OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First: The development of acquaintance as an opportunity for service;

Second: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third: The application of the ideal of service in each Rotarian's personal, business, and community life;

Fourth: The advancement of international understanding, good will, and peace through a world fellowship of business and professional persons united in the ideal of service

THE FOUR-WAY TEST of the things we think, say or do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

President's Corner

RC Gensan Supports Child and Maternal Health

In December of 2020, the Club, together with the Philippine Navy and the Philippine Marines, reached out to one of the most marginalized communities in the country. A military reservist myself, I represented the Club as we travelled to the southernmost tip of the country, bordering Indonesia, in a place called Sarangani Island, Balut, Davao Occidental. The people there have no potable water and proper electricity as they live far from the main island. The community seldom sees doctors as medical services only reach them by way of medical missions, which had become so scarce during this pandemic. RC Gensan conducted a Medical Mission, serving 300 patients in one day. The members of the Club gave 75 boxes of medicines needed by the women during their pregnancy like Folic Acid, and other supplements.

Through the generosity of Past President Quin Du, the Club was able to donate 10 large boxes containing books and other reading materials for children, as the semblance of education in the area is a small building, which I can barely describe as a Day Care Center. They have to cross to the other island to get books!

Lastly, as part of our Christmas celebration, RC Gensan provided food and entertainment to the children in one of the slum areas in General Santos City. This was a joint project with the Purple Hearts Club of Metrobank led by our Secretary/President-Elect Roland Aquino. By giving pamaskong handog during this time, we received smiles, happiness and gratitude during this season of giving.

I am honored to have served with you as your "Pandemic" President!
