As we continue to Serve to Change Lives, let us welcome the month of September supporting Literacy, as we honor Rotary Basic Education and Literacy Month.

Irish Loteyro
PRESIDENT

As we continue to Serve to Change Lives, let us welcome the month of September supporting Literacy, as we honor Rotary Basic Education and Literacy Month.

Evidently COVID-19 pandemic has created the largest disruption in the education system in history, not only in the Philippines but around the world. It is very sad to say that it has reduced learning opportunities for the most vulnerable children, youth, and adults living in poor or rural areas.

The challenge now is in our hands as we continue to serve communities during the pandemic through our innovative and creative projects. I am excited to share that we have lots of Literacy projects line up for the month, of course, with the collective efforts of all Kandayans. The long awaited turnover of our District Grant project, Mini Library and Learning hub will be realized this month, giving the children of Tacloban North Village access to books and educational toys. We did launch our book and toys donation program to support this effort. Thanks to the very warm response of our generous Kandayan donors.

Along side we will be sponsoring Children's Pantry in coordination with the Tacloban North Communities Association, and the Rotary Community Corps (RCC), the local partners we organized. We aimed to distribute slippers to more than 500 kids, face masks, and Literacy Care bags with school supplies like crayons, coloring and activity books and pencils. Things that they can use at home for literacy activities. Of course we will not miss to share a meal, something that kids would be looking forward to.

Rotary Club of Kandaya is also set to donate printers to nearby schools, to support the Brigada Eskwela, Program of the DEPED.

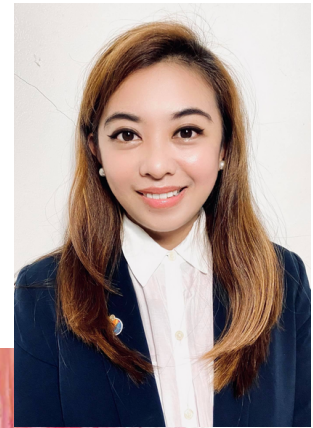

We also tied up with our Rotaract Clubs, Community based and School based, and the Daycare Teachers under the City government of Tacloban to facilitate literacy activities with the children.

Let us keep the ball rolling, the passion burning, with our mission to Serve above self. Together, let us dare to excel!

Secretary Says

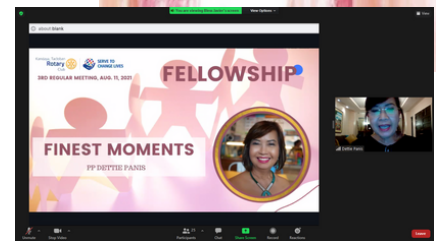

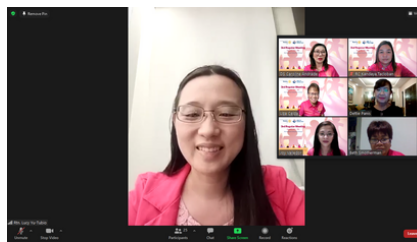

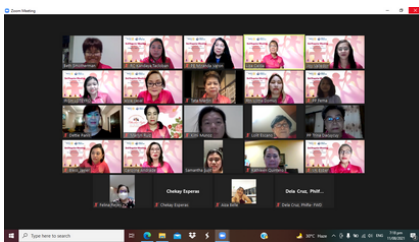

Good day gorgeous Kadayans! August had been a fruitful membership month indeed for all of us! We all had so much fun, so much generosity and service throughout the month.

During our 3rd regular meeting, there were 27 Rotarians and 3 guests who attended. The catalysts of change team was able to raise P6,740.00 from the finest moments. They also had Dir. Vicky Esber, our transforming New Outstanding Rotarian, as speaker. She talked about Why am I a Rotarian and what are my Obligations?

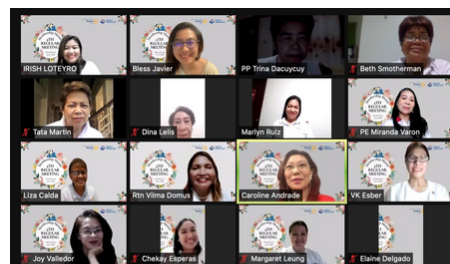

Remember:
GOD
is greater
than the giants
you face.

