PRESIDENT

Dear Kandayans,

November is the Rotary Foundation month.

Basically, The Rotary Foundation transforms our gifts into projects that change lives locally and around the world. Let us remind ourselves that we as Rotarians are tasked to “promote” all the good work done by the Rotary Foundation and to give and share so that we can all continue the good work. Our small giving can bring hope to others.

I am personally thankful and moved by Rotarians, who despite our challenging days, were able to give with great generosity and kindness to support The Rotary Foundation. This month gave me a realization, that we are blessed to be given the responsibility and an opportunity to share and give to others by serving and sharing without expecting something in return. The more that I am inspired to work more, to be blessed, to be a blessing to others.

My dear Kandayans, our result of total giving as of November, does not only show how willing we are to help others but how we deal with RI challenge as a family. The willingness to match others to push everybody up, was very inspiring. 100% contribution from all the members, whether big or small, makes the difference! Congratulations!

Indeed, this one is true; “If you find yourself feeling unhappy, try making someone else happy and see what happens. If you’re feeling empty and unfulfilled, try doing some meaningful and worthwhile work and see how you feel.’ The catch is that you must do this work with passion and enthusiasm.

Kandayans, let us continue to share and add value to other people’s lives by being of service and living selflessly. Kudos to everyone!

Rotary

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST.** The development of acquaintance as an opportunity for service;
- **SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Rotary

THE FOUR-WAY TEST

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Rotary

MISSION

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders

Rotary

ROTARIAN CODE OF CONDUCT

As a Rotarian I will,

- Act with integrity and high ethical standards in my personal and professional life.
- Deal fairly with others and treat them and their occupations with respect.
- Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world.
- Avoid behavior that reflects adversely on Rotary or other Rotarians.
- Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

Secretary Says

Blessing Javier
SECRETARY

Thank you very much to our very generous Kandayans, to our TRF Director Kathleen Quintero, and to our very active and witty President Irish Loteyro for making TRF month so exciting this year! Your tireless computations, encouragements, and positive outlook have made all these possible.

It is very fulfilling to know that our contributions, whether big or small, can make a big difference in the world; knowing that one child somewhere in the world can be fed or water can be provided in a village. Together, let's continue to serve to change lives!

Congratulations to our NEW TRF AWARDEES!!!

ROTARY INFORMATION

PRESIDENT'S MESSAGE

Miranda Varon
PRESIDENT ELECT

I first discovered the value of service when I saw how a few simple acts can immeasurably change lives. It began when I joined others in my club for a project to bring toilets and clean drinking water to rural villages near our city. It moved forward when we promoted sanitation and provided opportunities for education across the country, thanks to generous gifts from supporters who believed in our projects as much as those of us on the ground did.

There is no better time of the year to be reminded of that generosity than November, which is Rotary Foundation Month.

As the charitable arm of Rotary International, The Rotary Foundation is the engine that powers so many Rotary projects throughout the world. The Foundation transforms your gifts into projects that change lives. It is the Foundation that helps us to get closer to our goal of eradicating polio, to show more people how we promote peace through tangible actions, and to demonstrate the impact our projects have in our areas of focus.

Consider some recent projects that were made possible by the Foundation:

- The Rotary clubs of Guatemala La Reforma, Guatemala, and Calgary, Alberta, received an \$80,000 global grant to organize a comprehensive plan to train nurses and rural health care workers to prevent and treat cervical cancer and to implement a sustainable system of referrals in seven regions of Guatemala.
- More than two dozen hospitals in Honduras received personal protective equipment for their medical staff thanks to a \$169,347 global grant sponsored by the Rotary clubs of Villa Real de Tegucigalpa, Honduras, and Waldo Brookside-Kansas City, Missouri.
- The Rotary clubs of Cotonou Le Nautile, Benin, and Tournai Haut-Escout, Belgium, received a \$39,390 global grant to provide agricultural training at an ecologically responsible permaculture mini-farm connected to a center for children in Sowé, Benin. This will help a new generation of farmers become economically self-sufficient.

I like comparing The Rotary Foundation to the Taj Mahal, a monument of one man's love for a woman. The Foundation is a dynamic monument of our love for all of humanity.

This month I am asking all Rotary clubs to bring attention to the Foundation. It is what connects all Rotarians worldwide and transforms our collective passions into projects that change lives. Visit rotary.org/donate; once there, you will have an opportunity to give directly to the program you're most passionate about.

Thank you for giving your all to Rotary. You are the reason that Rotary is able to do more and grow more. Let's continue to represent that important legacy this month, this year, and beyond as we Serve to Change Lives.

EDITOR'S NOTE

The Gift of Giving

The Rotary Foundation (TRF) is a non-profit corporation which was founded in 1917 by Arch C. Klumph at the Rotary Convention in Atlanta, Georgia. The motto of TRF is "Doing Good in the World". It supports the efforts of the Rotary International through international humanitarian, educational and cultural exchange programs. It is supported solely by voluntary contributions.

TRF's mission is to help Rotarians advance world understanding, goodwill, and peace by improving health, providing quality education, improving the environment, and alleviating poverty.

To date, TRF is recognized as one of the most effective and well-managed charitable organizations in the world.

When we give to the Rotary Foundation, we are directly supporting Rotary's work. The gift make, our Rotary service projects – eradicating polio, , developing communities, promoting peace, and many others– happen.

The knowledge that we are helping others is hugely empowering and, can make us feel happier and more fulfilled. Having the opportunity to improve the lives of others is, to many people, in particular many lovely Kandayans, a privilege, and one that comes with its own sense of obligation. Acting on these powerful feelings and sense of responsibility is a great way to reinforce our personal values and feel like we are living in a way that is true to our own ethical values.

Mother Teresa was so right when she said: "It's not how much we give but how much love we put into giving".
