PRESIDENT

The very reason why I stay strong in Rotary is the feeling of fulfilment as I discover the real value of Service Above Self. Seeing the smiles and appreciation in the faces of our recipients thru our Service Projects is really priceless. The overwhelming support of our fellow Rotarians in terms of their presence, financial and moral support gives me an assurance that we are on the right tract. With these, we make things happen!

Thanks to generous gifts from supporters, our Community Partners who believed in our projects: Carbert Marketing and Co. Inc, Holy Cross Gardens, Blue Glanz Wedding and Events Boutique, Mommy's Diner, Leyte A-plus Credit Corporation, P'nt Electrical and Hardware Supply, DJ Solutions, Prime Property Solutions, Tia Tita's, and Riway- Team Bonet. We also extend thanks to our Service Partners: RCC- Tacloban North Communities Association, Samar-Leyte Texas, Chapter 2, Phil Red Cross R8, Prime Waters, Civil Service Commission. FundLife and the City Government of Tacloban. Indeed, there is no better time of the year to be reminded of that generosity than November, which is Rotary Foundation Month.

In the words of RI President Shekhar Mehta " You are the reason that Rotary is able to DO more and GROW more. Let's continue to represent that important legacy this month, this year, and beyond, as we Serve to Change Lives."

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST.** The development of acquaintance as an opportunity for service;
- **SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Rotary

THE FOUR-WAY TEST

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Rotary

MISSION

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders

ROTARY INFORMATION

Miranda Varon
PRESIDENT ELECT

We believe good health care is everyone's right. Yet 400 million people in the world can't afford or don't have access to basic health care.

Disease results in misery, pain, and poverty for millions of people worldwide. That's why treating and preventing disease is so important to us. We lead efforts both large and small. We set up temporary clinics, blood donation centers, and training facilities in underserved communities struggling with outbreaks and health care access. We design and build infrastructure that allows doctors, patients, and governments to work together.

Our members combat diseases like malaria, HIV/AIDS, Alzheimer's, multiple sclerosis, diabetes, and polio. Prevention is important, which is why we also focus on health education and bringing people routine hearing, vision, and dental care.

HOW ROTARY MAKES HELP HAPPEN

We educate and equip communities to stop the spread of life-threatening diseases. Rotary members have hundreds of health projects underway around the world at any given time.

OUR IMPACT ON DISEASE

The Rotary Foundation is changing the world by providing grants for projects and activities around the globe and in your own backyard.

Rotary makes amazing things happen, like:

Providing clean water: Rotary has worked with partners to provide more than 80 percent of Ghana's people with clean water to fight Guinea worm disease.

Reducing HIV infection: In Liberia, Rotary members are helping women get tested for HIV early in their pregnancies. They used prenatal care to reduce new HIV infections in children by 95 percent over two years.

Ending polio: Rotary members have played a key role in bringing the world to the brink of polio eradication. Their efforts have not only ended polio in 122 countries but also created a system for tackling myriad other health priorities, such as Ebola.

Donating to Charity

Almost everyone in the world appreciates the value of charity to some degree. Beyond the seemingly universal inclination we have towards giving to charity, why should it be an important part of our lives?

First off, charity helps people who needs it. If we can stop bad things from happening without significantly reducing our own well-being, we should.

Second, giving to charity can be one of the easiest ways to make one feel good. It is a highly effective way of generating that amazing warm glow feeling – the same feeling one feels when one helps a neighbor, a friend, a relative, or a co-employee. Studies show that people who help others are happier, that people who spend more money on others, have greater happiness and well-being. On the other hand, people who kept money for themselves have higher stress levels and thus are less happier.

Third, charity can make the world a fairer place, Donating can give us the chance to do a tremendous amount of good in the world. Who does not dreamed of a world where hunger, poverty, lack of education, sickness do not exist?

Sharing is a contagious feeling. The more one gives, the happier one becomes, thus, the more an individual dares to share more. When other people see how happy a person is in the act of giving, that person becomes a testament to another, which helps create a ripple effect of people sharing and giving to others.
