In 1965, then District Governor Alfonso "Poncing" Oboza and Pres. Leon "Leony" Garcia of the Rotary Club of Davao thought of organizing the 2nd Rotary Club in the city. Thus was born the Rotary Club of East Davao. Twenty-four (24) men signed as charter members, 10 of whom were from the sponsoring club, RC Davao. On December 1, 1965, the charter was officially presented in a historical ceremony at the Davao Insular Hotel, the venue of club meetings until 2007 when the club transferred its meetings to Marco Polo Hotel. Of the 56 Past Presidents of the Club, many were privileged to serve the District and RI in higher capacities, to wit:

DISTRICT GOVERNORS

- 1975-1976 **Salvador "Bading" Angala** - President RY 1970-71
- 1983-1984 **Honesto "Totoy" Cabarroguis** - President RY 1975-76
- 1989-1990 **Herminio "Hermie" Villano** - President RY 1979-80
- 1995-1996 **Reynaldo "Boy" Reyes** - President RY 1983-84
- 1999-2000 **Raoul E. Hilario+** - President RY 1989-90
- 2001-2002 **Ramon "Monet" Tirol+** - Charter President RC Central Davao RY 1975-1976
- 2020-2021 **Rodel Riezl "Riz" S. Reyes** - President RY 2005-06

- Through the years, RCED was responsible for chartering the following clubs:
- Rotary Club of Central Davao – August 25, 1975 with PDG Ramon Tirol a member of RCED as Charter President
- Rotary Club of Metro Tagum – April 11, 1990
- Rotary Club of Waling Waling Davao – January 22, 1992 the first All-Female Club in District 3860
- Rotary Club of Mati East – October 26, 2005

Through the years, the club has embarked on numerous community projects, i.e. donated artesian wells, school buildings, books, clothing's, scholarships, etc. beneficial to the less fortunate.

The signature project of the club is its extensive medical and dental missions in several remote areas in the whole Island of Mindanao. Through the TRF Matching Grants the club manufactured a Mobile Operating Van which is used during these missions with volunteer doctors and surgeons from the Maharlika Charity Foundation Inc. under the leadership of Past President Rizal D. Aportadera. A spin off of these medical missions we have also provided Ambulances for 2 provinces with the assistance of the Rotary Club of Wakayangi thru its active leader PAG Atsushi Sasaki.

56 years of Service Above Self

Another worthwhile project that has been going on for years is the college-scholarship at the Holy Cross of Davao College / University of Southeastern Philippines funded by the Oikawa Scholarship Fund, San Josue Scholarship, AY Foundation and the club benevolent members. The scholars eventually become teachers and become agents to educate the growing populace in our communities. To date we have 30 successful graduates and now teaching in different schools here around the city.

Through the efforts of PDG Boy Reyes, PDG Raoul Hilario, and PP Mickey Miyake, match club arrangements with Japanese Clubs RC Wakayanagi, RC Funabashi West, RC Ishinomaki South and RC Funabashi West were arranged resulting to the annual exchange of goodwill visits and the flow of donations from Japan for our projects. An offshoot of these goodwill visits is the establishment of a short-term Youth Exchange where sons/daughters of our club members go to Japan on summer vacations and are hosted by our match clubs.

The club is a consistent supporter of The Rotary Foundation being the "100% All Paul Harris Club" having in its roster 8 Major Donors, 30 Multiple Paul Harris Fellows, 131 PHFs and 62 PHSMs. In recognition of the numerous club projects and services of its members, the club has been a consistent recipient of awards from RI.

The club is a recipient of the prestigious **RI Asia Pacific Presidential plaque** given by RI Pres. Frank Devlyn in a fitting ceremony in Manila. The Club was one of the top 10 clubs worldwide recognized as a recipient of the **Global Quest award** for membership growth in Zone 7. PP Mickey Miyake was awarded by RI the highest award to a Rotarian, the **RI Service Above Self Award** in 2004. Our Presidents and Club Secretaries have also been consistent awardees during DISTAS. Our club bulletin has been consistently recognized as the Most Outstanding Club Bulletin for a number of years.

The strength of the club lies in its membership mix and the members' passion for service. In its roster is an Englishman, an American, and three Japanese. For some time, the honorable consuls of Japan, Indonesia, and Malaysia were honorary members. The awards RCED received are challenges to do more for the community and mankind. The succeeding decades will surely find the **Rotary Club of East Davao** in the forefront of Rotary's motto of "Service Above Self" and the Implementation of the District Governor's and RI President's Challenges.

With these simple accomplishments, this has been the clubs gauge in keeping its goal to Serve Humanity. We changed the lives of several people in our community and remain to be inspired in Doing Good to the World.

BALLOONS

A professor gave a balloon to every student, who had to inflate it, write their name on it and throw it in the hallway. The professor then mixed all the balloons. The students were given 5 minutes to find their own balloon. Despite a hectic search, no one found their balloon. At that point the professor told the students to take the first balloon that they found and hand it to the person whose name was written on it. Within 5 minutes everyone had their own balloon.

The professor said to the students: "These balloons are like happiness. We will never find it if everyone is looking for their own. But if we care about other people's happiness....we'll find ours too."

PUSHING OTHERS TO WIN

Kenyan runner Abel Mutai was only a few meters from the finish line, but got confused with the signs and stopped, thinking he had finished the race. BA Spanish man, Ivan Fernandez, was right behind him and, realizing what was going on, started shouting to the Kenyan to keep running. Mutai did not know Spanish and did not understand.

Realizing what was going on, Fernandez pushed Mutai to victory.

A reporter asked Ivan, "Why did you do this?" Ivan replied, "My dream is that one day we can have some sort of community life where we push ourselves and also others to win."

