
- Rotary Club of Mati East – October 26, 2005

Through the years, the club has embarked on numerous community projects, i.e. donated artesian wells, school buildings, books, clothing's, scholarships, etc. beneficial to the less fortunate.

The signature project of the club is its extensive medical and dental missions in several remote areas in the whole Island of Mindanao. Through the TRF Matching Grants the club manufactured a Mobile Operating Van which is used during these missions with volunteer doctors and surgeons from the Maharlika Charity Foundation Inc. under the leadership of Past President Rizal D. Apotadera. A spin off of these medical missions we have also provided Ambulances for 2 provinces with the assistance of the Rotary Club of Wakayangi thru its active leader PAG Atsushi Sasaki.

55 years of Service Above Self

Another worthwhile project that has been going on for years is the college scholarship at the Holy Cross of Davao College / University of Southeastern Philippines funded by the Oikawa Scholarship Fund, San Josue Scholarship, AY Foundation and the club benevolent members. The scholars eventually become teachers and become agents to educate the growing populace in our communities. To date we have 30 successful graduates and now teaching in different schools here around the city.

Through the efforts of PDG Boy Reyes, PDG Raoul Hilario, and PP Mickey Miyake, match club arrangements with Japanese Clubs RC Wakayanagi, RC Funabashi West, RC Ishinomaki South and RC Funabashi West were arranged resulting to the annual exchange of goodwill visits and the flow of donations from Japan for our projects. An offshoot of these goodwill visits is the establishment of a short-term Youth Exchange where sons/daughters of our club members go to Japan on summer vacations and are hosted by our match clubs.

The club is a consistent supporter of The Rotary Foundation being the "100% All Paul Harris Club" having in its roster 8 Major Donors, 30 Multiple Paul Harris Fellows, 131 PHFs and 62 PHSMs. In recognition of the numerous club projects and services of its members, the club has been a consistent recipient of awards from RI.

The club is a recipient of the prestigious **RI Asia Pacific Presidential plaque** given by RI Pres. Frank Devlyn in a fitting ceremony in Manila. The Club was one of the top 10 clubs worldwide recognized as a recipient of the **Global Quest award** for membership growth in Zone 7. PP Mickey Miyake was awarded by RI the highest award to a Rotarian, the **RI Service Above Self Award** in 2004. Our Presidents and Club Secretaries have also been consistent awardees during DISTAS. Our club bulletin has been consistently recognized as the Most Outstanding Club Bulletin for a number of years.

The strength of the club lies in its membership mix and the members' passion for service. In its roster is an Englishman, an American, and three Japanese. For some time, the honorable consuls of Japan, Indonesia, and Malaysia were honorary members. The awards RCED received are challenges to do more for the community and mankind. The succeeding decades will surely find the **Rotary Club of East Davao** in the forefront of Rotary's motto of "Service Above Self" and the Implementation of the District Governor's and RI President's Challenges.

With these simple accomplishments, this has been the clubs gauge in keeping its goal to Serve Humanity. We changed the lives of several people in our community and remain to be inspired in Doing Good to the World.

Getting to know more about our New President

Up Close and Personal...

CHELDONE ILAO CANES

“Life Serving President”

One of the interesting attributes of the club's membership is that you would have Rotarians who come from all walks of life. The man of the hour is a self made man, he started out with the humblest of beginnings from almost nothing to having everything.

This native of Catbalogan, Samar, “The Don” was born on April 26, 1973 as the 6th child to a family of 8 siblings. At a tender age of 13 after his father was murdered in-front of him by the new peoples army, he resolved to support himself through high school and college. He made sure that his grades qualified him for scholarships. He took odd jobs, (like being a gasoline attendant), so he may support himself and finally gain a Bachelor of Science Degree – Majoring in the Field of Marine Biology.

In 1999, he made, what proves to be one of the best decisions in his life, together with his very young family - moved here in the Davao - the promised land for him..

Being no stranger to the game of survival, he started as simple management trainee and eventually made his way to be salesman for an NCCC supplier. In 2006, Don and his lovely spouse Lilian started the business called “LIANCHEL”. The company is engaged in warehousing and distributorship of office and school supplies to retailers – mainly supermarkets and malls. They now supply the whole Mindanao and has

since expanded to the Visayas and Manila.

Between his three children: Vince Jeremiah, Keziah Mae and Lian Isabel and his growing business, Don still finds time to be an active Elder in the Pentecostal Church – helping young people become better Christians.

“In my line of business I can help the less fortunate, the poor but deserving kids, with donated schools’ supplies. It is an incentive for them to study and finish school. In doing so, I give back part of my blessings in life which I did not enjoy much in my early years.”

“The Don” redefines the words Hardwork and Giving. A true and humble leader.

Pres. Don, Vince, Lian, Keziah and Spouse Lilian

Guest of Honor and Speaker

DG Anna Louisa A. Bumagat
District Governor, D3860

District Governor Anna Louisa Bumagat is the first and youngest Lady Governor from Area 3, and the third member from the Rotary Club of Ormoc to become Governor.

She graduated a degree in Bachelor in Secondary Education (Cum Laude) from the University of the Philippines Diliman in 1992. and completed her Masters in Educational Leadership (with Distinction) from De La Salle University - Manila in 2009.

Currently, she works as the School Director of Saint Paul's School of Ormoc and serves as Secretary on its Board of Directors. She is also the Finance Officer of Trophy Farm.

