54 years of Service Above Self

In 1965, then District Governor Alfonso "Poncing" Oboza and Pres. Leon "Leony" Garcia of the Rotary Club of Davao thought of organizing the 2nd Rotary Club in the City of Davao. Thus was born the Rotary Club of East Davao (RCED).

On December 1, 1965, the RCED charter was officially unveiled in a historical ceremony at the Davao Insular Hotel, with twenty-four (24) men signing-up to be charter members, 10 of whom were from the sponsoring club, RC Davao.

From its inception, RCED called Davao Insular Hotel its home, as it was the venue for its weekly Tuesday club meetings. In 2007, the club opted to transfer its meetings to the Marco Polo Hotel.

Through the years, many RCED Past Presidents (and members) were privileged to serve in various District and Rotary International (RI) positions. To name a few:

1. As DISTRICT GOVERNORS

Atty. Honesto "Totoy" Cabarroguis	1983-1984
Dr. Herminio "Hermie" Villano	1989-1990
Reynaldo "Boy" Reyes	1995-1996
Raoul Hilario+	1999-2000
Amb. Ramon "Monet" Tirol+	2001-2002

Another member also had the honor to serve as District Governors, but this happened after they transferred to other clubs in the city, namely Salvador "Bading" Angala of RC West Davao in RY 1975-1976.

2. As REPRESENTATIVES

PDG Totoy served as DISTRICT 3860's representative to the Council of Legislation which convened in Anaheim, California in 1992. He was also member of the vital Committee on Extension representing Zone 4 (encompassing 21 districts in Southeast Asia).

PDG Boy Reyes was District 3680's representative to the Council of Legislation which was held in Chicago in 2007.

3. As GROUP STUDY EXCHANGE TEAM LEADERS

- PDS Ben Panganiban to D591 in Florida
- PDG Totoy Cabarroguis to D611 in Arkansas, Kansas, Missouri, and Oklahoma
- PDG Hermie Villano to D6296 in North Western Michigan and Sault St. Marie, Canada
- PP Rizal Aportadera to D712 in New York
- PDG Raoul Hilario to D5670 in Kansas
- PP Tino de Jesus to D7640 in New Jersey
- PP Edsa Sancho to D5150 in San Francisco
- PP Hecky Maniquis to D5020 in Seattle, Washington
- PP Nandie Subido to D6400 in Detroit, Michigan and Ontario, Canada and Team Member to District 6630 Cleveland Ohio, 1982
- PP Jesse Fortich to D6200 in Louisiana

Through the years, the club has embarked on numerous community projects, (i.e., donated artesian wells, school buildings, books, clothings, scholarships, conducted medical and dental missions, disaster response, etc.) all in pursuit of Rotary's Theme of "Service Above Self." (Please see next page, RCED @ WORK, for a list of some of the more recent major projects the club has under taken).

A cornerstone project that the club has been known for is its scholarship program. Here, the club offers the scholarship to deserving and highly motivated high school students, who have graduated and have proven themselves in the academic field. One major condition is that they must come from families who are economically challenged and may not enrol in college without assistance. The student applicant must be willing to take and finish an education course—and be teachers of tomorrow. The objective of this approach is so that they will become agents of change who are skilled to educate the growing populace in our communities—eventually helping fight poverty.

This is made possible because of the numerous RCED Members' contribution and/or joint "ventures" that the club tries to build. One very successful example of this is the college-scholarship at the Holy Cross of Davao College—a joint project with the Oikawa Scholarship Program and by the San Josue Scholarship. Through the efforts of PDG Boy Reyes, PDG Raoul Hilario, and PP Mickey Miyake, Matching club arrangements with Japanese Clubs RC

Wakayanagi, RC Funabashi West and RC Ishinomaki South were arranged—resulting to the annual exchange of goodwill visits and the flow of donations from Japan for the projects.

At RCED we take the word "INTERNATIONAL" seriously. This is clearly seen in the different nationalities of its member (Filipinos, Americans, Europeans, Australians, Japanese, and many others). For some time now, the honorable consuls of Japan, Indonesia, and Malaysia are/were honorary members. In the Avenue of International Service, the club organized the Rotary Club of Manado, Indonesia. A team led by PDG Boy Reyes and PP Hecky Maniquis made sure they started on the right direction.

