In 1965, then District Governor Alfonso "Poncing" Oboza and Pres. Leon "Leony" Garcia of the Rotary Club of Davao thought of organizing the 2nd Rotary Club in the city. Thus was born the Rotary Club of East Davao. Twenty-four (24) men signed as charter members, 10 of whom were from the sponsoring club, RC Davao. On December 1, 1965, the charter was officially presented in a historical ceremony at the Davao Insular Hotel, the venue of club meetings until 2007 when the club transferred its meetings to Marco Polo Hotel. Of the 56 Past Presidents of the Club, many were privileged to serve the District and RI in higher capacities, to wit:

DISTRICT GOVERNORS

- 1975-1976 **Salvador "Bading" Angala** - President RY 1970-71
- 1983-1984 **Honesto "Totoy" Cabarroguis** - President RY 1975-76
- 1989-1990 **Herminio "Hermie" Villano** - President RY 1979-80
- 1995-1996 **Reynaldo "Boy" Reyes** - President RY 1983-84
- 1999-2000 **Raoul E. Hilario+** - President RY 1989-90
- 2001-2002 **Ramon "Monet" Tirol+** - Charter President RC Central Davao RY 1975-1976
- 2020-2021 **Rodel Riezl "Riz" S. Reyes** - President RY 2005-06

- Through the years, RCED was responsible for chartering the following clubs:
- Rotary Club of Central Davao – August 25, 1975 with PDG Ramon Tirol a member of RCED as Charter President
- Rotary Club of Metro Tagum – April 11, 1990
- Rotary Club of Waling Waling Davao – January 22, 1992 the first All-Female Club in District 3860
- Rotary Club of Mati East – October 26, 2005

Through the years, the club has embarked on numerous community projects, i.e. donated artesian wells, school buildings, books, clothing's, scholarships, etc. beneficial to the less fortunate.

The signature project of the club is its extensive medical and dental missions in several remote areas in the whole Island of Mindanao. Through the TRF Matching Grants the club manufactured a Mobile Operating Van which is used during these missions with volunteer doctors and surgeons from the Maharlika Charity Foundation Inc. under the leadership of Past President Rizal D. Aportadera. A spin off of these medical missions we have also provided Ambulances for 2 provinces with the assistance of the Rotary Club of Wakayangi thru its active leader PAG Atsushi Sasaki.

56 years of Service Above Self

Another worthwhile project that has been going on for years is the college-scholarship at the Holy Cross of Davao College / University of Southeastern Philippines funded by the Oikawa Scholarship Fund, San Josue Scholarship, AY Foundation and the club benevolent members. The scholars eventually become teachers and become agents to educate the growing populace in our communities. To date we have 30 successful graduates and now teaching in different schools here around the city.

Through the efforts of PDG Boy Reyes, PDG Raoul Hilario, and PP Mickey Miyake, match club arrangements with Japanese Clubs RC Wakayanagi, RC Funabashi West, RC Ishinomaki South and RC Funabashi West were arranged resulting to the annual exchange of goodwill visits and the flow of donations from Japan for our projects. An offshoot of these goodwill visits is the establishment of a short-term Youth Exchange where sons/daughters of our club members go to Japan on summer vacations and are hosted by our match clubs.

The club is a consistent supporter of The Rotary Foundation being the "100% All Paul Harris Club" having in its roster 8 Major Donors, 30 Multiple Paul Harris Fellows, 131 PHFs and 62 PHSMs. In recognition of the numerous club projects and services of its members, the club has been a consistent recipient of awards from RI.

The club is a recipient of the prestigious **RI Asia Pacific Presidential plaque** given by RI Pres. Frank Devlyn in a fitting ceremony in Manila. The Club was one of the top 10 clubs worldwide recognized as a recipient of the **Global Quest award** for membership growth in Zone 7. PP Mickey Miyake was awarded by RI the highest award to a Rotarian, the **RI Service Above Self Award** in 2004. Our Presidents and Club Secretaries have also been consistent awardees during DISTAS. Our club bulletin has been consistently recognized as the Most Outstanding Club Bulletin for a number of years.

The strength of the club lies in its membership mix and the members' passion for service. In its roster is an Englishman, an American, and three Japanese. For some time, the honorable consuls of Japan, Indonesia, and Malaysia were honorary members. The awards RCED received are challenges to do more for the community and mankind. The succeeding decades will surely find the **Rotary Club of East Davao** in the forefront of Rotary's motto of "Service Above Self" and the Implementation of the District Governor's and RI President's Challenges.

