54 years of Service Above Self

In 1965, then District Governor Alfonso "Poncing" Oboza and Pres. Leon "Leony" Garcia of the Rotary Club of Davao thought of organizing the 2nd Rotary Club in the City of Davao. Thus was born the Rotary Club of East Davao (RCED).

On December 1, 1965, the RCED charter was officially unveiled in a historical ceremony at the Davao Insular Hotel, with twenty-four (24) men signing-up to be charter members, 10 of whom were from the sponsoring club, RC Davao.

From its inception, RCED called Davao Insular Hotel its home, as it was the venue for its weekly Tuesday club meetings. In 2007, the club opted to transfer its meetings to the Marco Polo Hotel.

Through the years, many RCED Past Presidents (and members) were privileged to serve in various District and Rotary International (RI) positions. To name a few:

1. As DISTRICT GOVERNORS

Atty. Honesto "Totoy" Cabarroguis	1983-1984
Dr. Herminio "Hermie" Villano	1989-1990
Reynaldo "Boy" Reyes	1995-1996
Raoul Hilario+	1999-2000
Amb. Ramon "Monet" Tirol+	2001-2002

Another member also had the honor to serve as District Governors, but this happened after they transferred to other clubs in the city, namely Salvador "Bading" Angala of RC West Davao in RY 1975-1976.

2. As REPRESENTATIVES

PDG Totoy served as DISTRICT 3860's representative to the Council of Legislation which convened in Anaheim, California in 1992. He was also member of the vital Committee on Extension representing Zone 4 (encompassing 21 districts in Southeast Asia).

PDG Boy Reyes was District 3680's representative to the Council of Legislation which was held in Chicago in 2007.

3. As GROUP STUDY EXCHANGE TEAM LEADERS

- PDS Ben Panganiban to D591 in Florida
- PDG Totoy Cabarroguis to D611 in Arkansas, Kansas, Missouri, and Oklahoma
- PDG Hermie Villano to D6296 in North Western Michigan and Sault St. Marie, Canada
- PP Rizal Aportadera to D712 in New York
- PDG Raoul Hilario to D5670 in Kansas
- PP Tino de Jesus to D7640 in New Jersey
- PP Edsa Sancho to D5150 in San Francisco
- PP Hecky Maniquis to D5020 in Seattle, Washington
- PP Nandie Subido to D6400 in Detroit, Michigan and Ontario, Canada and Team Member to District 6630 Cleveland Ohio, 1982
- PP Jesse Fortich to D6200 in Louisiana

Through the years, the club has embarked on numerous community projects, (i.e., donated artesian wells, school buildings, books, clothings, scholarships, conducted medical and dental missions, disaster response, etc.) all in pursuit of Rotary's Theme of "Service Above Self." (Please see next page, RCED @ WORK, for a list of some of the more recent major projects the club has under taken).

A cornerstone project that the club has been known for is its scholarship program. Here, the club offers the scholarship to deserving and highly motivated high school students, who have graduated and have proven themselves in the academic field. One major condition is that they must come from families who are economically challenged and may not enrol in college without assistance. The student applicant must be willing to take and finish an education course—and be teachers of tomorrow. The objective of this approach is so that they will become agents of change who are skilled to educate the growing populace in our communities—eventually helping fight poverty.

This is made possible because of the numerous RCED Members' contribution and/or joint "ventures" that the club tries to build. One very successful example of this is the college-scholarship at the Holy Cross of Davao College—a joint project with the Oikawa Scholarship Program and by the San Josue Scholarship. Through the efforts of PDG Boy Reyes, PDG Raoul Hilario, and PP Mickey Miyake, Matching club arrangements with Japanese Clubs RC

Wakayanagi, RC Funabashi West and RC Ishinomaki South were arranged—resulting to the annual exchange of goodwill visits and the flow of donations from Japan for the projects.

At RCED we take the word "INTERNATIONAL" seriously. This is clearly seen in the different nationalities of its member (Filipinos, Americans, Europeans, Australians, Japanese, and many others). For some time now, the honorable consuls of Japan, Indonesia, and Malaysia are/were honorary members. In the Avenue of International Service, the club organized the Rotary Club of Manado, Indonesia. A team led by PDG Boy Reyes and PP Hecky Maniquis made sure they started on the right direction.

The strength of the club lies in its membership mix and the members' passion for service. To date, RCED is still considered as club of the biggest of D3860.

RCED is an ardent supporter of The Rotary Foundation having in its roster several Major Donors, Multiple Paul Harris Fellows, PHFs and PHSMS.

To the club members, being able to BE OF SERVICE to others is more than enough reward. This philosophy has made the club stronger, more effective, and somehow "stand-out"... eventually it helped the club earn numerous awards and recognition from the District and from RI. To name a few:

- RI Asia Pacific Presidential plaque given by RI Pres. Frank Devlyn
- Global Quest award for membership growth in Zone 7 District
- PP Mickey Miyake - RI the highest award to a Rotarian, the "RI Service Above Self"
- Our Presidents and Club Secretaries have also been consistent awardees.
- Most Outstanding Club Bulletin for a number of years.

To RCED, these awards and recognitions are reminders, if not challenges, to do more for the community and mankind.

The succeeding decades will surely find Rotary Club of East Davao (RCED) in the forefront of Rotary's motto of "Service Above Self" and the Implementation of the District Governor's and RI President's Challenges.

INVOCATION

Father God, it's the second day of the week and we would want to thank you for bringing us safely this far. For all who are struggling financially, mentally and physically, we ask that You would lessen their burdens. Please heal their bodies, mend broken hearts and make a way out of no way for those trying to take care of themselves and their loved ones.