The strength of the club lies in its membership mix and the members' passion for service. To date, RCED is still considered as club of the biggest of D3860.

RCED is an ardent supporter of The Rotary Foundation having in its roster several Major Donors, Multiple Paul Harris Fellows, PHFs and PHSMS.

To the club members, being able to BE OF SERVICE to others is more than enough reward. This philosophy has made the club stronger, more effective, and somehow "stand-out"... eventually it helped the club earn numerous awards and recognition from the District and from RI. To name a few:

- RI Asia Pacific Presidential plaque given by RI Pres. Frank Devlyn
- Global Quest award for membership growth in Zone 7 District
- PP Mickey Miyake - RI the highest award to a Rotarian, the "RI Service Above Self"
- Our Presidents and Club Secretaries have also been consistent awardees.
- Most Outstanding Club Bulletin for a number of years.

To RCED, these awards and recognitions are reminders, if not challenges, to do more for the community and mankind.

The succeeding decades will surely find Rotary Club of East Davao (RCED) in the forefront of Rotary's motto of "Service Above Self" and the Implementation of the District Governor's and RI President's Challenges.

INVOCATION

Lord, Help me to trust in You alone. You have not given me a spirit of fear, but of power, love and a sound disciplined mind. Help me to recall the promise when I encounter situations that stir up fear inside. I want to live with a strong unshakable faith in You.

Father this is the second time we will be spending this penitential period under the heavy weight of Pandemic which has disturbed and claimed many lives, one close to my family included.

Our church, counted on us the faithful to have a deeper appreciation of having us configured to Christ this lent by doing deeds of mercy and compassion! To do works of Charity and solidarity with those who are most suffering in these difficult days of pandemic!

Our heavenly Father, please give us greater internal strength and greater resolve to pursue Our Service Above Self. Amen

Speaker's Profile

BRIGADIER GENERAL NOLASCO A. MEMPIN
Commander, 1003rd Infantry (Raptor) Brigade

INDEED, not all heroes are dead or wear capes. Some are out there in the jungle risking their lives to fight the state's enemies while some are on the streets acting as the gatekeepers to protect the people from terrorist attacks that will happen in their area.

Ever since Brigadier General Nolasco Mempin took a bigger responsibility after he officially took over the leadership as the 1003rd Infantry (Raptor) Brigade Commander, which covers the area of Davao City and parts of Davao del Norte, he bravely accepted the post to lead the armed forces here, he already inculcated in his mind that this assignment would be a very challenging one considering that Davao City is the hometown of President Rodrigo Duterte.

Originally from San Miguel, Bulacan, Mempin came from a meager family with his father a carpenter living at the farmland.

Mempin enrolled in the Philippine Military Academy (PMA) to earn a scholarship. With perseverance and dedication, he graduated as the top eight among the 147 of "Bigkis Lahi" Class of 1990.

Mempin, who has been in the military service for 35 years, is grateful to be assigned in Davao City because of the high regard of the Dabawenyos to the soldiers, support of the local government, and the cooperation of various

stakeholders in their security campaign.

The moment he chose his profession as a soldier, he already accepted his fate of being away from his family. He was forced to live away from his four children and his wife, Anna Marie. Thanks to the internet, he still has constant communication with them. His family usually visits him here.

Mempin became the Task Force Davao Commander in August 2017.

Prior to his designation as the TFD commander, he was the chief of Governance and Strategy Management Office of the 10th Infantry Division (ID) and commander of the 78th Infantry Battalion under the 8th ID.

POINT OF VIEW

VP RAPHAEL E. APOLINARIO VI
Editor in Chief, RED Chronicle

The watch...

An old man meets a young man who asks:

“Do you remember me?”

And the old man says no. Then the young man tells him he was his student. And the teacher asks:

“What do you do, what do you do in life?”

The young man answers:

“Well, I became a teacher.”

“Ah, how good, like me?” Asks the old man.

“Well, yes. In fact, I became a teacher because you inspired me to be like you.”

The old man, curious, asks the young man at what time he decided to become a teacher. And the young man tells him the following story:

“One day, a friend of mine, also a student, came in with a nice new watch, and I decided I wanted it and I stole it, I took it out of his pocket.

Shortly after, my friend noticed his missing watch and immediately complained to our teacher, who was you. Then you went to the class:

“This student's watch was stolen during classes today. Whoever stole it, please return it.”

