In 1965, then District Governor Alfonso “Poncing” Oboza and Pres. Leon “Leony” Garcia of the Rotary Club of Davao thought of organizing the 2nd Rotary Club in the city. This was born the Rotary Club of East Davao. Twenty-four (24) men signed as charter members, 10 of whom were from the sponsoring club, RC Davao. On December 1, 1965, the charter was officially presented in a historical ceremony at the Davao Insular Hotel, the venue of club meetings until 2007 when the club transferred its meetings to Marco Polo Hotel. Of the 56 Past Presidents of the Club, many were privileged to serve the District and RI in higher capacities, to wit:

DISTRICT GOVERNORS

- 1975-1976 **Salvador “Bading” Angala** - President RY 1970-71
- 1983-1984 **Honesto “Totoy” Cabarroguis** - President RY 1975-76
- 1989-1990 **Herminio “Hermie” Villano** - President RY 1979-80
- 1995-1996 **Reynaldo “Boy” Reyes** - President RY 1983-84
- 1999-2000 **Raoul E. Hilario+** - President RY 1989-90
- 2001-2002 **Ramon “Monet” Tirol+** - Charter President RC Central Davao RY 1975-1976
- 2020-2021 **Rodel Riezl “Riz” S. Reyes** - President RY 2005-06

- Through the years, RCED was responsible for chartering the following clubs:
- Rotary Club of Central Davao – August 25, 1975 with PDG Ramon Tirol a member of RCED as Charter President
- Rotary Club of Metro Tagum – April 11, 1990
- Rotary Club of Waling Waling Davao – January 22, 1992 the first All-Female Club in District 3860
- Rotary Club of Mati East – October 26, 2005

Through the years, the club has embarked on numerous community projects, i.e. donated artesian wells, school buildings, books, clothing's, scholarships, etc. beneficial to the less fortunate.

The signature project of the club is its extensive medical and dental missions in several remote areas in the whole Island of Mindanao. Through the TRF Matching Grants the club manufactured a Mobile Operating Van which is used during these missions with volunteer doctors and surgeons from the Maharlika Charity Foundation Inc. under the leadership of Past President Rizal D. Apotadera. A spin off of these medical missions we have also provided Ambulances for 2 provinces with the assistance of the Rotary Club of Wakayangi thru its active leader PAG Atsushi Sasaki.

55 years of Service Above Self

Another worthwhile project that has been going on for years is the college-scholarship at the Holy Cross of Davao College / University of Southeastern Philippines funded by the Oikawa Scholarship Fund, San Josue Scholarship, AY Foundation and the club benevolent members. The scholars eventually become teachers and become agents to educate the growing populace in our communities. To date we have 30 successful graduates and now teaching in different schools here around the city.

Through the efforts of PDG Boy Reyes, PDG Raoul Hilario, and PP Mickey Miyake, match club arrangements with Japanese Clubs RC Wakayanagi, RC Funabashi West, RC Ishinomaki South and RC Funabashi West were arranged resulting to the annual exchange of goodwill visits and the flow of donations from Japan for our projects. An offshoot of these goodwill visits is the establishment of a short-term Youth Exchange where sons/daughters of our club members go to Japan on summer vacations and are hosted by our match clubs.

The club is a consistent supporter of The Rotary Foundation being the "100% All Paul Harris Club" having in its roster 8 Major Donors, 30 Multiple Paul Harris Fellows, 131 PHFs and 62 PHSMs. In recognition of the numerous club projects and services of its members, the club has been a consistent recipient of awards from RI.

The club is a recipient of the prestigious **RI Asia Pacific Presidential plaque** given by RI Pres. Frank Devlyn in a fitting ceremony in Manila. The Club was one of the top 10 clubs worldwide recognized as a recipient of the **Global Quest award** for membership growth in Zone 7. PP Mickey Miyake was awarded by RI the highest award to a Rotarian, the **RI Service Above Self Award** in 2004. Our Presidents and Club Secretaries have also been consistent awardees during DISTAS. Our club bulletin has been consistently recognized as the Most Outstanding Club Bulletin for a number of years.

The strength of the club lies in its membership mix and the members' passion for service. In its roster is an Englishman, an American, and three Japanese. For some time, the honorable consuls of Japan, Indonesia, and Malaysia were honorary members. The awards RCED received are challenges to do more for the community and mankind. The succeeding decades will surely find the **Rotary Club of East Davao** in the forefront of Rotary's motto of "Service Above Self" and the Implementation of the District Governor's and RI President's Challenges.

With these simple accomplishments, this has been the clubs gauge in keeping its goal to Serve Humanity. We changed the lives of several people in our community and remain to be inspired in Doing Good to the World.

Rotary International statement on Ukraine conflict

It is a tragic and sad time for the people of Ukraine and the world.

At Rotary, we are deeply concerned by the deteriorating situation in Ukraine and the escalating loss of life and humanitarian hardship there. Continued military action against Ukraine will not only devastate the region, but also risk spreading tragic consequences across Europe and the world.

As one of the world's largest humanitarian organizations, we have made peace the cornerstone of our global mission. We join the international community in calling for an immediate cease fire, withdrawal of Russian forces, and a restoration of diplomatic efforts to resolve this conflict through dialogue.

In the past decade, Rotary clubs in Ukraine, Russia and nearby countries have transcended national differences and have actively engaged in peace-building projects to promote goodwill and to marshal assistance for the victims of war and violence. Today, our thoughts are with our fellow Rotary members and others in Ukraine coping with these tragic events. Rotary International will do everything in its power to bring aid, support and peace to the region.