A second-generation Rotarian, she joined Rotary in 2005 and served as Club President in Rotary Year 2009-2010. Beyond the club level, she assumed various District positions - Assistant Governor; District Secretary; Internet and Communications Officer; Deputy for Special Projects; Community Service Chair; Stewardship Chair; Grants Chair for three years and as Chief of Staff.

To her, the theme "Serve to Change Lives" embodied her passion and purpose as a Rotarian to make a difference. She envisions growing membership in all levels of the organization and is a firm believer of The Rotary Foundation in its enduring mission to "Do Good in the World." With her brand of leadership, she endeavors to empower her fellow Rotary volunteers to learn more, to grow more, and do more for the communities they serve.

She is married to Troy, also a Rotarian and they are blessed with four children - fraternal twins Angela and Amanada, Athena and Tristan.

When you lived your life for others
and you loved *without condition*
When you made so many laugh and your
smile won't be forgotten
When you left behind an empty place
that no one else can fill
When the friendships that you shared
long to be renewed
When you built your life on hope
and fulfilled it every day
The *footprints* that you left behind
will bring us face to face
So, *goodbye* is not forever,
You're only steps away.

POV

POINT OF VIEW

VP RAPHAEL E. APOLINARIO VI

Editor in Chief, RED Chronicle

For your ears only...

A young Army officer was severely wounded in the head by a grenade, but the only visible, permanent injury was that both of his ears were amputated. Since his remaining hearing was sufficient, he remained in the Army....

Many years later he eventually rose to the rank of Major General. He was, however, very sensitive about his appearance...

One day the General was interviewing 3 servicemen who were candidates for his headquarters staff.

The first was a Captain, a tactical helicopter pilot, and it was a great interview. At the end of the interview the General asked him: 'Do you notice anything different about me?'

The young officer answered, 'Why, yes, Sir, I couldn't help but notice that you have no ears.'

The general was displeased with his lack of tact and threw him out.

The second interview was with a Navy Lieutenant, and he was even better. The General then asked him the same question: 'Do you notice anything different about me?'

He replied sheepishly, 'Well, sir, you have no ears.'

The General threw him out also.

The third interview was with an old Sergeant Major, an Infantryman and staff-trained NCO.

He was smart, articulate, fit, looked sharp, and seemed to know more than the 2 officers combined.

The General liked this guy, and went ahead with the same question: 'Do you notice anything different about me?' To his surprise the Sergeant Major said: 'Yes, sir, you wear contact lenses.'

The General was very impressed and thought, 'What an incredibly observant NCO, and he didn't mention my ears.'

He asked, 'Sergeant Major, how do you know I wear contact lenses..?'

'Well, sir,' the soldier replied, 'it's pretty hard to wear glasses with no f..... ears.'

Bits & Pieces

If you're 65-85 years old, please take a look at this articles:

The famous Russian physiologist Pavlov said: "Happiness is the only secret of health.". Happiness and health are naturally connected. How can we make ourselves happier after we enter old age?

1. If you are 65-85 years old, you should understand: You are no longer a superman. Don't be exhausted all day, you should live calmly. For example, rice should be eaten one bite at a time, and things should be done bit by bit. It's not enough to be calm, and you should show yourself when appropriate and let the ordinary days shine.

2. If you are 65-85 years old, you should understand: The quality of life depends entirely on your mentality. Every day, sea cucumber, abalone, big fish, big meat, delicacies from mountains and seas, a five-star high-end restaurant, are not necessarily high quality life. Only getting spiritual satisfaction is quality life.

3. If you are 65-85 years old, you should understand: The alienation of family affection is a painful pain. Being lighter, forgiving, and

forbearing will make our hearts a little bit wider, calmer and warmer.

4. If you are 65-85 years old, you should understand that choosing friends is important. Make friends with optimistic and like-minded people, and you will also become optimistic and cheerful.

5. If you are 65-85 years old, you should understand: Learning is still necessary. Live and learn. Pay attention to new knowledge related to your career and hobbies. Boldly try things of interest, such as WeChat, email, online shopping... Don't be afraid of learning and enjoying.

6. If you are 65-85 years old, you should understand: It is better to rely on yourself than on others. Some problems need to be solved by yourself. Believe in yourself, face challenges head-on, see difficulties as opportunities, and learn to solve problems creatively.

7. If you are 65-85 years old, you should understand: Status and honor are just a cup, and your cultivation and character are the things in your cup. The luminous glass may not be the grape wine, it may be a glass of muddy water. There may not be boiled water in the thick porcelain cup, but it is probably the best dragon well.

8. If you are 65-85 years old, you should understand: People who are grateful are happier. For any blessing, no matter how big or small you should know how to be grateful. You should be grateful for your family, work, and friends. You might as well tell them personally that you are happy because of them in your life.

9. If you are 65-85 years old, you should understand: smile for less, smile often without worry. Don't be too serious about yourself or your life. Try to discover the little bit of fun around you, be humorous in time, and make life full of laughter.

10. If you are 65-85 years old, you should understand: It is the greatest happiness to have someone who takes care of you. If they do not take care of you, take care of yourself. To ensure rest, exercise, and healthy eating, exercise your brain in a fun and exciting way, and activate your thinking. Don't worry about major national events that you shouldn't or can't manage. When you become an angry old lady you think you are responsible. Makes yourself full of worries and complaints. Affects mood.

.... God bless all our relatives and friends who are aged 65-up~