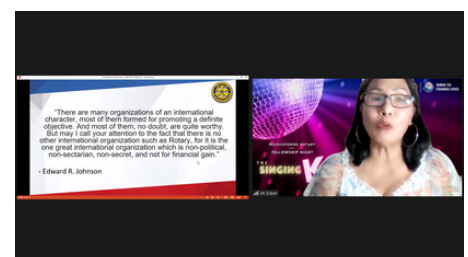

1 John 4:4

Our 4th regular meeting started with a special tribute for PP Lita Aldas. In attendance were 23 Rotarians and 3 guests. The Change Makers team was able to raise P16,650.00 from the finest moments. In celebration of the Membership Month, they had PP Trina Dacuycuy speak about her Rotary Journey.

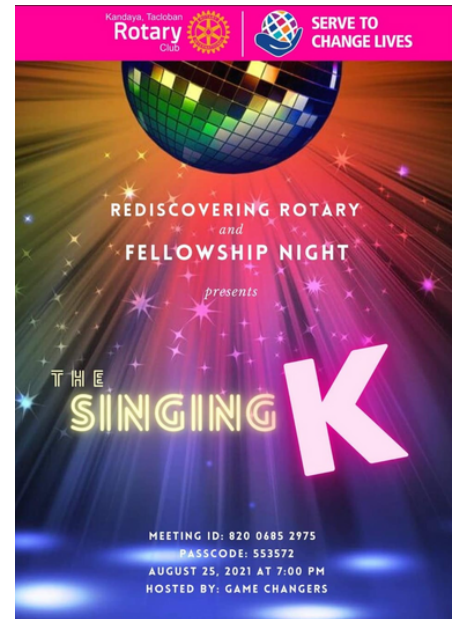

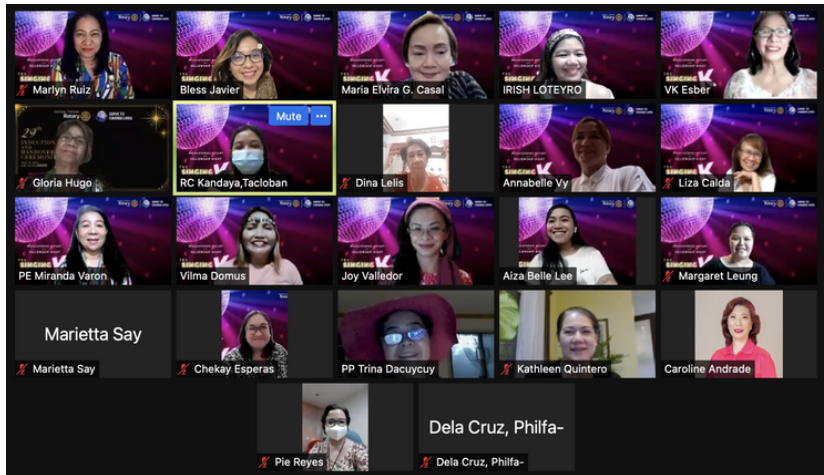

We capped the month of August with a Mamma Mia themed fellowship night. The Game Changers team hosted this night with lots of prizes and buko pie for all attendees. We started the night with Rediscovering Rotary Talk on Ethics by Dir. Vicky Esber.

There were 23 Rotarians who attended the fellowship night last August 25, 2021, all game and ready to sing for the Singing K. Best in costume winners for the night were Rtn. Vhi Domus, Rtn. Evelia Martin, Rtn. Joy Valledor, and Rtn. Trina Dacuycuy.

Secretary Says...

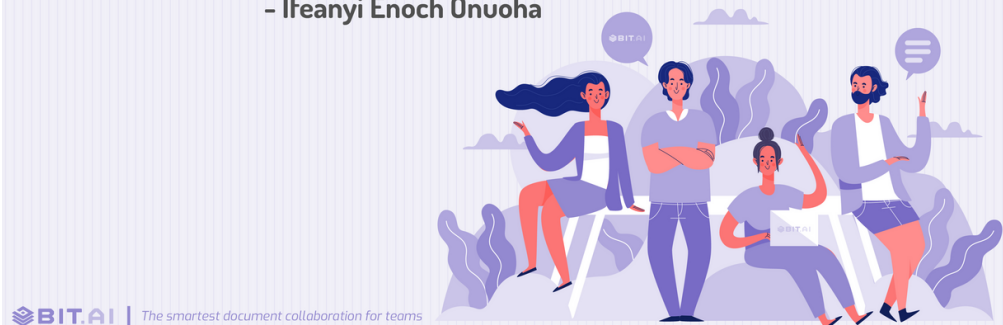

Aside from our exciting meetings and the fellowship night, our club also completed 5 service projects for the month of August:

