60 years of Service Above Self

In 1965, then District Governor Alfonso "Poncing" Oboza and Pres. Leon "Leony" Garcia of the **Rotary Club of Davao** thought of organizing the 2nd Rotary Club in the city. Thus was born the Rotary Club of East Davao. **Twenty-four (24) men** signed as charter members, 10 of whom were from the sponsoring club, RC Davao. On **December 1, 1965**, the charter was officially presented in a historical ceremony at the Davao Insular Hotel, the venue of club meetings until 2007 when the club transferred its meetings to Marco Polo Hotel. Of the 60 Past Presidents of the Club, many were privileged to serve the District and RI in higher capacities, to wit:

DISTRICT GOVERNORS

1975-1976 Salvador "Bading" Angala - President RY 1970-71
1983-1984 Honesto "Totoy" Cabarroguis - President RY 1975-76
1989-1990 Herminio "Hermie" Villano - President RY 1979-80
1995-1996 Reynaldo "Boy" Reyes - President RY 1983-84
1999-2000 Raoul E. Hilario - President RY 1989-90
2001-2002 Ramon "Monet" Tirol - Charter President RC Central Dvo
2020-2021 Rodel Riezl "Riz" S. Reyes - President RY 2005-06

Another worthwhile project that has been going on for years is the college-scholarship at the Holy Cross of Davao College / University of Southeastern Philippines funded by the **Oikawa Scholarship Fund, San Josue Scholarship, AY Foundation and the club benevolent members**. The scholars eventually become teachers and become agents to educate the growing populace in our communities. To date we have 41 successful graduates and now teaching in different schools here around the city.

Through the efforts of PDG Boy Reyes, PDG Raoul Hilario, and PP Mickey Miyake, match club arrangements with Japanese Clubs **RC Wakayanagi, RC Funabashi West, RC Ishinomaki South and RC Funabashi West** were arranged resulting to the annual exchange of goodwill visits and the flow of donations from Japan for our projects. An offshoot of these goodwill visits is the establishment of a short-term Youth Exchange where sons/daughters of our club members go to Japan on summer vacations and are hosted by our match clubs.

The club is a consistent supporter of The Rotary Foundation being the **"100% All Paul Harris Club"** having in its roster 8 Major Donors, 30 Multiple Paul Harris Fellows, 131 PHFs and 62 PHSMs. In recognition of the numerous club projects and services of its members, the club has been a consistent recipient of awards from RI.

Through the years, RCED was responsible for chartering the following clubs:
Rotary Club of Central Davao – August 25, 1975 with PDG Ramon Tirol a member of RCED as Charter President
Rotary Club of Metro Tagum – April 11, 1990
Rotary Club of Waling Waling Davao – January 22, 1992
the first All-Female Club in District 3860
Rotary Club of Mati East – October 26, 2005

Through the years, the club has embarked on numerous community projects, i.e. donated artesian wells, school buildings, books, clothing's, scholarships, etc. beneficial to the less fortunate.

The signature project of the club is its extensive medical and dental missions in several remote areas in the whole Island of Mindanao. Through the TRF Matching Grants the club manufactured a Mobile Operating Van which is used during these missions with volunteer doctors and surgeons from the Maharlika Charity Foundation Inc. under the leadership of Past President Rizal D. Aportadera. A spin off of these medical missions we have also provided Ambulances for 2 provinces with the assistance of the Rotary Club of Wakayangi thru its active leader PAG Atsushi Sasaki.

The club is a recipient of the prestigious **RI Asia Pacific Presidential plaque** given by RI Pres. Frank Devlyn in a fitting ceremony in Manila. The Club was one of the top 10 clubs worldwide recognized as a recipient of the **Global Quest Award** for membership growth in Zone 7. PP Mickey Miyake was awarded by RI the highest award to a Rotarian, the **RI Service Above Self Award** in 2004. Our Presidents and Club Secretaries have also been consistent awardees during DISTAS. Our club bulletin has been consistently recognized as the Most Outstanding Club Bulletin for a number of years.

The strength of the club lies in its membership mix and the members' passion for service. In its roster is an Englishman, an American, and two Japanese. For some time, the honorable consuls of Japan, Indonesia, and Malaysia were honorary members. The awards RCED received are challenges to do more for the community and mankind. The succeeding decades will surely find the Rotary Club of East Davao in the forefront of Rotary's motto of "Service Above Self" and the Implementation of the District Governor's and RI President's Challenges.

With these simple accomplishments, this has been the clubs gauge in keeping its goal to Serve Humanity. We changed the lives of several people in our community and remain to be inspired in **Doing Good to the World**.

Rotary Code of Conduct

As a Rotarian, I will

1. Exemplify the core value of integrity in all behaviors and activities
2. Use my vocational experience and talents to serve Rotary
3. Conduct all my personal, business and professional affairs ethically encouraging and fostering high ethical standards as an example to others
4. Be fair in all dealings with others and treat them with the respect due to them as fellow human beings.
5. Promote recognition and respect for all occupations which are useful to society
6. Offer my vocational talents: to provide opportunities for young people, to work of the relief of the special needs of others, and to improve the quality of life in my community.
7. Honor trust that Rotary and other Rotarians provide and not do anything that will bring disfavor or reflect adversely on Rotary or other Rotarians
8. Not seek from a fellow a privilege or advantage not normally accorded others in a business or professional relationship

DECLARATION OF ROTARIANS IN BUSINESS AND PROFESSIONS

The Declaration of Rotarians in Businesses and Professions was adopted by the Rotary International Council on Legislation in 1989 to provide more specific guidelines for the high ethical standards called for in the Object of Rotary:

As a Rotarian engaged in a business or profession, I am expected to:

1. Consider my vocation to be another opportunity to serve;
2. Be faithful to the letter and to the spirit of the ethical codes of my vocation, to the laws of my country, and to the moral standards of my community;
3. Do all in my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation;
4. Be fair to my employer, employees, associates, competitors, customers, the public, and all those with whom I have a business or professional relationship;
5. Recognize the honor and respect due to all occupations which are useful to society;
6. Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community;
7. Adhere to honesty in my advertising and in all representations to the public concerning my business or profession;
8. Neither seek from nor grant to a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST:

The development of acquaintance as an opportunity for service;

SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD:

The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST of the things we think, say or do

- I. Is it the TRUTH?
- II. Is it FAIR to all concerned?
- III. Will it build GOODWILL & BETTER FRIENDSHIPS?
- IV. Will it be BENEFICIAL to all concerned?
