In 1965, then District Governor Alfonso "Poncing" Oboza and Pres. Leon "Leony" Garcia of the Rotary Club of Davao thought of organizing the 2nd Rotary Club in the city. Thus was born the Rotary Club of East Davao. Twenty-four (24) men signed as charter members, 10 of whom were from the sponsoring club, RC Davao. On December 1, 1965, the charter was officially presented in a historical ceremony at the Davao Insular Hotel, the venue of club meetings until 2007 when the club transferred its meetings to Marco Polo Hotel. Of the 56 Past Presidents of the Club, many were privileged to serve the District and RI in higher capacities, to wit:

**DISTRICT GOVERNORS**

- 1975-1976 **Salvador "Bading" Angala** - President RY 1970-71
- 1983-1984 **Honesto "Totoy" Cabarroguis** - President RY 1975-76
- 1989-1990 **Herminio "Hermie" Villano** - President RY 1979-80
- 1995-1996 **Reynaldo "Boy" Reyes** - President RY 1983-84
- 1999-2000 **Raoul E. Hilario+** - President RY 1989-90
- 2001-2002 **Ramon "Monet" Tirol+** - Charter President RC Central Davao RY 1975-1976
- 2020-2021 **Rodel Riezl "Riz" S. Reyes** - President RY 2005-06

- Through the years, RCED was responsible for chartering the following clubs:
- Rotary Club of Central Davao – August 25, 1975 with PDG Ramon Tirol a member of RCED as Charter President
- Rotary Club of Metro Tagum – April 11, 1990
- Rotary Club of Waling Waling Davao – January 22, 1992 the first All-Female Club in District 3860
- Rotary Club of Mati East – October 26, 2005

Through the years, the club has embarked on numerous community projects, i.e. donated artesian wells, school buildings, books, clothing's, scholarships, etc. beneficial to the less fortunate.

The signature project of the club is its extensive medical and dental missions in several remote areas in the whole Island of Mindanao. Through the TRF Matching Grants the club manufactured a Mobile Operating Van which is used during these missions with volunteer doctors and surgeons from the Maharlika Charity Foundation Inc. under the leadership of Past President Rizal D. Aportadera. A spin off of these medical missions we have also provided Ambulances for 2 provinces with the assistance of the Rotary Club of Wakayangi thru its active leader PAG Atsushi Sasaki.

# 56 years of Service Above Self

Another worthwhile project that has been going on for years is the college-scholarship at the Holy Cross of Davao College / University of Southeastern Philippines funded by the Oikawa Scholarship Fund, San Josue Scholarship, AY Foundation and the club benevolent members. The scholars eventually become teachers and become agents to educate the growing populace in our communities. To date we have 30 successful graduates and now teaching in different schools here around the city.

Through the efforts of PDG Boy Reyes, PDG Raoul Hilario, and PP Mickey Miyake, match club arrangements with Japanese Clubs RC Wakayanagi, RC Funabashi West, RC Ishinomaki South and RC Funabashi West were arranged resulting to the annual exchange of goodwill visits and the flow of donations from Japan for our projects. An offshoot of these goodwill visits is the establishment of a short-term Youth Exchange where sons/daughters of our club members go to Japan on summer vacations and are hosted by our match clubs.

The club is a consistent supporter of The Rotary Foundation being the "100% All Paul Harris Club" having in its roster 8 Major Donors, 30 Multiple Paul Harris Fellows, 131 PHFs and 62 PHSMs. In recognition of the numerous club projects and services of its members, the club has been a consistent recipient of awards from RI.

The club is a recipient of the prestigious **RI Asia Pacific Presidential plaque** given by RI Pres. Frank Devlyn in a fitting ceremony in Manila. The Club was one of the top 10 clubs worldwide recognized as a recipient of the **Global Quest award** for membership growth in Zone 7. PP Mickey Miyake was awarded by RI the highest award to a Rotarian, the **RI Service Above Self Award** in 2004. Our Presidents and Club Secretaries have also been consistent awardees during DISTAS. Our club bulletin has been consistently recognized as the Most Outstanding Club Bulletin for a number of years.