1. Financial Assistance for Three (3) Breast Cancer Survivors
2. Distribution of Face Shields and Face Masks and Financial Assistance to the Faith Fellowship of Dulag Livelihood Association
3. Bulig Mo, Kalipay Ko: Books, Toys, and Slippers Donation Drive
4. MOA Signing with the Tacloban Farmers Association for Rotary Community Corps
5. Coastal Clean Up Drive at Brgy. Payapay, Tacloban City

Thank you every one for your contribution to the team as we all serve to change lives this year!

“Teamwork is the secret that makes common people achieve uncommon results”

- Ifeanyi Enoch Onuoha

ROTARY INFORMATION

SUPPORTING EDUCATION

More than 775 million people over the age of 15 are illiterate. That's 17 percent of the world's adult population.

Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy. We support education for all children and literacy for children and adults.

Miranda Varon
President Elect

HOW ROTARY MAKES HELP HAPPEN

We take action to empower educators to inspire learning at all ages.

TEACHER TRAINING - We share our knowledge and experience with educators and other professionals who work with vulnerable populations.

MENTORING STUDENTS - Rotary club pairs students with celebrity and CEO mentors for success.

ROTARY SCHOLARSHIPS - Rotary members fight adult illiteracy by working with local advocates to offer community literacy programs.

EDUCATING REFUGEES - A university president and Rotary club fight Boko Haram to bring education and food to refugees in Nigeria.

SCHOOLS4FREEDOM - The Rotarian Action Group Against Slavery has a strategy for fighting modern slavery that's working at the local level.

COACHING TEACHERS - Realizing that getting children into school isn't enough, Rotary shifts to mentoring and coaching teachers.

OUR IMPACT ON EDUCATION

The Rotary Foundation supports education through scholarships, donations, and service projects around the world.

Enhancing educational systems:

In Detroit, 500 adults raised their reading levels by three grades.

In Kenya, Rotary clubs are working with the Global Partnership for Education and local and national governments to advance life-long learning opportunities for poor and marginalized children.

"When you teach somebody how to read, they have that for a lifetime. It ripples through the community, one by one."

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- 1. The development of acquaintance as an opportunity for service;*
- 2. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;*
- 3. The application of the ideal of service in each Rotarian's personal, business, and community life;*
- 4. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.*

EDITOR'S NOTE

TRUE EDUCATION

(In line with our September theme, let me share with you a story that never fails to grip me. The lesson is powerful: real education is a journey of transforming the human being in to being human. Unless education makes one a good person, it is of no use! The same wisdom in Joseph Addison's "What sculpture is to a block of marble, education is to a human soul." Please read on...)

An old man meets a young man who asks: "Do you remember me?" Old man says no. The young man informed he was his student. Teacher asks: "What do you do in life?" Young man answers: "Well, I am a teacher... because you inspired me to be like you." Teacher, curious, asks student at what time he decided to become a teacher. And the young man tells him the following story:

"One day, a classmate, came in with a nice new watch, and I decided I wanted it. I stole it. Shortly after, the missing watch was reported to you, our teacher. You then annouced, 'A watch is missing, please return it.' No one did. You closed the door and told us all to stand up and form a circle. You were going to search our pockets one by one, with our eyes closed. We did as instructed. You went from pocket to pocket, and in mine , you found the watch and took it. Yet, you continued searching... then you instructed "Open your eyes. We have the watch." You didn't tell on me, no word about the incident. That day you saved my dignity forever. It was the most shameful day of my life. But that was also the day I decided not to become a thief! There was no reproach from you, not a word, but I understood your message clearly. Thanks to you, I discovered what true education is."Teacher, do you remember this episode?" Teacher answered: 'Yes, I remember that situation with the stolen watch. I did not remember you, because I also closed my eyes while searching.'

***"The essence of teaching and educating:
If to correct, you must humiliate; you don't know
how to teach and educate"***
