Rotary Club of East Davao

Club Number : 17115
District : 3860
Charter Date: December 1, 1965
Charter President: Fernando Tecson
Meets every Tuesday at 6:30p.m. via [zoom](#)

1.) TWO (2) BED EYE SURGICAL MOBILE VAN "Dapitan" of Maharlika Charity Foundation, Inc. A Rotary Foundation Matching Grant/World Community Service project worth PHP6 million. This major project was initiated by RCED with RC Wakayanagi, RC Funabashi West, District 2520 Iwate Miyagi, Japan and District 2790 Chiba, Japan and PAG Atsushi Sasaki, M.D.

2.) A FIRETRUCK to Davao Volunteer Fire Brigade, Inc. a joint project with our sister club — Rotary Club of Funabashi West, Chiba, Japan. Likewise assisting them in the annual maintenance of the unit.

3.) RCED-OIKAWA SCHOLARSHIP PROGRAM. A college scholarship grant for Education Course funded by philanthropic and kindhearted Japanese Rotarians of the RC Ishinomaki South, Miyagi Prefecture, Iwate, Japan who have been extending financial support since RY 2000. A Rotary way of helping financially disadvantaged but deserving high school students acquire College Degree which could help them be alleviated from poverty.

4.) Food for the young Minds: FEEDING PROGRAM. Under the "Adopt a School Program" of Department of Education. A WCS supported project with RC Ishinomaki South for J.P. Rizal Elementary School and Juan Cruz Sr. Elementary School for malnourished children.

5.) A "Water System" at Kapatagan, Davao del Sur. This is a TRF Matching Grant Project with RC Wakayanagi, Japan. The project benefits about 300 residents in both Sitio Terril and Ranu, who used to fetch

water from other sources (normally 3 to 5 kms away). A "Highway water station: was also built for travellers and vehicles that visit the area to trade in vegetables and deliver farm implements. We also installed the "Flowing Washing Area" (attached to the water reservoir) to give easy access to residents doing their daily laundry.

6.) OPERATION SAGIP MATA PROJECT. RCED's Gift of Sight. In commemoration of Rotary's first 100 years of service, RCED turned over a Topcon OMS-90 Operation Microscope and other cataract surgical instruments amounting to PHP670,000.00 to the Davao Medical Center Ophthalmology Department. Joint with RC of Wakayanagi, Japan, Dr. Atsushi Sasaki and TRF.

7.) TWO-STORY TWO-CLASSROOM SCHOOL BUILDINGS as RCED "Centennial Project" at Sasa Elementary School worth PHP600,000. A World Community Service Project with international partners: District 2790 Chiba, Japan, RC Wakayanagi, RC Ishinomaki South, RC Funabashi West and Past Asst. Gov. Atsushi Sasaki, M.D. of RC Wakayanagi, Japan and District 2520 Iwate Miyagi, Japan.

8.) MOBILE EMERGENCY DISASTER RESCUE EQUIPMENT. Another Rotary Foundation Matching Grant/ WCS Project with valuable assistance of its partners, PAG Atsushi Sasaki, M.D., RC Wakayanagi, Japan and the District 2520 Iwate Miyagi, Japan, donated a complete set of brand-new top-of-the-line accident rescue equipment amounting to \$16,000 to Philippine National Red Cross - Davao Chapter.

9.) TRF MATCHING GRANT NO. 65912 COMMUNITY WATER STATION. A which provided a water purifier and accessories, reservoir, polyethylene pipes and to install a distribution network to residents of Brgy. Caliclic, Island Garden City of Samal. The project benefited 370 household residents of about 1,857 people who fetch water from a source which is three kilometers within five km radius. Project Cost: US\$21,983.82 with international sponsors RC Wakayanagi, Dr. Atsushi Sasaki and TRF.

10.) TRF MATCHING GRANT NO. 71099 AMBULANCE PROJECT. A brand new ambulance, a Kia K2700 truck fitted with first aid and emergency medical facilities unit worth more than PHP1M was turned over to the people of San Isidro, a municipality of Davao Oriental, by leaders of Rotary Club of Wakayanagi, Japan of District 2520 and Rotary Club of East Davao under District 3860.

11.) WORLD COMMUNITY SERVICE PROJECT. Ambulance donation to Brgy. Mintal from Rotary Club Wakayanagi and Dr. Atsushi Sasaki.

