In 1965, then District Governor Alfonso "Poncing" Oboza and Pres. Leon "Leony" Garcia of the Rotary Club of Davao thought of organizing the 2nd Rotary Club in the city. Thus was born the Rotary Club of East Davao. Twenty-four (24) men signed as charter members, 10 of whom were from the sponsoring club, RC Davao. On December 1, 1965, the charter was officially presented in a historical ceremony at the Davao Insular Hotel, the venue of club meetings until 2007 when the club transferred its meetings to Marco Polo Hotel. Of the 56 Past Presidents of the Club, many were privileged to serve the District and RI in higher capacities, to wit:

DISTRICT GOVERNORS

- 1975-1976 **Salvador "Bading" Angala** - President RY 1970-71
- 1983-1984 **Honesto "Totoy" Cabarroguis** - President RY 1975-76
- 1989-1990 **Herminio "Hermie" Villano** - President RY 1979-80
- 1995-1996 **Reynaldo "Boy" Reyes** - President RY 1983-84
- 1999-2000 **Raoul E. Hilario+** - President RY 1989-90
- 2001-2002 **Ramon "Monet" Tirol+** - Charter President RC Central Davao RY 1975-1976
- 2020-2021 **Rodel Riezl "Riz" S. Reyes** - President RY 2005-06

- Through the years, RCED was responsible for chartering the following clubs:
- Rotary Club of Central Davao – August 25, 1975 with PDG Ramon Tirol a member of RCED as Charter President
- Rotary Club of Metro Tagum – April 11, 1990
- Rotary Club of Waling Waling Davao – January 22, 1992 the first All-Female Club in District 3860
- Rotary Club of Mati East – October 26, 2005

Through the years, the club has embarked on numerous community projects, i.e. donated artesian wells, school buildings, books, clothing's, scholarships, etc. beneficial to the less fortunate.

The signature project of the club is its extensive medical and dental missions in several remote areas in the whole Island of Mindanao. Through the TRF Matching Grants the club manufactured a Mobile Operating Van which is used during these missions with volunteer doctors and surgeons from the Maharlika Charity Foundation Inc. under the leadership of Past President Rizal D. Aportadera. A spin off of these medical missions we have also provided Ambulances for 2 provinces with the assistance of the Rotary Club of Wakayangi thru its active leader PAG Atsushi Sasaki.

56 years of Service Above Self

Another worthwhile project that has been going on for years is the college-scholarship at the Holy Cross of Davao College / University of Southeastern Philippines funded by the Oikawa Scholarship Fund, San Josue Scholarship, AY Foundation and the club benevolent members. The scholars eventually become teachers and become agents to educate the growing populace in our communities. To date we have 30 successful graduates and now teaching in different schools here around the city.

Through the efforts of PDG Boy Reyes, PDG Raoul Hilario, and PP Mickey Miyake, match club arrangements with Japanese Clubs RC Wakayanagi, RC Funabashi West, RC Ishinomaki South and RC Funabashi West were arranged resulting to the annual exchange of goodwill visits and the flow of donations from Japan for our projects. An offshoot of these goodwill visits is the establishment of a short-term Youth Exchange where sons/daughters of our club members go to Japan on summer vacations and are hosted by our match clubs.

The club is a consistent supporter of The Rotary Foundation being the "100% All Paul Harris Club" having in its roster 8 Major Donors, 30 Multiple Paul Harris Fellows, 131 PHFs and 62 PHSMs. In recognition of the numerous club projects and services of its members, the club has been a consistent recipient of awards from RI.

The club is a recipient of the prestigious **RI Asia Pacific Presidential plaque** given by RI Pres. Frank Devlyn in a fitting ceremony in Manila. The Club was one of the top 10 clubs worldwide recognized as a recipient of the **Global Quest award** for membership growth in Zone 7. PP Mickey Miyake was awarded by RI the highest award to a Rotarian, the **RI Service Above Self Award** in 2004. Our Presidents and Club Secretaries have also been consistent awardees during DISTAS. Our club bulletin has been consistently recognized as the Most Outstanding Club Bulletin for a number of years.

The strength of the club lies in its membership mix and the members' passion for service. In its roster is an Englishman, an American, and three Japanese. For some time, the honorable consuls of Japan, Indonesia, and Malaysia were honorary members. The awards RCED received are challenges to do more for the community and mankind. The succeeding decades will surely find the **Rotary Club of East Davao** in the forefront of Rotary's motto of "Service Above Self" and the Implementation of the District Governor's and RI President's Challenges.

With these simple accomplishments, this has been the clubs gauge in keeping its goal to Serve Humanity. We changed the lives of several people in our community and remain to be inspired in Doing Good to the World.

 #Rotary President-elect
 R. Gordon R. McNally revealed
 his 2023-24 presidential theme,
Create Hope in the World, today.

"The goal is to restore hope — to help the world heal from destructive conflicts and, in turn, to help us achieve lasting change for ourselves."
 Learn more about the theme, Create Hope in the World.

VP RAPHAEL E. APOLINARIO VI
Editor in Chief, RED Chronicle

A young Army officer was severely wounded in the head by a grenade, but the only visible, permanent injury was that both of his ears were amputated. Since his remaining hearing was sufficient, he remained in the Army....

Many years later he eventually rose to the rank of Major General. He was, however, very sensitive about his appearance...

One day the General was interviewing 3 servicemen who were candidates for his headquarters staff.

The first was a Captain, a tactical helicopter pilot, and it was a great interview.

At the end of the interview the General asked him: 'Do you notice anything different about me?'