The strength of the club lies in its membership mix and the members' passion for service. In its roster is an Englishman, an American, and three Japanese. For some time, the honorable consuls of Japan, Indonesia, and Malaysia were honorary members. The awards RCED received are challenges to do more for the community and mankind. The succeeding decades will surely find the **Rotary Club of East Davao** in the forefront of Rotary's motto of "Service Above Self" and the Implementation of the District Governor's and RI President's Challenges.

With these simple accomplishments, this has been the clubs gauge in keeping its goal to Serve Humanity. We changed the lives of several people in our community and remain to be inspired in Doing Good to the World.

## BALLOONS

A professor gave a balloon to every student, who had to inflate it, write their name on it and throw it in the hallway. The professor then mixed all the balloons. The students were given 5 minutes to find their own balloon. Despite a hectic search, no one found their balloon. At that point the professor told the students to take the first balloon that they found and hand it to the person whose name was written on it. Within 5 minutes everyone had their own balloon.

The professor said to the students: "These balloons are like happiness. We will never find it if everyone is looking for their own. But if we care about other people's happiness....we'll find ours too."

## PUSHING OTHERS TO WIN

Kenyan runner Abel Mutai was only a few meters from the finish line, but got confused with the signs and stopped, thinking he had finished the race. BA Spanish man, Ivan Fernandez, was right behind him and, realizing what was going on, started shouting to the Kenyan to keep running. Mutai did not know Spanish and did not understand.

Realizing what was going on, Fernandez pushed Mutai to victory.

A reporter asked Ivan, "Why did you do this?" Ivan replied, "My dream is that one day we can have some sort of community life where we push ourselves and also others to win."

The reporter insisted "But why did you let the Kenyan win?" Ivan replied, "I didn't let him win, he was going to win. The race was his."

The reporter insisted and asked again, "But you could have won!" Ivan looked at him and replied: "But what would be the merit of my victory? What would be the honor of this medal? What would my Mother think of it?" The values are transmitted from generation to generation. What values do we teach our children and how much do you inspire others to earn? Most of us take advantage of people's weaknesses instead of helping to strengthen them.

**"SERVICE ABOVE SELF" CHANGES LIVES**

# MESSAGE

Jennifer Jones

JANUARY 2023

**“Through our commitment,  
generosity, and sheer determination,  
we will #EndPolio ...**

**R**otary recently surveyed our members and found something that should be unsurprising but still caused many of us in Rotary leadership to sit up and pay attention: The single most important factor in member satisfaction is the club experience. How at home you feel in your club, how rewarding club meetings are, and how engaged you feel in service projects.

I have seen this firsthand across the Rotary world this year. When members feel an emotional connection to their club, they cannot imagine leaving. And that connection is often forged in “Rotary moments,” when people feel that special connection to the people around them and the impact of their service. Our Imagine Impact Tour is all about shining a light on those Rotary moments and encouraging our members to tell their stories.

But there’s something else that makes an enormous difference in building and sustaining that connection. It’s the comfort and care of our members — both Rotarians and Rotaractors. As my Rotary friend Todd Jenkins says, “People can’t see how you think, but they sure can see your actions.”

We are in the relationship business, and if we take care of each other — genuinely show concern for each other — then we will make friends for life, and we will do anything to widen that circle of friendship.

The question is: How do we live with our eyes wide open and do the things that really matter? We do this by taking time for each other, actively listening to one another, and treating every Rotary member as equally valuable — no matter how long we have been a member or what position we hold.

People like me in Rotary leadership can offer all kinds of advice about how to make your club experience more valuable. But what’s most important is for everyone in every Rotary club to speak up and listen to one another. We should never be afraid to share with our fellow Rotary member what we expect to get out of our membership and have an open discussion about how to make that happen.