We pray also for traveling mercies and protection from all dangers, seen and unseen. May You continue to help us and my families covered under the precious blood of Jesus. Dear God, there is so much going on in this world, so much that is upsetting and beyond our control. Please help us to cast our cares on You. We are at a quandary of what to believe, especially of multiple opinions about the efficacy of this and that vaccine. We fear of results and after effects, we hear of deaths after receiving the vaccine, resulting to the low submission percentage ! So Lord, please lead us and help us to decide what is helpful and of favorable end results! These are all our prayers. Amen

POINT OF VIEW

VP RAPHAEL E. APOLINARIO VI
Editor in Chief, RED Chronicle

Value to Give...

I love this story from Katharine Hepburn's childhood; in her own words.

"Once when I was a teenager, my father and I were standing in line to buy tickets for the circus.

Finally, there was only one other family between us and the ticket counter. This family made a big impression on me.

There were eight children, all probably under the age of 12. The way they were dressed, you could tell they didn't have a lot of money, but their clothes were neat and clean.

The children were well-behaved, all of them standing in line, two-by-two behind their parents, holding hands. They were excitedly jabbering about the clowns, animals, and all the acts they would be seeing that night. By their excitement you could sense they had never been to the circus before. It would be a highlight of their lives.

The father and mother were at the head of the pack standing proud as could be. The mother was holding her husband's hand, looking up at him as if to say, "You're my knight in shining armor." He was smiling and enjoying seeing his family happy.

The ticket lady asked the man how many tickets he wanted? He proudly responded, "I'd like to buy eight children's tickets and two adult tickets, so I can take my family to the circus." The ticket lady stated the price.

The man's wife let go of his hand, her head dropped, the man's lip began to quiver. Then he leaned a little closer and asked, "How much did you say?" The ticket lady again stated the price.

The man didn't have enough money. How was he supposed to turn and tell his eight kids that he didn't have enough money to take them to the circus?

Seeing what was going on, my dad reached into his pocket, pulled out a \$20 bill, and then dropped it on the ground. (We were not wealthy in any sense of the word!) My father bent down, picked up the \$20 bill, tapped the man on the shoulder and said, "Excuse me, sir, this fell out of your pocket."

The man understood what was going on. He wasn't begging for a handout but certainly appreciated the help in a desperate, heartbreaking and embarrassing situation.

He looked straight into my dad's eyes, took my dad's hand in both of his, squeezed tightly onto the \$20 bill, and with his lip quivering and a tear streaming down his cheek, he replied; "Thank you, thank you, sir. This really means a lot to me and my family."

My father and I went back to our car and drove home. The \$20 that my dad gave away is what we were going to buy our own tickets with.

Although we didn't get to see the circus that night, we both felt a joy inside us that was far greater than seeing the circus could ever provide.

That day I learnt the value to Give.

The Giver is bigger than the Receiver. If you want to be large, larger than life, learn to Give. Love has nothing to do with what you are expecting to get - only with what you are expecting to give - which is everything.

The importance of giving, blessing others can never be over emphasized because there's always joy in giving. Learn to make someone happy by acts of giving."

~ **Katharine Hepburn**

Bits & Pieces

KEEP YOUR LEGS STRONG

(A must read articles... especially for the young once)

When we are old(er), our Legs/feet must always remain strong.

- When we gain ageing / grow aged, we should not be afraid of hair turning grey (or) his skin sagging (or) wrinkles.
- Among the signs of "longevity," as summarized by the US Magazine "Prevention", "strong leg muscles " are listed on the top, as "the most important and essential one."
- Do not move your legs for two weeks & your leg strength will decrease by 10 years.
- A study from the University of Copenhagen in Denmark found that both old and young, during the two weeks of "inactivity," the legs muscle strength got weakened by a third_ which is "equivalent to 20-30 years of ageing."
- As our leg muscles weaken, it will take a long time to recover, even if we do rehabilitation exercises, later.
- Therefore, regular exercise like walking, is very important.
- The whole body weight/load

remain on legs.

- The leg/foot is a kind of "pillars," bearing the weight of the human body.
- Interestingly, 50% of a person's bones and 50% of the muscles, are in the two legs.
- The largest and strongest joints and bones of the human body are also in the legs.
- "Strong bones, strong muscles, and flexible joints form the "Iron Triangle" that carries the most important load on the human body."
- 70% of human activity and burning of energy in one's life, is done by the two feet.
- Do you know this? When a person is young, his thighs have enough strengths, to lift a small car!
- The legs/feet are the "center of body locomotion."
- Both the legs together have 50% of the nerves of the human body, 50% of the blood vessels and 50% of the blood flowing through them.
- It is the large circulatory network that connects the body.
- Only when the legs/feet are healthy then the "convention current of blood" flows, smoothly, so people who have strong leg muscles will definitely have a "strong heart."
- Aging starts from the legs/ feet

upwards.

- As a person gets older, the accuracy and speed of transmission of instructions between the brain and the legs decreases, unlike when a person is young.
- In addition, the so-called "Bone Fertilizer Calcium" will sooner or later be lost with the passage of time, making the elderly more prone to bone fractures.
- Fractures in the elderly easily "triggers" a series of complications, especially fatal diseases such as brain thrombosis.
- Do you know that 15% of elderly patients will die within a year of a thigh-bone fracture.
- Exercising the legs, is never too late, even after the age of 60 years.
- Although our feet will gradually age with time, exercising our feet is a life-long task.
- Only by strengthening the legs, one can prevent further aging.
- Please walk for "at least 30-40 minutes," daily to ensure that your legs receive sufficient exercise and to ensure that your leg muscles remain healthy.

So.. LETS GO!