The young officer answered, 'Why, yes, Sir, I couldn't help but notice that you have no ears.'

The general was displeased with his lack of tact and threw him out.

The second interview was with a Navy Lieutenant, and he was even better. The General then asked him the same question: 'Do you notice anything different about me?' He replied sheepishly, 'Well, sir, you have no ears.'

The General threw him out also.

The third interview was with an old Sergeant Major, an Infantryman and staff-trained NCO.

He was smart, articulate, fit, looked sharp, and seemed to know more than the 2 officers combined.

The General liked this guy, and went ahead with the same question: 'Do you notice anything different about me?' To his

surprise the Sergeant Major said: 'Yes, sir, you wear contact lenses.'

The General was very impressed and thought, 'What an incredibly observant NCO, and he didn't mention my ears.'

He asked, 'Sergeant Major, how do you know I wear contact lenses..?'

'Well, sir,' the soldier replied, 'it's pretty hard to wear glasses with no f..... ears.'

Here are FOUR lessons to learn from this:

- 1) Short term pleasures can lead to long-term traps.
- 2) If things are coming easy and you are getting comfortable, you are getting trapped.
- 3) When you are not using your skills, you will lose more than your skills. You lose your CHOICES.
- 4) The right Action has to be taken at the right time, or else you will lose whatever you have.
- 5) Nothing comes easily in life and if it comes easily, maybe it is not worth it.

**One ends up nowhere if one only thinks of himself.
Rotary Opens Opportunities when we learn to live a life of
SERVICE ABOVE SELF.**

MESSAGE

Jennifer Jones

Rotary International President

MARCH 2023

*"I find oxygen in sharing time
with our members ..."*

As we planned for this Rotary year, I could have never "imagined" the breadth of stories we would encounter nor the scope of the people we would meet.

I find oxygen in sharing time with our members — hearing their truths and learning about their personal journeys and their deepest desires for goodness.

And so it was that I encountered two very different men with very similar stories.

One-hundred-year-old Genshitsu Sen is a remarkable human being and a joyful soul. We greeted each other in Kyoto, during my trip to Japan in November, with a hug and an instant connection.

Not only is Sen a former grand master of the Urasenke tea tradition but he is also an active member of the Rotary Club of Kyoto, where he has served as club president. He assisted in the charter of the Rotary Club of Kyoto-South. And he has also served as governor of District 2650 and held leadership roles in Rotary International and The Rotary Foundation.

During that same week, I had the great pleasure to record a birthday video for a 100-year-old World War II naval hero who is an exemplary leader and who served two terms as governor of District 5810 in Texas.

Both men are decorated World War II heroes in their respective countries and share unthinkable history. And although they served on opposing sides of the war, their stories are remarkably similar — and they are both honorable men who chose Rotary to carry on lives of peacemaking.

I have been reflecting so much lately that we are all on this planet simply trying to do our best, and we are much more similar than we are different.

I feel incredibly fortunate to share in these stories and to meet such incredible people.

Eating Fruit on Empty Stomach

Cancer patients shouldn't die. This will open your eyes ! Read to the end and then send it on to all on your friends !

Dr Stephen Mak treats terminal ill cancer patients by an "un-orthodox" way and many patients recovered.

Before he used solar energy to clear the illnesses of his patients, he believes on natural healing in the body against illnesses.

See his article below.

"It is one of the strategies to heal cancer. As of late, my success rate in curing cancer is about 80%."

"Cancer patients shouldn't die. The cure for cancer is already found - *its in the way we eat fruits."

"It is whether you believe it or not."

"I am sorry for the hundreds of cancer patients who die under the conventional treatments."

EATING FRUIT

We all think eating fruits means just buying fruits, cutting it and just popping it into our mouths.

It's not as easy as you think. It's important to know how and when to eat the fruits.

What is the correct way of eating fruits?

IT MEANS NOT EATING FRUITS AFTER YOUR MEALS!

FRUITS SHOULD BE EATEN ON AN EMPTY STOMACH

If you eat fruits on empty stomach, it will play a major role to detoxify your system, supplying you with a great deal of energy for weight loss and other life activities.

FRUIT IS THE MOST IMPORTANT FOOD.

Let's say you eat two slices of bread and then a slice of fruit. The slice of fruit is ready to go straight through the stomach into the intestines, but it is prevented from doing so due to the bread taken before the fruit.

Bits & Pieces

In the meantime the whole meal of bread & fruit rots and ferments and turns to acid.

The minute the fruit comes into contact with the food in the stomach and digestive juices, the entire mass of food begins to spoil.

So please eat your fruits on an empty stomach or before your meals !

You have heard people complaining :

Every time I eat watermelon I burp, when I eat durian my stomach bloats up, when I eat a banana I feel like running to the toilet, etc.. etc..

Actually all this will not arise if you eat the fruit on an empty stomach.

The fruit mixes with the putrefying of other food and produces gas and hence you will bloat !

Greying hair, loss of hair, balding, nervous outbursts and dark circles under the eyes all these will NOT happen if you take fruits on an empty stomach.

There is no such thing as some fruits, like orange and lemon are acidic, because all fruits become alkaline in our body, according to Dr. Herbert Shelton who did research on this matter.

If you have mastered the correct way of eating fruits, you have the SECRET of beauty, longevity, health, energy, happiness and normal weight.

When you need to drink fruit juice - drink only fresh fruit juice, NOT from the cans, packs or bottles.

Don't even drink juice that has been heated up.

Don't eat cooked fruits because you don't get the nutrients at all. You only get its taste. Cooking destroys all the vitamins. But eating a whole fruit is better than drinking the juice.

So lets do it!