I didn't give it back because I didn't want to. Then you closed the door and told us all to get up and you were going to search our pockets one by one until the watch was found. But you told us to close our eyes, because you would only look for his watch if we all had our eyes closed.

So we did, and you went from pocket to pocket, and when you went through my pocket, you found the watch and took it. You kept searching everyone's pockets, and when you were done you said:

“Open your eyes. We have the watch.”

You didn't tell me and you never mentioned the episode. You never said who stole the watch either. That day you saved my dignity forever. It was the most shameful day of my life.

But this is also the day my dignity was saved and I decided not to become a thief, a bad person, etc. You never said anything, nor even scold me or took me aside to give me a moral lesson, I received your message clearly.

And thanks to you, I understood what a real educator needs to do. Do you remember this episode, professor?

And the professor answers:

“I remember the situation, the stolen watch, which I was looking for in everyone's pocket, but I didn't remember you, because I also closed my eyes while looking.”

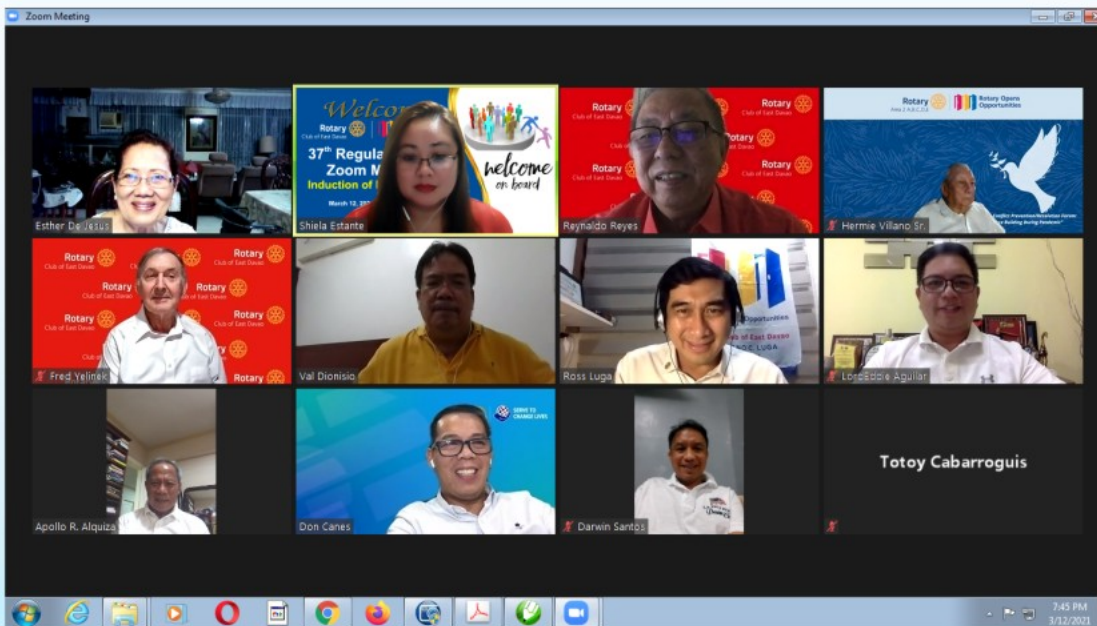

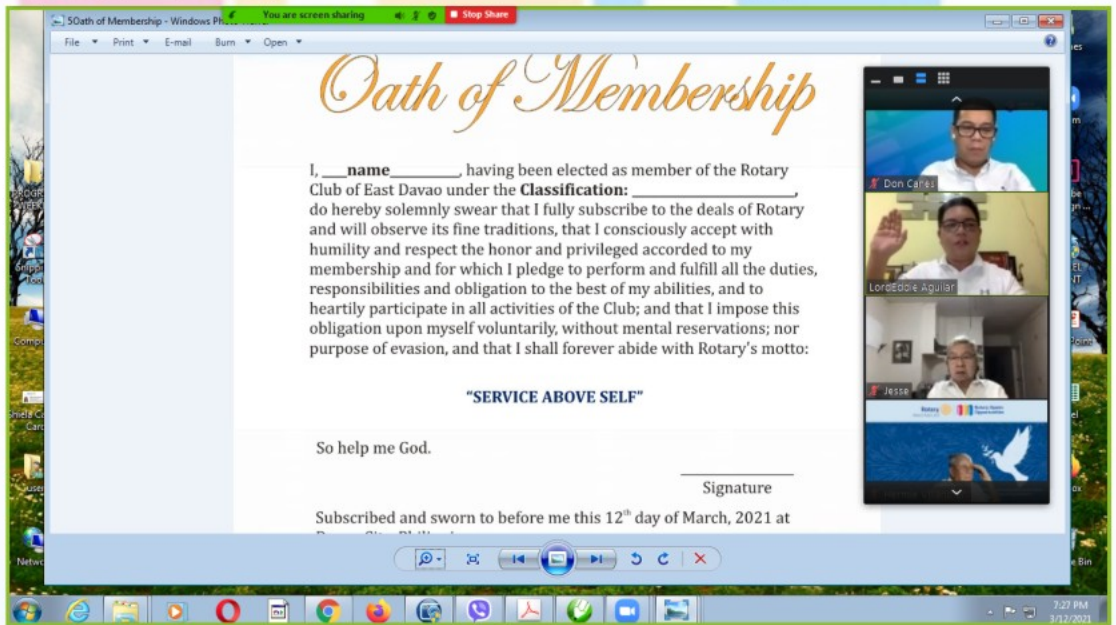

This is the essence of teaching:

“If to correct you must humiliate; you don't know how to teach ”

NEW

NORMAL

Bits & Pieces

Smart Thieves

1. LONG - TERM PARKING

Some people left their car in the long-term parking at the airport while away, and someone broke into the car. Using the information on the car's registration in the glove compartment, they drove the car to the people's home and robbed it. So, I guess if we are going to leave the car in long-term parking, we should NOT leave the registration/insurance cards in it, nor your remote garage door opener. This gives us something to think about with all our new electronic technology.

2. GPS:

Someone had their car broken into while they were at a football game. Their car was parked on the green which was adjacent to the football stadium and specially allotted to football fans. Things stolen from the car included a garage door remote control, some money and a GPS which had been prominently mounted on the dashboard. When the victims got home, they found that their house had been ransacked and just about everything worth anything had been stolen. The thieves had used the GPS to guide them to the house. They then used the garage remote control to open the garage door and gain entry to the house. The thieves knew the owners were at the football game, they knew what time the game was scheduled to finish and so they knew how much time they had to