To lead a Rotary club is to invite such dialogue and to be willing to try new approaches. Good leadership is giving it away. Propping others up. Allowing others to feel the victory.

I have one last request for club leaders. We still need to do more worldwide to increase our female membership. It’s up a bit this year, but I know we can and must do better. Rotary is growing again. As I write this, we’re just a handful of members away from surpassing 1.2 million Rotarians again. So let’s redouble our efforts to bolster our clubs with great new members, then keep them for life by providing comfort and care.agine what you will inspire through the stories you’ll tell.

# HUSBAND INSTRUCTIONAL MANUAL

## Bits & Pieces

**I**t being SPOUSE DAY at RCED, I thought I'd share this "HUSBAND INSTRUCTION MANUAL" FOR WIVES (Re: How to operate the unit) which we came across in the book "Chicken Soup for the Soul." It goes: Congratulations on the acquisition of your brand new 2023 Husband. You have chosen the best that modern biology has to offer in the way of life partners. While your 2023 model is built to last a lifetime, there CARE AND HANDLING INSTRUCTIONS will help you get the most out of your unit.

**LAUNDRY INSTRUCTIONS:** Although implemented many improvements in this year's model (ex: automatic toilet seat replacement, limited child care abilities, expectoration and flatulence control), we have not perfected an automatic self-laundering option. Thus, you must repeatedly remind your husband to pick up his dirty clothes, sort his laundry by color, and wash appropriate-sized loads. Some owners have found it easier to perform these functions themselves.

**DRESSING INSTRUCTIONS:** Most husbands come with only two wardrobe options – work and casual. Therefore, please ensure that you assist your unit/husband in any clothing purchases in order to avoid nasty fashion surprises. As in the past years, the 2023 Husband has pre-set fashion preferences which may clash with your taste. To date, we have yet to perfect an acceptable "color sense" module although the deluxe accessory package does include a formal wear option for occasional use. **WARNING:** Constant wardrobe monitoring is strongly recommended especially on weekends. Repeated exposure to baggy sweat-pants and hole-filled T-shirts may void warranty.

**COOKING INSTRUCTIONS:** If you chose the deluxe accessory package, you can count on your husband to successfully cook meals on his own for many years to come. The standard model, on the other hand, has few kitchen skills and a limited cuisine. Unless you're willing to invest the time necessary to train your husband in the

culinary arts, don't expect much beyond making toast and boiling water. However, all models do come equipped with the outdoor barbecue function.

**LISTENING INSTRUCTIONS:** Despite years of research, we have not yet been able to produce a husband who really listens. Wives are free to urge their spouses to listen and "express their feelings" but we can offer no guarantees that you will achieve any meaningful results. Through persistent effort, some customers have trained their husbands to adopt a semi-satisfying simulated listening posture.

**FITNESS INSTRUCTIONS:** Your 2023 model/husband is properly proportioned and in good shape. However, in order to retain that shape and those proportions, you must insist on a strict regimen of daily exercise and a healthy diet. Failure to keep your husband active and eating properly will often result in a sluggish spouse with a widening waist line and a sagging seat. **WARNING:** DO not rely on in-home exercise equipment and always ration beer, pizza, and chips carefully.

**ROMANCE INSTRUCTIONS:** Although the listening capabilities of the 2023 model are limited, he does possess excellent eyesight. Thus, in order to activate the romance function, emphasize visual stimuli. Sophisticated conversational and emotional skills are still not available on the 2023 husband although our genetic engineers hope to have an improved product ready by next millennium.

**LIMITED WARRANTY:** Our 2023 Husband is guaranteed against defects in workmanship for ninety days (90) days. If, for any reason, you wish to return your husband during the warranty period, we will issue a full refund but only if he is returned in his original packaging. After that you are on your own.
