We at the editorial team continue to document our club's achievements and milestones through The Greater.

As we struggle to survive the pandemic in 2021, we want to continue showing the good that we can do as we push forward the Rotary agenda of serving others and making the difference.

We continue to help change lives by the service that we do.

MESSAGE FROM THE EDITOR

Greetings!

Our apologies for this delayed issue. Things have a way of piling up when you are not looking and before you know it, the quarter has gone by.

Nonetheless we at the Editorial Team shall continue to release The Greater albeit at off times, sometimes, as we slowly return and settle to the new normal.

Thank you.

PRESIDENT'S MESSAGE

The last stretch of the year was a whirlwind of activities and projects.

I am so grateful for all the support and kindness the Greater Ladies have shown from the Governor's Visit all the way up to the end of the year. I truly appreciate it.

The Christmas party that we had, braving the risk of pandemic and exercising proper protocol was a good way to end the year in a good note.

Our club has likewise chosen the new set of officers for the Rotary Year 2022-2023. I look forward to a stronger club especially that the cloud the pandemic has cast has started to lift.

I look forward to more vigor and energy in our service as we start 2022.

Yours in Rotary.
