OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First: The development of acquaintance as an opportunity for service;

Second: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third: The application of the ideal of service in each Rotarian's personal, business, and community life;

Fourth: The advancement of international understanding, good will, and peace through a world fellowship of business and professional persons united in the ideal of service

THE FOUR-WAY TEST of the things we think, say or do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

THE 7 AREAS OF FOCUS

President's Corner

Still, the club also supported the District-Wide project "I Run to END POLIO" by providing the venue for its launching in Area 3F and 3G. The event was held at the Palmwoods Residences, which is owned by Past President Junnet Baladiang. It was well attended by Rotarians from various clubs in our area.

All of these projects are part of the Club's commitment for Disease Prevention and Treatment, as one of its areas of focus of service.

RC Gensan Supports the Environment

The Rotary Club of General Santos City, together with the different Rotary Clubs in our area, participated in a One District, One Mangrove Planting Activity in October 2020. Our Club spearheaded this event by providing for the venue, and coordinated with the LGU of Maasim for the needed permits since the IATF rules must be strictly observed. The event was successfully participated by 6 Rotary Clubs in the area.