12.) GLOBAL GRANT NO. 1640035 DAVAO EDUCATION AND HEALTH PROJECT . The program goal is to increase access to and improve quality of health and education / training services for the women and children from three disadvantaged communities in Mindanao Southern Philippines by supporting: Basic education and literacy for the children in focus communities, Maternal and child health care via the Community Health Centre's and the specialist regional pediatric health centre. Project Cost: P4.9M.

In 1965, then District Governor Alfonso “Poncing” Oboza and Pres. Leon “Leony” Garcia of the Rotary Club of Davao thought of organizing the 2nd Rotary Club in the city. This was born the Rotary Club of East Davao. Twenty-four (24) men signed as charter members, 10 of whom were from the sponsoring club, RC Davao. On December 1, 1965, the charter was officially presented in a historical ceremony at the Davao Insular Hotel, the venue of club meetings until 2007 when the club transferred its meetings to Marco Polo Hotel. Of the 56 Past Presidents of the Club, many were privileged to serve the District and RI in higher capacities, to wit:

DISTRICT GOVERNORS

- 1975-1976 **Salvador “Bading” Angala** - President RY 1970-71
- 1983-1984 **Honesto “Totoy” Cabarroguis** - President RY 1975-76
- 1989-1990 **Herminio “Hermie” Villano** - President RY 1979-80
- 1995-1996 **Reynaldo “Boy” Reyes** - President RY 1983-84
- 1999-2000 **Raoul E. Hilario+** - President RY 1989-90
- 2001-2002 **Ramon “Monet” Tirol+** - Charter President RC Central Davao RY 1975-1976
- 2020-2021 **Rodel Riezl “Riz” S. Reyes** - President RY 2005-06

- Through the years, RCED was responsible for chartering the following clubs:
- Rotary Club of Central Davao – August 25, 1975 with PDG Ramon Tirol a member of RCED as Charter President
- Rotary Club of Metro Tagum – April 11, 1990
- Rotary Club of Waling Waling Davao – January 22, 1992 the first All-Female Club in District 3860
- Rotary Club of Mati East – October 26, 2005

Through the years, the club has embarked on numerous community projects, i.e. donated artesian wells, school buildings, books, clothing's, scholarships, etc. beneficial to the less fortunate.

The signature project of the club is its extensive medical and dental missions in several remote areas in the whole Island of Mindanao. Through the TRF Matching Grants the club manufactured a Mobile Operating Van which is used during these missions with volunteer doctors and surgeons from the Maharlika Charity Foundation Inc. under the leadership of Past President Rizal D. Apotadera. A spin off of these medical missions we have also provided Ambulances for 2 provinces with the assistance of the Rotary Club of Wakayangi thru its active leader PAG Atsushi Sasaki.

55 years of Service Above Self

Another worthwhile project that has been going on for years is the college scholarship at the Holy Cross of Davao College / University of Southeastern Philippines funded by the Oikawa Scholarship Fund, San Josue Scholarship, AY Foundation and the club benevolent members. The scholars eventually become teachers and become agents to educate the growing populace in our communities. To date we have 30 successful graduates and now teaching in different schools here around the city.

Through the efforts of PDG Boy Reyes, PDG Raoul Hilario, and PP Mickey Miyake, match club arrangements with Japanese Clubs RC Wakayanagi, RC Funabashi West, RC Ishinomaki South and RC Funabashi West were arranged resulting to the annual exchange of goodwill visits and the flow of donations from Japan for our projects. An offshoot of these goodwill visits is the establishment of a short-term Youth Exchange where sons/daughters of our club members go to Japan on summer vacations and are hosted by our match clubs.

The club is a consistent supporter of The Rotary Foundation being the "100% All Paul Harris Club" having in its roster 8 Major Donors, 30 Multiple Paul Harris Fellows, 131 PHFs and 62 PHSMs. In recognition of the numerous club projects and services of its members, the club has been a consistent recipient of awards from RI.

The club is a recipient of the prestigious **RI Asia Pacific Presidential plaque** given by RI Pres. Frank Devlyn in a fitting ceremony in Manila. The Club was one of the top 10 clubs worldwide recognized as a recipient of the **Global Quest award** for membership growth in Zone 7. PP Mickey Miyake was awarded by RI the highest award to a Rotarian, the **RI Service Above Self Award** in 2004. Our Presidents and Club Secretaries have also been consistent awardees during DISTAS. Our club bulletin has been consistently recognized as the Most Outstanding Club Bulletin for a number of years.