The reporter insisted "But why did you let the Kenyan win?" Ivan replied, "I didn't let him win, he was going to win. The race was his."

The reporter insisted and asked again, "But you could have won!" Ivan looked at him and replied: "But what would be the merit of my victory? What would be the honor of this medal? What would my Mother think of it?" The values are transmitted from generation to generation. What values do we teach our children and how much do you inspire others to earn? Most of us take advantage of people's weaknesses instead of helping to strengthen them.

"SERVICE ABOVE SELF" CHANGES LIVES

MESSAGE

Jennifer Jones

FEBRUARY 2023

*“We can do more
to empower girls and women ...*

Recently, I spent time in the Nakivale refugee settlement in Uganda. As the "settlement" in its name suggests, the people living there are free to move around and integrate as best they can — one thing that makes the place unique.

I had a chance to play soccer with boys and girls from about a dozen nations and talk with women who had fled areas of conflict. It was a tapestry of human experience shared through both laughter and tears.

As I walked across a school campus at the settlement with a teacher, she shared with me the dire statistics on girls' education. Most don't get through grade school. Many are sold into child marriage to pay for food for their families. As I looked around at these young girls, I was gutted.

Our work with empowering girls and women is much more than creating equity — sometimes, it's about health or education. Other times it's about providing safety. Regardless of the path, it's always about basic human rights.

We can do more to empower girls and women, and we can expand how we share the progress Rotary members and our partners have made toward this goal.

There is no shortage of inspiring examples of our work, from interest-free microcredit loans for women in Nigeria, to projects in India that provide girls menstrual hygiene products. Hundreds of projects are taking place across all Rotary areas of focus and are making a meaningful and often lifesaving difference.

Together, we can address the needs and inequities that girls throughout the world face daily. But we must also monitor the impact of these projects and create awareness of Rotary resources and subject matter experts, including Rotary Action Groups, The Rotary Foundation Cadre of Technical Advisers, Rotary Peace Fellows, and others.

It is especially important that we tell the stories of our initiatives that have a positive impact on the lives of women and girls. This last point is near and dear to my heart. This means sharing our stories on social media, through local news outlets, in this magazine, and wherever we can inspire others.

As you do so, it's important to provide information that helps our Rotary family connect with others who are implementing activities in their regions, as well as across the world. Let's share our successes and learn from one another — then proudly tell our stories to a larger audience.

These are exciting times in Rotary, and the world is taking notice. As we work to empower women and girls to step into their full potential, we create new pathways for membership growth and greater collaboration with partners to create positive, lasting change. Thank you for your continued action in this vital effort.

HUSBAND INSTRUCTIONAL MANUAL

Bits & Pieces

It being SPOUSE DAY at RCED, I thought I'd share this "HUSBAND INSTRUCTION MANUAL" FOR WIVES (Re: How to operate the unit) which we came across in the book "Chicken Soup for the Soul." It goes: Congratulations on the acquisition of your brand new 2023 Husband. You have chosen the best that modern biology has to offer in the way of life partners. While your 2023 model is built to last a lifetime, there CARE AND HANDLING INSTRUCTIONS will help you get the most out of your unit.

LAUNDRY INSTRUCTIONS: Although implemented many improvements in this year's model (ex: automatic toilet seat replacement, limited child care abilities, expectoration and flatulence control), we have not perfected an automatic self-laundering option. Thus, you must repeatedly remind your husband to pick up his dirty clothes, sort his laundry by color, and wash appropriate-sized loads. Some owners have found it easier to perform these functions themselves.

DRESSING INSTRUCTIONS: Most husbands come with only two wardrobe options – work and casual. Therefore, please ensure that you assist your unit/husband in any clothing purchases in order to avoid nasty fashion surprises. As in the past years, the 2023 Husband has pre-set fashion preferences which may clash with your taste. To date, we have yet to perfect an acceptable "color sense" module although the deluxe accessory package does include a formal wear option for occasional use. **WARNING:** Constant wardrobe monitoring is strongly recommended especially on weekends. Repeated exposure to baggy sweat-pants and hole-filled T-shirts may void warranty.

COOKING INSTRUCTIONS: If you chose the deluxe accessory package, you can count on your husband to successfully cook meals on his own for many years to come. The standard model, on the other hand, has few kitchen skills and a limited cuisine. Unless you're willing to invest the time necessary to train your husband in the culinary arts, don't expect much beyond making toast and boiling water. However, all models do come equipped with the outdoor barbecue function.

LISTENING INSTRUCTIONS: Despite years of research, we have not yet been able to produce a husband who

really listens. Wives are free to urge their spouses to listen and "express their feelings" but we can offer no guarantees that you will achieve any meaningful results. Through persistent effort, some customers have trained their husbands to adopt a semi-satisfying simulated listening posture.

FITNESS INSTRUCTIONS: Your 2023 model/husband is properly proportioned and in good shape. However, in order to retain that shape and those proportions, you must insist on a strict regimen of daily exercise and a healthy diet. Failure to keep your husband active and eating properly will often result in a sluggish spouse with a widening waist line and a sagging seat. **WARNING:** DO not rely on in-home exercise equipment and always ration beer, pizza, and chips carefully.

ROMANCE INSTRUCTIONS: Although the listening capabilities of the 2023 model are limited, he does possess excellent eyesight. Thus, in order to activate the romance function, emphasize visual stimuli. Sophisticated conversational and emotional skills are still not available on the 2023 husband although our genetic engineers hope to have an improved product ready by next millennium.

LIMITED WARRANTY: Our 2023 Husband is guaranteed against defects in workmanship for ninety days (90) days. If, for any reason, you wish to return your husband during the warranty period, we will issue a full refund but only if he is returned in his original packaging. After that you are on your own.
