Happy New Year to all!

I really can't believe that we are already halfway of the Rotary Year. As we celebrate the Lunar New Year, the Life Changing Board would like to thank everyone for your continued service and commitment to help others, despite the challenging world we are in. We have completed some excellent community service projects so far this year, 52 community projects to be exact and 5 fellowships. How timely, even with the restrictions of COVID-19.

As we usher the year 2022, I encourage everyone to embrace positivity, continue the passion to Serve above Self, and be a cheerful giver. We still have six more months to finish the Rotary year 2021-2022. Let us fill these remaining months with more life-changing activities. In the same manner I would like to personally welcome four (4) new Kandayans who were officially enrolled in Rotary International. To Meggy, Kimi, Chekay and Sam, I am very much happy having you in our club. May you have a fruitful journey with us, enjoy the Rotary ways!

To all Kandayans, I wish you all and your family good health, happiness, success, peace and best of luck for this New Year. Let us create an amazing journey ahead!

Give a big cheer, for the New Year!

## THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST.** The development of acquaintance as an opportunity for service;
- **SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

- **FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

# Rotary

## THE FOUR-WAY TEST

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

# Rotary

## MISSION

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders

# Rotary

## **ROTARIAN CODE OF CONDUCT**

As a Rotarian I will,

- Act with integrity and high ethical standards in my personal and professional life.
- Deal fairly with others and treat them and their occupations with respect.
- Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world.
- Avoid behavior that reflects adversely on Rotary or other Rotarians.
- Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

## January is Vocational Service Month

**The Object of Rotary** is a philosophical statement of Rotary's purpose and the responsibilities of Rotarians. The concept of vocational service is rooted in the Second Object, which calls on Rotarians to "encourage and foster":

Those objectives are:

- To encourage and foster high ethical standards in business and professions, to recognise the worthiness of all useful occupations, to dignify the Rotarian's occupation as an opportunity to serve society.
- To apply the ideal of service in personal, business and community life.
- To advance international understanding and goodwill, and peace through a world fellowship of businessmen and professional men and women united in the ideal of service.

**Paul Harris wrote: "Each Rotarian is a connecting link between the idealism of Rotary and their trade or profession".**

**Vocational Service is the way Rotary fosters and supports the application of the Ideal of Service to the pursuit of all vocations.**

**It is the shared responsibility of both the Rotary Club and its members.**

**The role of the Club is to implement and encourage the objectives by its own actions in dealing with the community and by the development of projects that enable members to use their vocational talents in the service of the community. The role of members is to conduct themselves and their businesses in accordance with Rotary principles, and support the Vocational Service projects that the club has developed.**

**During January, Rotarians are encouraged to focus on this important avenue of Rotary service. Discussions on vocational service can lead to projects that not only develop the ethical consciousness and vocational skills of Rotarians but also the talents within their communities. Vocational Service Month is an opportunity to begin year-long vocational service activities, ranging from Rotary discussions to awards to community projects.**

# EDITOR'S NOTE

## January and Vocational Service

Each new year often starts with recaps, resolutions, retrospection and .. January. The month of January was named after the Roman god Janus, known as the protector of gates and doorways, who symbolizes beginnings and endings. Janus is depicted with two faces, one looking into the past, the other with the ability to see into the future. What a fitting symbol for this first day/month of the year; this month is door into the new year, new hope, new beginning.

To the Rotarians, January is Vocational Service Month. The concept of vocational service is rooted in the 2nd Object of Rotary: “High ethical standards in business and profession; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian’s occupation as an opportunity to serve society.’

Now, how do we put these ideals into action? This tough question can be simply answered by looking at the RCK Roster of Members, which is a clear evidence of how we recognize the importance of various skills and occupations. The roster includes women from diverse professions and backgrounds.

What brought you to Rotary? In all likelihood, someone identified you as a prospective Rotarian because you are a respected leader/member of your professional/business field – in Rotary parlance, your “classification’. Each RCK member represents a cross-section of community’s business/profession population, which ensures diversity in experiences and perspectives. Classification and vocational service go hand in hand. Just as we Rotarians represent our vocation in Rotary, so do we represent Rotary in our vocation!
