THE PRESIDENT'S MESSAGE

LINDALEE ANOS
PRESIDENT

Dear Greater Ladies,

As we enter the second half of my term as President of our Rotary Club, I am filled with a renewed sense of purpose and determination. It is with great enthusiasm that I share with you my vision and plans for the upcoming months.

In the remainder of my tenure, I am committed to further expanding our community service projects and initiatives. Our club has already made significant strides in creating positive change, but there is still much work to be done. I intend to focus on increasing the impact of our efforts and drawing more attention to the invaluable work we are doing. With a steadfast dedication to our theme of "creating hope in the world," I aim to inspire others to join us in our mission and amplify the reach of our service.

Moreover, I recognize the importance of strengthening our partnerships with local organizations and community leaders. By fostering these relationships, we can leverage collective resources and expertise to address pressing issues in our community more effectively. Together, we can leave a lasting legacy of meaningful change and inspire future generations of leaders to carry on the mission of Rotary.

In addition to our ongoing projects, I am fully committed to supporting our President Elect in the months leading up to the Rotary Anniversary in July. Transitioning leadership smoothly is essential for the continuity and success of our club. To this end, I will provide my full support through regular communication, knowledge sharing, transition planning, and offering resources and mentorship. Together, we will ensure that our President Elect is well-prepared to lead our club with confidence and vision.

As we embark on this journey together, I am confident that with our collective dedication and passion, we will continue to make a meaningful difference in the lives of those we serve. Thank you for your unwavering commitment to Rotary, and I look forward to achieving great things together in the months ahead.

Yours in service,
Prexy Lindalee

SERVICE PROJECTS

Empowering Communities: Welcoming 2024 with a BANG!

The Rotary Club of Greater General Santos and PDEA Region XII unite for Safe Firearm Handling under Rotary's area of focus; Promoting Peace Conflict and Prevention.

With the leadership of PDEA XII Regional Director Aileen Lovitos and a dedicated Rotary International Member, the officers conducted a short lecture about the proper handling of firearms as well as the proper hand placements and stance. The orientation also gave awareness on the different regulations regarding gun ownership.

Most importantly, this project highlighted the principles of discipline, courage and presence of mind when in a firing range.

SERVICE PROJECTS

NOURISHING YOUNG LIVES, ONE MEAL AT A TIME..

The Rotary Club of Greater General Santos remains committed to feeding malnourished children through the ongoing partnership with St. Gemma's Kitchen on January 13, 2024- This was a signature project of the club and aimed to end hunger and contribute to zero hunger in SDG and in Rotary.
