Final Call to finish STRONG! Yes, May is here! We have a lot going in our Club and District. As we begin our last two months of Rotary year, we are all busy finishing our service projects, planning for the next Rotary year, and training of new leaders.

Rotary's theme for May is Youth Service Month. This is Rotary's annual celebration to support young people in fully exploring and developing who they are and what they have to offer this world. Rotary believes in developing the next generation of leaders. Our programs help younger leaders build leadership skills, expand education, and learn the value of service. For this year, Rotary Club of Kandaya did sponsor 8 RYLA participant to Youth Camp- Online and send two young leaders of Rotaract Club of Kandaya to attend the DISTAS in General Santos. Fresh start for our incoming youth leaders! Best of luck.

Last week we celebrated Rotary at our District Conference! We did have our DISCON in Ormoc City, the City of beautiful people on May 27-28, 2022. Eleven (11) beautiful Kandayans did attend that fun filled event with District 3860. At the conference our Club was recognized and awarded with the following Citations: \$1500

Giving Club to Polio, 100% Rotary Foundation Sustaining Member Club, 100% Foundation Giving Club, \$100 per Capita and 100% Members Participation) and for having \$100 Total Giving Club.

Again, and again, Congratulations and Thank you for your outstanding contributions to Rotary!

Rotary

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST.** The development of acquaintance as an opportunity for service;
- **SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Rotary

THE FOUR-WAY TEST

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Rotary

MISSION

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders

Rotary

ROTARIAN CODE OF CONDUCT

As a Rotarian I will,

- Act with integrity and high ethical standards in my personal and professional life.
- Deal fairly with others and treat them and their occupations with respect.
- Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world.
- Avoid behavior that reflects adversely on Rotary or other Rotarians.
- Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

ROTARY INFORMATION

Miranda Varon
PRESIDENT ELECT

Presidential Message

Shekhar Mehta
President 2021-22

May 2022

Due to your positive response to the Each One, Bring One initiative, I am so happy to see that the membership trends in Rotary are looking up. Let us not lose this momentum — keep inviting new members, and also work hard to retain every member we attract. I look forward to seeing you next month in Houston at the 2022 Rotary International Convention, which I assure you will be a great event.

Also in Houston this June, we will be hosting my final presidential conference. We have devoted this year to conferences built around Rotary's areas of focus. They have been a tremendous success, both in terms of attendance and in the ideas that were generated.

Last fall, our conference in the Philippines, which focused on protecting the environment and growing local economies, attracted 2,200 people online. In Brazil, our meeting centered around water, sanitation, and hygiene and how it relates to disease prevention and treatment; more than 600 people attended. That was followed by an event about the environment, economy, and peace in Maputo, Mozambique, which attracted around 400 in-person attendees and another 700 virtually. Our conference about keeping the economy and environment in harmony, held in Venice, Italy, had more than 600 in attendance.

Through these conferences and my world travels, numerous leaders have met with me and agreed to collaborate with Rotary. They include the prime minister of Mauritius, the president of Seychelles, the deputy prime minister of Bahrain, and the presidents of Albania and Kosovo. Clearly, Rotary is making an impact, and the world is eager for our leadership.

In Houston, the final presidential conference, Serve to Bring Peace, will focus on an area in which Rotary has long provided leadership. Everything we do in Rotary helps create the conditions that foster peace in communities, nations, and ourselves.

In March, I was able to see firsthand the tremendous difference Rotary is making in Ukraine, as refugees continue to pour into Poland. Donors have contributed millions of dollars to this effort; our projects are making a tremendous difference, and there is enormous gratitude for your continued generosity and support.

It is heartbreaking to see up close all the lives that have been uprooted, and the Ukrainian people are not alone. A devastating civil war in Yemen continues. The humanitarian crisis in Afghanistan is deepening. Armed conflicts affect nations across Africa, including Libya, South Sudan, the Central African Republic, northern Mozambique, Ethiopia, and Cameroon. And major refugee crises continue in Syria and Venezuela.

Rotary will always be on the side of the peaceful resolution of conflict and providing aid and comfort to people in need. Rotary was there at the end of World War II, promoting the creation of the United Nations and standing up for the cause of peacebuilding worldwide. It is time to renew our mission and perform our role as one of the world's great promoters of peace.

There is no better way to Serve to Change Lives than to serve the cause of peace.

EDITOR'S NOTE

The Hope of Tomorrow

Our national hero, Dr. Jose P. Rizal said, "Youth is the hope of the future". It is a timeless quote. He did not say that out of nothing. He meant something by it in hopes that it will touch the sensibility of those who will hear it.

Our youth can bring social reforms and can improve the conditions of society. Youths are the future of tomorrow. The intelligence and imagination of the youth will take the country on a pathway to success. They have the capability to determine the future, not only of a community and a nation; they can also shape future of the world. Simply put, they are in charge of making changes that matter and maintaining cultures that positively impact our communities. The youth is the backbone of the nation and the youth is indeed our future!

With all these said, the youth needs to be empowered in order to play their role in the development of society. They need to be engaged and be involved in making decisions for the future. The youth has a voice that a community should listen to, they need an avenue through which they can make their voices heard and recognize the power that they have.

And this is where Rotary comes in. Rotary believes in developing the next generation of leaders. Rotary programs help the youth build leadership skills, expand education and learn the value of service. With Rotarians empowering the youth, we ignite the innate flame of their power in making this world a much better place.
