## ***October is Rotary's Economic and Community Development Month***

This month takes on a more important meaning in our local economy as we experience slow recovery from the devastating impact brought about by the pandemic. Thank you to our Community partners, stakeholders and to all generous Rotarians for their continuous support to find ways that can help our communities rise again.

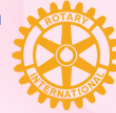

Rotary Club of Kandaya started the month with a Community Pantry in partnership with City Tourism Office and DIGS, sharing food to 150 households in Tacloban City. Despite the harsh times, we will also celebrate what we have done to empower our communities economically and envision how to further community development together with our strategic partners.

For this month, we are also tasked to put emphasis on two important things, Breast Cancer Awareness and the World End Polio.

Breast cancer is a serious disease that affects millions of people and their loved ones each year. As we take part in Breast Cancer Awareness, we have several activities set for our Club that include Wall of Hope in Robinsons North, Breast Cancer Awareness Forum in St. Francis Village in Brgy Suhi, Breast Cancer Kit and Cookies fund raising Activity and financial assistance to Breast cancer Survivors. Everything was put in place with your support and participation.

This coming October 24, Rotary will observe The World Polio Day. This year's theme is Delivering on Our Promise of a Polio-Free World. The program includes an update on polio eradication efforts and shows how continued investment by Rotary and the global health community is critical to protect our progress. Our Club will actively support the cause. We are set to join the , I Run to END POLIO NOW!, motorcade around the City and Information Campaign in Robinsons North.

Yes! 2021 has been a powerful reminder that we are all in this Together and our choices and actions can make things happen. Let us continue to be a Rotarian by heart and action, indeed People of Action!

## THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST.** The development of acquaintance as an opportunity for service;
- **SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

# Rotary

## THE FOUR-WAY TEST

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

# Rotary

## MISSION

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders

# Rotary

## **ROTARIAN CODE OF CONDUCT**

The following code of conduct has been adopted for the use of Rotarians:

As a Rotarian I will,

- Act with integrity and high ethical standards in my personal and professional life.
- Deal fairly with others and treat them and their occupations with respect.
- Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world.
- Avoid behavior that reflects adversely on Rotary or other Rotarians.
- Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

# Secretary Says

*Blessing Javier*  
SECRETARY

We are so overwhelmed with your Support to The Rotary Foundation! Here are some more information about our contribution and our foundation:

The Rotary Foundation transforms your gifts into service projects that change lives both close to home and around the world. Since it was founded more than 100 years ago, the foundation has spent more than \$4 billion on life-changing, sustainable projects. With your help, we can make lives better in your community and around the world.

The Rotary Foundation helps Rotarians to advance world understanding, goodwill, and peace by improving health, providing quality education, improving the environment, and alleviating poverty.

- What impact can one donation have?
- For as little as 60 cents, a child can be protected from polio.
- \$50 can provide clean water to help fight waterborne illness.
- \$500 can launch an antibullying campaign and create a safe environment for children.

## INDIVIDUAL RECOGNITIONS

### Member

A Rotary Foundation Sustaining Member personally contributes \$100 or more each Rotary year to the Annual Fund. ## Paul Harris Fellow

Paul Harris Fellow recognition is given to anyone who contributes (or in whose name is contributed, using Foundation recognition points) a gift of \$1,000 or more cumulatively to the Annual Fund, the PolioPlus Fund, or an approved global grant. ## Take Action to Grow Local Economies

Posted on October 12, 2021

*Miranda Varon*  
PRESIDENT ELECT

*Rotary members are passionate about finding sustainable solutions to ending poverty. The issue has become even more important because of how the COVID-19 pandemic has affected poverty levels and advanced inequality in communities around the globe. During Community Economic Development Month, consider how you can address community needs and challenges.*

### **Involve community members in your work:**

- Sponsor or work with an existing Rotary Community Corps, to engage members of the community where you're working and help a project become sustainable by empowering local leaders.
- Contact your district community service chair, who can advise you about developing local projects to address your community's local needs. The service chair can also connect you to local organizations, district committees, and other Rotary groups that focus on service.

