PRESIDENT

April 1 2022 is a very memorable day for Rotary Club Kandaya as we welcomed our beloved honourable guest District Governor Anna Louisa Bumagat together with her loving spouse, PAG Troy Bumagat and Chief of Staff Jonathan Tse. The event was attended by 24 Rotarians and 2 Rotaractors.

Once a year, the District Governor makes an official visit to each club in the district, The purpose of the visit is to allow the District Governor to communicate directly with all Rotarians in our club. It is the time that she listens to the Club Leadership and gains better understanding of their club. By doing so, she can provide helpful and friendly advice to club officers on how to make the club more vibrant and to answer questions about Rotary International and the District.

And because it is almost end of the Rotary year, we proudly present the achievements, Life Changing journey of our Club as we serve as a catalyst to help strengthen the programs of Rotary.

Cheers to dedicated Kandayans doing Service Projects !

Despite the extreme difficulties posed by our current situation, we have witnessed relevant service projects - big and small, 82 Community service projects to be exact covering 176 area of focus. Our Rotary Community Corps - Northern Tacloban Communities Asso, chartered last September 16, 2021 did help us a lot together with our Community partners

Congratulations everyone for a very successful event!

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST.** The development of acquaintance as an opportunity for service;
- **SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Rotary

THE FOUR-WAY TEST

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Rotary

MISSION

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders

Rotary

ROTARIAN CODE OF CONDUCT

As a Rotarian I will,

- Act with integrity and high ethical standards in my personal and professional life.
- Deal fairly with others and treat them and their occupations with respect.
- Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world.
- Avoid behavior that reflects adversely on Rotary or other Rotarians.
- Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

ROTARY INFORMATION

Miranda Varon
PRESIDENT ELECT

Saving Mothers & Children

Rotary makes high-quality health care available to vulnerable mothers and children so they can live longer and grow stronger.

We expand access to quality care, so mothers and children everywhere can have the same opportunities for a healthy future. An estimated 5.9 million children under the age of five die each year because of malnutrition, inadequate health care, and poor sanitation — all of which can be prevented.

HOW ROTARY MAKES HELP HAPPEN

Rotary provides education, immunizations, birth kits, and mobile health clinics. Women are taught how to prevent mother-to-infant HIV transmission, how to breast-feed, and how to protect themselves and their children from disease.

OUR IMPACT ON THE LIVES OF MOTHERS AND CHILDREN

The Rotary Foundation reaches mothers and children in need by giving communities the help and training they need to take control of their own maternal and infant health care.

Rotary makes amazing things happen, like:

Mobile prenatal clinics

Haiti has the highest maternal and infant mortality rate of any country in the western hemisphere. Rotary provided a fully equipped medical Jeep to volunteers and midwives to reach mothers and children in remote areas.

Cancer screening

Rotarians provided a mobile cancer screening unit and awareness trainings around Chennai, India, where there is a high mortality rate of women with breast and cervical cancer due to late diagnosis.

Preventing injuries and deaths

Rotary members launched a \$3 million, five-year pilot to save lives of mothers and children during home deliveries in Nigeria. Since 2005, they've also repaired 1,500 obstetric fistulas — 500 more than their initial goal — restoring dignity and hope to vulnerable mothers.

EDITOR'S NOTE

Maternal and Child Health is one of Rotary's main causes. Worth emphasizing is that maternal and child health is part of Goal No. 3 of the Sustainable Development Goals (SDG) – Good Health and Well-being. It is also included in the 7 Areas of Focus of Rotary.

Maternal health is the health of women during pregnancy, childbearing and the postpartum. This includes good nutrition, ensuring access to sexual and reproductive health, and supporting women who may be experiencing intimate partner violence. Improving the well-being of mothers, infants and children is an important public health goal. Promoting their health is crucial, as their well-being determine the health of the next generation.

Investing in better maternal health not only improves a mother's health and that of her family, but also increase the number of women in the workforce, and promotes the economic well-being of communities and countries.

The Rotary has an empowering way of reaching to mothers and children in need –they give communities the help and training they need to take control of their own maternal and infant health care. Indeed, this is enabling! Moreover, Rotary are working diligently towards this cause through improving women's access to skilled health care providers. Kandayans are dedicated to maternal and child health and they continue to roll their sleeves up to support and carry on with this particular cause.
