Dear Greater Ladies,

As we embrace the festive season, I'm thrilled to reflect on our impactful journey throughout November. From district-wide Mental Health Awareness to our signature project, "Oplan Palit Gripo," replacing water faucets in schools, we've made a tangible difference.

"Oplan Palit Gripo" is a testament to our commitment to positive change, improving water sanitation and shaping our community's future. The Financial Literacy project empowers individuals financially, and our ongoing feeding program with St. Gemma's Kitchen showcases our club's compassion.

Our month concluded with a heartwarming Christmas party on November 30, celebrating successes and strengthening sisterly bonds.

Let us carry this spirit forward into the holiday season.

Thanks for your dedication; here's to more success ahead!

Happy reading!

# THE PRESIDENT'S MESSAGE

**LINDALEE ANOS**  
PRESIDENT

In moments of reflection, a profound realization embraces me – Rotary is not just a choice; it's my destined path. The Rotary Foundation isn't merely a mission; it's a cause my heart passionately beats for. Becoming a Rotarian was ignited by a deep-seated desire to give back and connect with exceptional women.

Introduced by a friend, my journey, with a hiatus in between, has brought me back with a renewed commitment to our unique all-female club. Transitioning from a fishing industry CFO to a businesswoman has given me skills that now define my role in our small yet dynamic all-female Rotary family. Customer orientation and community connection, honed through business, are our strengths.

Being an effective Rotarian, to me, means being selfless and passionately dedicated to community service. In our small yet spirited club, humanitarian programs and the camaraderie of fellowship nights pulse with enthusiasm.

As President of the Rotary Club of Greater General Santos my ultimate goal for the Rotary Year is to create hope. I envision a year filled with meaningful projects and initiatives that bring hope to those in need, inspire positive change, and foster a sense of unity within our community. I believe that through our collective efforts, we can make a lasting impact on the lives of individuals and communities, empowering them to overcome challenges and embrace a brighter future.