clean out the house. It would appear that they had brought a truck to empty the house of its contents.

Something to consider if you have a GPS - don't put your home address in it. Put a nearby address (like a store or gas station) so you can still find your way home if you need to, but no one else would know where you live if your GPS were stolen.

3. CELL PHONES:

I never thought of this! This lady has now changed her habit of how she lists her names on her cell phone after her handbag was stolen. Her handbag, which contained her cell phone, credit card, wallet, etc., was stolen. Twenty minutes later when she called her hubby, from a pay phone telling him what had happened, hubby says, "I received your text asking about our Pin number and I replied a little while ago."

When they rushed down to the bank, the bank staff told them all the money was already withdrawn. The thief had actually used the stolen cell phone to text "hubby" in the contact list and got hold of the pin number. Within 20 minutes he had withdrawn all the money from their bank account.

4. PURSE IN THE GROCERY CAR SCAM:

A lady went grocery-shopping at a local mall and left her purse sitting in the children's seat of the cart while she reached something off a shelf. Wait till

you read the WHOLE story! Her wallet was stolen, and she reported it to the store personnel. After returning home, she received a phone call from the Mall Security to say that they had her wallet and that although there was no money in it, it did still hold her personal papers. She immediately went to pick up her wallet, only to be told by Mall Security that they had not called her. By the time she returned home again, her house had been broken into and burglarized. The thieves knew that by calling and saying they were Mall Security, they could lure her out of her house long enough for them to burglarize it.

Moral lesson:

- A. Do not disclose the relationship between you and the people in your contact list. Avoid using names like Home, Honey, Hubby, Sweetheart, Dad, Mum, etc.
- B. And very importantly, when sensitive info is being asked through texts, CONFIRM by calling back.
- C. Also, when you're being texted by friends or family to meet them somewhere, be sure to call back to confirm that the message came from them. If you don't reach them, be very careful about going places to meet "family and friends" who text you.

Don't get caught in a scam