### **Increase your impact by working with one of Rotary's service and project partners:**

- Ashoka helps find creative solutions to social problems.
- Habitat for Humanity International provides safe and affordable shelter to families in need.
- The Peace Corps promotes peace and community development.
- ShelterBox provides disaster relief such as emergency shelter and aid to families.

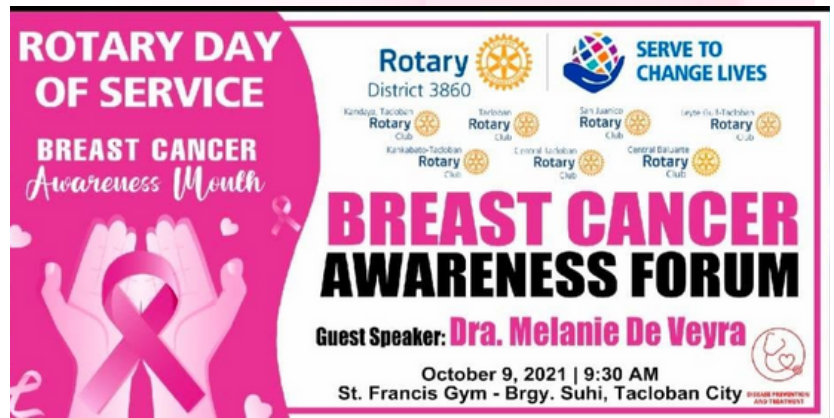

### **Connect with community economic development experts to ensure that your projects are effective and sustainable:**

- Contact your district international service chair, who can connect you with other local experts in this area of focus.
- Contact a Rotary Action Group to get expert advice on planning and implementing a project and help finding partners, funding, and resources. Many of these groups focus on economic issues, like the action groups for community economic development, disaster assistance, and food plant solutions.

## Bits of Facts on BCA and WPD

The Rotary Club of Kandaya's (RCK) observance of Breast Cancer Awareness (BCA) Month and World Polio Day (WPD) in October amid the global Corona Virus 19 pandemic epitomizes two essentials: vigilance and solidarity. RCK has consistently played a pivotal role in launching and propagating Rotary International's decades-long global BCAM campaign and polio eradication initiatives.

Let us refresh ourselves with some interesting facts about these two important events:

BCA is an annual campaign to raise awareness about the impact of breast cancer and support women to reduce the risks. It aims to remove the fear and stigma of cancer and help people recognize the early signs and symptoms, thus, enabling them to seek treatment at an early stage. Cancer awareness can also lead to people making healthier lifestyle choices.

The pink ribbon is the most prominent international symbol of BCA. Pink ribbons and the color pink, promotes the breast cancer brand and express moral support for women with breast cancer, thus coining the term Pink October. People wear pink ribbons to remember those lost to the disease, support the progress we are making together to defeat breast cancer, and to honor survivors. On this score, we salute beautiful and resilient Kandayan breast cancer survivors – Rotarians Beth, Elaine, Liza.

Rotary, World Health Organization and the Centers for Disease Control and Prevention launched in 1988 the Global Polio Eradication Initiative. In 2007, Bill and Melinda Gates Foundation joined Rotary in its commitment to ending polio.

Polio virus is a highly infectious disease that most commonly affects children under the age of 5. There is no cure, but polio is preventable with a vaccine. Unless polio is ended forever, every child is at risk. Cases are reduced by 99.9% since 1988. Three countries left where polio remains endemic: Afghanistan, Pakistan, Nigeria.

Rotary has contributed more than \$2 billion dollars to fight polio, including matching funds from the Gates Foundation, and countless volunteer hours since launching its polio eradication program, Polio Plus, in 1985. Worth mentioning now, would be the generosity and best examples of humanitarian service of the RCK lovely ladies in the club's efforts of becoming 100% Paul Harris Fellows.