With these simple accomplishments, this has been the clubs gauge in keeping its goal to Serve Humanity. We changed the lives of several people in our community and remain to be inspired in Doing Good to the World.

INVOCATION

Lord of the Universe, Rotarians world-wide acknowledge your power, and your expectation that we be of service to mankind.

Let us renew our obligation to fulfill that expectation, just as the return of spring renews growth in the world around us, with a new commitment to help others in our community, our nation, and our world. With the power, influence, and wealth that we as leaders in this place most certainly have, let us always remember that these are a blessing from you, and that charity is more fulfilling than decadence, and the Golden Rule a much richer yardstick than any bank account.

So today I offer this prayer:

Let us bow our heads:

Lord of the Universe, you have given most of mankind a strong desire to do good, to be honest, to serve others, and to faithfully fulfill their obligations to their neighbors.

Help us, as Rotarians and humans, to do good.

Help us, as Rotarians and humans, to be honest and ethical in all our dealings.

Help us, as Rotarians and humans, to serve others.

And help us, as Rotarians and humans, to faithfully fulfill our obligations as neighbors to our community,

our nation, and the world.

Amen.

POINT OF VIEW

VP RAPHAEL E. APOLINARIO VI

Editor in Chief, RED Chronicle

NAIL IN THE FENCE

This simple article was sent to me in facebook and I want to share it with you:

There once was a little boy, named Paul, who had a bad temper. His mother gave her a bag of nails and told him that every time he lost his temper, he must hammer a nail into the back of the fence.

The first day the boy had driven 37 nails into the fence. Over the next few weeks, as he learned to control his anger, the number of nails hammered daily gradually dwindled down.

He discovered it was easier to hold his temper than to drive those nails into the fence. Finally the day came when the boy didn't lose his temper at all. He told his mother about it and the mother suggested that the boy now pull out one nail for each day that he was able to hold his temper.

The days passed and the young boy was finally able to tell his mother that all the nails were gone. The mother took her son by the hand and led him to the fence.

She said, "You have done well, my son, but look at the holes in the fence. The fence will never be the same. When you say things in anger, they leave a scar just like this one." You can put a knife in a person and draw it out. It won't matter how

many times you say I'm sorry, the wound is still there. A verbal wound is as bad as a physical one. Friends are very rare jewels, indeed. They make you smile and encourage you to succeed. They lend an ear, they share words of praise and they always want to open their hearts to us.

SO, what your take on the story?

Be an Inspiration ... My Friend

Muchas gracias y vaya con DIOS!

JANUARY 2023

“Through our commitment, generosity, and sheer determination, we will #EndPolio ...

Rotary recently surveyed our members and found something that should be unsurprising but still caused many of us in Rotary leadership to sit up and pay attention: The single most important factor in member satisfaction is the club experience. How at home you feel in your club, how rewarding club meetings are, and how engaged you feel in service projects.

I have seen this firsthand across the Rotary world this year. When members feel an emotional connection to their club, they cannot imagine leaving. And that connection is often forged in “Rotary moments,” when people feel that special connection to the people around them and the impact of their service. Our Imagine Impact Tour is all about shining a light on those Rotary moments and encouraging our members to tell their stories.

But there’s something else that makes an enormous difference in building and sustaining that connection. It’s the comfort and care of our members — both Rotarians and Rotaractors. As my Rotary friend Todd Jenkins says, “People can’t see how you think, but they sure can see your actions.”

We are in the relationship business, and if we take care of each other — genuinely show concern for each other — then we will make friends for life, and we will do anything to widen that circle of friendship.

The question is: How do we live with our eyes wide open and do the things that really matter? We do this by taking time for each other, actively listening to one another, and treating every Rotary member as equally valuable — no matter how long we have been a member or what position we hold.

People like me in Rotary leadership can offer all kinds of advice about how to make your club experience more valuable. But what’s most important is for everyone in every Rotary club to speak up and listen to one another. We should never be afraid to share with our fellow Rotary member what we expect to get out of our membership and have an open discussion about how to make that happen.

To lead a Rotary club is to invite such dialogue and to be willing to try new approaches. Good leadership is giving it away. Propping others up. Allowing others to feel the victory.