The strength of the club lies in its membership mix and the members' passion for service. In its roster is an Englishman, an American, and three Japanese. For some time, the honorable consuls of Japan, Indonesia, and Malaysia were honorary members. The awards RCED received are challenges to do more for the community and mankind. The succeeding decades will surely find the **Rotary Club of East Davao** in the forefront of Rotary's motto of "Service Above Self" and the Implementation of the District Governor's and RI President's Challenges.

With these simple accomplishments, this has been the clubs gauge in keeping its goal to Serve Humanity. We changed the lives of several people in our community and remain to be inspired in Doing Good to the World.

INVOCATION

Dear Lord, as we start this week please help us to find Your joy in the midst of the mundane.

May we live with an attitude of gratitude, take nothing for granted and live life to the fullest. Help us to focus in You and not the turmoil around us.

Thank you in advance for the strength, energy and grace that will sustain us.

At his point Father, please touch our benevolent members of our club to find it in their hearts the generosity to heed the call of assistance for our dear scholars.

Father we pray for the eternal repose of the soul of Mrs. Milagros Canoy, Elsa's mother who passed away this morning. May Elsa finds comfort in the fond memories of the many good years together and in sharing her love by taking care of her up to her last breath!

And lastly our Father, please keep us all healthy, vibrant and caring! All these we pray in Jesus name. Amen

GOOD CHOICES

As Rotarians / as leaders of our community, As we often find ourselves having to make choices and decisions that affect others.

Some we like, some we rather not be involved with at all but have to. To complicate matters, our culture often force people to say one thing when they mean another.

Here's a story I came across that might help illustrate:

Two engineering students ran into each other when going across campus. One of them noticed that the other one was riding a brand new bicycle. He waved him over and asked, "Hey, where did you get such a great bike?"

The second engineer replied, "Carol gave it to me."

"Carol gave it to you?!? I knew she was into you, but this is just ridiculous!"

"Well," the other engineering student said,

"yesterday I was walking along, minding my own business, when beautiful Carol rode up on this bike.

She threw the bike to the ground, took off all her clothes until she was stark naked and said, 'Take what you want!' So I took the bike and left!"

The second engineer nodded approvingly, "Good choice; her clothes probably wouldn't have in you."

Here is my take: You shouldn't take what people say too literally. People often mean something other than what they say – something you can really use to your advantage only if you're perceptive.

REMEMBER: SERVICE ABOVE SELF!

Optimal Diets for Longevity: The Science, Not the Hype

Article taken from the Internet

The conversation regarding what constitutes the ideal diet for optimal wellness and longevity is an ongoing and exhausting debate. Experts from each respective dietary camp have a plethora of data pointing to their case for why their particular system is the gold standard. But so far, this ongoing debate has not been productive for the general public. There seems to be more confusion than ever before.

Perhaps this is because a one-size-fits-all approach does not work. On November 16, the Center for Obesity, Assessment, Study and Treatment (COAST) at UCSF hosted the leading scientists on diet and longevity to try a new approach. While the traditional format has been a debate-style panel discussing the best diet for health and longevity, COAST sought to identify the common thread between all these different diet styles, and further, to explore the influence lifestyle changes have on longevity.

The discussion kicked off with Dr. Lynda Frassetto, internist and kidney specialist at UCSF Medical Center. Frassetto focused on the benefits of a low-acid diet, consisting of vegetables, some fruits, nuts, and lean meat, as a beneficial solution for people with Type 2 diabetes and for optimal kidney health. She presented her research on the benefit of a low-acid Diet (Paleolithic-like), concluding that even short-term consumption of a Paleolithic-like diet "improves blood pressure and glucose tolerance, decreases insulin secretion, increases insulin sensitivity and improves lipid profiles without weight loss in healthy sedentary humans."

While some may consider the phrase "healthy sedentary human" to be a bit

of an oxymoron, the study found significant changes in health markers without the intervention of exercise. During the Q&A period, she acknowledged that the diet she studied in her research on the Paleolithic diet contained no red meat, even though meat features prominently in most Paleolithic diets.

The second presentation was by Dr. Stephen Phinney, Professor of Medicine Emeritus at UC-Davis. Dr. Phinney presented his view on "The Art and Science of Nutritional Ketosis." Phinney defined the meaning of true nutritional ketosis as your body reaching a state of utilizing ketones for fuel in the brain and muscles instead of carbohydrates.