POV

POINT OF VIEW

VP RAPHAEL E. APOLINARIO VI

Editor in Chief, RED Chronicle

One = One

During one of the “make-up” meetings I attended, I found it intriguing that the room was “silent” and that no one was really talking to each other. Being a guest, I just quietly sat in the corner and ate my lunch... but you could feel there was tension in the room.

I had been 20 minutes late so I missed the first part of the meeting. Listening, I was able to piece things together... apparently, in not so kind words, one member lost his temper and told another member off because the latter was known only to complain and was a constant “NO Show” during the execution of projects.

This story came into my mind when the situation was explained to me: “Once, there was a farmer who regularly sold butter to a baker. One day, the baker decided to weigh the butter to see if he was getting the exact amount

that he asked for. He found out that he wasn't, so he took the farmer to court.

The judge asked the farmer if he uses any measure to weigh the butter. The farmer replied, 'Your Honor, I'm primitive. I don't have a proper measure, but I do have a scale.'

The judge replied, “Then how do you weigh the butter?”

The farmer replied; “Your Honor, long before the baker started buying butter from me, I have been buying a pound loaf of bread from him. Every day, when the

baker brings the bread, I put it on the scale and give him the same weight in butter. If anyone is to be blamed, it's the baker.'

Our take: In life, you get what you give.

Bits & Pieces

5 Secrets for turning a so-so marriage into a super marriage...

Even a beautiful marriage could use a little rejuvenating. It may be time to turn your so-so marriage into a super marriage.

It does not matter who initiates the process, but it will deepen your commitment and bring joy to your lives.

Here are a few of the secrets to getting there:

1. Put your mate first

Putting my husband first in my life was the most necessary part of the process. I learned that if I tried to please him, he would respond by doing the same for me. My friends started asking me, "Why are you so happy?" By putting my husband first, I have made him happy and he in return has made me happy. Happiness comes from loved ones, rather than being the result of our own doing. As a spouse, you are in the unique position to make your mate's life joyous. It gives me immense pleasure to see the delight on my husband's face when I do something for him.

2. More Action

It is true that frequent sex leads to a happier marriage. Whether it is the result of skin-on-skin contact, being vulnerable, or the "bonding hormone" oxytocin that gets released during sex,

frequent sexual activity will join your lives together into one whole. Even if you do not have time for extended love making, there is always time for a passing kiss and the promise of more to come.

3. Put away the score card

Building an ideal or super marriage requires one hundred percent commitment from each person. If you are bickering over whose turn it is to walk the dog or take the kids to soccer, neither of you will give anything to your marriage. Do what you can when you can, and your spouse will do the same. We all want to be a good partner, not a shirker. Don't wait for the other person to do his or her share before you give. There are ebbs and flows to your marriage, and over time you will each give equally.

4. Get rid of your "to do" list

Well, at least don't obsess over your list. Time together is more important than getting

things done around the house. Your spouse will know how much you love him or her when you prioritize time together.

5. Utilize your maturity

Remember that this is your second chance at a vibrant and fulfilling marriage. Don't neglect that opportunity. It may not come around again. Take advantage of the security and resources that come with maturity. Your children are more independent. Your career is more established. Now you can concentrate on your marriage and the person with whom you chose to spend your life. Enjoy the riches called middle age.

Rotary International President 2021-22

March 2022

*"I am also happy that the **Each One, Bring One** ethos is bringing fruitful results."*

**EACH ONE
BRING ONE**

At the start of the Rotary year, I challenged every club to plan and host at least one practical and action-oriented Rotary Day of Service. The event should address a challenge your community is facing that fits into one or more of Rotary's areas of focus and should bring together volunteers from within and outside of Rotary.

Rotary Days of Service can motivate Rotary, Rotaract, and Interact clubs to plan innovative and impactful projects. They can showcase your work as people of action and introduce prospective members to your club.

I've been inspired by your response so far, and I want to share with you just one project that has captured my imagination.

India is home to an estimated 74 million people with diabetes, a disease that is a leading cause of death. Furthermore, about 50 percent of those people remain undiagnosed.

Rotary, together with the Research Society for the Study of Diabetes in India, saw the urgent need to diagnose, track, and treat people who have diabetes. Working together and with other organizations, we hosted a nationwide blood glucose testing camp on 29 September, which is World Heart Day.

The camp was spread across more than 10,000 sites in India, with more than 2,000 Rotary and Rotaract clubs participating in the effort. More than 1 million blood-sugar tests were conducted in a day, an accomplishment recognized by the Asia Book of Records. But more important than breaking a record is the fact that tens of thousands of people learned that they may be living with diabetes.

They can now be treated for the condition, and they also have been made aware that they should take extra measures to shield themselves from COVID-19 and scores of other diseases that are caused or worsened by diabetes.

This month, on 23 February, the anniversary of Rotary, let us celebrate with more service days, showcasing Rotary's work in our areas of focus. I look forward to hearing about your Rotary Days of Service. Please share your projects on Rotary Showcase, or browse that webpage to find inspiration and project partners. In particular, encourage you to execute projects that focus on empowering girls, as they have been disproportionately affected by the pandemic. The Empowering Girls initiative is resonating very well with members of Rotary as well as with non-Rotarians. The governments and NGOs in various countries are appreciating this meaningful effort.

Let us keep focusing on it.

I am also happy that the **Each One, Bring One** ethos is bringing fruitful results. Let us ensure that all club members introduce at least one person to Rotary, and that we then all work to engage new members and keep them in our clubs.