I have one last request for club leaders. We still need to do more worldwide to increase our female membership. It’s up a bit this year, but I know we can and must do better. Rotary is growing again. As I write this, we’re just a handful of members away from surpassing 1.2 million Rotarians again. So let’s redouble our efforts to bolster our clubs with great new members, then keep them for life by providing comfort and care.agine what you will inspire through the stories you’ll tell.

11 Reasons to Marry an Intelligent Woman

We look for many traits when trying to find ourselves a significant other, and while we are usually looking for a complete package, (that's usually why people are found taking a should I marry her quiz) there is always that one trait that we place above all others;

Some people looking for a significantly attractive partner, others are looking for money and some people like to have a funny gal around. But the truth is, the most important thing that you should be looking for in a potential husband or wife is intelligence. **An intelligent woman is definitely the best woman to marry!**

Now, here are 11 reasons to marry her;

11. An intelligent woman will always help you solve problems:

Having a hard working and intelligent woman with you, living under the same roof, will change your life in ways that you **can't even imagine!**

Having her hardworking personality around will make you more productive; you'll end up developing the "get and go" personality everyone should have.

You'll find yourself aiming higher and becoming a better person every day by having her intelligent and keen presence.

She will help you become more motivated and your energy will also influence her to feel better about her work and life as well.

10. She'll open your eyes:

An intelligent woman will help you see the world from a different and **more genuine perspective than you would have been seeing it before and here's how;**

Her manner and her intellect will guide you towards becoming more intelligent yourself. She will also serve as a source of information and understanding for you and will always be able to provide important and intelligent advice that will help you solve your problems.

9. An intelligent woman always keeps your secrets:

An intelligent woman knows that her house's secrets are hers! **This is just one of the various reasons to marry her;**

She'll make sure she has your back and keeps you in confidence before taking an important decision. She will also protect you in front of others and will refrain from bad-mouthing you behind your back for no reason.

8. She knows how to handle herself in an argument:

The biggest problems that couples face are always the arguments they have.

An intelligent woman is bound to keep petty arguments at bay:

Sometimes in a couple that isn't intellectually mature, arguments can result in hurt feelings and broken hearts and even separation.

Marrying an intelligent woman will help you avoid all of the bloodsheds and shouting. Through her intellect, you can both have mature arguments that don't result in shouting matches. A mature woman will know when she's right and when you are, and vice versa as well.

7. She will help you become financially stable:

Intelligent women have productive jobs and are anchors. This is just one of the reasons to marry her;

If you marry an intelligent woman, it is more likely that by working together, the both of you can secure a future that otherwise would not have been possible with only you working.

Bits & Pieces

6. An intelligent woman wants you to succeed:

If you marry an intelligent woman, she will want what's best for you, always. So, that means she will assist you in your career-related endeavors and will motivate you to push forward in life as well.

5. Your children will be educated and intelligent as well:

Having two intelligent and stable parents will enable your children to be highly educated and it **will make them better individuals as well.**

It's been scientifically proven! An intelligent mother has been scientifically proven to influence her children's intelligence as well. She will be smart and highly educated and will help put your children's education and their upbringing first. She will be able to provide them with the guidance that a woman who hasn't seen the world and isn't as mature as she, can't.

4. She will keep you on your toes:

Her intelligence will influence you and will help you become smarter and significantly better read.

Her expansive knowledge will allow you to grow and you will always have more to learn and more to achieve.

3. She never backs down in the face of adversity:

She is not afraid to meet you head-on in any situation, or call you out when you are in over your head with something. An intelligent woman, instead of pulling you towards wrong, **will always act as your emotional and moral compass.**

2. She will be with you when no one else will be:

An intelligent woman always stands by her spouse in a state of financial turmoil or upsetting and difficult times.

She isn't the kind to back out of a challenge!

She will assist and love you through your ups and downs!

1. Her loyalty and love are undoubtful:

An intelligent woman will never just choose a spouse without assessing his pros and cons thoroughly. If she is with you then chances are you have someone who loves you and cares for you, despite her knowing all your flaws! It also goes to show that you have a partner who is willing to support and love you through thick and thin.

Conclusion:

Marrying a woman with more looks than brains is always a tempting idea! She can be lied to easily and will give you temporary happiness, but the honest truth is; **She will cause you several problems in the long run!**

On the other hand, an intelligent woman can help solve all the problems that you two will face on the journey your married life will take you on.

It is better to have an equal partner in every relationship:

They stimulate you to become better versions of yourself and give you a happiness that you can't experience without having their intellect in your life.