This diet trend has become popular with a number of high-performance athletes and ultra-marathon runners who become keto adaptive and burn ketones as their primary fuel source. Phinney's research on low carbohydrate living showed that a very low-carbohydrate diet had two major effects: (1) a reduction in plasma saturated fatty acids despite a high intake of fat, and (2) a decrease in overall inflammation. According to Phinney, both of these results are beneficial for prevention and reversal of metabolic syndrome.

The third and final speaker was Dr. Dean Ornish, founder of the Preventive Medicine Research Institute and clinical professor of medicine at UCSF. Dr. Ornish emphasized "lifestyle changes," including diet, for longevity and disease prevention. The Ornish program emphasizes a plant-based diet high in vegetables, fruits, and whole grains, and very low in animal

products and refined carbohydrates. In addition to dietary changes, the program incorporates exercise, stress reduction, mindful eating practices, and community support. Dr. Ornish's Spectrum Diet allows you to personalize a way of eating and living that's just right for you -- rather than a one-size-fits-all.

Dr. Ornish is renowned for the success of his program in reducing not only biomarkers such as cholesterol, but also actual prevention and reversal of heart disease. He also directed the first randomized controlled trial demonstrating that comprehensive lifestyle changes may slow, stop or even reverse the progression of early-stage prostate cancer. The Ornish program is the first lifestyle program to be covered by Medicare - a huge win for the wellness, nutrition, and preventative medicine communities. In his lecture, another interesting point that was made was the notion that how you eat your food is just as important as what food you eat. This practice, often called "mindful eating," focuses on eating with more pleasure, which can result in fewer calories consumed. This is a popular area of study for COAST, with a recent study finding that the more mindfulness around eating increased and stress went down, the greater the decrease in abdominal fat among women.

The takeaway, summarized by Ornish, was that all three speakers agreed that a whole-foods diet low in sugar and refined carbohydrates is optimal. However, Dr. Ornish added that an optimal diet is also rich in fruits, vegetables, whole grains, legumes, and soy products in their natural forms.

"Life Changer President"

August 24, 2021 (Tuesday) RCED' 3rd Regular Weekly Zoom meeting -

"Our meeting tonight was by no means regular and ordinary. It was made extra special and extraordinary because it was star studded. We were truly lucky to have been visited by not only one but two beauty Queens as our guests. "Our Speaker Ms. Jane Genobisa, a Ms. Philippines Universe 2021 candidate - shared to us valuable lessons and insights of her challenges, struggles and advocacies and how to never give up on your dreams - of course the Rotarians couldn't wait to flood Ms. Jane with a lot of beauty contest questions after. What made the meeting extra special is the fact that we were honored and blessed by the presence of our District Governor Anna Bumagat, the current Ms. Universe of Disrict 3860. The entire RCED membership truly appreciate you spending time with us DG Anna.

August 24, 2021 (Tuesday) Attended the Zoom Memorial service for PP Dominador “Ddor” Cabrera MD , it was well attended by Dor’s family members, friends, colleagues also a lot of his protégés & former students (who today are successful doctors in their own right). Most of them shared the seriousness, strictness when it came to work but also mostly the fun, positive side of Dor, a lot of them shared stories of experiences with Doc Dor their “Boss”. Songs were sung and a few claimed they were Ador’s favorite, so heartwarming to hear their stories and only showed how warm and loved doc Dor was. Farewell PP Dor, Rest In Peace!!!

ROTARY IN ACTION

September 3, 2021. In 2019 after the Mindanao earthquake, Rotary International District 3860 responded the call to help the affected communities. One of the pressing needs was a permanent relocation site and housing for families whose homes were declared “no-build zones” by government agencies.

THE ROTARY CLUB OF EAST DAVAO shares the realization of the **District 3860 Rotary Village in Brgy. Malongon, Magsaysay, Davao del Sur** when it shoulders the cost of building unit houses through the kindest courtesy of its benevolent members. Together with the Municipality of Magsaysay under the leadership of Mayor Engr Art Davin, the District Disaster Management Inc, the participating Rotary Clubs, and our valuable donors, SIXTY-ONE homes are now on the rise!

Witness the relaunch of the village last September 3, 2021, with past and future district governors, district officers, club presidents and Rotarians from District 3860 Area 2 and Area 3G as they happily grace and participate in the tree planting and growing to make the occasion worthwhile.

The District 3860 Rotary Village offers them a new hope, a place they call it their home.

We sincerely THANK everyone who made this endeavor a reality. Indeed, when Rotarians and it’s partners
